

THE MAIL-IN GRAND TOURNAMENT LVI!

ARENAMASTER'S NOTES: 3 November 2013

This is the newsletter for the fifty-sixth Mail-In Grand Tournament. All regular Duelmasters arena newsletters will include a listing of the tournament participants from that arena—all the warriors that fought will have their tournament win-loss record posted for all to see. The class divisions for Grand Tournament LIII were as follows:

DM 200, The Primus Tournament	– All Primus inducted warriors (as of the Fall 2013 ADM Freeze)
DM 201, The Contenders Tournament	– All Primus contenders (as of the Fall 2013 ADM Freeze)
DM 202, The Eligible Tournament	– All Primus qualified warriors
DM 203, The ADM Tournament	– All other ADM warriors
DM 204, The Freshmen Tournament	– All new ADM warriors and ADM Freshmen
DM 205, The Challengers Tournament	– DM warriors with 31+ fights as of the Tournament
DM 206, The Champions Tournament	– DM warriors with 21+ fights as of the Tournament
DM 207, The Adepts Tournament	– DM warriors with 11-20 fights as of the Tournament
DM 208, The Initiates Tournament	– DM warriors with 5-10 fights as of the Tournament
DM 209, The Apprentices Tournament	– DM warriors with 1-4 fights as of the Tournament
DM 210, The Rookies Tournament	– DM warriors with 0 fights as of the Tournament
DM 220, The Dead Challengers Tournament	– Dead DM warriors with 31+ fights as of the Tournament
DM 221, The Dead Champions Tournament	– Dead DM warriors with 21+ fights as of the Tournament
DM 222, The Dead Adepts Tournament	– Dead DM warriors with 11-20 fights as of the Tournament
DM 223, The Dead Initiates Tournament	– Dead DM warriors with 5-10 fights as of the Tournament
DM 224, The Dead Apprentices Tournament	– Dead DM warriors with 1-4 fights as of the Tournament

A grand total of 2594 warriors participated in Grand Tournament LVI. This was a huge amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: They will be allowed to choose to either resurrect one of their dead warriors, or make one of their living warriors immortal! All Dead Tourney Tournament Champions will be resurrected and granted immortality; Tournament Victors of the Dead Tourneys will only be resurrected. Immortal warriors may not challenge the Dark Arena. (You don't have to kill off a member of your team when the dead warrior is resurrected; you can wait for an opening on the team to occur naturally any time in the next six months.) Please remember, you must use all prizes within six months of the tourney when they were won.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a Primus warrior of the same style within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in LV longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

TOURNAMENT SPY REPORT

Primus! That means it comes first. Although actually, if you look at the movement of the warriors through the levels of gladiatorial training, it comes last. Life is like that.

Primus, round nine, eight fights. I see one at sixty-four minutes, I think that's the longest one; two in single digits (The horror! The shame!), one at twenty-two, and the rest around mid-forties. Sounds like the temperature forecast, doesn't it? Four of the people involved here were eliminated. Neosphincter and Bob, Eternal finish this round undefeated. At 8-1, already assured of tourney victor status, are 5, Rabid-Gerbil, John Ashcroft, Frankenberry, and Littlest Tyrant. Five more at 7-2, but I'm not going to list them unless they hang on for another round. At which point, of course, they won't BE at 7-2.

Round ten, six fights, the shortest at six minutes and the longest at seventy-seven and described, justly, as monotonous. Hey, everybody has days like that. Neo and Bob remain undefeated, taunting their opponents. Or opponents, depending on who you listen to. Littlest Tyrant is 9-1. At 8-2, tourney victors, we find Littlest Tyrant, Bonnie, 5, Rabid-Gerbil, Zero, John Ashcroft, Weird Head Boy, and Frankenberry. Terminus and Furious Bear have been eliminated.

Round eleven, and we should be down to five fights. Right, five fights. At this point, everyone, even those being eliminated now, is a tourney victor. Good going. The longest fight was ninety minutes. That's why Primus doesn't time-share the arena here (in Xochitlan, were it is, as advertised, warmer than the Isle) with the other levels of the tourney. Primus fights take too long. Bob, Eternal remains undefeated, but he's alone in that position now. Neosphincter and Littlest Tyrant are 10-1. Rabid-Gerbil, John Ashcroft, and Frankenberry are 9-2. And Bonnie, 5, Zero, and Weird Head Boy are out and headed for the showers.

Round twelve, three fights, and the SHORTEST fight was 103 minutes! The longest one was 150 minutes. This is Primus tourney fighting without let or stint, and a good time to get some dinner, chat with your friends,

TOURNAMENT SPY REPORT (continued)

even take a nap. Bob, Eternal remains undefeated STILL. Frankenberry is eliminated. The others are now at 10-2, and they could fall out of the running at any minute.

Round thirteen, three fights, one with a standby. That was Littlest Tyrant drew the standby. Bob, Eternal, still undefeated, got his hands on Neosphincter and kicked him out of the contest. John Ashcroft was also eliminated.

Round fourteen, two fights, one with a standby. Bob drew the standby, lucky devil that he is and remains undefeated. Rabid-Gerbil was cast out by Littlest Tyrant. Littlest is looking good, 12-2, but you know he's near to doomed against the undefeated Bob.

Round fifteen, one fight, and it's the clincher: BOB, ETERNAL, 38-4460 of SANDS OF TIME slimly won victory over LITTLEST TYRANT 82-55890 of THE NEPHEW in a 42 minute fight. A good try by the Littlest one, but... no great surprise by now, eh? Both these warriors are aimed blows. Congratulations to both.

Contenders--the most contentions warriors on the Isle. They're THAT close to Primus-ranked tourney contestants, and they WANT that qualification. So they fight like the devil.

Round nine, seven fights, and I didn't see a standby. Huge Twirling Man and Mandrake are undefeated. At 8-1, tourney victors already, I find: He Hate Me, Samurai, Eternal D.J., and Shadow Angel. Four more, at 7-2, will be continuing into the next round. And three are out before reaching tv status. Nobody said it'd be easy.

