A grand total of 2001 warriors participated in Grand Tournament LXI. This was a very large amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize, a Rainbow DYO: To design one new warrior with attributes of their choice! This warrior will then be placed into a special Twinning Apparatus, creating ten warriors, one of each fighting style, with your chosen attributes; you may choose the best three to add to your team. (The DYO will follow the normal Commission requirements: 84 total points, each minimum 3/maximum 21.) Please remember, you must use all prizes within six months of the tourney when they were won.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a Primus warrior of the same style within six months.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a Primus warrior of the same style within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in LVIII longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

TOURNAMENT SPY REPORT

Primus!

Here we are for the tourney, and yes, it's late. That's maybe where the April Fool comes in, eh? Primus ran to fourteen rounds this time. One thing I'm not going to do is list all the poor goops who washed out at 0-5. There were eleven of them, some with more visible experience and some with less, but it just wasn't their day. Maybe next time.

The first round had 47 fights, which means either 93 or 94 contestants, I didn't go through all the paperwork looking for a standby. After all, there'd only be one, and it would be a standby, so who cares? The longest fight was WAYWARD SON 1-8180 of MANNEQUIN'S BEST was savagely defeated by ZERO 7-3156 of WASTELAND II in a unpopular 101 minute bloody match. Primus usually does turn out some long fights. They have mastered the art of stepping to the right, or it might be to the left, VERY slowly.

Round nine has twelve fights, no standbys that I can see. I can't tell you anybody's record at this point. I might be able to wrinkle it out of the files, but then again, maybe not. And time presses. I've been meaning to get it one of my shirts and let it press that, but eh. All I can tell you about this round is that half the warriors won, and half lost. But I can tell you that if I've done my math correctly, nine warriors washed out this round. I feel nine is too many to list, but I can tell you they all went 6-3. Ah, and the longest fight was: 5 62-2979 of NUMBERS narrowly defeated LITTLE GIRL CRUSH 82-55739 of 13 YRS & COUNTING in a tiresome 111 minute brutal fight. That's long enough.

Round ten is down to eight fights, one with a standby. Which, hang on while I do the math, must mean eight warriors eliminated last time. Or maybe not, because the math isn't seeming to balance. Well, five for sure are out: Credit Line, Frankenberry, Jake the Dog, Mother Bear, and Nebuchadnezzar, all at 7-3.

Round eleven, five fights, no standbys. Five eliminated last time? I'm seeing some familiar names here, such as Bob Eternal and Furious Bear, Marv Jr, 5 (which never seems like a real name). Everyone who made it this far, even if they lost and were eliminated, is a tourney victor. And those who DID lose and get eliminated, I make it three at 8-3, are Dirty Zealot, Marciano, and Marv Jr.

Round twelve, four fights, one standby. From ten contestants down to seven. Betterthanever drew the standby, an easy win. Three more eliminations, I think: 5, Bobs and Dogs, and John Ashcroft at 9-3.

Wow, round thirteen was down to two fights, no standbys. Cleaning out the ranks FAST. Well, we are in a rush. We came into this round with Betterthanever and Furious Bear at two losses each (eliminated this round), and Littlest Tyrant and Bob Eternal going on for the clincher in the next round.

Round fourteen, one fight for the title. BOB ETERNAL 38-4460 of SANDS OF TIME was viciously subdued by LITTLEST TYRANT 82-55890 of THE NEPHEW in a unpopular 48 minute fight. The Tyrant won, but you can see that Bob didn't give up easily. The Littlest Tyrant is Champion of Primus at 13-1, a tough contestant, and Bob Eternal came out behind at 11-3.

Naturally, both our finalists are aimed blows, and a majority of the warriors in the whole contest, as well. We had a few lungers, maybe four or five or possibly six, but they couldn't cut the mustard here today. All the other styles were "also rans."

Contenders? Yes, that sounds right.

Fifteen total rounds. In round one, forty-eight fights, ninety-five or ninety-six competitors, nothing over nine minutes in length. For long fights, go to Primus. I know, I remember, that when you're fighting, one or two minutes can feel like forever. For a spectator, though, you blink or you glance down to make a note on your program, and you've missed the fight.

Jumping down to round nine, eleven fights, one with a standby. So, twenty-one warriors. Isn't it amazing how many you can eliminate in eight rounds? NOT eliminated are Huge Twirling Man and Marv, both undefeated. Seven at 8-1, tourney victors but too numerous to mention. My fingers get tired. Seven at 7-2, and five more out.

