A grand total of 1861 warriors participated in Grand Tournament LI. This was a big amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: A Team Stat-Swap. The opportunity to create a new team of five warriors, switching any or all of the attributes amongst the five warriors at your whim, then adding the remaining 70 points--the only catch is that each warrior must have 84 points when you're done! Further, each of these five warriors will be cloned three times, and you may choose the best warrior of those three to remain on the team. Please remember, you must use all prizes within six months of the tourney when they were won.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in L longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. — The Gladiatorial Commission

TOURNAMENT SPY REPORT

So, here we are in sunny Bonsur, days at the arena watching the fights, nights at the palace carousing. Queen Gemra puts on a good carouse. Well, she called it a feast, and she left before things got really rowdy, but that's okay. She would've put a damper on some of the carousing. It's a good life. Or un-life, as the case might be.

As always, we begin with **Primus**. The top of the heap, the cream of the gladiatorial system, all that stuff.

Round nine has a mere five fights. Not as many as I expected, but it makes it possible to pay attention and avoid confusion. We've got some long fights, too--time for anyone who wants to grab a beer and a brat. Seven minutes, three, twenty-one, eight, and twenty-eight. In the shortest fight, PSYCHO SCIENTIST 18-697 of MAD SCIENTISTS was demolished by SEBASTIAN 66-1834 of THE INQUISITION in a 3 minute one-sided melee. Sebastian is one of three undefeated contestants. JOHN ASHCROFT 24-4355 of DOH! was outwitted by LITTLE CROW 82-5418 of THE PEOPLE in a popular 21 minute contest. Little Crow is also undefeated. And finally, 5 62-2979 of NUMBERS was viciously subdued by WEBBED TOES 68-8436 of MOM 'N DAD RELATED? in a popular 28 minute bloody duel. Which leaves Webbed Toes undefeated. It's hard to tell what with armor and helmets and all, is Webbed Toes a Duck?

Round ten, four fights. MIPHON 10-2706 of LIQUID CARNAGE bested SEBASTIAN 66-1834 of THE INQUISITION in a crowd pleasing 2 minute fight. Which gives Sebastian his first loss. JOHN ASHCROFT 24-4355 of DOH! viciously subdued WEBBED TOES 68-8436 of MOM 'N DAD RELATED? in a dull 62 minute brutal battle. First loss for Webbed Toes. BONNIE 29-2780 of SUPERIOR FORCES savagely defeated JANET RENO 42-3823 of I'M DEAD SEXY in a unpopular 69 minute bloody duel. Janet eliminated, and exhausted as well. And 5 62-2979 of NUMBERS savagely defeated LITTLE CROW 82-5418 of THE PEOPLE in a monotonous 85 minute bloody fight. Which gives Little Crow HIS first loss. Nobody remains undefeated, and seven go on to the next round.

Round eleven, four fights again, one involving a standby. MIPHON 10-2706 of LIQUID CARNAGE was viciously subdued by BONNIE 29-2780 of SUPERIOR FORCES in a crowd pleasing 8 minute fight. This eliminates Miphon. OHN ASHCROFT 24-4355 of DOH! was savagely defeated by SEBASTIAN 66-1834 of THE INQUISITION in an exciting 22 minute gory melee. John is out now. 5 62-2979 of NUMBERS vanquished THE USEROUS MERCHANT 200-4 of The Faithful Standbys in a popular 1 minute mismatched brawl. A gimme. And WEBBED TOES 68-8436 of MOM 'N DAD RELATED? was outlasted by LITTLE CROW 82-5418 of THE PEOPLE in a crowd pleasing 22 minute match. These two put on a really good show to wrap up the round.

A pause to stretch, and we're back for round twelve. Twelve always seems a very round number to me. Three fights, two of them excessively long, and the third involving a standby. BONNIE 29-2780 of SUPERIOR FORCES slimly won victory over WEBBED TOES 68-8436 of MOM 'N DAD RELATED? in a 118 minute fight. This eliminates the Duck, Webbed Toes. Who'd've thought it back in round nine when Webbed was undefeated? 5 62-2979 of NUMBERS was viciously subdued by SEBASTIAN 66-1834 of THE INQUISITION in a dull 99 minute brutal battle. This eliminates 5. And finally, the standby fight: LITTLE CROW 82-5418 of THE PEOPLE overpowered AMBITIOUS GUARD 200-3 of The Faithful Standbys in a crowd pleasing 1 minute mismatched duel. We've got Sebastian and Little Crow at 11-1, and Bonnie at 10-2.

Round thirteen, two fights. BONNIE 29-2780 of SUPERIOR FORCES was viciously subdued by LITTLE CROW 82-5418 of THE PEOPLE in a unpopular 48 minute fight. Bonnie is now OUT. And SEBASTIAN 66-1834 of THE INQUISITION demolished FRATSFA SLAVE 200-1 of The Faithful Standbys in a 1 minute one-sided melee. A gimme. It's between Sebastian and Little Crow, both of them at 12-1. Sebastian has the edge in recognition, but is this going matter? Time will (probably) tell.

Round fourteen, one fight. SEBASTIAN 66-1834 of THE INQUISITION was viciously subdued by LITTLE CROW 82-5418 of THE PEOPLE in a unpopular 203 minute fight. Who cares about recognition, eh? Little Crow is ahead on wins, and that's what counts. Also, there was plenty of time here for a nap. Always good.

Round fifteen, again one fight. SEBASTIAN 66-1834 of THE INQUISITION viciously subdued LITTLE CROW 82-5418 of THE PEOPLE in a unpopular 241 minute gruesome fight. This puts them both at 13-2 and leaves us wondering WHO will come out of the next fight a winner. The next fight will decide it.

Round sixteen, one fight, the finisher. SEBASTIAN 66-1834 of THE INQUISITION was viciously subdued by LITTLE CROW 82-5418 of THE PEOPLE in a unpopular 39 minute fight. Which makes Little Crow the winner, the Champion of Primus, than which you can do no better. I believe Little Crow is Hombre's man. Both the final gladiators in this contest are aimed blows.

And there's a thing! Styles at the top of Primus--okay, in the Primus tourney, not necessarily the same thing: Aimed blows dominate the number of fights. Partly this is because, by winning, they went on to have more fights apiece, but partly I'll bet there were a LOT more aimed blows entered here. There was, hmmm, it looks like one parry lunge, and maybe two lungers. And that is IT, entirely ALL the styles showing on this little table the clerks made up for me. Which suggests that for the top of the struggle, you want an aimed blow. But getting one up here isn't easy.

We break for dinner, a little carousing, and a good night of sleep, or whatever one prefers to do at night--yes, a whole day gone with Primus, some of those fights were LONG. I've seen longer in other years, but four hours for one fight was long enough. And now we return to face the **Contenders!** In some ways, of course, every gladiator present at this tourney is a contender, but for the capital letter, Contenders, they have to be climbing--fighting every step--toward the top of Primus.

Contenders, round nine. Seven fights, and the longest is a mere fourteen minutes. That was: DEMONIC FURY 9-4557 of STATE OF MIND slimly won victory over LITTLEST TYRANT 82-55890 of THE NEPHEW in a 14 minute brawl. A valiant struggle, though short. Odd to see demonic fury matched AGAINST a nephew, I've often found them to be one and the same. Only one gladiator remains undefeated at this point, Frankenberry. PSYCHOPATH 69-8746 of ASYLUM was bested by FRANKENBERRY 82-51803 of DM OWNS YOU in a popular 2 minute gruesome competition. Psychopath got eliminated in this match. Tough luck, didn't even make tourney victor status. But that's the way Murphy rolls 'em. Frankenberry is undefeated. Nebuchadnezzar, R Is for Repugnant, Bedtime, and Littlest Tyrant have a single loss. Six with two losses here, but I'm not going to list them till we thin 'em out some.

