A grand total of 2002 warriors participated in Grand Tournament LVII. This was a big amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: They will be awarded three potions, each of which will allow them to rearrange the starting attributes of one warrior to exactly that of their choosing—and each warrior will be rolled up three times, with the best warrior joining their team! Please remember, you must use all prizes within six months of the tourney when they were won.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a Primus warrior of the same style within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in L longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

## TOURNAMENT SPY REPORT

Okay, here we are, thunder and lightning and rain, oh my! This is the April Showers people talk about, I suppose. But more to the point, we've just had a tourney, and I'm going to talk about it.

The snow stops, the wind blows, and it's tourney time again. As usual, we start with **Primus**, round nine.

Round nine, nine fights. The shortest is a one-minute fight involving a standby. They just don't have the endurance of a real warrior. The longest fight was fifty-six minutes. Nine still in competition, eight eliminated. We have, let's see, John Ashcroft, Neosphincter, and Littlest Tyrant at 9-0. Zero, Bob, Eternal, and Frankeberry at 8-1. Bonnie, Rabid-Gerbil, and Blue Meanine at 7-2. And, as noted, eight washed out.

Round ten, five fights with a standby. Bob, Eternal got the standby, which usually means a fast win, and he got a fast win. Other fights ran fifty-nine and sixty minutes. We still have John Ashcroft, Neosphincter, and Littlest Tyrant undefeated. Zero and Bob with one loss, Frankenberry with two. And three eliminations. Which means no standby next time.

Round eleven, three fights. One of 'em went eighty-four minutes: FRANKENBERRY 82-51803 of DM OWNS YOU viciously subdued LITTLEST TYRANT 82-55890 of THE NEPHEW in a unpopular 84 minute gory brawl. The other two, just under half an hour. This leaves us with the determined John Ashcroft still undefeated. Neosphincter, Bob, and Littlest have one loss each, and Zero and Frankenberry have two.

## TOURNAMENT SPY REPORT (continued)

Round twelve, three fights. Three LOONG fights: ZERO 7-3156 of WASTELAND II slimly won victory over LITTLEST TYRANT 82-55890 of THE NEPHEW in a unpopular 117 minute gruesome fight. Zero and Littlest are now tied with two losses. NEOSPHINCTER 18-7317 of WASTELAND was savagely defeated by JOHN ASHCROFT 24-4355 of DOH! in a monotonous 98 minute gory melee. Neo now has two losses, and John is still undefeated. And BOB, ETERNAL, 38-4460 of SANDS OF TIME viciously subdued FRANKENBERRY 82-51803 of DM OWNS YOU in a unpopular 116 minute gory brawl. Which leaves Bob with one loss, and Frankenberry out.

Round thirteen, three fights again, with one standby. Zero drew the standby and comes out of it at 11-2. Littlest Tyrant eliminated Neosphincter. And Bob, Eternal handed John Ashcroft his first loss, so that they are now both 12-1.

Round fourteen, two fights with pronounced outcomes. Bob, Eternal eliminated Zero, and John Ashcroft ousted Littlest Tyrant. Bob and John are now tied at 13-1. This could be fast from here on out, or it could be slow.

Round fifteen, one fight: JOHN ASHCROFT 24-4355 of DOH! slimly won victory over BOB, ETERNAL, 38-4460 of SANDS OF TIME in a unpopular 51 minute fight. This puts John ahead, but not far enough ahead to win this level of the tourney. Yet.

Round sixteen, one fight: JOHN ASHCROFT 24-4355 of DOH! was viciously subdued by BOB, ETERNAL, 38-4460 of SANDS OF TIME in a unpopular 148 minute fight. And Bob and John are tied again. The next round and fight WILL decide this.

Round seventeen: JOHN ASHCROFT 24-4355 of DOH! was viciously subdued by BOB, ETERNAL, 38-4460 of SANDS OF TIME in a unpopular 90 minute fight. And that settles the Championship on Bob, Eternal. You know why this was rated "unpopular"? They rate the fights by how many people are paying attention, and by this time, Primus fights do tend to be long ones, most of the people were doing other things. Eating, sleeping, other things, you know? But Bob got a big cheer when the Arenamaster pronounced him the victor. And, as if you didn't know without me telling, both these warriors are aimed blows. Which was the dominant style at this level, although it looks like there might have been a lunge or two around early on.