Round ten, eight fights, no standbys. Remember, this is the quick-and-dirty report. Cleaned and filled out takes longer, so not today. One of these fights actually ran over nine minutes, though, so I'll list it here. VISTA BLOWS 18-9258 of WASTELAND was outwaited by PLACES THE LOTION... 98-909 of ARCANE BEACH DAY in a action packed 17 minute duel. Cleaning and filling a little, I add that only Marv remains undefeated now, Huge Twirling Man having succumbed to Meat, a 4-Letter Pizza. Also at 9-1 with Huge are Scootie Puff Jr, Places the Lotion, Skitzoid Snoopy, and Meat. Six at 8-2, tourney victors but teetering on the brink of elimination. And four actually eliminated at 7-3, no tourney victor status for them.

Round eleven, six fights, no standby. Nothing over nine minutes, either. Marv and Skitzoid Snoopy are now tied at 10-1, and everyone else is 9-2 except Sex Camel, who is OUT.

Round twelve, six fights again, but one standby. So one guy got eliminated last time. (That would be the Sex Camel.) Bah. Marv and Snoopy remain tied, now at 11-1. Huge Twirling Man, dizzy but still trying, along with Alice Blue, Dicky V Goes Postal, and Meat are 10-2. Five are out at 9-3, including some, such as Scottie Puff, who thought they were in a favored position.

Round thirteen, much better. Only three fights, no standbys. That's good, who needs standbys? Well, if you're in the stands. A warrior always values an easy win. Snoopy is now 12-1, with Marv, Alice Blue, and Dicky at 11-2. Huge Twirling Man and Meat are out. You know what they say, the more things change, the more warriors drop out.

Round fourteen, two fights, narrowing down fast. I like that. At least when it's raining. But that didn't mean we got through the round fast, as we had one long fight: MARV 82-41424 of 4-LETTER KNOCKOFFS outlasted ALICE BLUE 96-2933 of COLORS in a monotonous 141 minute gory meleee. Skitzoid Snoopy is leading the pack at 13-1, Marv is on his tail at 12-2. Alice and Dicky are out at 11-3.

TOURNAMENT SPY REPORT (continued)

Round fifteen, the finisher. One fight, and this is it: SKITZOID SNOOPY 41-2146 of DA DOG POWNDZAZ devastated MARV 82-41424 of 4-LETTER KNOCKOFFS in a 7 minute mismatched fight. And to finish it off, Skitzoid Snoopy is the winner at 14-1, and Marv is trailing behind at 12-3. Obviously, Snoopy is the winner here. Both, of course, are aimed blows, and the aimers dominated this level of the tourney in both numbers and wins.

Eligibles. Eligible for what? you may ask. Bigger and better mayhem, perhaps. Fourteen rounds total here.

Round one, thirty-one fights, and I didn't see a standby. Doesn't mean he wasn't there, but I didn't see him.

Skipping to round nine, five fights with one standby. All short ones, nobody matches Primus for long fights. I note here, on the expanded file, that Bob's Tofu came out of round nine with an undefeated record. Lucian Adams and Mayhem stand (or sit, as the case might be, or even lie down, but I digress) at 8-1. Tourney victors, at the least. Still in there trying at 7-2 are Rugen the Jellyfish, Hugh Kasse, Elderly Woman, and Trust Buster. A curious group.

Round ten, four fights, one standby. That means two warriors eliminated, but I can't tell you which ones because my memory's not working properly at the moment. I think it's the rain. Brain mold; us dead guys get that sometimes. Ah, somebody has come from the Commission office with a partial brain transplant. So I can tell you that Bob's Tofu is still undefeated, which is unfortunately characteristic of all kinds of tofu. Lucian Adams stands at 9-1. Rugen the Jellyfish, Mayhem, and the Elderly woman are all at 8-2, tourey victors but looking at a struggle to stay in the contest. Hugh Kasse and Trust Buster are out.

Round eleven, three fights and, again, a standby. The Elderly Woman drew the standby, a Dangerous Criminal; she tripped him with her cane. Bob's Tofu is STILL undefeated, I always knew tofu was unnatural. Lucian Adams at 10-1, Elderly Woman at 9-2. Rugen the Jellyfish and Mayhem have been eliminated.

Round twelve, two fights, and another Dangerous Criminal standing by. Where do they find these losers? Lucian Adams defeated the Criminal, but Elderly Woman couldn't handle Bob's Tofu, for which I don't blame her. Tofu, ugh. Hey, I got a thing about tofu, I can't help the comments. I was attacked by a mad tofu when I was just a little tike. The Tofu remains undefeated, Lucian has only one loss, and the Elderly Woman is headed for the showers.