Round ten. Six fights, one involving a standby. That one was a gimme. None of them longer than five minutes. Pfu! Five minutes? You're barely warmed up! Still, let's take a look. Hmmm, lots of eliminations. Here's one worthy of note, despite how short it was (I nearly blinked and missed it): FRANKENBERRY 82-51803 of DM OWNS YOU overpowered LITTLEST TYRANT 82-55890 of THE NEPHEW in a action packed 1 minute uneven melee. Frankenberry remains undefeated. Hmmm, skimming down the list, I must admit that there were only three eliminations, which isn't exactly "lots." Only Nebuchadnezzar and Bedtime managed to reach 9-1. At 8-2 we have Maca-Rauchy Salad, Trump, R Is for Repugnant, Dirty Zealot, and the Littlest Tyrant. Whirling Word, Isabel, and Demonic Fury are out.

Round eleven, four fights, no standbys. Littlest Tyrant and the Salad are out. Frankenberry is still undefeated, and don't ask me how he does that: you all know. He fights hard and skillfully, and he's really lucky. FRANKENBERRY 82-51803 of DM OWNS YOU overpowered LITTLEST TYRANT 82-55890 of THE NEPHEW in a 3 minute mismatched match. What's interesting here is that no one managed 10-1 behind Frank's 11-0. All 9-2 if they're still in: Trump, Nebuchadnezzar, R Is for Repugnant, Dirty Zealot, and Bedtime.

Round twelve, three fights, but no standbys. NEBUCHADNEZZAR 22-5821 of WE BE WAR FLAILS bested DIRTY ZEALOT 82-55889 of FLOPS in a crowd pleasing 4 minute fight. Dirty Zealot is eliminated. TRUMP 24-4359 of BAD HAND was vanquished by FRANKENBERRY 82-51803 of DM OWNS YOU in a 1 minute uneven battle. Trump is out, and Frankenberry remains undefeated. BEDTIME 82-28461 of 12:35 AM was narrowly defeated by R IS FOR REPUGNANT 99-1155 of GOOD ENOUGH FOR ME in a 5 minute fight. And Bedtime is out of the running.

TOURNAMENT SPY REPORT (continued)

Round thirteen, two fights, one standby. NEBUCHADNEZZAR 22-5821 of WE BE WAR FLAILS bested R IS FOR REPUGNANT 99-1155 of GOOD ENOUGH FOR ME in a 6 minute fight. This puts R out of the contest. FRANKENBERRY 82-51803 of DM OWNS YOU demolished CAPTURED ORC 201-2 of the Faithful Standbys in a 1 minute one-sided melee. A freebie, and Frank remains undefeated. If Frankenberry wins the next match, he wins the whole caboodle, what with Neb being 11-2.

So, round fourteen, one fight: NEBUCHADNEZZAR 22-5821 of WE BE WAR FLAILS was devastated by FRANKENBERRY 82-51803 of DM OWNS YOU in a 1 minute mismatched fight. And there you have it, the undefeated Frankenberry, managed by the Muffin Man, is the Champion Contender. Both contestants there at the end were, and are still, aimed blows.

At this level, aimed blows dominated, but lungers were close behind them in numbers, though not so close in win percent. Walls of steel didn't do badly in numbers or wins, total parries, parry-lungers, and probably a couple of slashers were present. Apparently nobody else need apply.

Where are we now? Ah, **Eligibles!** Eligible, one might ask, for what? Many things.

Round nine, only five fights, the longest being twenty-eight minutes. A proper Advanced fight! It takes years of training to build up the stamina for a fight that long. One participant in that longest fight, Golem, was eliminated at the end of it. GOLEM 35-1485 of THE PHILANTHROPISTS was savagely defeated by THREE BLIND WEISS 96-2961 of BOOMERISMS in a 28 minute competition. Golem is out, but it took three Weiss ganging up to do the deed! Good show. Another fight worthy of note: ETERNAL D.J. 3-5931 of FRAT PARTY BLOWOUT slimly won victory over SPUD 33-5159 of VEGGIES in a popular 5 minute gruesome match. Eternal D.J. is the only undefeated Eligible at this point. Spud, Screaming Eagle, and Three Blind Weiss stand (or sit, if that is their pleasure) at 8-1. 5 Got Picked, Flat Top, That Guy, and Yober are all 7-2.

Round ten, four fights. Nothing into two-digit lengths, but no one-shotters, either. YOBER 2-4537 of OF WOLF AND MAN 6 devastated ETERNAL D.J. 3-5931 of FRAT PARTY BLOWOUT in a action packed 3 minute mismatched fight. This gives Eternal his first loss. Eternal D.J. and Three Blind Weiss are now in sole possession of the 9-1 position. Flat Top is eliminated. Everyone else is 8-2.

Round eleven, four fights, one with a standby. The standby match, won by That Guy, was a single minute, but the other three had more substance. Spud, Yober, and Screaming Eagle were eliminated, though not before achieving tourney victor status. Eternal D.J. and Three Blind Weiss are ten-one. 5 Got Picked and That Guy are 9-2.

Round twelve, only two fights. Getting the numbers narrowed down fast here. ETERNAL D.J. 3-5931 of FRAT PARTY BLOWOUT viciously subdued THAT GUY 97-2120 of DIE, MOFO, DIE IV in a 4 minute fight. That Guy is now out of the running, leaving Eternal D.J. with the lead at 11-1. 5 GOT PICKED 41-4199 of 072905R demolished THREE BLIND WEISS 96-2961 of BOOMERISMS in a popular 3 minute gruesome one-sided melee. This leaves 5 and Three both at 10-2.

Round thirteen, two fights, one with a standby. It was 5 Got Picked who lucked out with the Ambitious Guard. In the other fight, ETERNAL D.J. 3-5931 of FRAT PARTY BLOWOUT devastated THREE BLIND WEISS 96-2961 of BOOMERISMS in a 4 minute mismatched fight. That puts Three Blind Weiss out of the running now. Eternal is 12-1, and 5 is 11-2. The next round could decide it.

Round fourteen, one fight. ETERNAL D.J. 3-5931 of FRAT PARTY BLOWOUT slimly won victory over 5 GOT PICKED 41-4199 of 072905R in a 4 minute fight. This is, in fact, the culminating match of the Eligibles tournament, and Eternal D.J., managed by The Anarchist, is the winner. Eternal D.J. is a parry-lunger, and 5 Got Picked is an aimed blow.

As regards styles at this level, it looks like Eternal D.J. is the only parry-lunger to enter. Non-parrying lungers had the most total fights, but they did poorly, only 37 percent wins. Aimed blows were second in numbers and had 58 percent wins. Total parries (56%) and walls of steel (62%) made up the rest of the pack.

Ah, **ADM.** The veterans. There's a huge mass of them on the Isle, but fortunately, they didn't all turn out for this tournament. Other fish to fry, no doubt. Catfish, trout, you know how it is.

Round nine, eight fights. Five of those sixteen gladiators are making their last bow for this tourney, but we still have plenty of 'em left. Nobody undefeated. At 8-1, we have Blood Pie, Turd Burglar, Prisoner 0381, Null Regine, and Skitzoid Snoopy. At the least, these are now tourney victors. Still hanging on at 7-2 are Valerian, Arthur Defranco, One-Trick Pony, Strategy, Gilded Murderer, and Alice Blue.

Round ten, six fights with one standby. One-Trick Pony got the standby. Another four gladiators were eliminated. Now we have Blood Pie, Prisoner 0381, Null Regine, and Skitzoid Snoopy at 9-1, and Turd Burglar, One-Trick Pony, and Gilded Murderer at 8-2.