**Contenders**, and a contentious lot they can be. Round nine, nine fights, one standby. These are the folks who think they SHOULD be fighting Primus, and if people will just get out of the WAY, they will be. And they might be right, you never know. Be nice to these guys, even if they don't have a double-digit fight in the lot of 'em. Four washed out before they had a chance to get listed, and we're left with thirteen warriors. Is this an unlucky number, or not? We have four undefeated: Huge Twirling Man, Bobs and Dogs, Betterthanever, and Scootie Puff Jr. Four at 8-1: Powerlungeritis, Tomato Ion, Burglar, and Rockwell. Five at 7-2, and I'm not going to list them.

Round ten, seven fights, one standby. No undefeated now, but also no fresh eliminations! Amazing. At 9-1 we have Huge Twirling Man, Tomato Ion, Bobs and Dogs, Rockwell, Betterthanever, and Scootie Puff Jr. At 8-2 are Maca-Raunchy Salad, Napoleon Dynamite, Vista Blows, Powerlungeritis, Burglar, Gossamer, and Mr. Gherkin. Everybody still fighting in this contest is now a tourney victor, at the least.

Round eleven, gotta be another seven fights and a standby, since nobody dropped out. Three at 10-1: Rockwell, Betterthanever, and Scootie Puff Jr. At 9-2 we find Huge Whirling Man, Vista Blows, Tomato Ion, Burglar, Bobs and Dogs, Gossamer, and Mr. Gherkin. Maca-Raunchy, Napoleon, and Powerlungeritis are out.

Round twelve, five fights. Rockwell is in the lead at 11-1. At 10-2 we have Huge Twirling Man, Vista Blows, Bobs and Dogs, Gossamer, Betterthanever, and Scootie Puff Jr. Tomato Ion, Burglar, and Mr. Gherkin are out.

Round thirteen, four fights, one with a standby. And wouldn't you know it, Rockwell drew the standby. So it's Rockwell at 12-1. Bobs and Dogs, Betterthanever, and Scootie Puff Jr at 11-2. And Huge Twirling Man, Vista Blows, and Gossamer are out of the running. At least they get to sit down.

Round fourteen, two fights, and they're tough ones. Okay, maybe not tough, the stewards count them both as one-sided. But they're significant. SCOOTIE PUFF JR 5-5033 of 011510A was devastated by BETTERTHANEVER 7-5932 of WASTELAND II in a 1 minute mismatched fight. That puts Scootie out. And ROCKWELL 7-5003 of UNDEAD ARTISTS demolished BOBS AND DOGS 82-55985 of SOFT DRINKS in a popular 4 minute one-sided melee. And Bobs is out. We've got Rockwell at 13-1 and Betterthanever at 12-2. The next match could decide it... or not.

Round fifteen, one fight: ROCKWELL 7-5003 of UNDEAD ARTISTS was viciously subdued by BETTERTHANEVER 7-5932 of WASTELAND II in a crowd pleasing 4 minute fight. Which means the two of them are TIED, but the next round WILL be the decider.

Round sixteen, the final fight: ROCKWELL 7-5003 of UNDEAD ARTISTS was bested by BETTERTHANEVER 7-5932 of WASTELAND II in a crowd pleasing 3 minute fight. And that puts Betterthanever as the Champion of Contenders. Congratulations. It will come as no surprise to anybody that both finalists are aimed blows.

## TOURNAMENT SPY REPORT (continued)

Ah, the **Eligibles**. I know they're "eligible for Primus," but without modification, just "Eligibles," well, they could be in for anything at all.

Round nine, six fights with one standby. Not six fights against that one standby, you know what I really mean, don't you? Four guys got eliminated on this round, which leaves us with seven. Shewish Whaler, undefeated. Blood Pie and Prsche, 8-1. Kipper, Cecil Bolton, Three Blind Weiss, and Michael Scarn, 7-2.

Round ten, four fights, one against a standby. You grammar purists happier with that phrasing? Three eliminated, leaving Shewish Whaler, undefeated; Blood Pie and Porsche, 9-1; and Three Blind Weiss at 8-2.

Round eleven, two fights. Three Blind Weiss is out. Shewish Whaler is still undefeated. Porsche is 10-1, and Blood Pie is 9-2.

Round twelve, two fights. Blood Pie drew a standby and managed to stay in the contest. Shewish Whaler, remaining undefeated, handed Porsche a second loss.