Round thirteen, one fight, but it is NOT the finisher: BOB'S TOFU 69-1192 of BOB'S FRIDGE devastated LUCIAN ADAMS 84-28187 of MEDAL OF HONOR 1A1 in a 2 minute mismatched fight. Of course, since there's another round and only these two warriors, they're going to have to do it again. Bob's Tofu is still undefeated, and Lucian Adams is 11-2, so you don't have to guess where it's going, although now that I think about it, there have been a few occasions where a contest was turned around even this late.

And here it is, round fourteen, and the end of the road for the Eligibles. BOB'S TOFU 69-1192 of BOB'S FRIDGE devastated LUCIAN ADAMS 84-28187 of MEDAL OF HONOR 1A1 in a 1 minute mismatched fight. Tofu rises to the top of the Eligibles, undefeated, which is an image to turn the stomach. Also, the Tofu is a lunker rather than an aimed blow, which must mean something.

Among the Eligibles, aimed blows were most numerous, or at least had the most fights, but lungers were close behind them. Every other style, eh.

ADM, fifteen rounds. Primus and all those guys are the stars, but it's ADM that will carry the load if we're invaded through a Chaos Gate. And they're ready for it.

Round one had sixty-three fights, can't tell you if there was a standby, but it would only be the one. So one twenty-five or one twenty-six warriors at this level, stepping up in the tourney to keep their edges sharp. Or, I suppose, their blunt weapons blunt, if that's their choice.

Round nine has nine fights, which Debby Tonte assures me is "totally sumercial." Writing on mud, that was the Sumerical thing, wasn't it? Imagine receiving your tourney report on mud tablets! One standby, by the way, so we're down to only seventeen warriors already. At this point, The Uptight Man is still undefeated. Smoke, Spare Anchor, and Andres are 8-1 (tourney victors already). Seven at 7-2, and I'm not going to list them. Six eliminated.

Round ten, six fights, one standby. Means we're going forward here with only eleven warriors. Glancing ahead, I find that The Uptight Man (first listing in the fights) lost this and two other fights to come, which means he was undefeated up to this point. Sometimes life is like that. Four at 9-1: Smoke, Spare Anchor, Andres, and The Uptight Man, now more uptight. At 8-2 we have Surly Deckhand, Jimi Hendrix, and The Shining. Four more eliminated.

TOURNAMENT SPY REPORT (continued)

Round eleven, four fights, one standby. Jimi Hendrix drew the standby, if you wondered. This gives us Spare Anchor, Andres, and The Uptight Man (he always insists I go back and capitalize his "the"); Smoke and Jimi Hendrix at 9-2. Surly Deckhand and The Shining are ousted, but as tourney victors.

Round twelve, three fights, one standby. The Zombie, Smoke, drew the standby this time. Andres and The Uptight Man at 11-1, Smoke and Spare Anchor at 10-2, and Jimi Hendrix is out.

Round thirteen, two fights, no standbys. Smoke, he of the standby last turn, was eliminated after a "10 minute brutal battle." Easy win, easy lose. Andres is in the lead at 12-1, Spare Anchor and The Uptight Man tied at 11-2, and Smoke is out.

Round fourteen, two fights, one standby. Andres got the standby, and The Uptight Man was eliminated. Andres is hanging onto his lead, Spare Anchor has two losses, and The Uptight Man got his third loss and departed.

Round fifteen, one fight, and it's the finisher: SPARE ANCHOR 18-9610 of SEA DOGS was viciously subdued by ANDRES 61-3645 of BOMB SQUAD in a crowd pleasing 10 minute gruesome fight. I find it surprising that Andres is a parry-riposte. Spare Anchor is a total parry.

Lungers, aimed blows, and total parries, in that order, led in the number of fights at this level.

Freshmen. Some of them really fresh, right off the farm team. Fourteen rounds.

Round one, fifty-two fights, I think. After a few days of this, they begin to blur together. One hundred four warriors, or possibly one hundred three.

Round nine, eight fights, and I don't see a standby. Sixteen warriors still out there whacking away. Two warriors were undefeated at the end of round nine: Dang Len and Pradus. Two with a single loss: Katamari Damacy and Eeriest Expectation. Seven at 7-2, and five eliminated.

Round ten, six fights, one with a standby. Which must mean five warriors eliminated. Too fresh, probably. I note one fight that actually ran to forty-five minutes: SLIPPY BRICKBOY 66-1833 of THE INQUISITION savagely defeated KATAMARI DAMACY 82-38613 of COOL GAMES in a 45 minute struggle. Dang Len was still undefeated. Eeriest Expectation and Pradus now stand at 9-1. At 8-2 (tourney victors now) are Katamari Damacy, Slippy Brickboy, WWW.quam.com, Flying Pig, and Flesh Hunter. Three more are out at 7-3, NOT tourney victors, but maybe next time.