Round eleven, four fights with one standby. Turd Burglar drew the standby. One-Trick Pony was eliminated by Skitzoid Snoopy--tricky, that, so many times when a dog snaps at a horse's heels, the dog gets a kick to the head. Null Regine and Skitzoid Snoopy are 10-1, the Faithful Standbys Blood Pie, Turd Burglar, Prisoner 0381, and Gilded Murderer are 9-2.

Round twelve, three fights, no standbys. Gilded Murderer forced the Turd Burglar out of the contest. Skitzoid Snoopy got a second loss from Prisoner 0381, and Null Regine got a second from Blood Pie. Everyone left is now 10-2. Watch those fighters fall out of the ranks now!

Round thirteen, three fights, one with a standby. SKITZOID SNOOPY 41-2146 of DA DOG POWNDZ slimly lost to BLOOD PIE 96-1918 of WHY SELL THIS? in a 2 minute fight. That puts the Snoopier out. PRISONER 0381 82-42371 of DUNGEON CELL 77 was bested by GILDED MURDERER 98-1679 of THE HUNTED F9 in an exciting 3 minute duel. The Prisoner is also out of the running. NULL REGINE 82-54215 of 011808O demolished CAPTURED ORC 203-2 of the Faithful Standbys in a crowd pleasing 1 minute bloody uneven fight. A gimme for Null. We go into the next round with Blood Pie, Null Regine, and Gilded Murderer all at 11-2.

Round fourteen, two fights, one standby. NULL REGINE 82-54215 of 011808O slimly lost to BLOOD PIE 96-1918 of WHY SELL THIS? in a crowd pleasing 4 minute gruesome fight. That puts Null Regine out of the contest. GILDED MURDERER 98-1679 of THE HUNTED F9 demolished CAPTURED ORC 203-2 of the Faithful Standbys in a popular 1 minute one-sided melee.

Round fifteen, one fight, and it's the finisher: BLOOD PIE 96-1918 of WHY SELL THIS? viciously subdued GILDED MURDERER 98-1679 of THE HUNTED F9 in a crowd pleasing 4 minute fight. So it's Blood Pie as the Winner, Champion of ADM, and yet... the question remains unanswered. Why sell this? Nobody knows. Blood Pie was, and still is, a lunger. Gilded Murderer is an aimed blow.

TOURNAMENT SPY REPORT (continued)

In styles generally at this level, the aimed blows dominate the number of fights. Lungers and total parries run a late second, there was a ripper, a couple of walls of steel, maybe three slashers and parry-lungers. No bashers, parry-strikers, or strikers. Just so you know.

Ah, **Freshmen!** The young hotshots--I can remember being a young hotshot once. It was great. Then reality set in. But for some of these guys, maybe this IS reality. Let's take a look.

Round nine, six fights, one with a standby. KALIMAC 29-3098 of MID EARTH devastated FRATSFA SLAVE 204-1 of the Faithful Standbys in a 1 minute mismatched fight. Always a good match in a tourney. I note that HOCKEY DUCK 39-937 of DUCKS UNLIMITED was overpowered by MERRIWEATHER 68-8693 of SUPERIOR FORCES 2G in a 3 minute mismatched duel. The result of this was to leave Merriweather undefeated and Hockey Duck out in the cold. So that's Merriweather at 9-0. Imnota God and Shard of Stone at 8-1. And Shen, Kalimac, and Consortium Dork at 7-2. The ultimate outcome looks obvious, but in the arena, few things are obvious, and half those are wrong.

Round ten, three fights. Kalimac gives--forces on--a second loss to Imnota God. Shen is eliminated by Merriweather, who remains undefeated. And Shard of Stone puts Consortium Scum out of the fighting.

Round eleven, and things are tense. Two fights. KALIMAC 29-3098 of MID EARTH devastated MERRIWEATHER 68-8693 of SUPERIOR FORCES 2G in a action packed 2 minute mismatched fight. That's a first loss for Merriweather. And IMNOTA GOD 33-4801 of SUPERIOR FORCES IF viciously subdued SHARD OF STONE 82-45615 of KAOS in a slow 109 minute gruesome match. Tedious, but it gave the fans--and me--time to grab lunch. So it's now Merriweather at 10-1, and the other three at 9-2.

Round twelve, again two fights. KALIMAC 29-3098 of MID EARTH devastated MERRIWEATHER 68-8693 of SUPERIOR FORCES 2G in a 2 minute gruesome mismatched fight. Kalimac and Merriweather are tied at 10-2. IMNOTA GOD 33-4801 of SUPERIOR FORCES IF savagely defeated SHARD OF STONE 82-45615 of KAOS in a monotonous 75 minute gory melee. That puts Shard of Stone out of the running.

Round thirteen, two fights, one with a standby. KALIMAC 29-3098 of MID EARTH viciously subdued MERRIWEATHER 68-8693 of SUPERIOR FORCES 2G in a crowd pleasing 4 minute fight. In one of those upsets that happen in the arena, and especially in tourneys, Merriweather, who came into round nine undefeated, is now eliminated. IMNOTA GOD 33-4801 of SUPERIOR FORCES IF subdued DANGEROUS CRIMINAL 204-5 of the Faithful Standbys in a popular 2 minute one-sided melee. So we've got Imnota God and Kalimac, both at 11-2, ready to decide the issue in the next round. Since round nine, Kalimac hasn't put a foot, or a blade!, wrong, and Imnota picked up that second loss.

Round fourteen, to a finish: KALIMAC 29-3098 of MID EARTH devastated IMNOTA GOD 33-4801 of SUPERIOR FORCES IF in a action packed 2 minute mismatched fight. Kalimac of Lapur, managed by Visionist, is the Champion of the Young Hotshots, also known as Freshmen. Kalimac is an aimed blow, Imnota God a total parry.

Looking over the style numbers generally, I see that the total parry style dominated the numbers and the wins. Sure, parry-riposte is listed as having the highest percentage, but that was only one gladiator who washed out early on. Aimed blows were second in number of fights and percent of wins, with lungers, walls of steel, and bashers as trailing thirds, and for the rest... looks like one each slasher and striker, losing deeply, and no plungers or pikers. Tell me something new, eh?

Challengers. I always get this confused, or would if the clerks in the office didn't write it down for me each time. Challengers is between Champions (in Basic) and Freshman (in AD). Right. Someday, I might remember. Or not, if they're going to write it down each time.

Round nine, too many fights. Fourteen fights, I make it, and none longer than six minutes. I guess this means our Challengers are eager. Eager is good. Bold Mr. Wasabi is the only undefeated Challenger at this point. There are eight at 8-1, and ten at 7-2; I'm not going to list these guys till the numbers get smaller. Several were eliminated, so we should be looking at fewer fights in the next round.

Round ten, right, "only" ten fights, one with a standby. A death, too! BOLD MR. WASABI 2-5622 of 042909A slaughtered PERISTANT BEGGAR 205-4 of the Faithful Standbys in a 1 minute uneven battle. Very bold Mr. Wasabi. Five more gladiators eliminated. Bold Mr. Wasabi remains undefeated. At 9-1 are Honest Jiles, Midsize Whooper, Havok Twelve, and The Bunny God. Nine at 8-2.

Round eleven, down to seven fights. A few more deaths would move this faster, you know. It isn't like being dead is BAD, it's just... different. Bold Mr. Wasabi is still undefeated, AND showing three kills in this tourney. At 10-1 are Honest Jiles, Havok Twelve, and The Bunny God. At 9-2 are Sparkly, 1101 (this is not a name, surely?), Midsize Whooper, and Whirling Inselberg.

