

THE MAIL-IN GRAND TOURNAMENT LXV!

ARENAMASTER'S NOTES: 7 April 2018

This is the newsletter for the sixty-fifth Mail-In Grand Tournament. All newsletters for regular Duelmasters arenas will include a listing of the tournament participants from that arena—all the warriors that fought will have their tournament win-loss record posted for all to see. DM 208, The Initiates Tournament	– DM warriors with 5-10 fights as of the Tournament
DM 209, The Apprentices Tournament	– DM warriors with 1-4 fights as of the Tournament
DM 210, The Rookies Tournament	– DM warriors with 0 fights as of the Tournament

A grand total of 2159 warriors participated in Grand Tournament LXV. This was a very large amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: They will be able to create a clone or twin (rolled ten times) of another warrior, dead or alive, to be added as a warrior onto one of their teams! Warriors may only be cloned if they are natural warriors who have never been cloned; they may be cloned once by their own manager, and once by another. Please remember, you must use all prizes within six months of the tourney when they were won.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a Primus warrior of the same style, within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in LXIV longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

TOURNAMENT SPY REPORT

Okay, Olaf here. I know Debby was supposed to help, but she had, hmm, well, she took a snit. Didn't want to associate with clones. But she's bringing me beers and hotdogs, so it's okay.

We start with **Primus**, noting that there are no Fools in Primus. Depends on your definition, I suppose. Probably 107 entrants. But no Fools. Half won, half lost.

Round nine, thirteen fights, I think, and no standbys. Three contestants are undefeated: Neosphincter, Bob Eternal, and Little Girl Crush. Five with one loss: 5, John Ashcroft, Dirty Zealot, Bobs and Dogs, and Wayward Son. Eleven at 7-2, and I'm not going to list them. And seven eliminated.

Round ten, ten fights, and it looks like one standby. Only two undefeated now, Bob Eternal and Little Girl Crush. Three at 9-1: 5, Neosphincter, and Bobs and Dogs. Nine at 8-2, not listed. And five eliminated.

Round eleven, seven fights. I don't seem to see a standby out there. Nobody undefeated now, but 5, Bob Eternal, Little Girl Crush, and Bobs and Dogs have only one loss. Six at 9-2: Zero, John Ashcroft, Neosphincter, Dirty Zealot, Frankenberry, and BetterthanEver. Among the four who have now washed out, I notice Wayward Son who had a single loss back in round nine. How the mighty are fallen.

Round twelve, five fights. At 11-1 I see Bob Eternal, Little Girl Crush, and Bobs and Dogs. At 10-2 we have 5, Zero, and Dirty Zealot. Four more are out of the running.

Round thirteen, three fights. Bobs and Dogs has the lead at 12-1. Close on his heels at 11-2 are 5. Bob Eternal, Little Girl Crush, and Dirty Zealot. Zero is out.

TOURNAMENT SPY REPORT (continued)

Round fourteen, three fights, one with a standby. Bobs and Dogs is still in the lead at 13-1. Behind him at 12-2 come 5 (he, or it, got the standby) and Little Girl Crush. Bob Eternal and that Dirty Zealot are through for this tourney.

Round 15, two fights. Bobs and Dogs drew a standby and, of course, won. Little Girl Crush kicked 5 to the curb. When did we have curbs installed in the arena?

Round sixteen, one fight, but not the finisher. LITTLE GIRL CRUSH 82-55739 of 13 YRS & COUNTING slimly won victory over BOBS AND DOGS 82-55985 of SOFT DRINKS in a 42 minute fight. That brings the two of them to a tie at 14-2. One more fight to go.

Round seventeen, and this DOES finish it. LITTLE GIRL CRUSH 82-55739 of 13 YRS & COUNTING viciously subdued BOBS AND DOGS 82-55985 of SOFT DRINKS in a 8 minute fight. Having done it once, Little Girl does it again. Congratulations to Little Girl Crush. And a tip of the hat, purchased for this very purpose, to Bobs and Dogs for hanging on so long.

Both Little and Bobs are aimed blows, which is no surprise at this level of the tourney. In fact, it looks like all the contestants here have been aimers. Well, except some of the standbys. One warrior was killed (in the short term) in this tourney, Prodigal Son killed by the Dirty Zealot in round nine. So it goes. Debbie suggested he ought to get a "death gift," but I don't think so. There'll be more deaths down the line, and I'm not made of money, you know.