Round eleven, four fights, no standbys. Eighty-seven minutes? FLESH HUNTER 47-6053 of BAAL'S MINIONS was viciously subdued by SLIPPY BRICKBOY 66-1833 of THE INQUISITION in a 87 minute battle. You can see, this Brickboy isn't one to rush into things, and he wins, too. Dang Len remains undefeated, some people are really stubborn that way. Eeriest Expectation is right behind him at 10-1. Three at 9-2: Slippy Brickboy, Flying Pig, and Pradus. The other three eliminated at 8-3.

Round twelve, three fights, with Pradus drawing a standby. And the Brickboy again goes for the drawn-out win. FLYING PIG 41-4605 of HELL FROZEN OVER was viciously subdued by SLIPPY BRICKBOY 66-1833 of THE INQUISITION in a 67 minute fight. STILL Dang Len is undefeated. Can no one stop this Garbage Pail Kid? Dang Len at 12-0, Slippy and Eeriest and Pradus at 10-2, and Flying Pig out at 9-3.

Round thirteen, two fights, and the Brickboy bites the sand--in a SHORT fight: DANG LEN 62-4694 of GARBAGE PAIL KIDS devastated SLIPPY BRICKBOY 66-1833 of THE INQUISITION in a 3 minute mismatched fight. This eliminates him. This is Dang Len at 13-0, Eeriest Expectation at 11-2, and Slippy and Pradus out at 10-3. You can guess where this is going, can't you?

Round fourteen, one fight, to a finish. DANG LEN 62-4694 of GARBAGE PAIL KIDS devastated EERIEST EXPECTATION 84-31990 of APRIL 12 II in a 1 minute mismatched fight. Dang Len is the champion of the Freshmen, and almost ripe. He is, no surprise, an aimed blow, and undefeated, too. Some guys have it all. Eeriest is a striker.

Total parries had the lead in fights fought, then lungers, strikers, and aimed blows. The farther down the ladder you get, the more styles you see.

Challengers, and a challenging lot they are. Only sixteen rounds but--

Round one had one hundred fourteen fights! Don't ask me whether there was a standby involved, because I didn't notice and I don't think it would matter anyway.

Jumping to round nine, down to eighteen fights, and one involved a standby. I call that elimination! Three undefeated at this point: Cherub Rock, Sally Slushy, and Warchant. Pimpled Ninny at 8-1, and a lot of people at 7-2. Ah, nineteen at 7-2, you can't expect me to list all of them, so I won't. And twelve eliminated at 6-3.

Round ten, twelve fights, one with a standby. From thirty-five down to twenty-three. Sally Slushy and Warchant remain undefeated, but Cherub Rock now joins the Pimpled Ninny with one loss. Nine at 8-2, not

TOURNAMENT SPY REPORT (continued)

going to list 'em yet, and ten are cast into the outer darkness where there is wailing and no tourney victor status.

Round eleven, seven fights, one standby. Down to thirteen Challengers still in the fighting. So far, nobody has stood out and caught my eye, which is probably good, I don't like having my eyes caught. Sally Slushy and Warchant remain undefeated, Cherub Rock is in sole possession of the 10-1 rank, and we've got five at 9-2: Last Straw, Spandex Snowman Pimpled Ninny, Beemo, and Mush. These guys deserve recognition for hardiness and determination. Five warriors were eliminated here and now.

Round twelve, four fights, but I don't see a standby. Just as well, we need to get some of these others out of the line-up. So, I see here that Sally Slushy and Warchant each picked up their first loss. Let that be a lesson to you all and never pick up things you find lying around in the arena. Cherub Rock, Last Straw, Spandex Snowman, Pimpled Ninny, and Mush are now at 10-2. Beemo is out.

Round thirteen, again four fights, but with a standby. One person was eliminated last time (Beemo), but the rest are hanging on grimly. Warchant 12-1, Sally Slushy, Spandex Snowman, Pimpled Ninny, and Mush at 11-2. Cherub Rock and Last Straw are now out of the contest.

Round fourteen, three fights, one with a standby. It was Mush who drew the Peristant Beggar, and I hope he was properly grateful. A few dollars contribution would be appropriate. The Spandex Snowman has now melted away, and the four warriors remaining are all 12-2. Things will go fast from this point.

