A grand total of 1903 warriors participated in Grand Tournament LII. This was an immense amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: They will be allowed to choose to either resurrect one of their dead warriors, or make one of their living warriors immortal! All Dead Tourney Tournament Champions will be resurrected and granted immortality; Tournament Victors of the Dead Tourneys will only be resurrected. Immortal warriors may not challenge the Dark Arena. (You don't have to kill off a member of your team when the dead warrior is resurrected; you can wait for an opening on the team to occur naturally any time in the next six months.)

Warriors in the regular tournaments who were uneliminated at the end of the 10th round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in LI longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

TOURNAMENT SPY REPORT

A spy report? You want a tourney spy report? I can do that. This time, the tourney is being held in Ritztab, with, as Debby Tonte requested, colorful leaves. It's also convenient to the Isle for those of us who have to work for a living.

So, we begin, of course, with Primus. Under something related to the concept that "Life is short, eat desert first." Primus, turn nine. Seven fights. One standby, a Malevolent Mummy. Except for the fight with the Mummy, all the fights were not short. Some were even respectably long. That's Primus for you. In order of length, because I'm fresh and willing to go the extra paragraph at the moment, we have:

JOHN ASHCROFT 24-4355 of DOH! vanquished HARMONY 82-26932 of PERFECTION QUEST 2 in an exciting 2 minute gory uneven battle. RABID-GERBIL 68-6931 of THE BEARS savagely defeated GUMBO JAKE 76-1694 of DAGGER ISLE in an action packed 7 minute gruesome melee. ZERO 7-3156 of WASTELAND II was outwitted by FURIOUS BEAR 37-762 of THE BEARS in a crowd pleasing 22 minute fight. DRAT 48-1831 of 4-LETTER WORDS outwitted SEBASTIAN 66-1834 of THE INQUISITION in a 44 minute bloody fight. TOM THUMB 35-3791 of THE BEARS viciously subdued 5 62-2979 of NUMBERS in a unpopular 52 minute gory brawl. BOB, ETERNAL, 38-4460 of SANDS OF TIME narrowly defeated TERMINUS 97-484 of BUFFON in a unpopular 293 minute bloody match. That's... 420 minutes of fighting, SEVEN HOURS, right there in round nine. Five gladiators were eliminated in this lengthy session. Two, Rabid-Gerbil and Bob, Eternal, are undefeated. Drat, John Ashcroft, and Jack Daniels have one loss. Furious Bear, Terminus, and Tom Thumb have two.

Round ten, already down to a mere four fights:

JOHN ASHCROFT 24-4355 of DOH! viciously subdued TERMINUS 97-484 of BUFFON in a unpopular 77 minute gruesome fight. FURIOUS BEAR 37-762 of THE BEARS savagely defeated BOB,

TOURNAMENT SPY REPORT (continued)

ETERNAL, 38-4460 of SANDS OF TIME in a unpopular 79 minute bloody duel. JACK DANIELS 51-3084 of BOY O'S savagely defeated RABID-GERBIL 68-6931 of THE BEARS in a monotonous 82 minute bloody fight. TOM THUMB 35-3791 of THE BEARS was outlasted by DRAT 48-1831 of 4-LETTER WORDS in a monotonous 123 minute melee. Terminus and Tom Thumb are out. Furious Bear still has two losses. And everyone else has one loss. No more undefeated.

Round eleven, three fights:

JOHN ASHCROFT 24-4355 of DOH! viciously subdued RABID-GERBIL 68-6931 of THE BEARS in a unpopular 81 minute gruesome fight. FURIOUS BEAR 37-762 of THE BEARS savagely defeated DRAT 48-1831 of 4-LETTER WORDS in a monotonous 83 minute gory melee. BOB, ETERNAL, 38-4460 of SANDS OF TIME outwitted JACK DANIELS 51-3084 of BOY O'S in a unpopular 91 minute brawl. John Ashcroft and Bob, Eternal stand at 10-1, and everyone else (none eliminated this round) is 9-2.

Round twelve, three fights again:

JOHN ASHCROFT 24-4355 of DOH! devastated DRAT 48-1831 of 4-LETTER WORDS in an action packed 5 minute brutal mismatched fight. BOB, ETERNAL, 38-4460 of SANDS OF TIME was outwitted by JACK DANIELS 51-3084 of BOY O'S in a slow 94 minute contest. FURIOUS BEAR 37-762 of THE BEARS viciously subdued RABID-GERBIL 68-6931 of THE BEARS in a slow 169 minute gruesome match. Drat and Rabid-Gerbil are eliminated, John Ashcroft has one loss, and everyone else has two.

Round thirteen, two fights:

JOHN ASHCROFT 24-4355 of DOH! was viciously subdued by JACK DANIELS 51-3084 of BOY O'S in a unpopular 46 minute gruesome fight. FURIOUS BEAR 37-762 of THE BEARS was savagely defeated by BOB, ETERNAL, 38-4460 of SANDS OF TIME in a monotonous 46 minute melee. It's unusual to see two long fights of exactly the same length, but that's Primus for you. Always showing what they can do. Furious Bear has been eliminated, and the other three stand at 11-2.

Round fourteen, two fights, one with a standby. John Ashcroft drew the grim (but not dangerous) Ghoul and won. BOB, ETERNAL, 38-4460 of SANDS OF TIME viciously subdued JACK DANIELS 51-3084 of BOY O'S in an action packed 25 minute brutal battle. This eliminates Jack and leaves Bob and John to fight it out to a finish next time.

Round fifteen, one fight, for the title: JOHN ASHCROFT 24-4355 of DOH! viciously subdued BOB, ETERNAL, 38-4460 of SANDS OF TIME in a unpopular 51 minute gruesome fight. That's Bob eliminated, and John Ashcroft the Champion of Primus.

Both John and Bob, no surprise, are aimed blows. Beyond that, it looks like most of the Primus competitors were (are) aimed blows, with maybe two lungers and parry-lunger. Hard to be sure from the information I've got, but that's what it looks like.

Contenders! That tough bunch crowding up behind the Primus elite.

Round nine, six fights with one standby (a Vicious Vampire). These are a lot shorter than the Primus matches, I don't see one in this round that exceeds three minutes. What I do see is one undefeated warrior: Nebuchadnezzar. Three at eight-one: Demonic Fury, Dirty Zealot, and Marv Jr. Five at seven-two, which I won't name just now. And two eliminated at six-three. Hard luck on 'em, but that's the way it goes.

Round ten, five fights with one standby (that same Vicious Vampire). Demonic Fury drew the standby and, of course, won. Nebuchadnezzar picked up his first loss at the hands and blade of Gringold, is eight-two. So that gives us, let me check here to be sure, Neb, Demonic, and Marv Jr at nine-one. Huge Twirling Man, Drunk and at Dennys, Gringold, and Dirty Zealot at eight-two. And two more eliminated.

Round eleven, four fights, one with a standby. Dirty Zealot drew the Malicious Mummy and won easily. Demonic Fury eliminated Huge Twirling Man, and Nebuchadnezzar gave Drunk and at Dennys his third loss. Gringold gave a second loss, forced a second loss, on Marv Jr. So that leaves us with Neb and Demonic at ten-one, and Gringold, Dirty Zealot, and Marv Jr at nine-two.