Round twelve, four fights. HONEST JILES 1-7576 of LAB EXPERIMENTS slimly won victory over WHIRLING INSELBERG 3-6924 of IRATE FORMATIONS in a 5 minute fight. That's Inselberg out. BOLD MR. WASABI 2-5622 of 042909A was demolished by 1101 82-17779 of MEDAL OF HONOR AA1 in a popular 1 minute one-sided melee. First loss for Wasabi. THE BUNNY GOD 2-5631 of 042909A vanquished SPARKLY 82-41405 of 012006E in a popular 1 minute mismatched brawl. Sparkly is out. MIDSIZE WHOOPER 82-47794 of COOL NAMES 22 was defeated by HAVOK TWELVE 82-48504 of 040707H in a 1 minute master's match. And Midsize is out. That leaves us with Honest Jiles, Havok Twelve, Bold Mr. Wasabi, and The Bunny God at 11-1, and 1101 at 10-2.

Round thirteen, and we're down to three fights, one with a standby. Contestants are falling in the ranks, and falling aside, rapidly. HONEST JILES 1-7576 of LAB EXPERIMENTS was devastated by BOLD MR. WASABI 2-5622 of 042909A in a 2 minute mismatched fight. That puts Honest Jiles at 11-2. THE BUNNY GOD 2-5631 of 042909A demolished 1101 82-17779 of MEDAL OF HONOR AA1 in a popular 1 minute gruesome one-sided melee. So much for 1101, who is eliminated. And HAVOK TWELVE 82-48504 of 040707H devastated EMBEZZLING SCRIBE 205-5 of the Faithful Standbys in a 1 minute one-sided contest.

Round fourteen, two fights. HONEST JILES 1-7576 of LAB EXPERIMENTS bested HAVOK TWELVE 82-48504 of 040707H in a 2 minute master's fight. And BOLD MR. WASABI 2-5622 of 042909A won victory over THE BUNNY GOD 2-5631 of 042909A in an exciting 5 minute expert's battle. Wasabi is 13-1, the others 12-2. We're looking for eliminates next time for sure.

Round fifteen, two fights. HONEST JILES 1-7576 of LAB EXPERIMENTS bested BOLD MR. WASABI 2-5622 of 042909A in a 2 minute master's fight. A second loss for Wasabi! THE BUNNY GOD 2-5631 of 042909A vanquished HAVOK TWELVE 82-48504 of 040707H in an exciting 1 minute uneven battle. Havok Twelve is eliminated.

TOURNAMENT SPY REPORT (continued)

Round sixteen, two fights, one pathetic standby. HONEST JILES 1-7576 of LAB EXPERIMENTS was devastated by BOLD MR. WASABI 2-5622 of 042909A in a 1 minute mismatched fight. That's Jiles out. And, of course, THE BUNNY GOD 2-5631 of 042909A demolished MORDANT DESERTER 205-2 of the Pathetic Standbys in a popular 1 minute one-sided melee. Which leaves Bold Mr. Wasabi and The Bunny God at 14-2, and Honest Jiles out of the running. The next match will decide this.

Round seventeen, one fight, with both parties from the same team. You only see that at tournaments! BOLD MR. WASABI 2-5622 of 042909A was bested by THE BUNNY GOD 2-5631 of 042909A in an action packed 6 minute brutal master's fight. The Bunny God, managed by the Muffin Man, is the Champion of Challengers. Both are aimed blows.

Looking a little more closely at the styles, aimed blows dominated in number of fights, and also in percentage of wins. No, I take that back, strikers were involved in marginally more fights. Then aimed blows, then total parries, then, and the numbers are dropping fast, lungers and walls of steel.

The Commission lists for actual gladiators (as opposed to standbys) as killed during this tournament. We salute them.

Okay, **Champions**, looking for the Champion of Champions. I've probably said that other times, but I like it.

Round nine, eight fights, one with a standby. I see here that Waelgaest is undefeated, not an easy position to maintain. At 8-1 are Rodeo Clown, Juneau Dawning, and Psychedelic Blur. Eight at 7-2, not going to list 'em yet.

Round ten, six fights. Waelgaest picks up a loss: Waelgaest 1-8422 of SWEORDBROTHERS was bested by LAKES 82-22204 of WAY OF THE BLADE ID in an action packed 1 minute master's fight. Other than that, it's Waelgaest, Juneau Dawning, and Psychedelic Blur at 9-1. Lakes, Spunky Puddle, Rodeo Clown, Rock Monger, and Snoopy at 8-2.

Round eleven, four fights. Waelgaest 1-8422 of SWEORDBROTHERS was devastated by JUNEAU DAWNING 47-7045 of ALASKAN PIPELINE in a 1 minute mismatched fight. A second loss for Waelgaest, and Juneau is the only one left with a single loss. SNOOPY 82-55306 of PEANUTS was vanquished by RODEO CLOWN 84-11743 of TOUGHER GUYS in an exciting 1 minute uneven battle. This eliminates Snoopy. LAKES 82-22204 of WAY OF THE BLADE ID defeated PSYCHEDLIC BLUR 84-13164 of MY TEEN YEARS in a crowd pleasing 5 minute master's duel. A second loss for Psychedelic. SPUNKY PUDDLE 84-7215 of MY HOMETOWN defeated ROCK MONGER 84-12959 of 011510BJ in a 2 minute veteran's fight. And Rock Monger is eliminated.

Round twelve, three fights. Waelgaest 1-8422 of SWEORDBROTHERS devastated JUNEAU DAWNING 47-7045 of ALASKAN PIPELINE in a 2 minute mismatched fight. The second lost for Juneau. LAKES 82-22204 of WAY OF THE BLADE ID handily defeated PSYCHEDLIC BLUR 84-13164 of MY TEEN YEARS in a 1 minute one-sided match. The Blur is out. SPUNKY PUDDLE 84-7215 of MY HOMETOWN was vanquished by RODEO CLOWN 84-11743 of TOUGHER GUYS in a popular 1 minute mismatched brawl. And the Puddle has been dried up. That's Lakes, Waelgaest, Rodeo Clown, and Juneau Dawning all at 10-2. Two more rounds and this is done.

Round thirteen, two fights. Waelgaest 1-8422 of SWEORDBROTHERS butchered LAKES 82-22204 of WAY OF THE BLADE ID in an action packed 1 minute mismatched fight. Ah, hard! To die on the next to the last round! I salute Lakes, who fought well to get this far. JUNEAU DAWNING 47-7045 of ALASKAN PIPELINE handily defeated RODEO CLOWN 84-11743 of TOUGHER GUYS in a 1 minute one-sided match. And Rodeo is eliminated. Waelgaest and Juneau Dawning are both 11-2, and the next round will decide the matter.

Round fourteen, one fight: Waelgaest 1-8422 of SWEORDBROTHERS was devastated by JUNEAU DAWNING 47-7045 of ALASKAN PIPELINE in a 1 minute mismatched fight. A significant Dawning, and a salute to the Storm Lord, manager of Juneau Dawning. Juneau is a ripper and Waelgaest a striker.

Looking at the styles in general, strikers dominate the number of fights, with lungers second, rippers and slashers third. Rippers have the best win percentage. Bashers and parry-lungers need not apply.

The clerks list only two dead at this level today, and we salute them.

Adepts, a word with many connotations. Here, we mean they are adept at fighting and often killing each other. It may not be a dog-eat-dog world, but it's a gladiator-kill-gladiator world, and at this level, they're mortal. Those who may be about to die, I salute you.

Round nine, eleven fights. Even after eliminations, that's a lot of Adepts left in the running. Nobody is undefeated, but Carnage, Katrina, and The Hitman are 8-1. Everyone else--thirteen of them--are 7-2.