Round thirteen, two fights. This time Shewish Whaler drew the standby, not that he needed. And Blood Pie eliminated Porsche. So that's the Whaler at 13-0 and the Pie at 11-2. We're probably near the end of this contest, but... you never know until the last fight happens.

Round fourteen, one fight: SHEWISH WHALER 18-9272 of SEA DOGS devastated BLOOD PIE 96-1918 of WHY SELL THIS? in an action packed 1 minute mismatched fight. And there it is, Shewish Whaler undefeated Champion of Eligibles, Blood Pie out at 11-3. Congratulations. Interestingly, though there were plenty of aimers fighting at this level, Shewish and Blood are lungers.

**Freshmen**, right, and some of them are very fresh indeed. Dewy-eyed innocents!

Round nine, nine fights, one with a standby. Fortunately (for me) seven were eliminated on this round, so I don't have to think about them. Two undefeated: Surly Deckhand and Baked Convincia. Four with one loss: The Wad O' Gas, Smitten Sin, Rabe, and Road Trippin. Four with two losses: Job, Spare Anchor, Rooster, and Xavier.

Round ten, five fights, no standbys. Baked Convincia remains undefeated. Surly Deckhand and Smitten Sin are tied at 9-1. At 8-2 there are a lot: Spare Anchor, The Wad O' Gas, Rage, Road Trippin, Rooster, and Xavier. Job is out of the running.

Round eleven, five fights, one with a standby. It was Rage who lucked out with the standby, in case you wanted to know. Smitten Sin and Baked Convincia are now tied at the top: 10-1. At 9-2 we have Surly Deckhand, Spare Anchor, Rage, Road Tripping, and Rooster. The Wad O' Gas and Xavier are out of the fight.

Round twelve, four fights, one against a standby. Baked Convincia is precariously on top at 11-1. Surly Deckhand, Spare Anchor, Smitten Sin, and Rooster are hanging on with 10-2. Rage and Road Trippin have both dropped out. Or been booted out.

Round thirteen, three fights, one with a standby. Baked Convincia drew the standby, talk about luck! Or something. Baked Convincia is 12-1. Surly Deckhand and Spare Anchor are 11-0. It is possibly amusing that all three of these warriors have the same manager, the One Armed Bandit. Smitten Sin and Rooster are gone.

Round fourteen, two fights, one against a standby. Spare Anchor drew the standby. And in a startling development: SURLY DECKHAND 21-6568 of SEA DOGS easily killed BAKED CONVINCIA 98-2341 of SHEWISH BANQUET in a 3 minute one-sided match! Surly and Spare are tied at 12-2, and I'm pretty sure that Baked is out of this contest.

Round fifteen, and, yep, it's the finisher. SPARE ANCHOR 18-9610 of SEA DOGS viciously subdued SURLY DECKHAND 21-6568 of SEA DOGS in a crowd pleasing 7 minute gruesome fight. That puts Spare Anchor as the Champion of the Freshman, with Surly Deckhand grumbling in his wake. Spare Anchor is a total parry, which seems fairly appropriate, and Surly Deckhand is a basher. Congratulations to both.

**Challengers** up next, and it's a challenge fight for them. Some of them can die, you know, or at least the clerks in the office who gave me these notes seem to think so. Some, of course, are newly graduated and just LOOK like they're dying.

Round nine, fifteen fights! (One with a standby.) Is it just me, or do the mortals (and recently mortal) among you fight harder than the proven immortals? Be that as it may, here's the breakdown: Two undefeated: Warrior 1 and Andorian Smoothie. Eight at 8-1, who are at least tourney victors. And eleven at 7-2. Plus another eight who are out of the game at this point.

Round ten, eleven fights, one with a standby. Andorian Smoothie is now alone and undefeated at the top. At 9-1 I see Warrior 1, Buck Rogers, Fried Duckpins, Bosomy Goldmine, and Minge the Marvelous. Ten at 8-2, need to thin them out before I list names. And five more eliminated.

Round eleven, eight fights, no standbys. We progress. Andorian Smoothie is still undefeated. Only three at 10-1: Warrior 1, Fried Duckpins, and Bosomy Goldmine. Six at 9-2: Buck Rogers, Revolution, Crazy, Afraid to Shoot, Minge the Marvelous, and Ooo Ooo Ooo. Another six are out of the contest.

Round twelve, and we're down to five fights! Andorian Smoothie remains undefeated, probably because he's so slippery. Warrior 1 and Fried Duckpins are holding on at 11-1. Still on hand at 10-2 are Crazy, Bosomy Goldmine, and Minge the Marvelous. Four more are down and out (but still alive).