Round twelve, three fights, one with that old Malicious Mummy. Gringold drew the Mummy this time and won. Of course. Demonic Fury sent Dirty Zealot to the showers, and Nebuchadnezzar eliminated Marv Jr. Which leaves us with Neb and Demonic at eleven-one, and Gringold at ten-two.

Round thirteen, two fights, one with a standby. Getting close here. GRINGOLD 7-2416 of SEA DOGS slimly lost to DEMONIC FURY 9-4557 of STATE OF MIND in a crowd pleasing 4 minute gruesome fight. That's Gringold eliminated. And Nebuchadnezzar defeated the Mummy.

Round fourteen, one fight. Who gets a second loss this time? DEMONIC FURY 9-4557 of STATE OF MIND viciously subdued NEBUCHADNEZZAR 22-5821 of WE BE WAR FLAILS in a 3 minute fight. Okay, Demonic at 13-1 and Neb at 12-2. Could be finished next round, or it could go farther.

Round fifteen, one fight, and it's to the finish! DEMONIC FURY 9-4557 of STATE OF MIND slimly won victory over NEBUCHADNEZZAR 22-5821 of WE BE WAR FLAILS in a 3 minute fight. And that makes Demonic Fury the winner at 14-1, with Nebuchadnezzar at 12-3. Congratulations to both of them.

Demonic Fury is a lunger, and Nebuchadnezzar an aimed blow, which pretty much defines this level of the tourney. Lungers and aimed blows, almost tied, though the lungers have a slight edge. At a guess, also one total parry a couple of wastes, a slasher, and a lone ripper.

Eligibles! These may include some of the most eligible men and women (and golems) on the Isle.

Round 9, five fights, one standby. One of the fights actually ran thirteen minutes, though it's unusual below the Primus level. Well, today, so far, it's unusual. BETTERTHANEVER 7-5932 of WASTELAND II won victory over JUMPINJACK FLASH 13-5143 of PERFECTION QUEST 13 in a 1 minute brawl. Good work, Betterthanever. At this point, we have one contestant undefeated at 9-0: Three Blind Weiss. Yep,

TOURNAMENT SPY REPORT (continued)

there's just one gladiator out there, not three, though he moves so fast you could think otherwise. Candiru has one loss. Daydream Believer, Screaming Eagle, Himey the Pimp, Magic Johnson, and Betterthanever have two losses, and two contestants are out as of this round.

Round ten, four fights, one with standby. Screaming Eagle got the Morbid Mumy. No two-digit fight lengths here, which is okay, Primus used up a lot of my patience, not to mention that of the crowd. Three Blind Weiss got his first loss from Magic Johnson. Himey the Pimp and Daydream Believer were eliminated. That leaves us with Three and Candiru at 9-1, Screaming, Magic, and Better at 8-2.

Round eleven, three fights, one with a standby. This time Three Blind Weiss got the Shocking Scarecrow. Magic Johnson eliminated Betterthanever. And Screaming Eagle brought Candiru a second loss. So it's Three at 10-1, Screaming, Magic, and Candiru at 9-2, and the rest are out. Okay, in this instance, the "rest" is just Betterthanever.

Round twelve, two fights, no standbys. MAGIC JOHNSON 4-5904 of PURPLE AND GOLD slimly won victory over SCREAMING EAGLE 4-6498 of TRIBAL COUNCIL in a 6 minute fight. That puts the Eagle out of the running. CANDIRU 18-9624 of STREET PIZZA savagely defeated THREE BLIND WEISS 96-2961 of BOOMERISMS in an exciting 5 minute gory melee. Which brings everyone remaining (all three of 'em) to 10-2.

Round thirteen, two fights, one with a standby. Candiru melted the Wicked Witch, and Three Blind Weiss eliminated Magic Johnson.

Round fourteen, one fight, and it will be the clincher, since both warriors are 11-2 going in. CANDIRU 18-9624 of STREET PIZZA devastated THREE BLIND WEISS 96-2961 of BOOMERISMS in an action packed 3 minute mismatched fight. So there you have it, Candiru is our top Eligible, and a congratulations to both warriors here who have fought hard to reach the final match.

Candiru is an aimed blow, and Three Blind Weiss is a wall of steel, representing the two most successful styles at this level. Aimed blows fought twice as many fights as walls, and their win percentage is a little better, but still, it's an impressive performance for both styles. Lungers are the next-most numerous, but they did badly. Oddly, parry-ripostes, fourth in number, are third in rate of success. Still not close to the aimers and wastes, but not doing so badly. And I see what looks like ONE total parry, and maybe to parry-lungers. Nobody is surprised, I hope, that there are no bashers, parry-strikers, slashers, or strikers at this level.

Okay, what do we have here? Ah, ADM. A busy, contentious bunch, the warriors at the ADM level. Numerous.

Round nine begins with nine fights, no standbys that I can see. The longest fight is eight minutes. The result of all this violence and struggle is: one undefeated warrior, Mr. Gherkin. Five at 8-1: Turd Burglar, Talon, Prisoner R09, The Bunny God, and Polynikes. And six at 7-2, who will remain nameless until they do something interesting. Six warriors were eliminated in this round.

Round ten, six fights. Mr. Gherkin remains undefeated. Turd Burglar and The Bunny God are now 9-1. Six warriors are 8-2 (tourney victors, whether they go farther or not). And three more eliminated. We're beginning to get this down to numbers I can talk about.

Round eleven, five fights, one with a standby. Talon drew the Spooky Skeleton and, of course, won. For the rest, Mr. Gherkin is STILL undefeated (somebody's slacking off here!). TB and the Bunny God are 10-1 now. And Talon and Prisoner R09 are 9-2. Everybody else, all four of 'em, are out. Thinning the ranks fast.

Round twelve, three fights, one with standby. Mr. Gherkin, who did not the gimme win, drew a Wily Wraith and won in a breeze. That leaves him at 12-0. Turd Burglar eliminated Talon after a hard fight and Talon was ousted. Prisoner R09 handed The Bunny God his (its?) second loss.

Round thirteen, two fights, no standbys. TURD BURGLAR 2-5431 of INQUISITION SL5 was viciously subdued by MR. GHERKIN 6-6385 of 071406AD in a crowd pleasing 3 minute fight. That leaves the pickle still undefeated, and the Burglar with two losses. THE BUNNY GOD 2-5631 of 042909A was subdued by PRISONER R09 82-51085 of DUNGEON CELL 4 in a 2 minute melee. And The Bunny God is out.

Round fourteen, two fights, one with a standby. TURD BURGLAR 2-5431 of INQUISITION SL5 devastated WILY WRAITH 203-1 of The Standbys in an action packed 1 minute mismatched fight. An easy win that keeps the Burglar in the running. MR. GHERKIN 6-6385 of 071406AD demolished PRISONER R09 82-51085 of DUNGEON CELL 4 in a popular 1 minute one-sided melee. And the pickle is undefeated, while the prisoner is out.

Round fifteen, the final fight. TURD BURGLAR 2-5431 of INQUISITION SL5 was devastated by MR. GHERKIN 6-6385 of 071406AD in a 4 minute mismatched fight. There you have it, an undefeated Mr. Gherkin, and a Burglar as runner up.

Both the finalists were and still are aimed blows, and few will be surprised to hear that aimed blows had the most fights in this level. Not the best record, though. A lone basher who stuck it out round nine gave that style the top win percentage, followed by a probably lone parry-striker, a solitary total parry, one parry-lunger, and maybe two walls of steel. The the aimers, the slashers (maybe three), and the lungers (second highest number of fights, but a lousy win percentage). There were no rippers or strikers here.