Round fifteen, two fights, and I see that Mush got another win, this time over a real warrior. Good work. And speaking of work, in this case fighting, I find that Sally Slushy and Mush are now both at 13-2, with the Ninny and Warchant at 12-3 and out. When Warchant went down, he went down fast.

Round sixteen, one fight, to end the contest: SALLY SLUSHY 82-47751 of COOL NAMES 3 was devastated by MUSH 84-27306 of 4-LETTER PIZZA in a 2 minute mismatched fight. Victory to Mush, who is, what a surprise, an aimed blow. If you're going to fight as an aimed blow, you can't start too soon. In the final fight, Mush ended at 14-2 and Sally lost at 13-3. A closely fought contest from the top. Mush and aimed blow, Sally Slushy a striker. But in number of fights fought, it was the lungers who led the numbers, then strikers, aimed blows, total parriers, and slashers.

Eleven warriors died in this contest, and we salute them all. Nobody died after round seven, so we didn't run across them here.

Champions. Fifteen rounds of Champions.

Round one, fifty fights. A fine showing, but they'd be too many to talk about even if I wasn't pushed for time.

Round nine, eight fights, one with a standby. In that fight, CFO defeated the Oski Noble, probably doing it by the numbers. The Clogged Chimney is undefeated, and Dominatus Non Viz has one loss. Eleve still fighting at 7-2, and two eliminated this round.

Round ten, seven fights. Anvil defeated a Convicted Thief, but the aforementioned CFO was defeated. Clogged Chimney still undefeated, Dominatus still with a single loss. At 8-2 I see Spills, January O. Irontail, CFO, Anvil, and Zombie Baby, everyone else (I count six) being out at 7-3.

Round eleven, four fights. Dominatus Non Viz stabbed an Embezzling Scribe with a pen. Anvil and CFO, mentioned in previous rounds, both lost. Makes it sound like drawing a standby is the kiss of defeat, doesn't it? And it looks like they were both washed out of the tourney with those defeats. Yes, I see they were eliminated at 8-3. The Chimney is still undefeated, Dominatus is 10-1, and the Irontail and Zombie Baby are 9-2.

Round twelve, only two fights. January O. Irontail was ousted by the Zombie Baby. Clogged Chimney picked up a defeat from Dominatus.

Round thirteen, two fights, one with a standby. Clogged Chimney smoked the Persistant Beggar, and Dominatus Non Viz did something devastating to a Zombie Baby. The mind boggles. That leaves the Chimney and Dominatus tied at 12-1.

Round fourteen, one fight, but it wasn't conclusive: DOMINATUS NON VIZ 32-6347 of SECRET SQUIRRELS bested CLOGGED CHIMNEY 72-7589 of BASH BROS FIREPLACE in a 1 minute master's fight. This gives Dominatus a slight edge.

Round fifteen, the same one fight, and this time, it's the final match: DOMINATUS NON VIZ 32-6347 of SECRET SQUIRRELS devastated CLOGGED CHIMNEY 72-7589 of BASH BROS FIREPLACE in a 1 minute fight. Are we surprised that Dominatus is the winner and the Champion of Champions? Dominatus is an aimed blow, did I say that already? And the Chimney is a striker.

The most fights at this level were fought by strikers, with aimed blows and lungers tied for second, and everybody else piffing.

TOURNAMENT SPY REPORT (continued)

Seven Champions died the real death in this contest, and we salute them.

Adepts. Seventeen rounds, which is fairly impressive.

Round one had sixty-six fights, and that's all I care to say about it. I'm getting jaded.

Round nine, I make it ten fights with no standbys. A respectable showing, even if none of the fights were long ones. I like long fights, they give me time to sharpen my pencils. Four undefeated at this point! I'm impressed. Did I say that already? Butchers Hook, Mud King, Bethany, and Miles finished this round without a loss on their records. Of course, there are several rounds to go yet. Only three at 8-1: Leia, Dermal Grabber, and Blizzard. Six at 7-2.

Round ten, seven fights with Bugg-Smash squashing an Embezzling Scribe. Ah, make that Bugg-Shash, sorry. Butchers Hook and Bethany remain undefeated, Mud King, Miles, and Blizzard stand at 9-1, and we've got six at 8-2, with two warriors eliminated.

Round eleven, six fights, and Mud King vanquished a Convicted Thief; it was a kind of quicksand thing. Bugg-Shash lost his fight this time. Bethany remains undefeated. What a woman, eh? Butchers Hook, Mud King, and Blizzard are still tied with one loss. Blackguard, Leia, Corsair, and Miles stand at 9-2. Bugg-Shash, Maleficent, and Dermal Grabber are out at 8-3.