## TOURNAMENT SPY REPORT (continued)

Round thirteen, only three fights! It's getting close and tough. Bosomy Goldmine was eliminated by Crazy. Andorian Smoothie, still undefeated, handed Fried Duckpins a second loss. And Warrior 1 sent Minge the Marvelous to the showers.

Round fourteen, only two fights. ANDORIAN SMOOTHIE 63-2885 of SHEWISH BUFFET was bested by WARRIOR 1 82-22691 of TOURNEY TEAM II in a 2 minute master's fight. That's a first loss for the Smoothie, bringing these two warriors to a tie at 13-1. And FRIED DUCKPINS 82-52331 of 120507F overcame CRAZY 69 84-11518 of CRAZY 88 20 in a 2 minute veteran's match, which puts Crazy out, but still alive. It won't be long now!

Round fifteen, two fights. Andorian Smoothie drew a standby, lucky devil that he is. Warrior 1 ousted Fried Duckpins (he said they were gamy but good). So Andorian Smoothie and Warrior 1 are tied at 14-1, and there's nobody else out there now.

Round sixteen, one fight: ANDORIAN SMOOTHIE 63-2885 of SHEWISH BUFFET devastated WARRIOR 1 82-22691 of TOURNEY TEAM II in a 1 minute mismatched fight. That gives Andorian Smoothie the edge, but not the ultimate victory. One fight, or maybe two, remains. People in the stands are starting to wake up and place bets.

Round seventeen, one fight again: ANDORIAN SMOOTHIE 63-2885 of SHEWISH BUFFET was bested by WARRIOR 1 82-22691 of TOURNEY TEAM II in a 2 minute master's fight. And they're tied at 15-2! The next fight will decide all.

Round eighteen, one fight: ANDORIAN SMOOTHIE 63-2885 of SHEWISH BUFFET was bested by WARRIOR 1 82-22691 of TOURNEY TEAM II in a 2 minute master's fight. And there it is, after a long struggle, Warrior 1 is Number One in the Challengers tourney. Congratulations to both. Warrior 1 is a lunker, and Andorian Smoothie is a slasher.

The clerks tell me that five warriors met the true death on the sands in this tourney, but none later than round seven, so I didn't see it. What, you think I sit through ALL the fights? Some are happening at the same time, and in different arenas! If we had twenty reporters working the tournament, maybe things would be different.

**Champions**. I always get a little kick out of this, a contest to find the Champion of Champions. Hey, take the small amusements where you find them!

Round nine, lots of fights. Well, twelve, if I have not counted wrong. Tigers is undefeated. Blasphemy and Harve are 8-1. Ten stand at 7-2, and I'm not ready to list them. My fingers get tired. And eleven have been eliminated, which will drop the number of fights in the next round significantly.

Round ten, seven fights, one involving a standby. Tigers remains undefeated at this point (you never know what will happen later). Blasphemy and Harv are right on his tail at 9-1. At 8-2 I see Service Station, Joe Bob, Mister Cee, and Mr. Gherkin's Merkin. Six more are out of the running.

Round eleven, four fights, one with a standby. So... ah, Blasphemy ousted Joe Bob. Check. And Mr. Gherkin's Merkin handed Harv his second loss. Tigers bit Mister Cee and threw HIM out of the fight. And Service Station drew the standby. So that gives us Tigers at 11-0, Blasphemy at 10-1, Service Station, Harv, and Mr. Gherkin's Merkin at 9-2.

Round twelve, three fights. Blasphemy drew a standby and, of course, came out smelling like a rose, for certain values of "rose." Mr. Gherkin's Merkin forced a loss on Tigers. That takes nerve. And Service Station was eliminated by Harv.

Round thirteen, two fights. BLASPHEMY 32-5332 of ANGELS OF PAIN bested MR. GHERKIN'S MERKIN 38-4993 of WHAT? in an action packed 1 minute master's fight. That's the Merkin out. And TIGERS 82-31959 of MLB was demolished by HARV 84-29648 of TUM'S ALL STARS in a 1 minute one-sided melee, which is a second loss for Tigers. Once you slip off the top, it's hard not to keep sliding, eh, Tigers?