Round ten, six fights, one standby. Huge Twirling Man remains undefeated. At 9-1 are Samurai, Eternal D.J., and Mandrake. At 8-2 I find He Hate Me, Napoleon Dynamite (he drew the standby), Soulsnare, Shadow Angel, Big Daddy Kane, and Scootie Puff Jr. All are now tourney victor, for sure. Calavera is out at 7-3.

Round eleven, five fights. No standbys, and no easy matches. Huge Twirling Man lost! Now at 10-1 are Huge, Eternal D.J., and Mandrake. At 9-2 I find Samurai, Soulsnare, Shadow Angel, and Big Daddy Kane. He Hate Me, Napoleon, and Scootie Puff are out. Dropping fast here.

Round twelve, four fights, one with a standby. Big Daddy Kane drew a Captured Orc and can count himself lucky on that. Eternal D.J. and Mandrake are now 11-1. Huge Twirling Man, Samurai, and Big Daddy Kane are 10-2. Soulsnare and Shadow Angel are 9-3 and out.

Round thirteen, three fights, one with a standby. That was Huge Twirling Man. Big Daddy Kane lost to Samurai and was eliminated. Mandrake stands alone at 12-1. Huge Twirling Man, Samurai, and Eternal D.J. are tied at 11-2.

Round fourteen, two fights. ETERNAL D.J. 3-5931 of FRAT PARTY BLOWOUT was viciously subdued by MANDRAKE 68-3259 of SERPENT'S HOLD in a 11 minute fight. That's the D.J. out of the running. Or contending. And HUGE TWIRLING MAN 24-4457 of DIABLO ALSO was demolished by SAMURAI 75-3119 of GOLD STANDARD in a popular 1 minute one-sided melee. Which puts Huge out. Now it's Mandrake at 13-1 and Samurai at 12-2.

Round fifteen, one fight: MANDRAKE 68-3259 of SERPENT'S HOLD was devastated by SAMURAI 75-3119 of GOLD STANDARD in an action packed 4 minute mismatched fight. These two warriors are now TIED at 13-2. The next match will settle this.

Round sixteen, one fight, the finisher: MANDRAKE 68-3259 of SERPENT'S HOLD was devastated by SAMURAI 75-3119 of GOLD STANDARD in an action packed 6 minute mismatched fight. Samurai is the winner! But the clerks seem to have neglected to give me information on the styles of these warriors. At a guess, aimed blows, but there ARE other styles out there.

Eligibles. With a little more experience, they coulda been contendahs... and one day they WILL be. Round nine, five fights, no standbys. Short stuff, the longest is nine minutes. Nobody is undefeated. Four stand at 8-1: Daydream Believer, Ham Burglar, Gilded Murderer, and Lucian Adams. What happened to short names? Four at 7-2: Dr Dazzle, Nay Palm, Strategy, and Furious Anger. Two dropped out at 6-3.

Round ten, four fights, no standbys. This is rushing along here! Probably because the fights are short, it creates an illusion of speed. Ham Burglar and Lucian Adams are 9-1. Dr Dazzle and Furious Anger are out at 7-3. Everyone else: Daydream Believer, Nay Palm, Strategy, and Gilded Murderer--they're all 8-2 and tourney victors at the least. They may go on to more and better, or not.

Round eleven, three fights. Ham Burglar eliminated Nay Palm, himself attaining 10-1. Strategy defeated Lucian Adams and is now tied with him at 9-2. And Gilded Murderer defeated and eliminated Daydream Believer, himself holding on at 9-2.

Round twelve, two fights. STRATEGY 82-18418 of STUPID NAMES slimly lost to GILDED MURDERER 98-1679 of THE HUNTED F9 in a crowd pleasing 5 minute fight. That's Gilded at 10-2 and Strategy out. And LUCIAN ADAMS 84-28187 of MEDAL OF HONOR 1A1 was vanquished by HAM BURGLAR 99-1620 of DUNGEON CELL S08C in a 2 minute uneven battle. Ham stands in the lead at 11-1, and Lucian is out.

Round thirteen, one fight, and it could be the clincher: GILDED MURDERER 98-1679 of THE HUNTED F9 was viciously subdued by HAM BURGLAR 99-1620 of DUNGEON CELL S08C in a 6 minute fight. And it IS the clincher, with Ham Burglar at 12-1 as the Champion. Congratulations on a hard-fought tourney. Both warriors are aimed blows.

ADM. The backbone of Lady Sheila's defensive force. Round nine, looks like nine fights. As Debby Tonte would say, how summerian! We won't have all eighteen of these guys going forward here, but enough. The Mad Dwarf is undefeated. Some people don't like to face an insane opponent, you never know what he might do. At 8-1, tourney victors already, we have Happy Apple, Chaintree, Way of the Wicked, and Michael Scarn. At 7-2, still in their hacking and slashing, there are... hhm. Seven at 7-2. I'm not going to name them right now. Call me lazy, or call me "looking at a lot more spy report before I'm done." And six were eliminated on this round with no chance to grab a tourney victor's challenge.

Round ten, six fights. That's trimming it fast! The Mad Dwarf picked up a loss from Happy Apple, so now, at 9-1, we have: Happy Apple, Chaintree, The Mad Dwarf, and Michael Scarn. At 8-2 we have Conspiracy, Oops Sweater, Way of the Wicked, and Ting-Ting. All tourney victors, and now the last tourney victors from this level

TOURNAMENT SPY REPORT (continued)

of the tourney; everyone else has fewer than eight wins. Four were eliminated on this round, going out at 7-3 (close doesn't count here): Incisor, Clever, Gortek, and Pepp. At least they have short names.

Round eleven, four fights. It's getting tough, cut-throat or cut anything else you can reach. Happy Apple, Chaintree, and Michael Scarn are 10-1. Still in and favored. The Mad Dwarf and Ting-Ting are still in at 9-2, but on the edge. The rest... out.