Contenders. No Fools here, either. Who needs 'em. Seventy contestants in round one, which means, of course, thirty-five fights. Way too many to talk about. Besides, they aren't doing anything interesting yet.

Round nine, down to a mere eight fights. This is manageable. Napoleon Dynamite has the lead, being undefeated. Tied for second place at 8-1 are Marv, Burglar, The Monarch, and Miffed Sandy. Six at 7-2, do I want to list them? Let me think about this for a minute. Ah, why not? At 7-2 we have Alice Blue, Skidmark Bug, Samsara (fought a standby), Candiru, Cannibal Cook, and The Bunny God. Four warriors were eliminated.

Round ten, six fights. Napoleon Dynamite is still undefeated. At 9-1 are Marv, Burglar (fought a standby), and Miffed Sandy. Standing at 8-2 are The Monarch, Skidmark Bug, and The Bunny God. Four more are out of the contest.

Round eleven, four fights. Napoleon retains his undefeated status (where is Wellington when you need him?). Burglar and Miffed Sandy are at 10-1, with Sandy drawing and killing a standby. Gotta watch out for that, Sandy, standbys don't grow on trees. Marv and The Bunny God are bring up the rear at 9-2, and two more have been eliminated.

Round twelve, and we're down to three fights. Napoleon retains his undefeated record, and everyone else is at 10-2. That "everyone else" is Marv, Burglar, Miffed Sandy, and The Bunny God.

Round thirteen, again three fights. Napoleon undefeated, the Burglar drawing a standby. The Bunny God was eliminated by Marv, and Napoleon overpowered Miffed Sandy. Brave man!

Round fourteen, two fights. Marv got the standby this time, and Burglar defeated Napoleon! BURGLAR 2-5431 of INQUISITION SL5 slimly won victory over NAPOLEON DYNAMITE 82-32893 of LEGENDS OF IDAHO in a 9 minute fight. A slim victory is still a victory.

Round fifteen, two fights. Napoleon Dynamite fought a standby. Burglar ousted Marv. BURGLAR 2-5431 of INQUISITION SL5 viciously subdued MARV 82-41424 of 4-LETTER KNOCKOFFS in a crowd pleasing 7 minute gruesome fight. "Grossome" means there was blood and body parts all over.

Round sixteen, the final fight: BURGLAR 2-5431 of INQUISITION SL5 was viciously subdued by NAPOLEON DYNAMITE 82-32893 of LEGENDS OF IDAHO in a 7 minute fight. That makes Napoleon the Champion here, and Burglar the battered runner up. We congratulate them. Both these warriors are aimed blows.

The only death in this contest was the Fratsfa Slave killed by Miffed Sandy. She never did care for Fratsfans.

Eligibles, and here we might find a Fool or two. Sixty-eight warriors enrolled in round one, thirty-four fights. And a handful they were, too—running in the halls and yelling and other stuff.

Round nine, down to six fights, one with a standby. Amazing how fast the numbers can drop. Spare Anchor is undefeated, and cocky with it. At 8-1 I see Andre, Kulgan, Minge the Marvelous, and Bull Durham. Hanging on at 7-2 are Marcinko and Honey Boo Boo (who fought the standby). And four are headed for the showers.

Round ten, four fights. Undefeated, Spare Anchor, still. At 9-1, Minge and Bull Durham. Bull fought a standby. At 8-2, Andres, Kulgan, and Honey Boo Boo who eliminated Marcinko.

Round eleven, three fights. Spare Anchor hangs onto his undefeated lead. Bull Durham is 10-1. Minge the Marvelous and Honey Boo Boo are 9-2. And Andres and Kulgan are out.

TOURNAMENT SPY REPORT (continued)

Round twelve, two fights. BULL DURHAM 5-4324 of PARTY ANIMALS was bested by SPARE ANCHOR 18-9610 of SEA DOGS in a crowd pleasing 3 minute gruesome fight. That leaves the Anchor still undefeated and gives Bull his second loss. And HONEY BOO BOO 11-7645 of REALITY TV savagely defeated MINGE THE MARVELOUS 82-44835 of HOLE IN THE WALL in an exciting 3 minute melee. Which means Minge is out.

Round thirteen, two fights. Spare Anchor fought a standby, a gift he didn't need, but what the heck. And Honey Boo Boo eliminated Bull Durham. The next match could be the finisher, or not. Okay, I peeked ahead in time, and it is NOT the end of the contest.