Round ten, eight fights, one of them leading to a death. BEVEN OMINAH 84-9032 of PHILANTHROPISTS28 was easily killed by CRAZY 69 84-11518 of CRAZY 88 20 in a 2 minute uneven melee. Is this philanthropy? I ask you! Of course, if Crazy is a golem, it might BE philanthropy.... Carnage and The Hitman are 9-1, and Crisis, Katrina, Baked Fratsfa, Keelback, Caniliv Kat, Peanuts, and Crazy 69 are 8-2.

Round eleven, down to a mere five fights already! One involved a standby--do the standbys ever win during a tourney? It seems like they don't, but I don't check the early rounds, so who can say? Another death this round: BAKED FRATSFA 26-4818 of SHEWISH BUFFET slew KATRINA 84-13228 of DEVIATION D in a crowd pleasing 1 minute master's duel. Is this a case of "something she disagreed with ate her"? We salute Katrina, who made a valiant effort. That leaves us with The Hitman at 10-1, and Baked Fratsfa, Carnage, Keelback, Peanuts, and Crazy 69 at 9-2.

Round twelve, three fights. BAKED FRATSFA 26-4818 of SHEWISH BUFFET was devastated by KEELBACK 46-4190 of SERPENT'S HOLD in a 1 minute mismatched fight. The deadly Baked Fratsfa is eliminated. CARNAGE 29-5593 of SERPENT'S HOLD demolished THE HITMAN 30-4550 of WRESTLMANIACS in a 1 minute one-sided melee. A second loss for The Hitman. PEANUTS 82-46871 of ALLERGY was overpowered by CRAZY 69 84-11518 of CRAZY 88 20 in a 1 minute mismatched duel. And Peanuts is out. Or Peanuts are out, depending on how you look at it. So we have Carnage, The Hitman, Keelback, and Crazy 69, all at 10-2. It won't be long now. Two more rounds.

Round thirteen, two fights. CARNAGE 29-5593 of SERPENT'S HOLD devastated KEELBACK 46-4190 of SERPENT'S HOLD in an action packed 1 minute mismatched fight. Keelback is out, in another match of teammates. Not the same team, perhaps, but the same manager. THE HITMAN 30-4550 of

TOURNAMENT SPY REPORT (continued)

WRESTLMANIACS demolished CRAZY 69 84-11518 of CRAZY 88 20 in a popular 1 minute one-sided melee. And Crazy bites the sour grapes. The next round, the next match, will decide it.

Round fourteen, one fight, the finisher: CARNAGE 29-5593 of SERPENT'S HOLD was devastated by THE HITMAN 30-4550 of WRESTLMANIACS in an action packed 1 minute mismatched fight. This makes The Hitman, managed, I believe, by Crip, the winner and most adept of the Adepts! Both gladiators in this fight are strikers.

And at this level, strikers dominated in number of fights, not doing badly in win percentage, either (aimed blows and slashers did better there). I note that strikers were also the most deadly style in the Adepts level. The only style not represented here was the parry-striker.

The clerks list ten dead Adepts. I salute them.

Initiates, the young and the reckless!

Round nine starts off with a slew of fights, and one death. Hang on while I run a quick count. Right, fifteen fights. I'll only mention the one with the death: WISP 33-7732 of ZOMBIE SQUAD was assassinated by SPIKEBROOK 84-5818 of OF WOLF AND MAN 42 in a 1 minute mismatched match. Really hard on Wisp, yeah, okay, death is going to be hard on any gladiator, but Wisp came into this round, so far as I can tell, undefeated. And died. It happens, and all we can do is hoist a stein in salute of the fallen and go on. There are six gladiators at 8-1: Diamondback, Spekebrok, Swerk, Iari, Raltuman Omelette, and Denser. Fourteen at 7-2.

Round ten, again a lot of fights, probably ten. Right, ten. Eight Initiates have been eliminated. At 9-1 we have Diamondback, Spekebrok, Swerk, and Raltuman Omelette. Eight at 8-2, not going to list them yet.

Round eleven, down to six fights. This is manageable. Four eliminations, as well. Okay. At 10-1 we have Spikebrok and Raltuman Omelette. At 9-2, still hanging in there, are Diamondback, Billabong, Mister Gaga, Lawdy, Swerk, and Inferno.

Round twelve, four fights. LAWDY 22-6723 of OF WOLF AND MAN 4 viciously subdued SWERK 32-5206 of PHILANTHROPISTS in a crowd pleasing 3 minute gruesome fight. This eliminates Swerk. INFerno 62-4581 of DISASTERS was demolished by BILLABONG 84-13804 of GENERATION Y in a 1 minute one-sided melee. Inferno is now out of the contest. RALTUMAN OMELETTE 78-2857 of SHEWISH BUFFET overpowered SPIKEBROOK 84-5818 of OF WOLF AND MAN 42 in a 1 minute mismatched duel. The second loss for Spikebrok. And DIAMONDBACK 84-15867 of SERPENT'S HOLD 820 slimly won victory over MISTER GAGA 84-16465 of DEVIANT DEVIATION in a 2 minute fight. Which eliminates Mister Gaga. Raltuman Omelette is now ahead at 11-1, with Diamondback, Billabong, Spikebrok, and Lawdy at 10-2.

Round thirteen, three fights, how fast the numbers drop! LAWDY 22-6723 of OF WOLF AND MAN 4 was devastated by RALTUMAN OMELETTE 78-2857 of SHEWISH BUFFET in a 1 minute mismatched fight. That puts Lawdy out of the running. SPIKEBROOK 84-5818 of OF WOLF AND MAN 42 lost to BILLABONG 84-13804 of GENERATION Y in an action packed 1 minute battle. And Spikebrok is out. And a gimme: DIAMONDBACK 84-15867 of SERPENT'S HOLD 820 demolished PERSISTANT BEGGAR 208-4 of the Faithful Standbys in a 1 minute uneven fight. So we're looking at Raltuman Omelette at 12-1, and Diamondback and Billabong at 11-2.

Round fourteen, two fights. RALTUMAN OMELETTE 78-2857 of SHEWISH BUFFET was bested by DIAMONDBACK 84-15867 of SERPENT'S HOLD 820 in a 3 minute fight. This puts Diamondback and Raltuman even at 12-2. And BILLABONG 84-13804 of GENERATION Y was demolished by EMBEZZLING SCRIBE 208-5 of the Faithful Standbys in a 1 minute one-sided melee. Billabong is eliminated, and, I bet, terribly embarrassed. An Embezzling Scribe! Gods.

The last round, fifteen: RALTUMAN OMELETTE 78-2857 of SHEWISH BUFFET was unbelievably bested by DIAMONDBACK 84-15867 of SERPENT'S HOLD 820 in a 2 minute fight. And "bested" is the word. The Omelette is good, don't get me wrong, especially the cheese and the little bits of sausage, but Diamondback edged it out. Or ate it up, if you prefer.

Ah... styles and deaths, gonna have to pass on them here. I know there WAS another page in these notes, but I don't see it anywhere. It's been kinda windy.

Apprentices. Not the rankest beginners, but not exactly the honed killers of the other levels.

Round nine, nineteen fights. Three gladiators are undefeated at this point: Coleman's, Superior Snotling, and Caffrey. Nine at 8-1, and eleven at 7-2.

Round ten, again a lot of fights. Ah, I make it twelve. Coleman's is the only one to remain undefeated. Eight at 9-1. Eight at 8-2. And six eliminated. I know this is the barest bones, but this is a mob scene, and until we get down to some manageable numbers, it's what you're getting.