Round twelve, three fights, one with a standby. The Mad Dwarf drew an Ambitious Guard and dealt severely with him. Nobody's giving up easily here. Happy Apple got a second loss from Michael Scarn, who is 11-1. Ting-Ting was eliminated by Chaintree, also 11-1. And by defeating the Guard, The Mad Dwarf held on at 10-2.

Round thirteen, two fights, two eliminations. HAPPY APPLE 3-6492 of FRAT PARTY BLOWOUT was devastated by CHAINTREE 82-24766 of DISORDER in a 1 minute mismatched fight. That's Happy out, and Chaintree at 12-1. And MICHAEL SCARN 11-1973 of THREAT LEVEL MIDNIGHT narrowly defeated THE MAD DWARF 82-46075 of SACS DE SABLE 2 in a 5 minute melee. Which is the Dwarf out and Michael at 12-1.

Round fourteen, one fight, but not the final one. MICHAEL SCARN 11-1973 of THREAT LEVEL MIDNIGHT devastated CHAINTREE 82-24766 of DISORDER in a 3 minute mismatched fight. This puts Michael still at one loss, Chaintree at two. The next match COULD decide this.

Round fifteen, one fight, and it IS the clincher. MICHAEL SCARN 11-1973 of THREAT LEVEL MIDNIGHT bested CHAINTREE 82-24766 of DISORDER in a crowd pleasing 2 minute gruesome fight. This puts Chaintree out at a respectable 12-3, and Michael Scarn the winner at 14-1. Michael is an aimed blow (anyone surprised?) and Chaintree a lunger.

Freshmen, the newly immortal and ever-hopeful.

Round nine, eleven fights, one with a standby. Oddjob, newly escaped from Shadowspire, is undefeated at 9-0. Seven at 8-1, tourney victors all, and none of them with short names. What the heck, I'll list 'em anyway: Surly Deckhand, Spare Anchor, The Wad o' Gas, Confidence, Two-Piece Toenail, Locked and Loaded, and Princess Bubblegum. Five more at 7-2, and if they make it through the next round, I'll probably name names. And eight eliminated.

Round ten, seven fights, one with a standby. Surly Deckhand drew the standby and, of course, defeated him. The longest fight, longer than I expected at this level, was: SPARE ANCHOR 18-9610 of SEA DOGS outwaited THE WAD O' GAS 82-13378 of ENIGMA 1 in a unpopular 56 minute gory brawl. Oddjob remains undefeated. At 9-1 are Surly Deckhand, Spare Anchor, Confidence, Two-Piece Toenail, and Princess Bubblegum. Still hanging on grimly at 8-2: The Wad o' Gas, Locked and Loaded, and Rotting Roland. And four more have been eliminated.

Round eleven, five fights, one with a standby. It was The Wad o' Gas that drew and devastated the standby. Oddjob remains undefeated. Surly Deckhand is in sole possession of the 10-1 position. At 9-2 we have seven, and no new eliminations. But somebody is going to go SOON.

Round 12, five fights, one with a standby. This time, the standby was drawn by Two-Piece Toenail. Oddjob lost to Rotting Roland, surprising many and annoying the bookies. So Surly Deckhand and Oddjob are now tied at 11-1. At 10-2 are Confidence, Two-Piece Toenail, Princess Bubblegum, and Rotting Roland. Spare Anchor, The Wad o' Gas, and Locked and Loaded are out.

Round thirteen, down to three fights, and no standbys. Oddjob took a second loss, from Princess Bubblegum. Two-Piece Toenail was eliminated by Confidence, and Surly Deckhand ousted Rotting Roland. So many possible plays on words, so little time. I will just go on.

Round fourteen, only two fights. Things are getting really tense here. CONFIDENCE 8-4894 of CONSANGUINEOUS slimly won victory over PRINCESS BUBBLEGUM 40-4214 of ADVENTURE TIME 2 in a 3 minute fight. That's the Princess out. And SURLY DECKHAND 21-6568 of SEA DOGS killed ODDJOB 81-1766 of BOND-AGE in a exciting 2 minute gory melee. Obviously, Oddjob is out, too. So! Surly Deckhand at 13-1 and Confidence at 12-2. This could go one more round, or two, but no further.

Round fifteen, one fight: CONFIDENCE 8-4894 of CONSANGUINEOUS viciously subdued SURLY DECKHAND 21-6568 of SEA DOGS in a crowd pleasing 3 minute fight. A tough pair of gladiators, a hard fight, and both of them are now 13-2. The next round WILL be the finisher.

Round sixteen, one fight, and this will settle the Champion of Freshmen: CONFIDENCE 8-4894 of CONSANGUINEOUS viciously subdued SURLY DECKHAND 21-6568 of SEA DOGS in a crowd pleasing 3 minute fight. Confidence is the winner! Good going. Confidence is a lunger, and Surly Deckhand a basher.

Challengers! Ah, now we're down among the mortals, and a death in one of THESE battles is the real thing.

Round nine, twelve fights, and I didn't see a standby. Coulda missed one, I guess, but I didn't see any. We've got Kinky McKink and Diamondback undefeated. Half a dozen tourney victors (so far) at 8-1: Legato Catty, Frozboz, Jabber Hogan, Slick Billy, The Uptight Man, and Bosomy Goldmine. Ten at 7-2, teetering on the edge but still with a chance. I'm not going to list ten guys here. If they can make it through the next round, okay, but not here. And six eliminated at 6-3, with no chance even for a tourney victor standing.

Round ten, nine fights. Diamondback lost to Balor, leaving Kinky alone at 10-0. At 9-1 we have Frozboz, Jabber Hogan, The Uptight Man, Diamondback, and Bosomy Goldmine. Half a dozen at 8-2, tourney victors, and I promised to list 'em by name: Legato Catty, Warrior 1, Fried Duckpins, Slick Billy, Real Reality, and Balor. And six were eliminated.

Round eleven, six fights. Kinky McKink remains undefeated, his team is not called "Savage" for no reason. At 10-1 we have Jabber hogan, The Uptight Man, and Bosomy Goldmine. At 9-2: Frozboz, Warrior 1, Slick Billy, and Diamondback. Four more are out.

