

THE DUELMASTERS FACE-TO-FACE GRAND TOURNAMENT LXIII

Reality Simulations is proud to host the Duelmasters Face-to-Face Grand Tournament LXIII on July 18-20, 2019 (Friday through Sunday) at the Embassy Suites Tampa Airport in Tampa, Florida. This tournament will be a Face-to-Face tournament only. To participate, you must attend in person or by proxy. To have a friend proxy your warriors, fill out the proxy section on the back of the attached strategy sheet; they will run your warriors according to your instructions and collect the results and mail them to you. Or, you can have RSI "proxy" your warriors by writing "RSI Proxy" (for RSI-proxied warriors, please note that we cannot do any strategy changes. We will print and mail results later in the week when we get home.) The cost is \$7.00 per preregistered warrior, \$8.50 per warrior at the door. We encourage all managers to preregister, but you may register at the convention. To preregister, copy the enclosed Face-to-Face strategy sheet and fill it out for each of the warriors you want to preregister. We need to receive them at our offices by Wednesday, July 17. We will accept late registration from 12:00 noon to 9:00 pm. on Friday, July 19 at the hotel. All managers must check in by Saturday at 8:00 am.

The tourney will consist of eleven classes as follows:

TOURNAMENT CLASSES

| | |
|----------------------------|---|
| The Primus Tournament | -- All Primus inducted warriors (as of the June 2019 ADM Freeze) |
| The Contenders Tournament | -- All Primus contenders (as of the June 2019 ADM Freeze) |
| The Eligibles Tournament | -- All Primus qualified warriors (as of the June 2019 Freeze) |
| The ADM Tournament | -- All other ADM warriors (as of the June 2019 ADM Freeze) |
| The Freshmen Tournament | -- All new ADM warriors and ADM Freshmen (as of the June 2019 ADM Freeze) |
| The Challengers Tournament | -- DM warriors with 31+ fights as of the Tournament |
| The Champions Tournament | -- DM warriors with 21+ fights as of the Tournament |
| The Adepts Tournament | -- DM warriors with 11-20 fights as of the Tournament |
| The Initiates Tournament | -- DM warriors with 5-10 fights as of the Tournament |
| The Apprentices Tournament | -- DM warriors with 1-4 fights as of the Tournament |
| The Rookies Tournament | -- DM warriors with 0 fights as of the Tournament (July 19, 2019) |

All warriors who have been recently invited to ADM and have fought (or not fought) their last fight in their regular arena before the tournament (due dates on or before Thursday, July 18), and warriors who were classified as Freshmen as of the June 2019 ADM freeze, will fight in the Freshmen tournament. All ADM warriors who are not Freshman and not Eligibles, Contenders, or Primus Inducted will fight in the ADM tourney. Please note that all regular games due on Thursday will process before the tournament, while games due on Friday and Saturday will run after. A warrior's number of fights is calculated by adding his regular arena bouts and roughly half of his previous tournament fights. A warrior's fight total is determined by his record and statistics as of the day of the tournament; the freeze date for ADM warriors was June 10 at 12:42am.

There will be ten rounds of combat. For all but the Primus and Contenders tourneys, we will use a triple elimination system. A warrior's third loss will drop him from the tournament. On the average, each warrior will fight six fights with a minimum of three fights for each warrior (excepting death). In the Primus and Contenders tourneys, warriors will not be eliminated until after Round 5; at that point and thereafter, warriors with three losses will be eliminated. (Thus, after Round 5, warriors with 0-5, 1-4, and 2-3 records will be eliminated; after Round 6, warriors with a 3-3 record will be eliminated, and so on.) All tournaments will continue until only one warrior remains uneliminated! After Round 10, all warriors who are uneliminated will continue to the matchoffs. (If you can, please make your travel arrangements accordingly, as it does take some time to process and read the final rounds!) Pairings in the tournaments are random. On the first round of the tournament, pairings will not be announced. On all subsequent turns, you will be told whom your warrior will fight before your strategies are due, thus allowing you to change your warrior's strategy to best suit your next opponent.

Learning, experience, and the likelihood of dying are all at half of their normal rates. (Only so much can be learned in such a short time, fighting with blunted weapons.) The record and popularity of your warriors in the tournament do not count towards their record in regular arena play. Those fighters who remain uneliminated after Round 10 are declared Tournament Victors and may write "TV" next to one of their challenges each turn in regular arena play to receive increased priority on their challenge. The warrior with the best overall record at the end of each tournament will be declared Tournament Champion and will fight for free in regular arena play. Tournament Victor and Champion status are great honors that last for six months or until the next Face-to-Face tourney. The manager of each Tournament Champion will receive an exciting prize: ten potions, each of which will increase the bonus in a skill area by one! All prizes must be used on a warrior Initiates class or higher, and may not exceed the natural bonus limitations for a warrior. The Primus tournament prize must be applied to a Primus class warrior. Remember, you must use all prizes within six months of the tourney when they were earned.

In addition, all Primus Stylemasters will earn one bonus skill potion, which must be applied to a warrior of that same style in Primus. The Primus TC, however, earns only the TC prize.

But that's not all! We plan to hold two Bloodgames arenas at the same time. One arena will be Face-to-Face style (managers may submit bloodfeuds and strategy changes each turn—DM 98) and one will be Mail-in style (managers submit one strategy per warrior, no strategy changes or challenges for the ten turns—DM 99). Teams are ten warriors, all DYO's, one of each style. The three Bloodgames Champions of each arena must be different styles. More information will be available at check-in or you can contact Customer Service. You may submit your teams and strategies ahead of time if you wish (no special rollup is needed). Bloodgames teams are \$10 to roll up; Bloodgames are \$49 for the entire ten-round tournament.

After all rounds have processed on Sunday, we will run grudge matches if we have time. In a grudge match, a warrior may fight another warrior in his class: a Rookie may only fight a Rookie, a Champion may only fight a Champion. Each warrior may fight only one grudge match. Only managers present at the tournament may initiate grudge matches. Warriors may fight another on the same team, provided they are in the same class. Life, death, and trains are permanent.