Round eleven, down to nine fights, one with a standby. I see a death here, too. As somebody says in the regular spy reports, "to die so young, so gloriously!" Actually, I'm not sure about the glory part, but what do I know? CAFFREY 18-10012 of RYAN'S HENCHMEN was murdered by KYNGRATH MOR 22-6858 of KAOS 2 in a 1 minute uneven fight. Hard on Caffrey, and hard on his manager; he was 9-1 when he was killed. No one left undefeated now. At 10-1 we have Struts, Coleman's, Superior Snotling, and Naegling. A lot, why do they give me these heavy counting jobs?, at 9-2. Ah, ten. Okay, not a LOT, but still plenty. Three eliminated, two with triple losses, and poor Caffrey, dead.

Round twelve, looks like seven fights. We have Coleman's and Superior Snotling at 11-1. About... seven gladiators at 10-2: Struts, Service Station, Skidmark Bug, Naegling, Headless Norseman, Fox Fists, and Cardio at 10-2. Five eliminated.

Round thirteen, five fights, one with a standby. Now we're getting down to numbers I can manage. Count 'em on my fingers and all. NAEGLING 1-8576 of SWEORDBROTHERS devastated CONVICTED THIEF 209-1 of the Faithful Standbys in a 1 minute mismatched fight. This leaves Naegling still in the fight, barely, at 11-2. SKIDMARK BUG 2-5711 of 042909A lost to COLEMAN'S 84-18004 of CUT THE MUSTARD in an action packed 1 minute battle. Coleman's remains one of the two at a single loss, and the Bug is eliminated. SUPERIOR SNOTLING 18-10095 of SUPERIOR FORCES 6N demolished HEADLESS NORSEMAN 33-7758 of HOLLOWIENERS in a 1 minute uneven fight. Superior remains with a single loss, and the Norseman is through. FOX FISTS 84-16070 of FURRY FURY AZ bested STRUTS 84-19646 of SUPE FORCES 6A12 in a 1 minute contest. Fox is still with us, and Struts is out. And CARDIO 84-18131 of ZOMBIE SQUAD 127 defeated SERVICE STATION 84-19661 of IAN in an exciting 5 minute fight. And Cardio eliminates the Station.

TOURNAMENT SPY REPORT (continued)

Round fourteen, three fights, one with a standby. NAEGLING 1-8576 of SWEORDBASTERS was devastated by COLEMAN'S 84-18004 of CUT THE MUSTARD in a 1 minute mismatched fight. Coleman's is hanging onto the lead (along with Superior Snotling), and Naegling is out. SUPERIOR SNOTLING 18-10095 of SUPERIOR FORCES 6N subdued CARDIO 84-18131 of ZOMBIE SQUAD 127 in a 4 minute melee. Same here, Superior hangs onto the single loss, and Cardio is out. And FOX FISTS 84-16070 of FURRY FURY AZ demolished PERSISTANT BEGGAR 209-4 of the Faithful Standbys in a 2 minute uneven fight.

Round fifteen, two fights, one with a standby. SUPERIOR SNOTLING 18-10095 of SUPERIOR FORCES 6N devastated PERSISTANT BEGGAR 209-4 of the Faithful Standbys in a 1 minute mismatched fight. Easy win. Nothing wrong with an easy win, though. FOX FISTS 84-16070 of FURRY FURY AZ unbelievably bested COLEMAN'S 84-18004 of CUT THE MUSTARD in a 2 minute battle. And for once, the reporter is right, I do NOT believe this! Superior is 14-1, and Fox and Coleman's are tied at 13-2.

Round sixteen, two fights. SUPERIOR SNOTLING 18-10095 of SUPERIOR FORCES 6N was bested by FOX FISTS 84-16070 of FURRY FURY AZ in a 1 minute fight. It's incredible the way Fox Fists is coming from behind and showing good stuff. Makes you think there might be something in that Adanti folkore about how dangerous the Fox People are, eh? COLEMAN'S 84-18004 of CUT THE MUSTARD murdered EMBEZZLING SCRIBE 209-5 of the Faithful Standbys in a 1 minute one-sided melee. Seems a tad excessive. Now we've got all three contestants at 14-2, and something's got to give.

Round seventeen, two fights. SUPERIOR SNOTLING 18-10095 of SUPERIOR FORCES 6N bested COLEMAN'S 84-18004 of CUT THE MUSTARD in a crowd pleasing 1 minute fight. Against expectation, Coleman's is out. He could not cut the mustard. Actually, I prefer to spread the mustard, myself. And FOX FISTS 84-16070 of FURRY FURY AZ won victory over OSKSI NOBLE 209-3 of the Faithful Standbys in a 1 minute battle. So it's Superior against Fox in the next round, to a conclusion.

Round eighteen, one fight. SUPERIOR SNOTLING 18-10095 of SUPERIOR FORCES 6N bested FOX FISTS 84-16070 of FURRY FURY AZ in a 2 minute fight. I can't honestly say I'm surprised, but Fox Fists put up a great struggle all the way. Congratulations to Superior and his or its manager, Manager. Superior Snotling is an aimed blow, and Fox Fists a wall of steel.

Strikers had the most fights at this level, but they did poorly. Walls of steel were next in numbers and did better in the fighting, with aimed blows the third in numbers and better yet in the fighting. Just from the looks of things, I'd say there weren't a lot of Apprentices on the sands, but it's hard to be sure. Sometimes the information is... confused. Or confusing. One thing appears, which is that no bashers or parry-strikers entered at this level.

The list from the clerks shows eleven deaths, and at this level, we're talking about the real death here. I salute the departed.

Ah, the **Rookies**. At the same time the greatest hopes and the least experience. One thing they can do is die, and they died in scores. But let's take a look at the survivors.

Round nine, forty-six fights. One undefeated gladiator: Adven D2. Seventeen at 8-1. And forty-five at 7-2. It'll take us a while to work through all these.

Round ten, down to thirty-two fights. I talk about the various levels of the tourney as though they were sequential, but you must realize that the Rookies matches, for instance, were going on the whole time, "back to back," so to speak, with other levels in other locations. Hard for the people who want to see everything, but if we didn't double and triple up the arenas, we'd be here all Spring. There's been some talk--there always is--of setting up a time-warp for the tourney, but Herself insists that we can't do it. Too risky. Ah, well, what do I know? So, round ten, and Adven D2 remains undefeated. We're down to a mere eight gladiators at 9-1. And thirty-two, still, at 8-2. Tourney victors every one, if they can survive to the end.

Round eleven, twenty-one fights! Dropping fast. Adven D2 remains undefeated. Don't know how he does it! Five with a single loss: Turkey, Cioppino, Lorgar, Adril, and Airfare Malaise. Eighteen with two losses, but even they might still make it to the end.

Round twelve, a mere twelve fights! This is getting close to manageable now. Well, obviously it's MANAGEABLE, there are managers all over the place, but I can't TALK about people in hordes. Adven D2 remains undefeated. It's a habit, you know. Lorgar, Cioppino, Adril, and Airfare Malaise have one loss. Turkey, Lajen, Leek. After 10 Beers!, Locked and Loaded, Syteh, Moaki, and Arty Armordillo have two losses.

Round thirteen, seven fights, one with a standby. Adven D2 is STILL undefeated. The same four, still, have one loss: Lorgar, Cioppino, Adril, and Airfare. But only Turkey and Leek remain in the running with two losses.