Round twelve, four fights. Kinky McKink lost to Jabber Hogan, was "viciously subdued," in fact. Frozboz eliminated Warrior 1, and Diamondback ousted Slick Billy. That gives us nobody undefeated. Jabber, Kinky, and Uptight at 11-1. Frozboz, Diamondback, and Bosomy Goldmine at 10-2. And the last two, of course, are out in the cold.

Round thirteen, three fights. Bosomy Goldmine was ousted by Diamondback. And here I thought diamonds were a girl's friends! The Uptight Man handed Kinky McKink his second loss. And Frozboz forced a

TOURNAMENT SPY REPORT (continued)

second loss on Jabber Hogan. So it's The Uptight Man alone at 12-1. The rest at 11-2: Frozboz, Jabber Hogan, Kinky McKink, and Diamondback.

Round fourteen, with three fights. Jabber Hogan drew a standby and won. The Uptight Man eliminated Diamondback. And Frozboz handed Kinky his third loss. So we've got The Uptight Man at 13-1, Frozboz and Jabber Hogan at 12-2, and two out.

Round fifteen, two fights. Frozboz drew the Oskis Noble and won, as everyone knew he would. The Oskis Noble? As if! And The Uptight Man kicked Jabber Hogan out of the contest. So it's Uptight at 14-1, and Frozboz at 13-2, and the next round COULD be the decider. I didn't look ahead, so as not to spoil the tension.

Round sixteen, one fight, and it IS the final match for this level of the tourney. THE UPTIGHT MAN 48-3969 of OUT OF PROZAC devastated FROZBOZ 82-14622 of FIRES OF HEAVEN 4 in a 2 minute mismatched fight. That's The Uptight Man, Champion at 15-1. The Uptight Man is an aimed blow, and Frozboz a lunger.

Two warriors died the real death during this contest, but it was early on. I don't know if that makes it better or worse. Equity Talent and General Purpose both went out at 0-2. We salute them.

Champions. It always seems weird to me to talk about a Champion of Champions, like THIS Champion is more important than the Champions at the other levels. But maybe he or she or it is, after all? I don't know everything.

Round nine, eight fights. Does this mean that guys who are so close to immortality are less willing to risk it? Or that there were a lot of heavy eliminations in the lower rounds? Nobody is undefeated at this point, but we have five at 8-1: Torture, Globulizer, Y the Bold, Beuford Anderson, and Ooo Ooo Ooo, all tourney victors. Six stand at 7-2, with a chance to make it all the way, but not the best of chances: 21stcentury Skitzoid, Suicidal Octopi, Quicksand!, Thomas Wigle, J.O. Lantern, and Def Jam Shirt. And five didn't make it past this round. I salute them, but I won't name them. The Hands are already muttering, in a manner of speaking, about the unusual amount of work coming their way.

Round ten, six fights, one with a standby. Beuford Anderson drew and defeated the Embezzling Scribe. We're down to four at 9-1: Globulizer, Y the Bold, Beuford Anderson, and Ooo Ooo Ooo. Still hanging on at 8-2, tourney victors, we have Torture, Thomas Wigle, and Quicksand! Four more are out and headed for the showers.

Round eleven, four fights, one standby, one death. Torture drew the standby and won. The death: GLOBULIZER 8-3973 of WEIRD ALCHEMY easily killed BEUFORD ANDERSON 84-28184 of MEDAL OF HONOR 1A1 in a 1 minute one-sided match. These things happen when you live by the sword, but they're never easy to accept. We salute Beuford and wish him well in the Dead Tourney. Globulizer and Ooo Ooo Ooo are 10-1. Torture, Y the Bold, and Quicksand! are 9-2. Thomas Wigle and Beuford are out.

Round twelve, three fights, one standby, no more death. Yet. Globulizer and Ooo Ooo Ooo (who drew the standby) are 11-1. Quicksand! is 10-2. Torture and Y are out.

Round thirteen, two fights. Quicksand! drew a standby and an easy win. Globulizer handed Ooo Ooo Ooo a second loss. This gives us Globulizer at 12-1, and Ooo and Quicksand at 11-2. Looks like we aren't far from the end here.

Round fourteen, two fights. Globulizer drew a standby and is now 13-1. Ooo Ooo Ooo vanquished and eliminated Quicksand! That isn't my exclamation point, by the way. I don't really approve of fancy punctuation in names, but nobody asked ME.

Round fifteen, one fight, and it is the finisher: GLOBULIZER 8-3973 of WEIRD ALCHEMY devastated OOO OOO 46-4281 of YOU DON'T SAY! in a 1 minute mismatched fight. This makes Globulizer the Champion at 14-1, and Ooo Ooo Ooo out at a respectable 12-3. Congratulations to both. I see that Globulizer is a wall of steel, and Ooo Ooo Ooo an aimed blow. At the lower levels, aimed blows are NOT invincible, and you younger managers need to remember that.

Five gladiators died the real death on the sands here today, and we salute them.

Who's next? **Adepts**, right. I knew that. If they weren't adept, they wouldn't have made it this far.

Round nine, fifteen fights, with a death! CUTPURSE 2-5920 of DUNGEON CELL slaughtered HIGH PRIEST 10 84-15912 of PRIESTS OF SYRINX 4 in an exciting 1 minute uneven battle. Where was Syrinx when his Priest needed him? Or, why did the Priest have his heart in his purse? Despite the loss of High Priest, we have a lot of Adepts still fighting today. Undefeated (9-0) are Slide to Hell and Sting. At 8-1, already tourney victors, I see Cutpurse, Grimlounge, One Armed Bandit (the warrior, not the manager), Causey, Supremacy, Green Snot, and Ice King. At 7-2... too many to list yet, I make it nine of 'em. And twelve eliminations.

Round ten, nine fights. Just to prove that I can do simple math, that's eighteen warriors. Slide and Sting remain undefeated. At 9-1 are Grimlounge, Causey, Supremacy, and Ice King. At 8-2, tourney victors now whatever happens, are Cutpurse, One Armed Bandit the warrior, Maulcontent, Green Snot, Mud Puppy, and Joe Bob. And six more have been eliminated.