Round fourteen, two fights. Tigers drew a standby, no challenge there. And BLASPHEMY 32-5332 of ANGELS OF PAIN devastated HARV 84-29648 of TUM'S ALL STARS in an action packed 1 minute mismatched fight, which put Harv out of the contest. The next fight, at the most the one after that, will decide it.

Round fifteen, one fight: BLASPHEMY 32-5332 of ANGELS OF PAIN devastated TIGERS 82-31959 of MLB in an action packed 1 minute mismatched fight. And this IS the final fight for this level of the tourney, with Blasphemy the winner. Congratulations, Champion of Champions! Both these warriors appear to be strikers.

And it looks like thirteen bold and unlucky Champions died the real death in this tourney. We salute them.

**Adepts**, and very adept some of these warriors are. A hard-fought contest.

Round nine, fifteen fights, one with a standby. FIVE warriors are undefeated at this point: Rattler, LBA Domination, Subterfuge, Moses, and Jormp Jumper. Seven stand at 8-1: Robber, Foxy Lady, Sleeping Sands, Yellow Lippy, Battle Banshee, Ciel Phantomhive, and Marceline. Eight at 7-2, and I'm not going to name them just now. Maybe later. And nine eliminated.

Round ten, down to ten fights already. Hard fighters, just like I said. Still undefeated are Subterfuge, Moses, and Jormp Jumper. With a single loss I see Rattler, LBA Domination, Yellow Lippy, Battle Banshee, and Ciel Phantomhive. Eight with two losses, and four going out.

## TOURNAMENT SPY REPORT (continued)

Round eleven, eight fights. We're down to only two undefeated: Subterfuge and Moses. Four at 10-1: Yellow Lippy, LBA Domination, Jormp Jumper, and Ciel Phantomhive. At nine-two I see Robber, Rattler, You're Not Him, Bacon Bits, and Battle Banshee. And another five have been ousted.

Round twelve, six fights, one with a standby. Subterfuge is now alone at the top at 12-0. Four with one loss: LBA Domination, Moses, Jormp Jumper, and Ciel Phantomhive. Three with two losses: Yellow Lippy, You're Not Him, and Bacon Bits. Bacon Bits makes me think about breakfast. And three more are eliminated.

Round thirteen, four fights, and things are getting wild out there on the sands. Subterfuge is 13-0, Jormp Jumper is 12-1. At 11-2 we have Yellow Lippy, LBA Domination, Bacon Bits, Moses, and Ciel Phantomhive. You're Not Him is Not the Champion, he's out.

Round fourteen, four fights, one with a standby. Jormp Jumper got the standby and remained at a single loss (do the standbys ever win fights at a tourney?). Subterfuge remains undefeated. At 12-2 are Yellow Lippy and LBA Domination. Three more were thrown out of the contest.

Round fifteen, two fights. JORMP JUMPER 2-5834 of SAM'S TOYS devastated YELLOW LIPPY 84-27735 of 011312AH in a 2 minute gruesome mismatched fight. That puts Yellow Lippy out. And LBA DOMINATION 82-11488 of NO-SO ROYAL RUMBLE demolished SUBTERFUGE 84-38420 of COLLUSION UNLIMITED in a 1 minute one-sided melee, which gives Subterfuge the first loss.

Round sixteen, two fights. LBA Domination drew a standby, and Subterfuge gave Jormp Jumper the second loss.

Round seventeen, two fights. JORMP JUMPER 2-5834 of SAM'S TOYS bested LBA DOMINATION 82-11488 of NO-SO ROYAL RUMBLE in an action packed 2 minute master's fight. That puts LBA out of the running. Subterfuge drew the standby this time.

Round eighteen, one fight: JORMP JUMPER 2-5834 of SAM'S TOYS bested SUBTERFUGE 84-38420 of COLLUSION UNLIMITED in an action packed 3 minute master's fight. Both warriors are now 16-2, and the next fight will decide it.

Round nineteen, one fight, and it's for the title: JORMP JUMPER 2-5834 of SAM'S TOYS devastated SUBTERFUGE 84-38420 of COLLUSION UNLIMITED in a 3 minute mismatched fight. This makes Jormp the WINNER, and the most adept of the Adepts. Congratulations. Both warriors are aimed blows and will probably make waves when they hit the Isle.

Seven warriors died at this level of the tourney, and we salute them.

### Initiates, the eager beavers.

Round nine, sixteen fights, no standbys. These people won't quit. Two are undefeated: Fish Head Soup and Harlequin. Five with one loss: Malediction, Froggle Rock, Sports Guy, Homecoming Queen, and Crayons. Fourteen with two losses, and I'm not going to name them here. And eleven eliminated before I can even lay a pen on them.