Round fourteen, one fight. HONEY BOO BOO 11-7645 of REALITY TV devastated SPARE ANCHOR 18-9610 of SEA DOGS in an action packed 5 minute brutal mismatched fight. This Honey is tough, handing Spare Anchor his first loss.

Round fifteen, one fight. HONEY BOO BOO 11-7645 of REALITY TV devastated SPARE ANCHOR 18-9610 of SEA DOGS in an action packed 4 minute brutal mismatched fight. Now the two of 'em are tied at 13-2. The next fight WILL be the finisher.

Round sixteen, one fight, to the finish. HONEY BOO BOO 11-7645 of REALITY TV was outwaited by SPARE ANCHOR 18-9610 of SEA DOGS in a crowd pleasing 8 minute gruesome fight. That makes Spare Anchor the Champ at 14-2. Congratulations to both. Spare Anchor is a total parry, and Honey Boo Boo is a wall of steel.

ADM. The old reliables. I make it one hundred forty-three warriors (and a standby) in the first round. Seventy-two fights. I look at that many fights, and I turn to Debby Tonte and say, "Your job here." And then she says, "That's too many to talk about." Mind you, *I* didn't say it! But, okay, I agree, too many to talk anouy. Let's move forward.

Round nine, it looks like twelve fights. Undefeated at the top of the list I see Life Is Good. This is true. At 8-1, tourney victors already, are five warriors: The Uptight Man, Hortator, Maul on Wheels, Pulled Orc, and Sebastian. At 7-2, not yet tourney victors but still trying, are nine warriors, and I'm not going to list them now. If they hang on, they'll get listed later. And another nine eliminated on this round.

Round ten, eight fights. Life Is Good still has the lead, still undefeated. That's encouraging in a general way. Four at 9-1: The Uptight Man, Maul on Wheels (fought a standby), Pulled Orc, and Sebastian. At 8-2 I see another four warriors, hanging on grimly: Frozboz, One-Trick Pony, Hortator, and Choose Goose. They are tourney victors now, even if they fall out on the next round. Six are out of the contest.

Round eleven, five fights. Life Is Good retains the lead and is still undefeated. Three warriors stand at 10-1: The Uptight Man, Maul on Wheels, and Pulled Orc (drew a standby). Two at 9-2: Hortator and Sebastian. And three more are headed for the showers.

Round twelve, three fights. You realize that by this point the victors are going as much by luck as superior skill, right? Life Is Good remains undefeated. Maul on Wheels is 11-1. At 10-2 are The Uptight Man, Hortator, and Pulled Orc. Sebastian is out, the Maul got hijm.

Round thirteen, three fights again, one with a standby. Life Is Good, undefeated. Maul on Wheels, one loss. Hortator, two losses; he drew the standby. And The Uptight Man and Pulled Orc have washed out. Is that like washing a window, or washing out to sea?

Round fourteen, two fights. Life Is Good drew a standby and remains undefeated. Maul on Wheels ousted, "devastated," it says here, Hortator. This is narrowing down fast, but it'll be at least two more rounds. Unless someone dies.

Round fifteen, one fight, not the finisher. MAUL ON WHEELS 2-2938 of THE RUNAROUND bested LIFE IS GOOD 84-36076 of AL BUMS IX in a 2 minute fight. That makes them both 14-1. Two more rounds.

Round sixteen, again one fight. MAUL ON WHEELS 2-2938 of THE RUNAROUND devastated LIFE IS GOOD 84-36076 of AL BUMS IX in a 1 minute mismatched fight. Maul at 15-1, Life at 14-2.

Round seventeen, one fight, and it IS a finisher. MAUL ON WHEELS 2-2938 of THE RUNAROUND devastated LIFE IS GOOD 84-36076 of AL BUMS IX in a 1 minute mismatched fight. That makes Maul the Champ at 16-1, with Life as runner up at 14-3. Good work, both of you. Maul on Wheels is a wall of steel, and Life Is Good is a lunger. Is there a message in that?

Two warriors died in this level of the tourney, Cat Messiah in round one, and Don Quixote in round two. Maybe next time, guys.

Freshmen, and some of them are very fresh, according to Debby. Numerous, too. I make it ninety-seven warriors. Okay, not as many as ADM. but still. And there are probably some Fools amongst them.