Round eleven, six fights. Ice King handed Slide to Hell his first loss, leaving Sting alone as undefeated. At 10-1 we have Slide to Hell, Causey, Supremacy, and Ice King. Three at 9-2: Grimlounge, Cutpurse, and Maulcontent. And four more are out.

Round twelve, four fights, and only one elimination, which means a standby next time. Cutpurse was eliminated by Grimlounge. Sting remains undefeated. One tough Serpent, Sting. Causey is alone at 11-1. At 12-2 we have Grimlounge, Slide to Hell, Supremacy, Maulcontent, and Ice King.

Round thirteen, four fights. Sting, lucky Serpent that he is, drew and killed a standby. That puts Sting at 13-0. Causey eliminated Supremacy, Slide to Hell got rid of Grimlounge, and Ice King ousted Maulcontent. That's Sting at 13-0; Causey at 12-1; and Slide to Hell and Ice King at 11-2.

Round fourteen, two fights, and some mixing up of the ranks. Slide to Hell handed Causey a second loss. Sting got his first from Ice King. So we have Sting at 13-1, and Slide, Causey, and Ice King at 12-2. No eliminations... this time.

Round fifteen, two fights and two eliminations. You lose at this point, and you're OUT. SLIDE TO HELL 16-6002 of DEVIL'S PLAYGROUND devastated CAUSEY 65-5881 of THE CAUSEY WAY in a 1 minute mismatched fight. That puts Slide at 13-2 and Causey out. ICE KING 40-4507 of ADVENTURE TIME 2 was demolished by

TOURNAMENT SPY REPORT (continued)

STING 47-7656 of SERPENTS HOLD 200 in a popular 1 minute one-sided melee. This one puts Sting at 14-1 and Ice King out. It's down to just the two of them and one or two rounds will likely finish it.

Round sixteen, one fight. SLIDE TO HELL 16-6002 of DEVIL'S PLAYGROUND devastated STING 47-7656 of SERPENTS HOLD 200 in a 1 minute mismatched fight. A real cliff-hanger here! Now both these warriors are 14 and 2. The next match WILL be the clincher.

Round seventeen, one fight. SLIDE TO HELL 16-6002 of DEVIL'S PLAYGROUND was devastated by STING 47-7656 of SERPENTS HOLD 200 in a 1 minute mismatched fight. And that's it, Sting the Champion at 15-2, and Slide to Hell on his heels at 14-3. Good work! It would appear that both these warriors are strikers.

Ten warriors died in this level of the tournament, and we salute them.

Initiates. Right. They initiate fights every time they turn around. Feisty.

Round nine, fifteen fights. You like to see me sweat, don't you? Nobody is undefeated at this point. We have EIGHT Initiates at 8-1. Lots of long names. Sushi Hangover, Slots Wild, Lore, Genius Awesome, Sylvester Stallone, Airless Kestrel, Verisimilitude, and Maleable. Nine at 7-2, and I am not going to list them yet. Let 'em prove themselves! Thirteen warriors were eliminated at this point.

Round ten, nine fights (I think nine), and a standby. Maleable got the standby, if you wondered. Three at 9-1: Genius Awesome (and so modest!), Verisimilitude, and Maleable. Eleven at 8-2, now assured of tourney victor status: Sushi Hangover, Slots Wild, The Law, Lore, Equinophobic Cowboy, Ratatouille, Airless Kestrel, Sylvester Stallone, Mediocretrair, Jet Lee, and Willar. Three (only three!) were eliminated.

Round eleven, seven fights and a death! LORE 29-5884 of TREKKERS murdered VERISIMILITUDE 84-20379 of BIG WORDS! in a 1 minute gruesome mismatched competition. "Murdered" implies deliberation, and it's hard to see how that could have been involved, but who knows, eh? Genius Awesome is now alone at 10-1. At 9-2 we have, hrm, several. Lore, Sushi Hangover, Ratatouille, Equinophobic Cowboy, Airless Kestrel, Mediocretrair, and Maleable. Seven, I think. This late in the day, I won't promise that I'm counting straight. Six eliminations.

Round twelve, four fights, and another death! SUSHI HANGOVER 18-10313 of FISHY FISHY FISH slaughtered GENIUS AWESOME 56-4402 of MEN OF STEEL in an exciting 1 minute uneven battle. That is... a very BAD sushi hangover. We now have four eliminated, and four at 10-2. The ones still in the running are Sushi Hangover, Equinophobic Cowboy, Airless Kestrel, and Maleable. Two more rounds should finish this.

Round thirteen, two fights. Two eliminations. Sushi Hangover ousted Airless Kestrel, and Maleable got rid of the Cowboy. This is a seriously competitive bunch. The next round will settle it.

Round fourteen, one fight: SUSHI HANGOVER 18-10313 of FISHY FISHY FISH devastated MALEABLE 84-36145 of CIRCLES OF HELL in a 1 minute mismatched fight. Sushi Hangover is the Champion, and Maleable, trust me, is lucky to be alive. Both warriors are strikers, and I congratulate them on a strong tourney.

Seventeen warriors died in this level, and we salute them.

Apprentices. Should we let these beginners fight? Do we have a choice? Well, maybe, and nope, no choice at all. Let's see how well they've learned their trade.

Round nine, fifteen fights. A lot of 'em out there, yes? Janis Joblin is undefeated. Not only does she sing, she fights. At 8-1, tourney victors, are Bouncy Bottom, *Mel, and Until It Sleeps. At 7-2, ugh. Seventeen, I make it. No way, I'm going to list them at this point. And eight eliminated, for which I thank them.

Round ten, eleven fights, one with a standby. Janis Joblin remains undefeated. Bouncy Bottom is 9-1. Eleven, I think, at 8-2. I'm glad they made tourney victor, but the Fingers are tired. Oh, all right. Pepp Frog, Kardashian, Skeletal Mickey, Pfc 2, *Mel, Subterfuge, Until It Sleeps, Lamb Chop Stop, Danse Macabre, Exact Eryie, and Master Plan. Eight more eliminated, but everyone still in is a tourney victor.