Round ten, eleven fights, I think, with one standby and two deaths. Fish Head Soup remains undefeated. With one loss we have Froggle Rock and Homecoming Queen, both killers, and Harlequin, who killed at some previous time but not right now. Ten at 8-2, again, too many to list at the moment. Seven were eliminated.

Round eleven, seven fights. Fish Head Soup remains undefeated. Homecoming Queen and Harlequin are at 10-1. We've got five still hanging in at 9-2: Froggle Rock, Soldier 2, Sideeffectofawesome, Dextrous Lipstick, and Mgr Hates Sl'ers. And six eliminated. These Initiates are exhausting just to watch.

Round twelve, four fights. Fish Head Soup is still on top, now at 11-1. At 10-2 we have Soldier 2, Homecoming Queen, Sideeffectofawesome (there's a system-crasher of a name if I ever saw one, MY system crashes every time I see it), Dextrous Lipstick, Mgr Hates Sl'ers, and Harlequin. Froggle Rock is out.

Round thirteen, four fights, one against a standby. Homecoming Queen and Dextrous Lipstick are both out of the contest, and everyone else is 11-2.

Round fourteen, three fights, one against a standby. That leaves us with two more out (Soldier 2 and Mgr Hates Sl'ers), and everyone else 12-2.

Round fifteen, two fights, with Side Effect drawing the standby. An easy win. Harlequin was eliminated by Fish Head.

Round sixteen, one fight, and it's the finisher: SIDEFFECTOFAwesome 84-39531 of DEVIATION N devastated FISH HEAD SOUP 84-43174 of STORMY'S TROOPERS A1 in a 1 minute fight. That makes Side Effect, whose name is TOO LONG, the Champion of Initiates. Side Effect is a slasher and Fish Head a striker. Congratulations.

Fourteen Initiates died today, and we salute them.

### Apprentices... isn't that the stage where you think you know everything? But they're game.

Round nine, nineteen fights. Oogh. Two are undefeated at this point: Vile Drollness and Tingo. Seven are at 8-1, tourney victors but shaky in their positions. Hey, when I lose a fight, I get shaky, too. Fifteen at 7-2. And fourteen eliminated this round.

## TOURNAMENT SPY REPORT (continued)

Round ten, twelve fights, no standbys. So much for undefeated! Those two guys each picked up a loss. So it's Vile Drollness, Apache Fog, Tingo, Isolated Angel, and Spiderman at 9-1. Thirteen at 8-2, and six more are out.

Round eleven, nine fights. We're getting those numbers down quickly. Vile Drollness and Isolated Angel are on top at 10-1. Ten more at 9-2. And another six eliminated. Progress of a sort.

Round twelve, six fights. Four eliminations, and everyone else at 10-2. That's Vile Drollness, Slab Bulkhead, Apache Fog, Spiderman, Isolated Angel, Tingo, Pumpkin Escobar, and Webbed Ohs still fight, and any loss means they're out.

Round thirteen, four fights. Four at 11-2: Isolated Angel, Spiderman, Tingo, and Pumpkin Escobar. The rest are out of the running this spring, and they should be glad to have escaped with their lives.

Round fourteen, two fights. That means two in and two out. TINGO 1-9057 of SERPENTS' HOLD devastated PUMPKIN ESCOBAR 84-42002 of LA LOCAL 305 in a 1 minute mismatched fight. Tingo's still fight, and Pumpkin is headed for the showers. SPIDERMAN 84-38628 of MQ WORLDWIDE 35 was vanquished by ISOLATED ANGEL 84-41325 of KAOS 12-10 in a 1 minute uneven battle. And Spiderman is walking away while Angel faces one more fight. Yes, the next fight will finish this.

Round fifteen, one fight, the final one: TINGO 1-9057 of SERPENTS' HOLD bested ISOLATED ANGEL 84-41325 of KAOS 12-10 in a 2 minute fight. Tingo is the Champion of Apprentices, congratulations on a hard-fought victory. I note that Tingo is a lunker and Isolated Angel a striker.

Nineteen young gladiators died in this class of the tourney, and we salute them.

And finally, the **Rookies**. So young, so bold, sometimes so B.A.D.D... But it's the season for foolishly risking all, so let's see what we have.