TOURNAMENT SPY REPORT (continued)

Round nine, and the good news is that we're already down to eight fights. Yonder Orphan is undefeated and has the lead. Four at 8-1, tourney victors already: Pieholden Sweet, Zensu Lasagna (is that the kind with anchovies and mountain oysters?), Janis Joblin, and China Room (who drew the standby. At 7-2 we have five more: Bozo, Slippy Brickboy, Hairy Monster, The Terminator, and High-End Bun. Five were sent to the showers on this round.

Round ten, five fights, all short. Eager for their lunches, no doubt. Yonder Orphan lost to the Hairy Monster, leaving behind his undefeated record. At 9-1 are Pieholden Sweet, Zensu Lasagna, Janis Joblin, and Yonder Orphan. At 8-2, still in there trying, are the Hairy Monster, China Room, and The Terminator. Three more are out.

Round eleven, four fights. In a surprise move of unanimity, everyone who was 8-2 last time is now 8-3 and out. Everyone who was 9-1 is now 10-1 and still fighting. Zensu Lasagna drew a standby and revolted him.

Round twelve, two fights. Yonder Orphan took a second loss from Zensu Lasagna, and Pieholden Sweet took a second from Janis Joblin.

Round thirteen, two fights. Yonder Orphan put a second loss on Janis Joblin, and Zensu Lasagna ousted Pieholden Sweet. We're really moving fast here now.

Round fourteen, again two fights. Janis Joblin drew a standby and hung onto her mere two losses. Yonder Orphan got a third loss from Zensu Lasagna and is no longer in the fight. If I'm not mistaken, he looks relieved.

Round fifteen, one final fight. JANIS JOBLIN 46-4380 of THE 27 CLUB was bested by ZENSU LASAGNA 61-3728 of SHEWISH BUFFET in a crowd pleasing 2 minute fight. That's Zensu Lasagna the winner at 14-1, an aimed blow. Watch out for this dish, it's going places. And Janis Joblin the runner up at 12-3, a wall of steel. Congratulations to both.

One warrior died at this level, Zbigniew killed by Pieholden Sweet on round eight. A salute to the temporarily dead.

Challengers, and they're a challenge for me! I think I count two hundred twenty-nine warriors in round one. Half won, half lost, and four killed. That was a lot of action crammed into one little arena. You think the arena wasn't little? Try putting more than two hundred warriors in it.

Round nine, eighteen fights, one involving a standby. Eight warriors at 8-1 (nobody undefeated): Broken Wing, Surgeon Warpath, Fielder, Blue Waffles (blueberry syrup?), Suckable Binky, Horrible Hairmonster, Armor Rot, and Paxton. Nineteen at 7-2, and eight eliminated at 6-3.

Round ten, fourteen fights. In the lead at 9-1 are Blue Waffles, Armor Rot, and Paxton. I think it's sixteen at 8-2 (they all blur after a while). Eight are headed for the showers. Yeah, I know, not a lot of names yet. My fingers are not thrilled with all this writing of peculiar names.

Round eleven, ten fights. Paxton now has the lead alone at 10-1. Ten are behind him at 9-2: Broken Wing, Surgeon Warpath, Fielder, Deep Blu (drew a standby), Blue Waffles (not so deep), Suckable Binky, Guardian, Code Money, Horrible Hairmonster, Armor Rot, and Connie. Seven were tossed out of the contest.

Round twelve, six fights. Those still fighting are all at 10-2, the numbers will drop fast because one loss means they're out. Broken Wing, Surgeon Warpath, Fielder, Deep Blu, Guardian, Armor Rot, and Paxton. The other five are done.

Round thirteen, four fights, one with a standby. Still in the struggle at 11-2 are Surgeon Warpath, Fielder (drew a standby), Deep Blu, and Paxton. The other three are out.

Round fourteen, two fights. Two stay in at 12-2, and two are out at 11-3. PAXTON 1-8993 of CAT'S MEOW viciously subdued FIELDER 8-5276 of YOU PAY I SLAY in a 2 minute gruesome master's fight. That's it for Fielder. And DEEP BLU 42-4786 of WHERE I'VE EATEN was savagely defeated by SURGEON WARPAT 84-14457 of 060310U in a 4 minute veteran's melee. Which puts Deep Blu out of the running. The next fight will decide matters between Paxton and Surgeon Warpath.