Round twelve, four fights. Bugg-Shash seems to be out. Nothing else leaps to my eye here. Bethany has picked up her first loss and is now tied with Mud King and Blizzard at 11-1. Butchers Hook, Leia, and Corsair are 10-2, still hanging on. Blackguard and Miles are out at 9-3.

Round thirteen, three fights. Mud King is still holding on. Maybe defeating a standby isn't the kiss of defeat after all? In fact, Mud King is in the lead at 12-1. Butchers Hook, Leia, Bethany, and Blizzard are 11-2, and Corsair is out. Thinning down the ranks.

Round fourteen, three fights again. This time, Blizzard froze a Persistant Beggar. Good work. Leia was eliminated by Butchers Hook and Bethany by Mud King. Mud King is still in the lead, now at 13-1. Butchers Hook and Blizzard are 12-2.

Round fifteen, two fights. Butchers Hook did something messy to a Persistant Beggar, and Blizzard froze the Mud King. These three are now tied at 13-2.

Round sixteen, two fights. Butcher's Hook devastated the Blizzard, and Mud King plastered a Convicted Thief. We're down to Butchers Hook and Mud King both at 14-2, and the next round will settle it.

Round seventeen, the final fight. MUD KING 56-4659 of MEN OF STEEL bested BUTCHERS HOOK 78-3156 of DEATH PENALTY in a 1 minute master's fight. Lunger versus Striker. You can tell you're down in the ranks of the mortals when you don't have at least one aimed blow on top. Good work for these two.

Most fights at this level: strikers. Lungers second, then slashers, and finally aimed blows. A few other styles here and there, but nothing significant.

Three warriors died, one of them, Leaping Leper, in round nine, the other two earlier.

Initiates. Sixteen rounds. So young, and so determined.

Round one had one hundred fourteen fights. This amazes me sometimes. So many, so hopeful. Good luck to 'em all.

Round nine, down to sixteen fights, almost manageable, if there was time to manage them. I didn't see a standby, but I might have missed him. What I don't miss is that we've got two undefeated Initiates here: Balk and Chili. Congratulations to them on that. Seven at 8-1, and fourteen at 7-2.

Round ten, twelve fights. O-Dog drew a Convicted Thief and bit him. It's a dirty job, but somebody's got to do it. Nobody undefeated now, Wusthof defeated Balk, and Stink Face vanquished Chili. So all four of them are now 9-1, with Demonic Tonic and Steady Decline filling out a list of six. Eleven at 8-2, and six eliminated. I think six.

Round eleven, nine fights. Stink Face skunked the Embezzling Scribe, and a good job that was. Steady Decline and Stink Face stand at 10-1, eleven warriors were ranked 9-2, you know I can't list eleven warriors, my fingers would fall off, and four were eliminated, one of them drastically. NAVARRO 10-6071 of KHORS PRAETORIANS 79 was assassinated by PROM 84-48888 of REVIEW in a 1 minute mismatched duel. Hey, all these guys are carrying deadly weapons. These things happen.

Round twelve, seven fights, and this time Busted Knuckle got the standby, an Oski Noble who actually drew the fight out into the second minute. Stink Face choked down a Demonic Tonic, and O-Dog experienced a Steady Decline and was eliminated. Steady Decline and Stink Face are holding the lead at 11-1. At 10-2 I see Wusthof, Busted Knuckle, Balk, Clyde Choate, and Sanctions. Six have been eliminated, including the killer Prom and once-undefeated Chili.

TOURNAMENT SPY REPORT (continued)

Round thirteen, four fights. Balk overpowered a Persistent Beggar, a lot of them around, Stink Face blew down Wusthof (12-1 and 10-3), and Busted Knuckle was demolished by Clyde Choate (10-3 and 11-2). Defeating a standby is no guarantee of future success. Stink Face has the lead now at 12-1. Steady Decline, Balk, Clyde Choate, and Sanctions are 11-2, and Wusthof and Busted Knuckle are out.

Round fourteen, three fights. Stink Face went down to Balk, Clyde Choate defeated Steady Decline, and Sanctions took SIX minutes to defeat the Osksi Noble. Someone has been feeding this Osksi Noble red meat! Steady Decline is out, and the other four: Balk, Clyde Choate, Stink Face, and Sanctions are all tied it 12-2. It won't be long now! Which is good, because I need a hot dog. And a beer.

Round fifteen, two fights. Stink Face lost to Clyde Choate and Balk lost to Sanctions, with both losers being eliminated. They looked tired as well as bloody, and who can blame them? Clyde Choate and Sanctions will be going head to head, and blade to blade, at 13-2.