Round eleven, seven fights, one with a standby. Janis Joblin remains undefeated. She's a wonder! Bouncy Bottom holds onto second place at 10-1. At 9-2, we have Pepp Frog, Subterfuge, Lamb Chop Shop, Danse Macabre, and Master Plan. Six eliminated.

Round twelve, four fights, one with a standby. Some upsets in this round. Master Plan drew the standby, and if that was his plan, it worked. But Danse Macabre handed Janis Joblin her first loss, and Subterfuge gave a second loss to Bouncy Bottom. So that's Janis at 11-1. At 10-2, we have Bouncy Bottom, Subterfuge, Danse Macabre, Lamb Chop Stop, and Master Plan. Pepp Frog is out.

Round thirteen, three fights. Janis Joblin gets her second loss from Bouncy Bottom. That gives us Bouncy, Subterfuge, Lamb Chop Stop, and Janis at 11-2. Danse Macabre and Master Plan are out at 10-3. Two more rounds should finish this hard-fought contest.

Round fourteen, two fights, and how the mighty have fallen! Lamb Chop Shop ousted Bouncy Bottom, and Subterfuge eliminated Janis Joblin. The next round will be Subterfuge and Lamb Chop to a finish.

Round fifteen, the last fight: LAMB CHOP STOP 11-7710 of EASTER FEASTER was viciously subdued by SUBTERFUGE 84-38420 of COLLUSION UNLIMITED in a 2 minute fight. That's Subterfuge as the Champion of Apprentices, and Lamb Chop Stop out at 12-3. Congratulations to both. Subterfuge is an aimed blow, and Lamb Chop is a striker.

Twenty-seven Apprentices, so hopefully stepping onto the sands, died here today. We salute them.

Rookies. Green as grass. Ah, make that "grass in the spring." It's look rather brownish right now.

Round nine, twenty-six fights, two deaths. Twenty-six fights, fifty-two warriors, they're a faceless mass. Still, I'll put faces to a few of them. Undefeated: Unusual Nudity, Mad Dog Russo, and Mumm-Ra. Ten at 8-1, let's give them another round to shake out. Not to mention the NINETEEN at 7-2. They're determined, though, we have to give them that. These Rookies aren't quitting. Nineteen were eliminated... one way or another.

Round ten, sixteen fights, one with a standby. No, I must have imagined the standby. Unusual Nudity is now alone at 10-0. At 9-1 we have Wellington, Swytai, Often Beat Meat, Mad Dog Russo, and Mumm-Ra. At 8-2 we have... a huge number. Nineteen, I think. And seven warriors eliminated.

Round eleven, definitely with a standby--an Osksi Noble in the first fight of the round. Thirteen fights total. Unusual Nudity is still undefeated. With a single loss we have Wellington, Swytai, and Often Beat Meat. Eleven with two losses, but... I can type eleven names. Short names are best, and we have: Right, Lost in

TOURNAMENT SPY REPORT (continued)

Couch, Harley Quinn, Cactus Wren, Freud, Wonderworks, Whac a Mole, Mad Dog Russo, Buddam Smeltaxe, Sammett, and Mumm-Ra. Ten were eliminated.

Round twelve, eight fights, one with a standby. Unusual Nudity is 12-0. Swytai and Often Beat Meat are 11-1. At 10-2 we have Wellington, Harley Quinn, Freud, Wonderworks, Mad Dog Russo, and Mumm-Ra. Six more eliminations.

Round thirteen, five fights. Mad Dog Russo drew a standby. Lucky Mad Dog. Swytai gave Unusual Nudity his first loss. So we have Swytai, Unusual Nudity, and Often Beat Meat at 12-1. Freud, Wonderworks, and Mad Dog Russo at 11-2. And Wellington, Harley Quinn, and Mumm-Ra are out at 10-3, but they're alive and they're tourney victors.

Round fourteen, three fights. Unusual Nudity eliminated Wonderworks. That puts Unusual at 13-1, and Wonderworks out. The rest are all 12-2: Swytai, Freud, Often Beat Meat, and Mad Dog Russo.

Round fifteen, three fights. Unusual Nudity, with unusual luck, drew a standby and remains at one loss. Swytai and Mad Dog Russo eliminated their opponents Freud and Often Beat Meat. We're getting the numbers down here.

Round sixteen, two fights, one with a standby. And here's a fine mess! Swytai defeated the standby, Mad Dog defeated Unusual, and now we've got all three still standing at 14-2. So, two round to the end, I think.

Round seventeen, two fights. Mad Dog Russo drew the standby, and Swytai defeated and eliminated Unusual Nudity. The next round will see Mad Dog and Swytai fight for the title.

Round eighteen, one fight, and it is the end of this level of the tourney! MAD DOG RUSSO 19-5483 of MAN OR BEAST? was devastated by SWYTAI 56-4414 of GRIZZLED VETERANS in a 1 minute mismatched fight. Swytai is the Champion of the Rookies, and Mad Dog is beginning to foam at the mouth. Swytai is a striker, and Mad Dog Russo is a parry-riposte. Congratulations to both.

Thirty-one warriors, young and hopeful, died on the sands today. We salute them.

Dead Challengers. You could say they're challenging death.

Round nine, seventeen fights, including a re-kill. What else could you call it when a dead warrior is killed again? Two are currently undefeated: Decisive and Pioneer. Four are 8-1: Deceon Rain, Rebecca Raven, George W Bush League, and Flaky Wildcat. If none of these six get re-killed, they will at least come back and get a chance to fight under the sun. And eighteen at 7-2. Nine got eliminated in this round.

Round ten, twelve fights. So much for "undefeated"! They both lost their matches. Now at 9-1 we have Decisive, Deceon Rain, Pioneer, Rebecca Raven, and George W Bush League. Ten at 8-2. Sorry, I am not going to list them yet, although I congratulate them on having achieved tourney victor status. And nine more are out of the fights.