Round fifteen, the one last fight. PAXTON 1-8993 of CAT'S MEOW bested SURGEON WARPAT 84-14457 of 060310U in an action packed 3 minute master's fight. Paxton is the winner at 13-2. Both warriors in this fight are parry-ripostes. We congratulate them.

It looks to me like a dozen warriors died in this level of the tournament, none after round six, and I salute them.

Champions. We're here now to find the Champion of Champions, which always amuses me. I have a simple mind. Goes with being dead. I make it one hundred twenty-four in the first round. These guys aren't cowards, even though they're risking the real death. Not that death has to be bad.

TOURNAMENT SPY REPORT (continued)

Round nine, ten fights, one with a standby. We have Pooper Scooper in the lead, undefeated. Four at 8-1, tourney victors already: Maeve, Pinebox, Inky Educator (got the standby), and Savannah Mama. Looks like eight at 7-2, not going to list them at the moment. And six eliminated.

Round ten, seven fights, one standby. Nobody left undefeated, Nat Nat got the Pooper Scooper. Four at 9-1: Maeve, the Scooper, Pinebox, and Inky Educator. Five at 8-2: Stone Skin, Bernard (drew the standby this time), Savannah Mama, Borax Sypsy, and Nat Nat. And four eliminated.

Round eleven, five fights and a standby. Maeve and Pinebox are in the lead at 10-1. At 9-2 we've got five still in the running: Bernard, the Scooper, Savannah Mama, Inky Educator, and Nat Nat. Two more headed out.

Round twelve, four fights and a standby. Maeve and Pinebox are tied for the lead at 11-1. Savannah Mama and Pooper Scooper are tied behind them at 10-2. The other three are out. Maeve got the standby this time.

Round thirteen, two fights. Narrowing it down fast. Maeve in the lead at 12-1. Pinebox and Savannah Mama at 11-2. And the Scooper out at 10-3, but still alive and a tourney victor.

Round fourteen, two fights. Maeve eliminated Savannah Mama, and Pinebox defeated a standby. A round or two more should do it.

Round fifteen, one fight. Not the finisher, but nearly. MAEVE 9-6048 of WESTWORLD was viciously subdued by PINEBOX 36-8051 of STILLMATIC in a action packed 3 minute brutal master's fight. This leaves them tied at 13-2.

Round sixteen, one fight, to the finish. MAEVE 9-6048 of WESTWORLD was bested by PINEBOX 36-8051 of STILLMATIC in a action packed 2 minute master's fight. That leaves Maeve the loser at 13-3, with Pinebox the Champion of the Champions. Pinebox is a lunker, with Maeve being a total parry. Huh, and Maeve has a kill. How did she do that? No matter, we congratulate them both.

Eight died in this part of the tourney, all on or before round six. We salute them.

Adepts. There's an ambiguous term for you. Could mean all kinds of things. Lots of Adepts here today, two hundred and maybe five. They were adepting all over the place. Fortunately for my poor fingers, every time they got out on the sands, half of them lost.

Round nine, fifteen fights. Two undefeated Adepts led the pack: Genius Awesome and Serendi. Eight at 8-1: Psychosis, Sgt Fury, Pollen, Jam of the Week (raspberry!), Abalone, Beaker, Pew Pew, and Wide-Eyed Tot. Eight at 7-2, and I'm not going to list them. And twelve eliminated.

Round ten, nine fights. Sounds like the start of a countdown, doesn't it? Genius Awesome stands alone and undefeated at the top of the list. Five at 9-1: Sgt Fury, Jam of the Week (apricot, it's a different week), Abalone, Serendi, and Pew Pew. Eight going forward at 8-2, and four going out at 7-3.

Round eleven, I think seven fights. Genius Awesome remains undefeated. Sgt Fury, Abalone, and Jam of the Week are 10-1. At 9-2 I see Pollen, The Orange One, Beaker, Serendi, and Pew Pew. Five are headed for the showers.

Round twelve, five fights, one with a standby. Genius Awesome is still undefeated. At 11-1 are Abalone (slew a standby), Sgt Fury, and Jam of the Week. Beaker stands alone at 10-2. And four more are out.

Round thirteen three fights. Genius Awesome fought a standby and remained undefeated. Abalone and Jam of the Week are 12-1. Sgt Fury is 11-2, and Beaker is eliminated.