Round fourteen, a mere four fights, one with a standby. ADVEN D2 12-6880 of DECEMBER DROIDS devastated AIRFARE MALAISE 84-21671 of 032311C in a 1 minute mismatched fight. Adven still undefeated, Airfare now has two losses. LORGAR 84-19891 of WOS ABY vanquished CONVICTED THIEF 210-1 of the Faithful Standbys in a 1 minute uneven battle. Lorgar the Lucky remains with a single loss. ADRI 84-19899 of WOS ABU was demolished by CIOPPINO 84-21109 of SOUP FORCES 40 in a 1 minute uneven fight. Adril and Cioppino now have two losses each. LEEK 84-20950 of SOUP FORCES 9 bested TURKEY 84-21361 of SOUP FORCES 91 in a 1 minute contest. And Turkey is out.

Round fifteen, three fights. ADVEN D2 12-6880 of DECEMBER DROIDS devastated LEEK 84-20950 of SOUP FORCES 9 in a 1 minute mismatched fight. Adven the Undefeated, and Leek the Eliminated. LORGAR 84-19891 of WOS ABY vanquished CIOPPINO 84-21109 of SOUP FORCES 40 in a 1 minute uneven battle. Lorgar with one loss, Cioppino with two. And ADRI 84-19899 of WOS ABU demolished AIRFARE MALAISE 84-21671 of 032311C in a crowd pleasing 1 minute uneven fight. Adril with two losses and Airfare Malaise out.

Round sixteen, two fights. ADVEN D2 12-6880 of DECEMBER DROIDS devastated ADRI 84-19899 of WOS ABU in a 1 minute mismatched fight. Still Adven does not yeild, and Adril is eliminated. LORGAR 84-19891 of WOS ABY vanquished CIOPPINO 84-21109 of SOUP FORCES 40 in a 1 minute uneven battle. And Cioppino is out. That leaves us with only Adven D2 at 16-0 and Lorgar at 15-1.

Round seventeen, one fight. ADVEN D2 12-6880 of DECEMBER DROIDS was devastated by LORGAR 84-19891 of WOS ABY in a 1 minute mismatched fight. The first loss for Adven D2, and they're now tied at 16-1.

TOURNAMENT SPY REPORT (continued)

Round eighteen, one fight. ADVEN D2 12-6880 of DECEMBER DROIDS devastated LORGAR 84-19891 of WOS ABY in a 1 minute mismatched fight. Adven climbs back into the lead.

Round nineteen, one fight. ADVEN D2 12-6880 of DECEMBER DROIDS butchered LORGAR 84-19891 of WOS ABY in a 1 minute mismatched fight. Ooooh, hard! That Lorgar should come so far and die at the last. A salute to him and a congratulations to Adven D2, who is managed, I believe, by Juggler. Adven D2 is an aimed blow, and it looks like the late Lorgar may have been also. Aimed blows were dominant at this level.

I make it sixty-two in this segement of the tourney, and I salute them.

Eligible Fools? Eligible to BE Fools? Fools to be Eligible? I may have had a beer too many here. But, after the fifth round, three Eligible gladiators split off to run a few Fools matches. Here's how it looks.

Round six, two fights. PERFECT DRUG 3-6943 of IRATE FORMATIONS devastated THE USEROUS MERCHANT 211-4 of the Faithful Standbys in a 2 minute mismatched fight. Ah, everyone knows the Userous Merchant is a fool. A reasonable interest and no more, eh? And JADRA 61-3379 of PHILANTHROPISTS slimly lost to GITARIOS 82-45618 of KAOS in a 2 minute battle. Not Jadra's day at all.

Round seven, one fight. PERFECT DRUG 3-6943 of IRATE FORMATIONS viciously subdued GITARIOS 82-45618 of KAOS in a crowd pleasing 3 minute gruesome fight. Did nobody TEST for these perfect drugs? Apparently not. Or they did but were defeated by perfection. Whatever the case, Perfect Drug won this for the Muffin Man. Perfect Drug was, and is, a wall of steel, and it seems possible that Gitarios may also be.

ADM Fools. I'm not going to get into the associations that forms in my head, because I think my head may have been working too long, and it gets weird when that happens.

Round six, three fights, one with a standby. MISCHIEVOUS IMP 1-7627 of SWEORDBASTERS viciously subdued AFRICAN GREY 41-3317 of BIRDS in a crowd pleasing 5 minute gruesome fight. I may not be an imp, but I'd subdue the darned parrot, too! Frightful birds. WILD FIRE 24-4880 of DISASTER demolished FRATSFA SLAVE 212-1 of the Faithful Standbys in a 1 minute one-sided melee. An easy win, finest kind. SCAPA 35-4198 of ON THE ROCKS was overpowered by BILGE RAT 51-5334 of SEA DOGS in a crowd pleasing 1 minute gory mismatched duel. Yes, well, you know how it is with rats.

Round seven, two fights. MISCHIEVOUS IMP 1-7627 of SWEORDBASTERS bested AMBITIOUS GUARD 212-3 of the Faithful Standbys in a 2 minute mismatched fight. Sometimes I'm amazed at how MANY Ambitious Guards the Commission manages to find. WILD FIRE 24-4880 of DISASTER was vanquished by BILGE RAT 51-5334 of SEA DOGS in an exciting 1 minute uneven battle. The Rat again. You can't defeat 'em in the long run.

Round eight, one fight. MISCHIEVOUS IMP 1-7627 of SWEORDBASTERS was viciously subdued by BILGE RAT 51-5334 of SEA DOGS in a crowd pleasing 3 minute fight. And the Bilge Rat won another one for the One Armed Bandit. Good work. It looks like the Rat is a lunger, and the Imp a total parry. Huh, I wouldn't have guessed that. The lungers dominated this little contest.

Freshmen. All Freshmen are fools, anyway, but some of them fought here in the Fools Tourney.

So, round six, one fight. COFFEE HOUSE POET 3-6987 of GENERATION X was devastated by MOHNSOON MAYHEM 41-4444 of THE STORM FRONT in a 1 minute fight. Short, simple, to the point. You wouldn't think poetry could win, and you'd be right, but poets have to be TOUGH. People THROW things at them! Still, nothing trumps the weather. Mohnssoon is an aimed blow, and the Poet is a ripper.

Inexplicably, we have a seventh round, with totally different gladiators! Don't ask me what it means. CENTIPEDE 28-3980 of CLASSIC ARCADE was viciously subdued by DIRTY SANCHEZ 29-4802 of STREET WALKERS in a 2 minute bloody fight. Sanchez stamped the critter flat.

Challengers! And well-named, these Fools will challenge anything. Dead trees, brick walls, marsh gas, anything. Fighters through and through.

Round six, three fights. REBECCA RAVEN 8-4308 of TRIAL BY COMBAT slimly lost to BABEL 82-46069 of SACS DE SABLE 1 in a action packed 3 minute master's fight. Say goodbye to Rebecca, she's got other things to do. SHELDON 47-4111 of ALL-STAR NANA'S savagely defeated TUNNELING GERBIL 82-16719 of LUROCIANS FTF021 in a 5 minute veteran's melee. And good riddance! I had tunneling gerbils in my lawn and almost broke a leg when I stepped in one of their holes. ROOT 82-31537 of 4 LETTER BEER viciously subdued GHOSTLY SECRET 84-5925 of GRIMM WASTES in a popular 3 minute veteran's contest. No secrets here.

Round seven, two fights, one with a standby. SHELDON 47-4111 of ALL-STAR NANA'S was viciously subdued by BABEL 82-46069 of SACS DE SABLE 1 in a 2 minute gruesome master's fight. Sheldon couldn't stay the pace. And ROOT 82-31537 of 4 LETTER BEER subdued OSKSI NOBLE 214-3 of the Faithful Standbys in a popular 1 minute one-sided melee. What made it popular was the root-beer passed out free among the fans.