Round eleven, eight fights, I think, with one death--but it was only a standby who died. Decisive and Pioneer are 10-1. Vanna White, Deceon Rain, Estrada, The Shining, The Rock, Rebecca Raven, George W Bush League, Guillotine, and Grape Ape are 9-2. And another four have been eliminated at 8-3.

Round twelve, six fights. Pioneer drew a standby. We have Decisive and Pioneer still in the lead at 11-1. Vanna White, Deceon Rain, Rebecca Raven, and Guillotine are 10-2. And the other five are out.

Round thirteen, and we're getting the numbers down now! Three fights. Decisive and Pioneer still hold the lead at 12-1. Vanna White is in there slugging at 11-2. And the other three are out.

Round fourteen, two fights. Vanna White drew a standby. Decisive and Pioneer were forced to face each other on the sands, and Decisive won. So we have Decisive at 13-1, and the others at 12-2. I am beginning to see the writing on the wall. Or maybe it's just that my eyes are tired.

Round fifteen, two fights. Decisive drew the standby this time, and Pioneer defeated and eliminated Vanna White. So, one more round, or at the most two, and it's over.

Round sixteen, the final match: DECISIVE 82-19671 of ATTRIBUTES bested PIONEER 82-47958 of TRIPPIN' OUT in an action packed 2 minute master's fight. That makes Decisive the Champion here, and we congratulate him. Decisive is a total parry, and Pioneer is a lunger.

Eighteen warriors died again this time, we salute them and expect to see them next time around.

Dead Champions. Right. I'm running down, and that leaves no energy for being coherently chatty, so... let's take a look at these Dead Champions.

Round nine, thirteen fights, one with a standby. More of you guys made it this far than I realized. Two are undefeated: Castle Thunder and Poopie Diaper. Seven stand at 8-1, or sit if they're wobbly--being dead isn't easy. But these seven, if they don't get killed again, will be alive because they're tourney victors. Ah, right, names. Urethra Franklin, Angry, Eeriest Expectation, Yourbagd Forever, One, Francis Clark, and * Duelmasters. Nine at 7-2, and if they make it farther, I'll list them, too. And seven eliminated at 6-3 before they could claw their way to eight wins. Maybe next time, guys.

Round ten, nine fights. Only Castle Thunder remains undefeated. At 9-1 we have Urethra Franklin, Angry, Eeriest Expectation, Yourbagd Forever, One, * Duelmasters, and Poopie Diaper. At 8-2 I see Minge the Marvelous, Gems, and Francis Clark, now tourney victors, at least. And seven more are eliminated.

Round eleven, six fights, with Gems drawing a standby. Castle Thunder remains undefeated. At 10-1 we have Urethra Franklin, Eeriest Expectation, and One. At 9-2, on the edge but still out there hacking and slashing, we have Angry, Gems, Yourbagd Forever, Francis Clark, * Duelmasters, and Poopie Diaper. Minge the Marvelous has been eliminated.

Round twelve, five fights, getting the numbers down fast here. At 11-1 we have Urethra Franklin, Castle Thunder--he fell of his undefeated peak, and One. At 10-2 are Angry, Eeriest Expectation, Yourbagd Forever, and Poopie Diaper. And three more are out.

Round thirteen, four fights. Poopie Diaper drew a standby, lucky devil that he is. Only One and Castle Thunder are at 12-1. Urethra Franklin, Yourbagd Forever, and Poopie Diaper are 11-2. The other two... out.

Round fourteen, three fights. Castle Thunder drew the standby this time. Poopie Diaper (12-2) ousted Yourbagd Forever. And One (13-1) got rid of Urethra Franklin.

Round fifteen, two fights. This time One got the standby, leaving him at 14-1. Poopie Diaper and Castle Thunder matched up, and now both are 13-2. No eliminations.

TOURNAMENT SPY REPORT (continued)

Round sixteen, two fights. The Diaper got a standby. One ousted Castle Thunder. One or two more rounds will do it now.

Round seventeen, one fight: POOPIE DIAPER 22-6646 of AH FATHERHOOD devastated ONE 70-456 of PRECIOUS METAL in a action packed 1 minute mismatched fight. That puts them tied at 15-2. The next match decides it.

Round eighteen, one fight, and it is the finisher: POOPIE DIAPER 22-6646 of AH FATHERHOOD was devastated by ONE 70-456 of PRECIOUS METAL in a 1 minute mismatched fight. One is the winner, and the Champion of Dead Champions. Poopie Diaper, despite a name that gives a person pause, hung in there and got 15-3. One is a Slasher, and Poopie Diaper is a striker.

Eighteen warriors got a second death in this level of the tourney, and we salute them. Maybe next time.

Dead Adepts, and lots of them.

Round nine, fifteen fights and one death. But the death was a standby, so who cares? Undeclared, we have Purple Shift and After 10 Beers! Not my exclamation point. At 8-1: Annie Duke, Slosner, Sadie, Eddy, and Diabolico Cortes. At 7-2 there are still thirteen, and I'm not going to list them yet. And nine eliminations.

Round ten, ten fights. Fitting. After Ten Beers is still undefeated. Well, his team name is "Anything's Possible." At 9-1 are Purple Shift, Annie Duke, Slosner, Eddy, and Diabolico Cortes. Still hanging on at 8-2, tourney victors, are Atomic Dog, Sadie, Darkblade, Datsuns, Girlfried Girlfriend, and Kid Funky Fried. Eight more are out.

Round eleven, six fights. After 10 Beers is STILL undefeated. Annie Duke is 10-1. Hanging on at 9-2 are Atomic Dog, Purple Shift, Slosner, Datsuns, Girlfried Girlfriend, Kid Funky Fried, Eddy, and Diabolico Cortes. Plus another two eliminated at 8-3: Sadie and Darkblade.

Round twelve, five fights. After 10 Beers, yep, still undefeated. Anything IS Possible. Nobody at 11-1, but on the edge at 10-2 we have: Atomic Dog, Annie Duke, Girlfried Girlfriend, Eddy, and Diabolico Cortes. This time, four are out.