Round sixteen, one fight, to the finish. Well, the finish of this level of the tourney, at least. CLYDE CHOATE 61-3968 of MEDAL OF HONOR G10 devastated SANCTIONS 84-56615 of MORNING FIX in a 1 minute mismatched fight. We congratulate Clyde Choate at 14-2, an aimed blow. Sanction was, and still is, a total parry.

They don't really tell me how many warriors of each style enter the contest, just how many fights each style has. So I can tell you that strikers had the most fights, but not at what point the last striker dropped out. After strikers, lungers, slashers, aimed blows, walls of steel, and the numbers drop fast to zero. Zero parry ripostes.

Seventeen Initiates died here today. We salute them.

Apprentices. This is the stage when they think they know it all. Sixteen rounds.

Round one had one hundred fifty-five fights, more than three hundred eager youngsters. There must be some amazing recruiters out there.

Jumping to round nine, because there's no way I would have time to report the early rounds, I find twenty-three fights and no standbys. That's still a big field. Seven at 8-1, and, hmm, I don't know if I can... ah, twenty-four? Or something like that, at 7-2. We'll have to get the numbers down before I can face listing names.

Round ten, sixteen fights, and I see that Chuck Norris vanquished a Persistent Beggar. I suppose even the great ones have to begin small. Four at 9-1: Thirsty Thug, Valdosta, Saw Scale, and Saint Plan. Fifteen at 8-2, and twelve eliminated. Thirsty Thug killed his drinking buddy Slosed Lad.

Round eleven, I think it's ten fights. I'm getting a little punchy here. Chuck Norris, mentioned in the last round, "handily defeated" Campy Digit. I suppose "handily" means those hand chops to the neck and so on. Saint Plan spent nine tiresome minutes waiting for the Osksi Noble to fall over. Tied at 10-1 are Thirsty Thug, Valdosta, and Saint Plan. Good show. Eight each at 9-2 and 8-3.

Round twelve, only six fights. Ah, I see the Curse of the Standbys strikes. Chuck Norris lost to a Mighty Assault and seems to have been eliminated. Yes, Chuck is out. Saint Plan lost to a Roof Top Tomcat but is still with us. And Thirsty Thug drank a Mordant Deserter under the table, and that takes a lot of doing. Thirsty Thug and Valdosta are tied at 11-1. At 10-2 we have Cell Phone Zombie, Mighty Assault, Upsilon Caveman, Roof Top Tomcat, and Saint Plan.

Round thirteen, four fights. The Thirsty Thug aforementioned defeated Valdosta. Saint Plan squashed Cell Phone Zombie. And this time Upsilon Caveman drew the standby and mugged the Osksi Noble. Thirsty Thug is in the lead at 12-1. Mighty Assault, Upsilon Caveman, Valdosta, and Saint Plan stand at 11-2. Cell Phone Zombie and Roof Top Tomcat are out.

Round fourteen, three fights. These last few warriors are fighting hard here. Mighty Assault, who earlier defeated Chuck Norris, this time devastated a Mordant Deserter. Upsilon Caveman, earlier victor over an Osksi Noble, defeated and eliminated Valdosta. And Thirsty Thug juiced Saint Plan. Hey, Saint Plan is a fruit, it says so right there in the listings! You can juice fruits. Saint Plan is out now, too. Thirsty Thug retains the lead at 13-1, with Upsilon Caveman and Mighty Assault at 12-2.

Round fifteen, two fights. Mighty Assault sent Upsilon Caveman out, and the Thirsty Thug defeated the Osksi Noble. That leaves Thirsty at 14-1, and Mighty at 13-2. The writing is on the wall, though it's been wrong before now.

Round sixteen, the final round for the Initiates. One fight: MIGHTY ASSAULT 75-3674 of CRITICALS was devastated by THIRSTY THUG 84-26211 of THE MOTHERSHIP AG in a 1 minute mismatched fight. Congratulations to the Thug, and let's all buy that man a barrel of drinks. The Thug is a striker, and Mighty Assault seems to be, also.

TOURNAMENT SPY REPORT (continued)

As to styles, strikers are in the lead, followed by aimed blows, lungers, and various others. Parry lungers are conspicuous by their total absence.

Thirty Apprentices died today, and we salute them.

Rookies. So young, so clueless. Twenty rounds.

Round one, two hundred sixty-three fights. More than five hundred warriors out there banging and hacking. If I weren't dead already, my blood would run cold.