Freshmen, I like 'em. Too newly immortalized (okay, rendered ageless and guaranteed resurrection) to be jaded. Let's look at the deeds of the Freshmen.

Round nine, only four fights, but no standbys. Sugarbeet is undefeated. Imnota God and Job have one loss, and Brain Tumor has two losses. Four other warriors, their opponents in these fights, are all eliminated. That seems to suggest a fast pass through the Freshmen.

Round ten, two fights. SUGARBEET 7-5219 of SUGAR AND SPICE devastated IMNOTA GOD 33-4801 of SUPERIOR FORCES 1F in a 2 minute mismatched fight. This leaves Sugarbeet still undefeated, but the other three are all now at 8-2. Somebody's going to be out of the running with the next round.

TOURNAMENT SPY REPORT (continued)

Round eleven, two fights again. SUGARBEET 7-5219 of SUGAR AND SPICE was viciously subdued by BRAIN TUMOR 52-2584 of OTTO'S PARTS in a crowd pleasing 3 minute fight. And there's Sugarbeet's first loss. JOB 18-6129 of SHEPHERDS savagely defeated IMNOTA GOD 33-4801 of SUPERIOR FORCES 1F in an exciting 4 minute gory melee. And Imnota God is eliminated.

Round twelve, two fights with one standby. SUGARBEET 7-5219 of SUGAR AND SPICE viciously subdued JOB 18-6129 of SHEPHERDS in a crowd pleasing 3 minute gruesome fight. That puts Job out. Too bad, he was, still is, I suppose, an amazing guy. One of the longest losing streaks on record, if I'm not confusing him with some other gladiator. And Brain Tumor drew the Scary Scarecrow and won. So now it's Sugarbeet and the Tumor guy.

Round thirteen, one fight. SUGARBEET 7-5219 of SUGAR AND SPICE viciously subdued BRAIN TUMOR 52-2584 of OTTO'S PARTS in a crowd pleasing 3 minute fight. Which makes short work of the Freshmen. Sugarbeet is a basher, one of, I would guess, two fighting in the Freshmen today. Brain Tumor is a total parry.

For the Freshmen as a whole, total parries dominated the number of fights, followed by aimed blows, bashers, walls of steel, parry-ripostes, hmm, lungers, parry-strikers, parry-lungers, strikers, and slashers (only one fight, and that a loss). But the bashers were the winningest, followed by the total parries, all the other styles being under fifty percent. That's probably significant, but don't ask me what it means. I congratulate everybody, just for being here.

Challengers. I wonder sometimes, I'm sure I've been told, but memory is the first thing to go when you're dead, whether the Challengers are effectively immortal or not. But the fact that there's a listing of the dead at the end of this section of the notes suggests that, yes, they can die the real death. In so far as any gladiator does, when a Tourney of the Dead is available.

So, Challengers, round nine. Twelve fights with one standby. Hmm. Undefeated are Gone to Georgia and A Balcony. One loss, Itchy Goo and 1101. Fourteen with two losses, and I'm not going to name them till we get the numbers down a little. Five were eliminated this round. Hard luck to 'em.

Round ten, nine fights. Still Gone to Georgia and A Balcony undefeated. It looks like nine with two losses (nobody with just one), so they'll be thinning out fast. Seven eliminated at 7-3, just missing tourney victor status.

Round eleven, six fights, one with a standby. And here's one to take note of, of which to take note? Whatever. THE GREAT GAZOO 19-5140 of CUNNING RUNTS overcame GONE TO GEORGIA 82-28596 of STREET PIZZAD XXI in a 1 minute veteran's match. Some much for Gone's undefeated record. A Balcony still is undefeated, though I prefer an arcade myself. With two losses, we have 1101, Pain Part 1, Hannah, Oops Sweater (fought the standby, lucky dog!), and the Great Gazoo. And four eliminated.

Round twelve, four fights, one with a standby. A BALCONY 4-6637 of P'D OFF devastated THE GREAT GAZOO 19-5140 of CUNNING RUNTS in an action packed 2 minute mismatched fight. That leaves Balcony undefeated and kicks the Gazoo out into the cold, and it is cold tonight. Raining, too. PAIN PART 1 82-11616 of LUROCANS XIV demolished GRUESOME GHOUL 205-3 of The Standbys in a 1 minute one-sided melee. Good luck on Pain's part. 1101 82-17779 of MEDAL OF HONOR AA1 was savagely defeated by OOPS SWEATER 82-56109 of 011808B in a 4 minute master's duel. And 1101 is out. GONE TO GEORGIA 82-28596 of STREET PIZZAD XXI was defeated by HANNAH 82-35298 of SUPERIOR FORCES 4501 in a 2 minute master's match. And that gives the formerly undefeated Gone a second loss.

Round thirteen, three fights, with one standby. A BALCONY 4-6637 of P'D OFF devastated WICKED WRAITH 205-5 of The Standbys in a 1 minute mismatched fight. Talk about luck! PAIN PART 1 82-11616 of LUROCANS XIV viciously subdued HANNAH 82-35298 of SUPERIOR FORCES 4501 in a 5 minute expert's battle. That's Hannah out. GONE TO GEORGIA 82-28596 of STREET PIZZAD XXI lost to OOPS SWEATER 82-56109 of 011808B in a popular 2 minute master's brawl. And how the mighty are fallen, as the once-undefeated Gone to George is eliminated as well.

Round fourteen, two fights, one with a standby. A BALCONY 4-6637 of P'D OFF slimly lost to PAIN PART 1 82-11616 of LUROCANS XIV in an action packed 4 minute brutal master's fight. And there's the Balcony's first loss. OOPS SWEATER 82-56109 of 011808B handily defeated GHASTLY GHOST 205-1 of The Standbys in a 1 minute one-sided match. So Oops is still in, but next time... somebody's got to go.

Round fifteen, two fights, again with a standby. A BALCONY 4-6637 of P'D OFF viciously subdued OOPS SWEATER 82-56109 of 011808B in an action packed 5 minute brutal master's fight. And Oops Sweater is out. There are days like this, Oops. PAIN PART 1 82-11616 of LUROCANS XIV handily defeated SHOCKING SCARECROW 205-2 of The Standbys in a 1 minute one-sided match. I don't suppose I need to tell you who's left to match up next time, do I?

Round sixteen, one fight. A BALCONY 4-6637 of P'D OFF slimly lost to PAIN PART 1 82-11616 of LUROCANS XIV in an action packed 3 minute master's fight. Not the result people were looking for! There are some very annoyed bookies out there tonight. Both Pain and Balcony are now at 14-2, and the next match will decide the issue.

Round seventeen, one last fight: A BALCONY 4-6637 of P'D OFF was bested by PAIN PART 1 82-11616 of LUROCANS XIV in an action packed 2 minute master's fight. And the Balcony falls, leaving Pain Part 1 as the Champion of the Challengers. Pain is a total parry, and Balcony is an aimed blow.

At this level, it looks like the most fights were fought by lungers, with total parries and then strikers, and aimed blows crowding behind 'em. Parry-lungers, walls of steel, and slashers were also rans, probably only one of each. No parry-ripostes, parry-strikers, or bashers.