Round thirteen, three fights, three eliminations. Eddy ousted Annie Duke. Girlfried pushed out Atomic Dog. And the still undefeated After 10 Beers subdued and eliminated Diabolico Cortes. Things are getting short fast.

Round fourteen, two fights. Eddy drew a standby. Girlfried Girlfriend handed After 10 Beers a defeat, finally. So it's after at 13-1, and Girlfried and Eddy at 12-2. Maybe two rounds to the end here.

Round fifteen, two fights. Wow, Eddy killed Girlfried! And After 10 Beers drew a standby. The next round, and possibly one after that, depending on how things go, will be Eddy and After 10 Beers!

Round sixteen, one fight, and it is the finisher: EDDY 18-10120 of SEA DOGS was unbelievably bested by AFTER 10 BEERS! 84-21651 of ANYTHING'S POSSIBLE in a 2 minute master's fight. So that's After 10 Beers as the Champion, and Eddy eliminated at 13-3. After 10 Beers is a parry-lunger, and Eddy is a striker.

Dead here are nineteen warriors, and we salute them.

Dead Initiates. You know, I've heard of using symbolic death to initiate people, but this here, this is going a little far.

Round nine, eleven fights, one resulting in a death. Well, it's listed as a murder, which suggests that passions can run high even in Ahringol's realm. We have two undefeated Initiates at this point: Arnold Ziffel and Turnip Temptation. I can't recall ever having been tempted by a turnip. At 8-1 we have Elastic Jackass, Dr. Dale Braino, Qualinesti, and Paxton. And nine at 7-2, which I don't feel like naming right this minute. Six were eliminated.

Round ten, eight fights, and another death. Turnip Temptation killed Elastic Jackass. Some guys just can't take a joke. Arnold Ziffel and Turnip Temptation remain undefeated. Paxton stands alone at 9-1. At 8-2, I see Emerald City, Ayers Rock, Sausage Stuffing, Pay Per View, Dr. Dale Braino, Qualinesti, and War Toy. These are all now tourney victors, whatever else happens. And five were eliminated.

Round eleven, five fights. Paxton gave Turnip Temptation its first loss, which leaves Arnold Ziffel alone at 11-0. Turnip and Paxton are both 10-1. At 9-2 are Emerald City, Dr. Dale Braino, and War Toy. And four have been eliminated.

Round twelve, three fights, and three eliminations. Arnold Ziffel is 12-0, Turnip Temptation and Paxton are 11-1. Everyone else is out at 9-3.

Round thirteen, two fights. Paxton, following up his earlier performance, gave Arnold Ziffel HIS first loss. And Turnip drew a standby and vanquished it. All three are 12-1, nobody out yet.

Round fourteen, two fights. Paxton drew the standby. Arnold Ziffel handed Turnip Temptation a second win. But they're all still in there fighting.

Round fifteen, two fights. This time Arnold drew the standby. Paxton forced a third loss on Turnip Temptation, so the Turnip is out. It's Arnold and Paxton at 14-1 each.

Round sixteen, one fight: ARNOLD ZIFFEL 1-8814 of HANDSOME SWINE devastated PAXTON 1-8993 of CAT'S MEOW in a 1 minute mismatched fight. That puts Arnold ahead at 15-1.

Round seventeen, one fight: ARNOLD ZIFFEL 1-8814 of HANDSOME SWINE was bested by PAXTON 1-8993 of CAT'S MEOW in a 1 minute fight. These Dead Initiates don't quit, do they? They're now tied again at 15-2.

Round eighteen, one fight: ARNOLD ZIFFEL 1-8814 of HANDSOME SWINE was barely slain by PAXTON 1-8993 of CAT'S MEOW in a crowd pleasing 1 minute fight. Take-no-prisoners Paxton is the winner! I'm not sure what Arnold's standing is as having been re-killed at 15-3, but he put up a great fight. Paxton is a parry-riposte, and a mighty determined one, with Arnold Ziffel being a striker.

Eighteen Dead Initiates met a second death today, and we salute them.

Dead Apprentices, at the very end of the tournament. Beginners who died and didn't quit.

Round nine, fifteen fights. Come As You Are is undefeated. Thosas Wigle and Moose Hat are 8-1. Sixteen hopefuls are 7-2. And eleven are out at 6-3.

TOURNAMENT SPY REPORT (continued)

Round ten, ten fights, one standby, one death. Come As You Are is 10-0; Thosas Wigle and Moose Hat are 9-1. Still in the contest at 8-2 are Ziggy Stardust, Llyme, Ra, Spiderbait, Warrior X, Fire Won't Start, and Bermuda Rose. And nine more are eliminated. The numbers are dropping fast.

Round eleven, five fights. Come As You Are remains undefeated. Thosas Wigle and Moose Hat are still running high with one loss. Llyme and Bermuda Rose are 9-2. And five more are out. No piffing around here. But even those eliminated are tourney victors.

Round twelve, three fights. Llyme drew the standby. Come As You Are eliminated Bermuda Rose. And Thosas Wigle handed Moose Hat a second loss.

Round thirteen, two fights. Moose Hat eliminated Llyme and Thosas Wigle gave Come As You Are his first loss.

Round fourteen, two fights. Narrowing down the numbers FAST here. Thosas Wigle drew the standby, and Come As You Are eliminated Moose Hat. That leaves us with Come As You Are and Thosas Wigle tied at 13-1. Two or maybe three rounds to go.

Round fifteen, one fight: THOSAS WIGLE 82-55333 of MEDAL OF HONOR F5 bested COME AS YOU ARE 84-25038 of NEVERMIND in a crowd pleasing 3 minute fight. Thosas is ahead.

Round sixteen, one fight: THOSAS WIGLE 82-55333 of MEDAL OF HONOR F5 devastated COME AS YOU ARE 84-25038 of NEVERMIND in a 2 minute mismatched fight. Ah! This was the finisher. Thosas Wigle at 15-1 and Come As You Are out at 13-3. Thosas Wigle is a wall of steel, and Come As You Are a striker.

Twenty-two desperate Dead Apprentices got a second death here, and we salute them.

And that's it. Until we meet again,

-- Olaf Modeen