Round eight, ROOT 82-31537 of 4 LETTER BEER viciously subdued BABEL 82-46069 of SACS DE SABLE 1 in a action packed 5 minute master's fight. The Beer has it, for the Upright Man. Root is a lunger, and Babel a wall of steel.

A quick spin for the **Champions**.

Round six, two fights. KADASYA 5-4965 of WIZARD'S WRATH butchered GARY 18-9483 of ERRATA in a action packed 1 minute mismatched fight. Hard luck on Gary. JUDGEMENT DAY 47-6973 of DEVIATION was demolished by SHAWNEE 82-56029 of STRIPPERS in a popular 1 minute one-sided melee. There is probably something poetic in this fight and outcome, but I think I'll leave you to work it out for yourself.

Round seven, one fight. KADASYA 5-4965 of WIZARD'S WRATH was devastated by SHAWNEE 82-56029 of STRIPPERS in a 1 minute mismatched fight. This gives Shawnee a victory for... Berylstar? I think so. Shawnee, and probably Kadasya as well, is a striker.

On down the line, we find **Adepts**.

Round six, three fights. TIGHT JEANS 9-5517 of HOT STUFF unbelievably bested BROOMSTICK 47-7057 of LAND OF OZ in a action packed 7 minute master's fight. What's hard to believe is how she got INTO those jeans. RUBY-THROATED HBIRD 15-4625 of BIRDS OF A FEATHER was overcome by BOOB 47-7257 of PALINDROMES in a popular 1 minute match. That's how it is with Hbirds, they're easily

TOURNAMENT SPY REPORT (continued)

distracted by strange word tricks. YERELD 82-21533 of WAY OF THE BLADE L2 won victory over QUEEN OF THE NILE 84-12129 of PASSPORT REQUIRED 3 in a 1 minute brawl. They wouldn't let the Queen bring her asp into the arena, and she was helpless without it.

Round seven, two fights, one with a standby. TIGHT JEANS 9-5517 of HOT STUFF devastated MORDANT DESERTER 216-2 of the Faithful Standbys in a 3 minute mismatched fight. Really, she's wasted on the Deserter. BOOB 47-7257 of PALINDROMES was vanquished by YERELD 82-21533 of WAY OF THE BLADE L2 in a 2 minute brutal uneven battle. Yep, and if we had a Gordian Knot, Yereld would probably cut it.

Round eight, one fight. TIGHT JEANS 9-5517 of HOT STUFF slimly won victory over YERELD 82-21533 of WAY OF THE BLADE L2 in a 5 minute master's fight. It isn't JUST the jeans, you know, it's the curves inside 'em. Can Papa Bear pick them, or what? Looks like Tight Jeans is a total parry, and Yereld a lunger. Classic style match.

Initiates. I thought I had something to say, but it escaped before I could write it down. Probably not worth hearing or reading.

Round six, four fights, one with a standby. PRIMU 3-7067 of THICK SKULL was bested by HONK! 82-55059 of SHORT BUS 22 in a crowd pleasing 3 minute fight. The stewards just about threw him out, Honk, that is, when he yelled for everyone in the stands to honk their horns. The weird thing was that everyone HAD horns. SRV 42-4593 of SHREDDERS was vanquished by TOFU WARRIOR 47-7223 of VEGAN CANNIBALS in a 2 minute brutal uneven battle. Trust me, anything involving tofu will be brutal. KNIGHT OF FALL 61-3603 of AUTUMN SAGA savagely defeated AM I EVIL 84-18469 of ROOKIE METALLICA 1 in a crowd pleasing 4 minute duel. The Knight came on like an early frost. CAPRICORN 84-12188 of ZODIAC KILLUZ overpowered OSKSI NOBLE 217-3 of the Faithful Standbys in a 1 minute one-sided fight. Wrong season, Cap, I think you'll be in trouble soon. (Okay, I read ahead....)

Round seven, two fights. TOFU WARRIOR 47-7223 of VEGAN CANNIBALS bested HONK! 82-55059 of SHORT BUS 22 in a 2 minute fight. It turns out tofu IS good for something, you can stuff it into a horn and stop the honking. I never would have thought of that. KNIGHT OF FALL 61-3603 of AUTUMN SAGA was bested by CAPRICORN 84-12188 of ZODIAC KILLUZ in a 1 minute duel. Looks like we needed a knight of spring here, not fall. Oh, well, we all do the best we can with what we've got.

Round eight, the final fight. TOFU WARRIOR 47-7223 of VEGAN CANNIBALS devastated CAPRICORN 84-12188 of ZODIAC KILLUZ in an action packed 1 minute mismatched fight. Frankly, tofu would devastate me, too. Can't stand the stuff. But the Anarchist can make it fight. Good going. Tofu Warrior is a lunger, and Capricorn an aimed blow. One of the classic style matches.

Apprentices... do you ever find your apprentices uppity? I'm told it can be a problem. Send them to the arena!

Round six, five fights. Ridiculous! But there it is, five fights. One with a standby, but still. MISDIAGNOSIS 16-5644 of BASH BROS. DOCTOR was bested by OSKSI NOBLE 218-3 of the Faithful Standbys in a 2 minute fight. Oops. ARE YOU DONE, YET? 24-4720 of BASH BROS. BOSS devastated THRIR 84-17325 of WOB ACX in a 2 minute one-sided duel. Two minutes? Why didn't you get it done in one? THROWS AWAY MONEY 24-4722 of BASH BROS. BOSS was handily defeated by EOXIM 84-16142 of HELLS FIRE VII in a 1 minute one-sided match. Next time, don't throw the dagger with the ducats, TAM. I know, I should speak of the winner, Eoxim, but what can I say? I'm clueless there. THE BIG TRAIN 43-4485 of FAMOUS HURLERS vanquished HEJDAK 82-56034 of THE CREW in a 1 minute mismatched brawl. Never stop on the tracks when a train is coming. MOOR WOLF 47-7348 of FURRY FURY was defeated by LEVRIER 47-7385 of LES TURFISTES in a 1 minute fight. An endangered species, moor wolves.

Round seven, just two fights. ARE YOU DONE, YET? 24-4720 of BASH BROS. BOSS devastated LEVRIER 47-7385 of LES TURFISTES in a 1 minute mismatched fight. Yep, Levrier is done now. And THE BIG TRAIN 43-4485 of FAMOUS HURLERS was vanquished by EOXIM 84-16142 of HELLS FIRE VII in a 1 minute uneven battle. Train wreck!

Round eight, one fight. ARE YOU DONE, YET? 24-4720 of BASH BROS. BOSS was devastated by EOXIM 84-16142 of HELLS FIRE VII in a 1 minute mismatched fight. And the BB Boss is done now, all burned up. Eoxim, who is managed by Visionist, is said to be a striker, and it LOOKS like Are You Done should be also, but that seems just wrong. Still, what do I know? Don't answer that.

And for the last hurrah, the **Rookies**. All Rookies are probably fools, but if they live, they can grow out of it. And until then, they're entertaining. Let's see what we've got.

Round nine, two fights, one with a standby. ISETIA 84-20045 of WOS ADC bested TINOLA 84-21216 of SOUP FORCES 62 in an action packed 5 minute amateur's fight. You know, we might get a good soup out of this. But it would need garlic. NANG MEN 84-21174 of SOUP FORCES 53 demolished CONVICTED THIEF 219-1 of the Faithful Standbys in a 1 minute one-sided melee. Thieves just don't appreciate soup.

Round ten, one fight. ISETIA 84-20045 of WOS ADC outwaited NANG MEN 84-21174 of SOUP FORCES 53 in a crowd pleasing 11 minute fight. So much for soup, eh? Isetia, managed by Vhagar, is a total parry; Nang Men is a striker.