Round nine, lots of fights. Thirty-one fights, and if there was a standby, I missed it, which would've been easy enough, they look almost like real people. At the top are two undefeated young sprouts: Lawrence and Roller Pig. Below them, thirteen at 8-1 and twenty-six at 7-2. And twenty being eliminated.

Round ten, many fewer fights, twenty-one fights. Probably a standby, but after a while, they all blur in front of my eyes. Probably at the sides of my eyes, too. Only Lawrence remains undefeated. At 9-1 we have eight warriors, and I'm not going to list them, or the nineteen at 8-2. So there. Thirteen more are out.

Round eleven, fourteen fights. Lawrence is STILL undefeated! That takes both luck and skill. At 10-1, I see five warriors: One Leg Leap, Roller Pig, Infernal Snit, Masterful Kazoo, and Fluffy Fireball. At 9-2, still a larger number than I care to cope with. I know, I know, if they're YOUR warriors, YOU care. But I've got just so many words in me, and I'm getting near the bottom of the barrel. Eleven at 9-2. And eleven are out at 8-3.

Round twelve, nine fights, one involving a standby. Righteous handed Lawrence his first loss. This is good, warriors need to know how to lose and keep on. Always winning weakens the moral fiber. Along with Lawrence at 11-1 are Infernal Snit and Fluffy Fireball. A very large number, still, at 10-2--they just don't quit. Ten, I make it. And four eliminated.

Round thirteen, seven fights, one with a standby, one with a death. NIGHTMARE DENIER 84-34480 of INQUISITION 1314 delivered the death blow upon LINT 84-44705 of 4 LETTER DUDES in a 2 minute brawl. These were both down at two losses already. Now we have only one warrior on top, Fluffy Fireball at 12-1. At 11-2 there are still eight. I'm too groggy to try to spell eight names correctly, sorry. Well, sorta sorry. And four more are out of the fighting.

Round fourteen, five fights, one against a standby, and no deaths. Everyone still in is at 12-2: Lawrence, Nightmare Denier, Infernal Snit, Shayica, Masterful Kazoo, and Fluffy Fireball. Three more have been ousted.

Round fifteen, three fights, no standbys, no deaths. Still fighting, we have Nightmare Denier, Infernal Snit, and Shayica. The other three from the last round are out.

Round sixteen, two fights. Shayica drew the standby and "bested" him. Nightmare Denier forced Infernal Snit out of the contest. So it's Nightmare and Shayica at 14-2, with the next match the decider.

Round seventeen, one fight, and this is IT for the Rookies: SHAYICA 63-2905 of SUPERIOR FORCES devastated NIGHTMARE DENIER 84-34480 of INQUISITION 1314 in a 2 minute mismatched fight. With this, Shayica is Champion of the Rookies, and we congratulate her. Probably a her. Shayica is an aimed blow, and Nightmare Denier is a parry-riposte.

Forty-eight young warriors died in this level of the tourney, and we salute them.

And after the main business of the tourney was over, a few warriors and managers who weren't satisfied set up more matches: the **B.A.D.D. Tourney**.

A couple of Eligibles went into round six: JOHNNY WALKER 1-8203 of BOOZE was devastated by LUCIAN ADAMS 84-28187 of MEDAL OF HONOR 1A1 in a 3 minute mismatched fight. Lucian, the Victor, is an aimed blow, Johnny a lunker.

At the ADM level, five were still in at round six: Snookums, Alucard, Jimi Hendrix, Maggot Dodger, and Pickled Pigskin. They managed to stomp on Maggot and Pickled in the first round. Snookums fell in the next B.A.D.D. round. And in the final round, ALUCARD 6-6467 of GOLDEN DAWN devastated JIMI HENDRIX 46-4251 of THE 27 CLUB in an action packed 2 minute brutal mismatched fight. Which gave Alucard

## TOURNAMENT SPY REPORT (continued)

the victor's laurels. Gotta watch out for that, laurels are not comfortable to wear. Alucard is an aimed blow, and Jimi is a lunger.

Likewise, five Freshmen had a few more blows at round six: Ryanator, Double-Blind Bat, Desolation, Xavior, and Q Mark. Xavior and Q Mark didn't make it past the first B.A.D.D. round. In the next round, Double-Blind lost to a standby! And Desolation vanquished Ryanator. This makes Desolation the Victor here. Desolation is a parry-striker, Ryanator a total parry, and Double-Blind Bat a parry-riposte.