Eight gladiators died at this level of the tourney, a couple in their first fights, and one as late as round nine. We salute them all.

TOURNAMENT SPY REPORT (continued)

The Champions, definitely mortal, highly trained, and willing to dare all. I remember those days.

Round nine, five fights, one with an Angry Pumpkin doing duty as a standby. This round ended with Alucard undefeated. Zoldivar, Real Reality, and Opal Ravioli at eight-one. John McKinney, Butt Goblin, and Domination at seven-two. And two unfortunates eliminated at six-three.

Round ten, four fights, this time with the Wily Wraith as a standby. Alucard remains undefeated. John Mickinney and Domination were eliminated. Which leaves Real Reality and Opal Ravioli at nine-one, and Butt Goblin and Zoldivar at eight-two.

Round eleven, three fights, and there's that Wily Wraith again. The still undefeated Alucard gave Opal Ravioli a second loss, despite her best efforts to refuse it. Real Reality ousted Butt Goblin and himself remained at ten-one. And Zoldivar lucked out with the standby, holding (like Opal) at nine-two.

Round twelve, and the numbers are going down fast. Two fights. Alucard the Undefeated forced Real Reality to accept a second loss. Opal Ravioli eliminated Zoldivar and a close match.

Round thirteen, two fights. Alucard, swimming in luck, drew and devastated the Wily Wraith. Opal Ravioli vanquished and eliminated Real Reality. There are times when I wouldn't have minded doing that. So now it's Alucard at thirteen-oh, and Opal at eleven-two, and the handwriting is on the wall. Annoyed the cleaning crew, but what the heck.

Round fourteen, one fight, to a finish: ALUCARD 6-6467 of GOLDEN DAWN bested OPAL RAVIOLI 82-55204 of 011808F in a 1 minute master's fight. To nobody's overwhelming surprise, Alucard is our Champion of Champions, and we congratulate him, the lucky devil. Both warriors are aimed blows.

At this level of the tourney, strikers absolutely dominated in number of fights, though their success was indifferent, barely over fifty percent. Lungers were next in number of fights, and they were pathetic, only won about half of 'em. Aimed blows were next as numerous as the lungers, and they won most, but then, there were only two of them, Alucard and Opal, and they went all the way. For the rest of the styles, there were no bashers or parry-strikers at all, and the others were only lightly represented, one or two of each. Forget them. It's the aimers that swept the board, but... you can't generalize from two gladiators, you know. I congratulate 'em, never doubt that, but they're superior examples, and I don't doubt that, either.

The scribes list five real deaths at this level, all in the first two rounds. We salute the dead and wish them well wherever they are now.

Ah, gods, the Adepts. It worries me to see the kids out there, Adepts, Initiates, Apprentices, Rookies. So young and so bold, and who knows what will happen? Well, it takes a youngster to dare.

Round nine of the Adepts, ten fights. I didn't see any standbys. Undefeated we have Srv and Tap. Maybe this is a clue that short names help? Or maybe not. We'll see how it goes. At eight-one, we have Segue, Bismuth Bender, and Luckless Rainbow. At seven-two, too many to name, eight, I make it. And seven are out as of this round.

Round ten, seven fights, with one standby. Hmm. Segue and Srv, Luckless Rainbow, and Tap, all at nine-one. Watch these people, they're hot. Good thing to be at this time of year, but that's a different matter. At eight-two, Small Pox, Smeg Maggod, G-String, Bismuth Bender, Brandy, and Dollar Parking. And three eliminations. We are making progress.

Round eleven, five fights. BRANDY 1-8584 of BOOZE viciously subdued LUCKLESS RAINBOW 84-17862 of 111610C in a action packed 7 minute brutal master's fight. That drops Luckless down to two losses. SMEG MAGGOD 3-6200 of DARK BLADES was overcome by G-STRING 9-5560 of HOT STUFF in a 2 minute veteran's match. Smeg is out. SEGUE 13-5394 of HOUSE OF CARDS unbelievably bested SMALL POX 84-18995 of KILLER DISEASES in a 2 minute master's brawl. Small is out. BISMUTH BENDER 29-5692 of METAL MINCERS was overpowered by DOLLAR PARKING 84-20239 of PARKING LOT 2 in a 1 minute one-sided fight. Bismuth is out. SRV 42-4593 of SHREDDERS bested TAP 84-17737 of REIGN 2 in a 2 minute gory expert's brawl. And Tap now has two losses. So that's only Segue and Srv at ten-one. Brandy, G-String, Dollar Parking, Luckless Rainbow, and Tap at nine-two.

Round twelve, four fights, one with a standby. BRANDY 1-8584 of BOOZE was devastated by SRV 42-4593 of SHREDDERS in a action packed 1 minute mismatched fight. And Brandy is out. G-STRING 9-5560 of HOT STUFF demolished SEGUE 13-5394 of HOUSE OF CARDS in a 1 minute one-sided melee. Both these are now ten-two. TAP 84-17737 of REIGN 2 overpowered FERAL FRIGHT 207-4 of The Standbys in a 1 minute mismatched duel. LUCKLESS RAINBOW 84-17862 of 111610C was devastated by DOLLAR PARKING 84-20239 of PARKING LOT 2 in a 2 minute one-sided fight. And Luckless Rainbow is out of the running. Too bad, with the rain we're having right now, a rainbow would fit right in.

Round thirteen, three fights, one with a standby. G-STRING 9-5560 of HOT STUFF devastated SRV 42-4593 of SHREDDERS in a action packed 1 minute brutal mismatched fight. That G-String is HOT, wow, and also skilled on the sands. SEGUE 13-5394 of HOUSE OF CARDS handily defeated TAP 84-17737 of REIGN 2 in a action packed 1 minute one-sided match. And there's Tap eliminated. DOLLAR PARKING 84-20239 of PARKING LOT 2 devastated BIG BEASTLY SPIDER 207-2 of The Standbys in a 1 minute one-sided contest. So that leaves us with only four Adepts, all of them at eleven-two. This won't last much longer.

Round fourteen, two fights. G-STRING 9-5560 of HOT STUFF was devastated by DOLLAR PARKING 84-20239 of PARKING LOT 2 in a 1 minute mismatched fight. G-String is out. Or possibly off. SEGUE 13-5394 of HOUSE OF CARDS won victory over SRV 42-4593 of SHREDDERS in an exciting 1 minute expert's battle. And Srv is through. Next time, it will be Dollar Parking and Segue, to a conclusion.

Round fifteen, the final fight. SEGUE 13-5394 of HOUSE OF CARDS bested DOLLAR PARKING 84-20239 of PARKING LOT 2 in a 2 minute master's fight. And that makes Segue the Champion of the Adepts and guarantees him six months of free parking. Good work, you two. Segue is an aimed blow, and Dollar Parking a striker.

And looking at the styles, strikers fought the most, though they barely managed a winning percentage out of it. That probably means that most of 'em washed out early on. Aimed blows had the next highest number of fights, and it was way down, but they had the top winning percentage. Good cess to 'em. Lungers were the

TOURNAMENT SPY REPORT (continued)

next in number of fights, on the down side of the win/loss percentages, no rippers at all, and the others just two or three each doing the best they could. It's a hard school. We salute them all.

As to the deaths, there were seven, and we salute the unfortunates wherever they may be. Not that death is necessarily unfortunate, but it takes a while for anyone to realize that.