Round nine, and I'm going to sketch it short because it's so long. Thirty-five fights, seventy warriors. That's a lot of warriors, still. Hmm, scanning down the listings, I see that there are a LOT of undefeated warriors. Well, lots for round nine in a tourney: six. That'd be Worn Out, who has the lead because he has the only kill amongst them, Uncontrollable, Ghazat, Fennel Ohooni, Tank Top, and Meow Blocker. I'm not going to try to list the 8-1 and 7-2 warriors, just too many here.

Round ten, twenty-three fights. Four remain undefeated: Worn Out, Uncontrollable, Ghazat, and Fennel Ohooni. Determined fellows. Eight at 9-1: Thor Ravenblade, Hunky Hamper, Slyly, The Truth, Hognose, Oh Olish Ohooni, Tank Top, and Meow Blocker. Lots and lots, a sort of crowd of bloody hopefuls, at 8-2. They just aren't individual when you get 'em in a mass.

Round eleven, seventeen fights. I'm not going to start reading things till I get to at least round fifteen or even sixteen. Sorry, but there just isn't time. Still two undefeated! Uncontrollable and Fennel Ohooni. Six at 10-1: Worn Out, Thor Ravenblade, Hunky Hamper, Slyly, The Truth, and Ghazat. These guys are showing a lot of promise.

Round twelve, twelve fights. It must be those Summericals again. They were big on doing things by twelves, weren't they? Well, whether they did or not, Uncontrollable and Fennel Ohooni remain undefeated--remarkable persistence. One loss: Hunky Hamper Slyly, The Truth, and Ghazat. Still hanging on with two losses: Worn Out, Crispy Soul, Thor Ravenblade, Yoda, Konrad Curze, Mucous Secretion, Oh Olish Ohooni (probably a cousin of Fennel), and Speedy Idion. This dogged refusal to give up is likely to stand them in good stead.

Round thirteen, seven fights. Down with the undefeated! Four at 12-1: Uncontrollable, The Truth, Fennel Ohooni, and Ghazat. Tough buggers. At 11-2: Crispy Soul, Hunky Hamper (that one always makes me pause), Yoda, Konrad Curze, Oh Olish Ohooni, Slyly, and Speedy Idion. Worn Out is out.

Round fourteen, six fights. Speedy Idiom ran down a Mordant Deserter. Those guys are really slow, you know. Uncontrollable, Ghazat, and Fennel Ohooni stand at 13-1. Actually some of them lean against the wall panting at 13-1. At 12-2 I see: Hunky Hamper, Oh Olish Ohooni, The Truth, and Speedy Idion. There must have been people eliminated, but I seem to have lost that bit of paper, unless it's this one with mustard and catsup on it. But you know who you are.

Round fifteen, four fights. Speedy Idiom lost to Fennel Ohooni, and why not? The Truth demolished a Convicted Thief, which seems appropriate somehow. At 14-1, still fighting over the lead, are Uncontrollable, Ghazat, and Fennel Ohooni. The Truth is still hanging on at 13-2, and three are out.

Round sixteen, and dropping fast. Only two fights. The Truth was bested by Bash Bros Feelings: Uncontrollable. The Truth was eliminated. And Fennel Ohooni lost to Ghazat, an orc. It's now Uncontrollable and Ghazat tied at 15-1, Fennel hanging on at 14-2, and The Truth is gone from our midst. Well, sports are sometimes like that, aren't they?

Round seventeen, two fights. Ghazat hacked up an Embezzling Scribe, and Fennel devastated Uncontrollable. Nobody was eliminated. So it's now Ghazat in the lead at 16-1, and Uncontrollable and Fennel at 15-2. It looks obvious, but you can't tell where these things will go.

Round eighteen, two fights. This time it was Fennel who drew and demolished the standby, a Convicted Thief. Going by the way these three guys have been hanging on, I'd guess that they came into the final rounds undefeated. The three of them are all at 16-2.

Round nineteen, once more two fights. Uncontrollable drew the standby, and Fennel Ohooni took a third loss from Ghazat. So it's going to be Uncontrollable and Ghazat, each at 17-2. The next round will decide it.

Round twenty, the finisher. One fight. UNCONTROLLABLE 72-9129 of BASH BROS FEELINGS devastated GHAZAT 85-10788 of ORCS VI in a 1 minute mismatched fight. Our congratulations to Uncontrollable, an aimed blow with promise. For that matter Ghazat is also an aimed blow with promise.

Looking at the number of fights by style, aimed blows are so far out in front here that the others are lost in the dust.

Seventy-one hopeful rookies died in this tournament, and we salute them.

And there you have it. Congratulations to all the champions!