The Challengers had seven determined warriors still in as of round six. Took 'em four fights on their first round, but three were eliminated (the other loser was a standby). Jessica, The Great Pumpkin, Ridis, and Wake Forest are still striving, Reign in Blood, Dr Feelgood, and The White Rabbit have gone out for a late dinner. On their next round, Jessica butchered The Great Pumpkin and Wake Forest eliminated Ridis. The final round for this bunch: JESSICA 82-53734 of LUROCIANS T108 was viciously subdued by WAKE FOREST 82-54796 of SUPERIOR FORCES 1802 in a 2 minute fight. That makes Wake the Victor. Wake Forest is a lunger and Jessica is a striker.

Six Champions in round six--appropriate, that. Clichy, Tatanka, Stella Artois, Hpno, Aquero, and Ford. The last three were eliminated right off. Another round put Stella Artois out. And the final round, in which TATANKA 82-14626 of FIRES OF HEAVEN 2 II was devastated by CLICHY 84-35494 of THIRSTY THUGS 1313 in a 1 minute mismatched fight, put Clichy as the Victor. Clichy is a lunger and Tatanka a wall of steel.

Adepts, never willing to quit. We had seven still fighting on round six, and in four fights, reduced that number to four. The Motto, Defiance, Dagg Axeljork, and Grays are in, Sasha, White Dove, and Duende Vverde are out. Two fights in another round put Dagg and Grays out, with Defiance and The Motto squaring up for the final victory here. And in that final round, where DEFIANCE 38-5074 of BASH BROS CHILDREN was bested by THE MOTTO 84-29481 of KAOS 12-02 in a 1 minute master's fight, The Motto got the Victor's title and Defiance got more lumps. The Motto is a total parry, and Defiance is a striker.

Initiates had seven still in on round six: Bases Loaded Walk, Jamaican Rum, Private 4, No Hit Wonder, Bolt of Lightning, Denizen, and Arcane Spirit. The last three were retired after the first round, and the first four are up again. Oooh! PRIVATE 4 6-6850 of MEDAL OF HONOR Y2 butchered JAMAICAN RUM 12-7016 of 4TH TIME AROUND in a 1 minute mismatched fight. Somebody's playing for keeps here! The other fight was a "normal" victory for Bases Loaded over No Hit. In the final fight for this group, PRIVATE 4 6-6850 of MEDAL OF HONOR Y2 devastated BASES LOADED WALK 72-6582 of BASH BROS BASEBALL in a 1 minute mismatched fight. That puts Private 4 on top, and congratulations to him. It looks like both these last two warriors are strikers.

Nine Apprentices were still uneliminated on round six: Righteous and Wicked, Ivar, Fresh Prince, Trey, Bast, Rick Roll, Ate Too Much, The Alliterator, and Lady Madonna. Of course, the last four were out immediately. We never promised them a rose garden! The next round left Righteous and Wicked, Ivar, and Fresh Prince in, and the other two out. The next round finished it. Fresh Prince actually lost to a standby. And IVAR 7-6384 of THE HEATHENS butchered RIGHTEOUS AND WICKED 84-38800 of DEVIATION XLXI in a 1 minute one-sided duel. This seems a little extreme, but young people get carried away. Ivar is a lunger, Fresh Prince a striker, and Righteous unfortunately dead.

The Rookies. I'm fairly sure these guys haven't got a single clue, but they've got guts. Fourteen were still in the running on round six. Victory doesn't come easily. On the first round (of the ones we're looking at, anyway) DREAMER 14-4983 of KNIGHTS IN TIGHTS slaughtered BLOODY AZTEC 18-10514 of DANGEROUS DRINKS in a 1 minute uneven battle. Is this mean, or what? But it happens. That gives us Purple, Dreamer, Magic Fingers, Catnip, OD, Rediculous, and Mad Jax still in contention. The next round eliminated Purple, Magic Fingers, and Catnip. In the eighth round, Rediculous and Mad Jax are in, and Dreamer and OD are out. One more fight to go! MAD JAX 74-4450 of HEROES AND VILLIANS was devastated by REDICULOUS 84-41392 of SIC 'EM in a 2 minute gruesome mismatched fight. That makes Rediculous the Victor and Mad Jax simply lamenting. Rediculous is an aimed blow, and Mad Jax a total parry, a classic match.

Congratulations to all who came out for the B.A.D.D. Tourney. Win or lose, you've got courage and determination.