Initiates, lots of Initiates. But I can handle it, I've had a fair night's sleep, and I'm ready to go. You might not think a dead guy needs sleep, but we do, same as anybody. Well, not the SAME, but we need it.

So, round nine. Eleven fights, I didn't see any standbys. Two deaths. Nobody said this was a safe life. BROCK 51-5605 of VENTURE BROS. was slaughtered by SCHLITZ 84-19993 of MILWAUKEE WE TRUST in a 1 minute uneven duel. This is Schlitz's second kill in this tourney. And MISUSED RECALL 84-17789 of FIGHTING WITH IV was assassinated by VERNON 84-20792 of ZOMBIE SQUAD 225 in a 1 minute one-sided fight. No one is undefeated. Schlitz, Arathin, Forest Moon, and Adven stand at 8-1. And we've got nine contestants at 7-2. Nine were eliminated this round, also.

Round ten, seven fights, one involving a Gruesome Ghost standby. Doesn't look like anybody died this time. Arathin, Forest Moon, and Adven are 9-1. At 8-2 we have Schlitz, Vernon, Shivor, Dawn, and Piggly Wiggly. And five more eliminations of the non-fatal sort.

Round eleven, four fights. ADVEN D2 12-6880 of DECEMBER DROIDS bested VERNON 84-20792 of ZOMBIE SQUAD 225 in a 2 minute fight. That's Vernon out. DAWN 17-7248 of ZOMBIE SQUAD 2 was devastated by SCHLITZ 84-19993 of MILWAUKEE WE TRUST in a 1 minute one-sided duel. Dawn is eliminated and can count herself lucky to be alive. SHIVOR 45-4569 of OF WOLF & MAN 4 handily defeated ARATHIN 82-29952 of PHILANTHROPISTS 20 in a 2 minute one-sided match. A second loss for Arathin. And PIGGLY WIGGLY 82-29996 of MEMPHIS DELIGHTS was devastated by FOREST MOON 84-20784 of STORMY'S TROOPERS C in a 1 minute contest. Which puts Piggly Wiggly out of the contest.

Round twelve, three fights, one with a standby. ADVEN D2 12-6880 of DECEMBER DROIDS was devastated by FOREST MOON 84-20784 of STORMY'S TROOPERS C in a 2 minute mismatched fight. SHIVOR 45-4569 of OF WOLF & MAN 4 demolished SCHLITZ 84-19993 of MILWAUKEE WE TRUST in a 1 minute one-sided melee. There goes Schlitz, back to the bench for him! ARATHIN 82-29952 of PHILANTHROPISTS 20 overpowered MINDLESS ZOMBIE 208-5 of The Standbys in a 1 minute mismatched duel. That leaves us with Forest Moon at 11-1, and Arathin, Shivor, and Adven at 10-2. The numbers are dropping fast.

Round thirteen, two fights. ADVEN D2 12-6880 of DECEMBER DROIDS was devastated by SHIVOR 45-4569 of OF WOLF & MAN 4 in a 1 minute mismatched fight. Adven is now eliminated. ARATHIN 82-29952 of PHILANTHROPISTS 20 won victory over FOREST MOON 84-20784 of STORMY'S TROOPERS C in a 3 minute battle. Which brings the surviving contestants, Arathin, Forest Moon, and Shivor, all to 11-2. This won't last much longer.

Round fourteen, two fights. Forest Moon drew the standby. Arathin finished off (non-fatally) Shivor. So it's just the two of them now, and the next round will decide it.

Round fifteen, one fight, the clincher. ARATHIN 82-29952 of PHILANTHROPISTS 20 was bested by FOREST MOON 84-20784 of STORMY'S TROOPERS C in a 2 minute fight. So Forest Moon is our Champion Initiate, and Arathin stands at second best, and a very fine second it is. Forest Moon is a lunger, and Arathin a wall of steel. Congratulations to both.

Looking at the styles generally, it looks like strikers had the most fights, but they didn't quite manage a winning percentage there. Aimed blows were next in numbers and more successful. Then... lungers I think, fewer fights but more success over all. Total parries squarely at fifty percent wins. Walls of steel, with the best record of all the styles, winning two out of three fights. It looks like there were only two walls. A few, maybe two or three, slashers and bashers, one lone unlucky parry-striker, and no parry-lungers or parry-ripostes at all. It's easy to see which styles the managers don't trust.

The dead, thirteen of them, most early, and none later than round nine. I salute them and remind them that being dead has its advantages.

Apprentices! Students of the great warriors of the sands, here to show what they're made of. A lot of blood, but courage, too.

Round nine, sixteen fights. If there was a standby, I didn't notice. Okay, I wasn't looking, my eyes were glazed by the sheer number of fights. We've got two undefeated warriors at this point, Zander and Lou Poll. Five at 8-1 (tourney victors, at the least): Esmerelda, Captain Kirk, Day Dream, Gitchigoomie, and Rage Harmony. At 7-2... lots. Hang on while I count 'em. Fourteen at 7-2. And ten eliminations.

Round ten, again a lot of fights. Eleven. I guessed that, and a count proves me right. Zander and Lou Poll are still undefeated. Captain Kirk and Rage Harmony are 9-1. A lot of people are still in the running at 8-2. Ten. And seven eliminations. There must've been a standby, too, but I missed him. After all, you see one standby, the rest are a lot like him.

Round eleven, seven fights. ZANDER 14-4759 of ZOMBIE SQUAD was bested by RAGE HARMONY 84-17734 of PHILANTHROPISTS43 in a crowd pleasing 3 minute fight. This gives Zander his first loss. Lou Poll remains undefeated. Zander and Rage Harmony now have one loss each. At two losses, I see Captain Kirk, Quaint Diploma, Green Hornet, Mudyko, Mulcher, and Protest Excuse. How many is that? Six? And five eliminations.

Round twelve, five fights, one with a standby. ZANDER 14-4759 of ZOMBIE SQUAD devastated LOU POLL 84-23655 of FUNKY FOLK in a 1 minute mismatched fight. Zander handed Lou a first loss. Zander, Rage Harmony, and Lou Poll are now 11-1. Captain Kirk, Quaint Diploma, and Protest Excuse are 10-2. And three more are eliminated. Too bad for them, but they ARE tourney victors, even if they didn't get any farther.

Round thirteen, three fights. ZANDER 14-4759 of ZOMBIE SQUAD was unbelievably bested by QUAIN DIPLOMA 84-14579 of 060310AS in a crowd pleasing 9 minute fight. That puts Zander at two losses. CAPTAIN KIRK 29-5754 of TREKKERS was demolished by LOU POLL 84-23655 of FUNKY

TOURNAMENT SPY REPORT (continued)

FOLK in a 1 minute one-sided melee. And the Captain is out. RAGE HARMONY 84-17734 of PHILANTHROPISTS43 was outlasted by PROTEST EXCUSE 84-21579 of 011411G in a unpopular 13 minute duel. And a second loss for Rage Harmony.