Round fourteen, two fights. Genius Awesome is still undefeated. The other three: Abalone, Sgt Fury, and Jam of the Week, are 12-2.

Round fifteen, two fights. Jam of the Week finally gave Genius Awesome a loss, putting him at 14-1. About time. Sgt Fury and Jam are 13-2, and Abalone is headed for the showers.

Round sixteen, two fights. Jam fought a standby and is now 14-2. Genius eliminated Sgt Fury, himself holding the lead at 15-1.

Round seventeen, one fight, to the finish. JAM OF THE WEEK 10-6863 of JAY-Z was devastated by GENIUS AWESOME 56-4402 of MEN OF STEEL in a 1 minute mismatched fight. That's Jam of the Week, a striker, out at 14-3. Genius Awesome, an aimed blow is the winner at 16-1. Congratulations to both.

Thirteen warriors died in this contest, two of them being standbys. We salute them anyway.

Initiates now. They always look so young, though not as young as the Rookies. We'll get to the Rookies, but not yet. Probably two hundred sixty Initiates at the beginning. One hundred thirty fights. The stewards are in a frenzy, but they get paid to do this stuff.

TOURNAMENT SPY REPORT (continued)

Round nine, nineteen fights, I think, one of them with a standby. Two Initiates are still undefeated: Bodacious and Dire Bias. Seven at 8-1: Any Quiz, Beta Lyrae, Creepy, Mafia Boy, Jarhead, Louie, and Channel. Seventeen at 7-2, not going to list them now. And eleven eliminate.

Round ten, thirteen fights. Dire Bias remains undefeated. Bodacious might've stayed undefeated, too, except he got killed: CHANNEL 85-1560 of STREET WALKERS 6 easily killed BODACIOUS 85-20548 of PBR LEGENDS in a 1 minute one-sided contest. Channel, the killer, is 9-1, along with Mafia Boy and Creepy. Thirteen at 8-2; at least they're officially tourney victors, even if I'm not going to list them yet. And besides the late Bodacious, eight others were eliminated on this round.

Round eleven, nine fights, one with a standby. Three at 10-1: Channel, Mafia Boy, and Dire Bias. Eight at 9-2: Beta Aquarii, Protector Alpha, Zeta Fornacis, Any Quiz, Booker, Turnkey (he got the standby), Creepy, and Louie. At this point, it's hard to tell who's going forward and who will fall out of the contest soon. Six fell out on this round.

Round twelve, six fights. Channel and Dire Bias (who fought an Embezzling Scribe) are tied at 11-1. Five at 10-2: Beta Aquarii, Zeta Fornacis, Mafia Boy, Booker, and Louie. And four more headed for the sidelines. Were they glad to go? Maybe yes, maybe no.

Round thirteen, four fights. Channel has the lead at 12-1. At 11-2, Beta Fornacis, Zeta Fornacis (little brother?), Mafia Boy (fought a standby), and Dire Bias are still hanging on. Two more are out.

Round fourteen, three fights. Or two and a half, since one involved a standby. Beta Aquarii is out, and everyone else: Channel, Zeta Fornacis, Mafia Boy, and Dire Bias is at 12-2. Things will be going down fast from here.

Round fifteen, two fights. Channel and Zeta Fornacis are through, and Mafia Boy and Dire Bias have one more fight to decide the contest. ZETA FORNACIS 41-5026 of FURNAX was bested by MAFIA BOY 85-27220 of BLACK HAT in a 1 minute fight. CHANNEL 85-1560 of STREET WALKERS 6 was devastated by DIRE BIAS 85-23425 of THIRSTY THUGS 172L in a 1 minute one-sided duel.

Round sixteen, one fight to decide the Initiates: DIRE BIAS 85-23425 of THIRSTY THUGS 172L was devastated by MAFIA BOY 85-27220 of BLACK HAT in a 1 minute mismatched fight. That's Mafia Boy as the top Initiate. We congratulate them both. Both are lungers.

It looks like eleven warriors died here, and we salute them.

Apprentices, too many of 'em. Two hundred forty-seven, I think. Is it any wonder my brain is blurred? And there are still the Rookies to come. Oh, well, the new meat has to come from somewhere.

Round nine, sixteen fights. In the lead, undefeated, I see Marsalis and One. At 8-1 are Isaac, Arnie Barker, Locket Locus, Huey, Occam's Razor, Domiel, and Phoenix Ranch. I count fifteen at 7-2, steady, hopeful, and too many to list. Eight eliminated.