Round fourteen, three fights. ZANDER 14-4759 of ZOMBIE SQUAD devastated VILE VAMPIRE 209-5 of The Standbys in a 1 minute mismatched fight. A lucky match for Zander, and no insult intended in saying so. A standby is always a lucky match. QUAIN DIPLOMA 84-14579 of 060310AS unbelievably bested RAGE HARMONY 84-17734 of PHILANTHROPISTS43 in a 12 minute battle. That's Rage Harmony out, which is too bad, I kinda liked the name. PROTEST EXCUSE 84-21579 of 011411G was savagely defeated by LOU POLL 84-23655 of FUNKY FOLK in a crowd pleasing 3 minute duel. And Protest Excuse is out. Lou Poll now stands alone at 13-1. Quaint Diploma and Zander are 12-2. The rest, as they say, are history.

Round fifteen, two fights. ZANDER 14-4759 of ZOMBIE SQUAD was unbelievably bested by QUAIN DIPLOMA 84-14579 of 060310AS in a crowd pleasing 8 minute fight. And Zander is out of the fight! For somebody who ended round nine undefeated, Zander has fallen far. Too bad, but there it is. LOU POLL 84-23655 of FUNKY FOLK demolished FEROCIOUS PUMPKIN 209-1 of The Standbys in a 1 minute one-sided melee. Was this good luck for Lou, or what?

Round sixteen, one fight, and it's the finisher. QUAIN DIPLOMA 84-14579 of 060310AS was viciously subdued by LOU POLL 84-23655 of FUNKY FOLK in a crowd pleasing 4 minute fight. That's Lou at 15-1, and Quaint at 13-3. A good contest all along the way. Lou is a striker, and Quaint a total parry. Congratulations to both.

Looking at the record of styles broken out by fights, wins and losses, I see more strikers than anything at this level, and not doing badly, either at 54 percent wins. Lungers were next in number of fights at 50 percent wins. Then total parries at 65 percent. The other styles were all represented, but by only one or two, or maybe three, warriors. You might note that the farther we get from Primus, the more the striking style dominates.

I make it nineteen who died, so young and so hopeful. I turn down an empty cup for them.

Ah, the Rookies. I'm tempted to say that the Rookies leave me speechless with their youthful eagerness, but no one would believe that. So, some speech.

Rookies, round nine, twenty fights, including one with a standby. Nobody is undefeated at this point. With one loss, we have Seph, Peacock Pain, Geezer, Uncle Rat, Spaghetti Legs, No Bathroom, Freegan, Evil Demon, and Peaceful Noontime. With two losses, sixteen more hopefuls. And fourteen gladiators were eliminated, never to be Rookies again.

Round ten, thirteen fights, one standby. Still a swarming mass of armored youth. Which gives us six at 9-1: Peacock Pain, Geezer, No Bathroom, Evil Demon, Freegan, and Peaceful Noontime. At 8-2, tourney victors at the least, ten, too numerous to mention yet. It'd give me a writer's cramp. And nine eliminated. The numbers are coming down, though it seems slow just yet.

Round eleven, only eight fights! Only? Considering where we started, yes. At 10-1, we have Peacock Pain, Geezer, No Bathroom, and Freegan. At 9-2, Spaghetti Legs, Uncle Rat, Jockey Lantern, Evil Demon, Woundhealer, and Peaceful Noontime. Six eliminated, including Seph, who started so well. It isn't enough to start well, it's how you go on.

Round twelve, five fights. Peacock Pain is 11-1. At 10-2 are Geezer, Uncle Rat, No Bathroom, Jockey Lantern, Freegan, Evil Demon, and Peaceful Noontime. Spaghetti Legs and Woundhealer are out.

Round thirteen, four fights. UNCLE RAT 22-6900 of WINTERLUDE devastated JOCKEY LANTERN 84-25519 of HALLOWEENIE XI in a 1 minute mismatched fight. This puts Jockey Lantern back on the bench. NO BATHROOM 38-4948 of BASH BROS PARK vanquished FREEGAN 84-24327 of FOOD RELATED in a 2 minute uneven battle. Freegan is through for the day. GEEZER 84-20642 of GETTING OLD subdued PEACEFUL NOONTIME 84-25565 of 102811J in a 1 minute fight. Say goodbye to Peaceful Noontime. PEACOCK PAIN 84-24217 of AT THE ZOO lost to EVIL DEMON 84-25442 of SUPE FORCES 0B08 in a 2 minute brawl. And Peacock Pain picks up a second loss. All those remaining now, five of 'em, are at 11-2. Every loser in the next round is out of the contest.

Round fourteen, three fights, one with a standby. UNCLE RAT 22-6900 of WINTERLUDE devastated EVIL DEMON 84-25442 of SUPE FORCES 0B08 in a 2 minute mismatched fight. That's Evil Demon out in the cold. And it is cold today. Just short of winter, of course it's cold. NO BATHROOM 38-4948 of BASH BROS PARK lost to GEEZER 84-20642 of GETTING OLD in a 2 minute gruesome battle. No Bathroom is finished. And PEACOCK PAIN 84-24217 of AT THE ZOO demolished GRUESOME GHOUL 210-1 of The Standbys in a 1 minute uneven fight.

Round fifteen, two fights. This time Geezer gets the standby. UNCLE RAT 22-6900 of WINTERLUDE bested PEACOCK PAIN 84-24217 of AT THE ZOO in a crowd pleasing 1 minute fight. And that puts Peacock Pain out of the running. So it's down to Uncle Rat and the Geezer, next fight finishes it.

Round sixteen, UNCLE RAT 22-6900 of WINTERLUDE devastated GEEZER 84-20642 of GETTING OLD in a 1 minute mismatched fight. And Uncle Rat is the winner. Congratulations to the Rat, and also to the Geezer for making it this far.

I don't seem to have the information on styles and deaths, but I'm sure there WERE styles and deaths. Everybody who should get a salute, and in my view that's everyone who took part, gets a salute.

Dead Challengers, and there are a lot of them. A lot of people don't want to let go of life, and who can blame them?

Round nine, thirteen fights, one with a standby. Webbed Toes is undefeated. With only a single loss, I find Pud, Black Flamingo, Black Hole, Castle of Storms, Yellow Deuce Coupe, and Cirbane. And eleven, here unnamed because my fingers get tired, at 7-2. Seven are eliminated and return to their rest until next year.

TOURNAMENT SPY REPORT (continued)

Round ten, nine fights, and I didn't see a standby. Webbed Toes picked up a loss and now joins Pud, Black Flamingo, Black Hole, and Castle of Storms at 9-1. At 8-2 we have Wor, Machete Mouse, Slicker Flint, Arnold Layne, Yellow Deuce Coupe, Cirbane, and Mozart. Six more are out.

Round eleven, six fights. Things are getting tense, as nearly every loss means the end of this year's attempt at resurrection. Webbed Toes and Black Home have hung onto their single losses, they're now 10-1. Wor, Machete Mouse, and Slicker Flint have been eliminated. That leaves Pud, Black Flamingo, Arnold Layne, Castle of Storms, Yellow Deuce Coupe, Cirbane, and Mozart still clinging desperately to hope and two losses.

Round twelve, five fights, one with a standby. Webbed Toes and Black Hole cling to their lead at 11-1. At 10-2 we find Black Flamingo, Castle of Storms, and Yellow Deuce Coupe. And the other four are out in the cold again.