Round ten, twelve fights. Marsalis and One both remain undefeated. Six at 9-1: Isaac, Arnie Barker, Locket Locus, Huey, Occdam's Razor, and Phoenix Ranch. At 8-2 we have five warriors: Hadraniel, who killed on this round--COCOANUT CUCKOO 11-8268 of ANIMAL FARM was butchered by HADRANIEL 85-2209 of HOST OF ANGELS 8 in a 1 minute one-sided fight, Maya the Bee, Ironweed, Domiel, and Arnold. Eleven were sent to the showers, including the late Cuckoo, who did not actually go shower, but you know what I mean.

Round eleven, seven fights, one with a standby. Everybody has a loss now. At 10-1 we have five warriors: Isaac, Marsalis, One, Locket Locus, and Occam's Razor. It looks like seven at 9-2: Hadraniel, Maya the Bee, Ironweed, Arnie Barker, Huey, Phoenix Ranch, and Domiel. Arnold is out.

Round twelve, six fights. In the lead at 11-1 we have Isaac, Marsalis, One, and Occam's Razor. At 10-2 are Hadraniel, Maya the Bee, and Locket Locus. Five more are eliminated.

Round thirteen, four fights. At 12-1 we have Marsalis and One; One fought an Osksi Noble, an easy win. At 11-2 I see Isaac, Maya the Bee, Locket Locus, and Occam's Razor. Hadraniel is out.

Round fourteen, three fights. One has the lead at 13-1. Three more are still fighting at 12-2: Isaac, Marsalis, and Locket Locus. Maya the Bee and Occam's Razor are done here.

Round fifteen, two fights. One has the lead at 14-1. Isaac is pursuing at 13-2. And the other two are out.

Round sixteen, one fight. ONE 85-25848 of 17 KC 11 was devastated by ISAAC 85-27210 of STREAM CIPHER in a action packed 1 minute brutal mismatched fight. Isaac and One are tied on the bubble at 14-2. The next fight will settle it for the Apprentices.

Round seventeen, one fight to the finish. ONE 85-25848 of 17 KC 11 devastated ISAAC 85-27210 of STREAM CIPHER in a 1 minute mismatched fight. One, a striker, is the Champion of the Apprentices. Isaac, runner up, is a lunker. Congratulations to both.

I count twenty deaths here, and we salute the fallen.

TOURNAMENT SPY REPORT (continued)

Rookies. They get younger every year. Practically toddlers now; do we look for babes in arms next? Well, let's look at these. More than six hundred of them. Maybe six hundred eleven, maybe a few more, they all look alike. They all look young.

Round nine, forty-one fights. I will note that we have four undefeated warriors at this point: Royal Cupbearer, Wing Rider, City Father, and Yum Swarm, and go on without lingering.

Round ten, twenty-eight fights. Only City Father remains undefeated, but there are a lot of Rookies still trying to bring him down.

Round eleven, eighteen fights. City Father is still undefeated. Only three warriors are 10-1: Habu, Worm Hole, and Wing Rider. Twenty-four at 9-2, tourney victors but vulnerable to a single defeat.

Round twelve, fourteen fights. Someone defeated City Father, hmm, BUENA HERMANA 82-57238 of HISPANIC RELATIVES savagely defeated CITY FATHER 85-23757 of FIRST TOMBSTONE in a 3 minute melee. So now we have City Father and Wing Rider at 11-1. Fifteen at 10-2, and one of them COULD still win it all. Eleven eliminated.

Round thirteen, nine fights. Wing Rider has the lead at 12-1. Nine at 11-2: Dog Watch, Royal Cupbearer, Black Mare, Worm Hole (fought a standby), Vicinity, Mighty Mosquito, Brine, Pharsalus, and still City Father. Seven are out.

Round fourteen, five fights. Wing Rider holds the lead at 13-1. At 12-2 are Dog Watch, Vicinity, Brine, and Pharsalus. Five more are out.

Round fifteen, three fights. Wing Rider hangs onto his lead at 14-1, by a victory over a standby. Dog Watch and Pharsalus are hanging on at 13-2. And two more are out.

Round sixteen, two fights. Dog Watch drew the standby, Pharsalus defeated Wing Rider, and now all three are tied at 14-2.