Round thirteen, three fights, one with a standby. BLACK FLAMINGO 21-4510 of THE COLOUR OF NEON devastated ANGRY PUMPKIN 220-4 of The Standbys in a 1 minute mismatched fight. That's Flamingo's ticket to the next round. CASTLE OF STORMS 82-6333 of IMMORTAL EMPIRE was vanquished by YELLOW DEUCE COUPE 82-33317 of COLOR TUNES in a 1 minute battle. Castle of Storms is blown away. BLACK HOLE 82-30144 of LUCROCIANS FTF04M3 overpowered WEBBED TOES 82-38943 of DREADFUL MATCHUPS in a 1 minute mismatched duel. Webbed Toes now has a second loss.

Round fourteen, two fights. BLACK FLAMINGO 21-4510 of THE COLOUR OF NEON was bested by BLACK HOLE 82-30144 of LUCROCIANS FTF04M3 in a 1 minute master's fight. The Flamingo is out. YELLOW DEUCE COUPE 82-33317 of COLOR TUNES demolished WEBBED TOES 82-38943 of DREADFUL MATCHUPS in a 1 minute one-sided melee. And there goes Webbed Toes into the darkness.

Round fifteen, one fight, the finisher. BLACK HOLE 82-30144 of LUCROCIANS FTF04M3 devastated YELLOW DEUCE COUPE 82-33317 of COLOR TUNES in a 1 minute mismatched fight. They say a black hole swallows everything, and this one did. Congratulations to both for hanging on this long. Black Hole is a total parry, and Yellow Deuce Coupe is a striker.

All styles were represented here, and as usual at the non-immortal levels, strikers dominated in number of fights fought, with 60 percent wins. Total parries, lungers, and aimed blows, in that order, were next most numerous. Surprisingly, parry-strikers had the best win percent at 66.67, but it looks there was only one of this style present.

I show twenty dead challengers dying the second death today, none of them later than round seven. We salute them.

Dead Champions.

Round nine, seven fights. I'm seeing names here that I remember seeing elsewhere. Good luck to 'em. Nobody undefeated. At 8-1, Fathom Jumper, Revolution, Kalahari, and Killer Kenny. At 7-2, Sonett, Jack Knife, Webbed Nose, Katrina, and Devil Dog. Five champions were eliminated.

Round ten, five fights, with a standby. Still too many for the details. Fathom Jumper and Revolution are 9-1. Sonett, Jack Knife, Kalahari, Killer Kenny, and Devil Dog are 8-2. Webbed Nose and Katrina are OUT.

Round eleven, four fights, with one standby. FATHOM JUMPER 21-6737 of SEA DOGS devastated SONETT 60-7088 of SAAB STORY in a action packed 1 minute mismatched fight. That puts Sonett out. JACK KNIFE 30-4814 of ALL JACKED UP was subdued by DEVIL DOG 41-4479 of DA DOG POWNDZ in a popular 2 minute veteran's melee. Jack Knife is eliminated. KILLER KENNY 82-21784 of LUCROCIANS XXXIII lost to REVOLUTION 82-40504 of ROOKIE CULT 7 in a popular 1 minute master's brawl. Killer Kenny is going back to the bench now. And KALAHARI 84-5015 of JUST DESERTS overpowered GRISLY GHOST 221-2 of The Standbys in a 1 minute mismatched match. Take your luck where you get it.

Round twelve, and things are closing down fast. Only two fights now. FATHOM JUMPER 21-6737 of SEA DOGS was devastated by KALAHARI 84-5015 of JUST DESERTS in a action packed 1 minute mismatched fight. Kalahari is through. DEVIL DOG 41-4479 of DA DOG POWNDZ was subdued by REVOLUTION 82-40504 of ROOKIE CULT 7 in a popular 1 minute veteran's melee. And Devil Dog has been sent back to the kennel.

Round thirteen, two fights, one with a standby. FATHOM JUMPER 21-6737 of SEA DOGS devastated BIG BLACK SPIDER 221-3 of The Standbys in a action packed 1 minute mismatched fight. Good luck for the Jumper. REVOLUTION 82-40504 of ROOKIE CULT 7 was demolished by KALAHARI 84-5015 of JUST DESERTS in a 1 minute one-sided melee. Which brings Revolution to two losses, also. So now all three of these champions are 11-2.

Round fourteen, two fights. FATHOM JUMPER 21-6737 of SEA DOGS devastated KALAHARI 84-5015 of JUST DESERTS in a 1 minute mismatched fight. That finishes Kalahari's hopes for this year. REVOLUTION 82-40504 of ROOKIE CULT 7 vanquished GRISLY GHOST 221-2 of The Standbys in a 1 minute uneven battle. We're left with two gladiators, each at 12-2. The next fight will finish it.

Round fifteen, one fight. FATHOM JUMPER 21-6737 of SEA DOGS bested REVOLUTION 82-40504 of ROOKIE CULT 7 in a action packed 2 minute master's fight. And the victory is Fathom Jumper's. Congratulations to both these champions. Fathom Jumper is a striker and Revolution a lunker.

As usual, strikers dominated the numbers, with aimed blows and lungers trailing behind. A LONG WAY behind are the other styles, all except the parry-strikers and walls of steel, who weren't represented at all at this level.

Nine champions died the second death today, and we salute them.

TOURNAMENT SPY REPORT (continued)

Dead Adepts! We do move along here, so let's see what these younger (when they died) gladiators can do. Round nine, eight fights. And it seems that one thing these youngsters can do is kill again: ALBATROSS 12-6835 of SEA DOGS was butchered by HEADLESS NORSEMAN 33-7758 of HALLOWIENERS in a 1 minute mismatched fight. But I'm not going into anything on the rest of these fights yet, still too many. Kyslen is undefeated. At 8-1, I see Prisoner 272, Hidden Gerbil, Frontside Grind, and Colgate Smile. At 7-2 are 2004, Urethra Franklin, Headless Norseman, Frances Pierce, and Throwing Spitballs. And five were eliminated at this point.

Round ten, six fights, one with a standby. Nothing that leaps out and says, "Talk about me!" Kyslen remains undefeated. Frontside Grind and Colgate Smile stand at 9-1. Prisoner 272, Headless Norseman, Hidden Gerbil, Frances Pierce, and Sentinel are 8-2, still in the running.

Round eleven, four fights. COLGATE SMILE 28-4812 of MY GENERATION was devastated by SENTINEL 82-53941 of LITTLE THINGS in a 1 minute mismatched fight. That's the second loss for Colgate. HEADLESS NORSEMAN 33-7758 of HALLOWIENERS was demolished by KYLSEN 84-16515 of BUBBA'S 15TH ARMY in a 1 minute one-sided melee. Ah, the Norseman is out. FRANCES PIERCE 82-48773 of MEDAL OF HONOR A5 was overpowered by FRONTSIDE GRIND 82-6546 of SKATE DRAGONS in a 1 minute duel. Pierce is through. PRISONER 272 84-4856 of DUNGEON CELL 27 was overpowered by HIDDEN GERBIL 84-19254 of TMI in a 1 minute one-sided fight. And the Prisoner goes back in the cell.

Round twelve, three fights, one with a standby. COLGATE SMILE 28-4812 of MY GENERATION was devastated by KYLSEN 84-16515 of BUBBA'S 15TH ARMY in a 2 minute mismatched fight. And that eliminates Colgate, leaving Kyslen still undefeated. SENTINEL 82-53941 of LITTLE THINGS was handily defeated by HIDDEN GERBIL 84-19254 of TMI in a 1 minute one-sided match. Hidden Gerbil is hanging on at 10-2, and Sentinel is out. FRONTSIDE GRIND 82-6546 of SKATE DRAGONS devastated MORBID MUMMY 222-3 of The Standbys in a 1 minute one-sided contest. Frontside is still with us at 11-1.

Round thirteen, two fights, one with a standby. FRONTSIDE GRIND 82-6546 of SKATE DRAGONS devastated KYLSEN 84-16515 of BUBBA'S 15TH ARMY in a 1 minute mismatched fight. That's Kyslen's first loss, leaving these two tied at 12-1. HIDDEN GERBIL 84-19254 of TMI demolished SPOOKY SPRITE 222-2 of The Standbys in a 1 minute one-sided melee. Which leaves the Gerbil still in, but barely, at 11-2.

Round fourteen, two fights, again one with a standby. FRONTSIDE GRIND 82-6546 of SKATE DRAGONS devastated HIDDEN GERBIL 84-19254 of TMI in an action packed 1 minute mismatched fight. And the Gerbil is gone. KYLSEN 84-16515 of BUBBA'S 15TH ARMY murdered FERAL FRANKENSTEIN 222-5 of The Standbys in a popular 1 minute one-sided melee. Kyslen and Frontside Grind are still standing, 13-1 each.

Round fifteen, one fight. FRONTSIDE GRIND 82-6546 of SKATE DRAGONS was devastated by KYLSEN 84-16515 of BUBBA'S 15TH ARMY in a 1 minute mismatched fight. This puts Kyslen ahead of Frontside, but there's still a chance for Frontside to win.

Round sixteen, one fight, the finisher. FRONTSIDE GRIND 82-6546 of SKATE DRAGONS was devastated by KYLSEN 84-16515 of BUBBA'S 15TH ARMY in a 1 minute mismatched fight. Kyslen is the Champion of the Dead Adepts, and we salute him, and also Frontside Grind for making it a hard fight. Both these warriors are strikers.

And in general, strikers were the dominant style at this level, both in number of fights and in wins. Aimed blows were a late second in numbers, and every other style was an also ran. Only the total parries were not represented.

I count seven who died again here, and salute them also. Rest in peace.

Dead Initiates, the young, the once-too-reckless.

Round nine, seven fights, one with a standby. Zellner is undefeated at this point. Payed Late has one loss. With two losses are Balor, Clear, Doe Jacobs, Jebediah, Caffrey, and Frequent Flayer. And five hopefuls are eliminated at 6-3.

Round ten, four fights. FREQUENT FLAYER 3-7027 of GENERATION X devastated ZELLNER 84-24796 of SUPE FORCES 7A00 in a 1 minute mismatched fight. So much for Zellner's undefeated status. DOE JACOBS 5-4996 of FRIENDS, NO FAMILY was vanquished by PAYED LATE 84-12533 of TMF II in an exciting 1 minute uneven battle. Doe is out. BALOR 7-5894 of DEMONS & DEVILS overpowered JEBEDIAH 18-9669 of TALCAMA CADETS in a 1 minute mismatched duel. Jebediah is gone. CAFFREY 18-10012 of RYAN'S HENCHMEN devastated CLEAR 82-48980 of GOLDEN KNIGHTS 11 in an exciting 1 minute one-sided fight. And Clear is clouded over again.

Round eleven, three fights, one with a standby. FREQUENT FLAYER 3-7027 of GENERATION X was devastated by BALOR 7-5894 of DEMONS & DEVILS in a 1 minute mismatched fight. That's the Flayer sent back to the bench. CAFFREY 18-10012 of RYAN'S HENCHMEN vanquished GRUESOME GHOUL 223-5 of The Standbys in a 1 minute uneven battle. Always a useful placeholder of a fight. TOURNAMENT SPY REPORT (continued)

I don't have style information or a list of deaths for this level, but I think it's a fair guess that there WERE styles, and probably deaths as well. And I salute everybody, they're bound to deserve it for something.

Dead Apprentices, the last section of this tourney, but no less important to the contestants for all that.

Round nine, eight fights, one with a standby. At 8-1, I see Wilted Salad, Bosomy Goldmine, Donkey Hotay, Cruiser Ion Fuel, and Gold. I make that six Apprentices. And at 7-2, still fighting, are Brewer, Crash Davis, Ayers Rock, and Memorial Home, another four. Five were eliminated.

Round ten, five fights. The single-loss contestants are reduced to Wilted Salad, Bosomy Goldmine, Fuel, and Donkey Hotay. Hanging on at 8-2 are Brewer, Cruiser Ion, and Gold. There more were ousted.

Round eleven, four fights, one with a standby. BOSOMY GOLDMINE 1-8537 of SUPER STARS R US devastated CRUISER ION 82-32979 of PSU RADIO in a 1 minute mismatched fight. That's Cruiser Ion sent back to the showers. DONKEY HOTAY 19-5187 of MAN OR BEAST? vanquished MALEVOLENT MUMMY 224-1 of The Standbys in a 1 minute uneven battle. Take the lucky matches when you get 'em. BREWER 72-6807 of NL CENTRAO was demolished by FUEL 84-18477 of ROOKIE METALLICA 2 in a 1 minute uneven fight. Brewer is eliminated. GOLD 82-49985 of 4 LETTER TREASURE bested WILTED SALAD 82-56064 of JOES TRASH in a popular 1 minute contest. And Wilted Salad gets a second loss.

Round twelve, three fights, one with a standby. BOSOMY GOLDMINE 1-8537 of SUPER STARS R US was bested by FUEL 84-18477 of ROOKIE METALLICA 2 in a crowd pleasing 2 minute fight. Second loss for the Goldmine. DONKEY HOTAY 19-5187 of MAN OR BEAST? vanquished GOLD 82-49985 of 4 LETTER TREASURE in a 1 minute uneven battle. Gold is eliminated. And WILTED SALAD 82-56064 of JOES TRASH demolished SPOOKY SKELETON 224-4 of The Standbys in a 1 minute uneven fight.

Round thirteen, two fights. BOSOMY GOLDMINE 1-8537 of SUPER STARS R US was devastated by WILTED SALAD 82-56064 of JOES TRASH in a 1 minute mismatched fight. And the Goldmine is out. DONKEY HOTAY 19-5187 of MAN OR BEAST? was vanquished by FUEL 84-18477 of ROOKIE METALLICA 2 in a 1 minute uneven battle. Fuel now stands at 12-1, with Donkey at 11-2.

Round fourteen, two fights. DONKEY HOTAY 19-5187 of MAN OR BEAST? was devastated by WILTED SALAD 82-56064 of JOES TRASH in a 1 minute mismatched fight. So much for the Donkey. And FUEL 84-18477 of ROOKIE METALLICA 2 vanquished WICKED WITCH 224-3 of The Standbys in a 1 minute uneven battle.

Round fifteen, one fight, and it turns out to be the clincher. WILTED SALAD 82-56064 of JOES TRASH was devastated by FUEL 84-18477 of ROOKIE METALLICA 2 in a 1 minute mismatched fight. Our congratulations to Fuel, Champion of the Dead Apprentices, and to runner-up Wilted Salad. Fuel is a striker, and Wilted Salad and aimed blow.

Lungers and aimed blows led in number of fights here today, with strikers a strong third, bashers and total parries faintly following. It seems that parry-lungers, parry-ripostes, parry-strikers, slashers, and walls of steel were not represented at all.

Fourteen Apprentices died the second death today, and we salute them.