Round seventeen, two fights. Pharsalus drew the standby this time, and Wing Rider ousted Dog Watch. The next fight will settle it.

Round eighteen, one fight, to a conclusion. PHARSALUS 16-6572 of HALLOWED GROUND bested WING RIDER 85-31129 of SPARROW KNIGHTS in a 1 minute fight. That's Pharsalus, an aimed blow, as the Champion of the Rookies at 16-2. Wing Rider, a striker at 15-3, is runner up. We congratulate them.

I make it sixty-seven who died in this contest, and we salute them.

Are **Eligibles Fools**? Not really. Sometimes it's just bad luck. Out of twenty-three Eligibles who refused to give up, Blind Blake and Chupacabra made it to the end of the Eligible Fools tourney. BLIND BLAKE 6-6814 of BLACK AND BLUES devastated CHUPACABRA 10-3827 of TERRAPIN STATION in a 1 minute mismatched fight. Blind Blake is a lunger, and Chupacabra a wall of steel. We congratulate you.

Adm Fools: Forty-four pushed onward after their initial bad luck. Hanging on to the end were Estrada at 6-2, an aimed blow, and Twilo Thunder at 5-3, a parry-lunger. TWILO THUNDER 60-5225 of THE MOTHERSHIP AH was viciously subdued by ESTRADA 82-31507 of EX-PHILLIS in a 4 minute fight. We congratulate them.

Freshmen. Twenty-nine Freshmen fought in their first Fools round. Rare Breed, a total parry, and Acorn, an aimed blow, made it to the end. RARE BREED 28-5350 of BIG SHOTS devastated ACORN 63-3097 of NUTS! in a action packed 1 minute mismatched fight. Rare Breed, at 5-2, was the toughest Fool, but Acorn was right there behind him. We congratulate them.

Challengers. Fifty-nine Challengers thought they could do better and tried to. After some impressive struggles, TP-AB and Master Reaper made it to the end. MASTER REAPER 84-16223 of DEVIL DOGS was bested by TP-AB 85-3045 of A-GQ-DECEIT in a action packed 3 minute master's fight. TP-AB, a total parry, won the last fight at 6-2, with Master Reaper, a lunger, on his heels at 5-3. We congratulate them.

And the **Champions Fools.** Thirty-two of them. Somebody's been messing with my tools here, and it can't be Debby. She sneaked off an hour ago for a drink with an umbrella in it. Oh, well. Thirsty Thug and Armsman fought it out to the end. ARMSMAN 52-4372 of IRON CATHEDRAL was devastated by THIRSTY THUG 84-26211 of THE MOTHERSHIP AG in a 1 minute mismatched fight. Both are strikers. We congratulate Thirsty Thug at 5-2, and also Armsman at 4-3.

Adepts. Fifty-eight who hadn't had enough and kept battling on. It was Yellow Yak and Coast Unify at the end. YELLOW YAK 11-8208 of ANIMAL FARM devastated COAST UNIFY 85-9988 of THIRSTY THUGS 1636 in a 2 minute gruesome mismatched fight. Yellow Yak, a basher at 6-2, defeated Coast Unify, a wall of steel, at 5-3. We congratulate both of them.

Initiates. You know the younger they are, the less they're willing to give up. Sixty-five Initiates didn't quit. It took 'em to round eight to settle things. FLYING THUNDER 84-56613 of XCOM OPS bested TRUMPET

TOURNAMENT SPY REPORT (continued)

85-12696 of SPARROW KNIGHTS in a crowd pleasing 3 minute fight. Flying Thunder, a total parry at 6-2, and Trumpet, a slasher, at 5-3. We congratulate them both.

Apprentices. Hanging on forever. Sixty-five of them. It took them eight rounds to get a decision. RYAN GRANT 82-53752 of G FORCER devastated FOUL WYRM 85-15782 of VILE DEVILS in a 1 minute mismatched fight. That's Ryan Grant, an aimed blow, at 6-2, and Foul Wyrms, a wall of steel, at 5-3. We congratulate them both.

Rookies Fools, the last and most determined. One hundred forty-six of them who don't know the meaning of "give up." SHADOW LEPER 16-6578 of SHADOW LEGION outwaited INDIGO 47-9397 of SERPENTS HOLD 2 in a unpopular 22 minute fight. Both these warriors are total parries, but Shadow Leper parried most at 8-2. Indigo missed one at 7-3. We congratulate them both.

There you have it.
