A grand total of 2485 warriors participated in Grand Tournament LXVI. This was a huge amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared the "Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: Lady Greywand will grant the winner of each tourney a single use of her Frankenstein chamber! Two warriors enter... and one monster emerges! These warriors must both be natural and not yet called to fight in ADM. The manager of this unholy amalgamation may choose the starting style and which set of starting attributes and favorites to keep and the mystical chamber will do the rest, taking the best bonuses and other aspects of the two warriors, the FE and learns from the oldest of the two, and then making the end result bigger and stronger (+2 size, +2 strength, max damage in perpetuity) and wiser (+2 wit) than either starting warrior, but losing deftness and speed to compensate (all results will remain in-bounds for a natural DM warrior). All Dead Tourney Tournament Champions will be resurrected and granted immortality; Tournament Victors of the Dead Tourneys will only be resurrected. Immortal warriors may not challenge the Dark Arena. (You can wait for an opening on the team to occur naturally any time in the next six months.) Please remember, you must use all prizes within six months of the tourney in which they were won.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a same-style Primus warrior within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in LXIV longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. — The Gladiatorial Commission

TOURNAMENT SPY REPORT

Olaf Modeen here to give you the highlights of the tourney. As usual, we'll start with **Primus**. They think they're the best, and they're right. Eighty-five contestants in the first round. At least one death (I wasn't looking closely, sorry) when Miller Knight, a Thirsty Thug if I ever saw one, slaughtered a Captured Orc. I'll admit I only saw that because I was checking for a standby. Ah, a second death, when Explicit was killed by 5.

In round three, Forever Man was killed by Solsbury Hill. "Savagely slew," it says. I'm not going to get into the details of any round before 9, but since this Primus level only had the three deaths, I figured I'd mention them. 'Tis the season to take note of deaths, after all.

Round nine, eight fights. The longest, NEBUCHADNEZZAR 22-5821 of WE BE WAR FLAILS viciously subdued JOHN ASHCROFT 24-4355 of DOH! in a slow 51 minute gruesome competition, as you see lasted 51 minutes. Time to grab a burger and a beer. R Is for Repugnant is undefeated. Seven warriors are 8-1, tourney victors, four are 7-2, and four were eliminated.

Round ten, six fights, no standbys. The longest fight: BOB ETERNAL 38-4460 of SANDS OF TIME savagely defeated LITTLE GIRL CRUSH 82-55739 of 13 YRS & COUNTING in a 72 minute struggle. Gave people time to get

comfortable, exchange gossip, place bets. R lost this time, to Dicky V Goes Postal, so no one is undefeated now. That's fine, we wouldn't want anybody to get the idea this is easy. Five at 9-1: Bob Eternal, R Is for Repugnant, Samurai, Marv Jr, and Dicky V. Five tourney victors at 8-2: Zero, John Ashcroft, Nebuchadnezzar, Little Girl Crush, and #Null. Two warriors have washed out on this round.

Round eleven, five fights. Longest fight is 47 minutes, practically nothing. Three warriors in the lead at 10-1: Bob Eternal, Marv Jr, and Dicky V Goes Postal. Four hanging on at 9-2: John Ashcroft, Samurai, Little Girl Crush, and R Is for Repugnant. And three more have headed for the showers. I hope the water's hot.

Round twelve, four fights, one with a standby. Dicky V drew the standby, and his victory there leaves him the only warrior with a single loss. At 10-2 we have John Ashcroft, Bob Eternal, Samurai, Little Girl Crush, and Marv Jr. R Is for Repugnant is out.

Round thirteen, three fights, no standbys. I note in passing that our three killers haven't made it this far, not even close. Casual killing is not the Primus way. Doesn't mean nobody kills here, but they don't do it casually. Two more out at 10-3, four still in at 11-2. John Ashcroft, Bob Eternal, Samurai, and Dicky V are still out there stepping carefully to the side, fading back for a moment of rest, and slipping that blade in for an unpleasant surprise. We're getting close to the end here, the next round should do it.

Round fifteen, one fight to the finish: DICKY V GOES POSTAL 11-6940 of FASCINATION was devastated by JOHN ASHCROFT 24-4355 of DOH! in a 6 minute mismatched fight. John Ashcroft is the Champion of Primus, and congratulations to him. A salute to Dicky V as well. Both these warriors are aimed blows.

Contenders next, and a contentious lot they are. All trying to get into Primus. Round one had thirty-five fights, one with a standby, sixty-nine warriors competing. Half won, and half lost. How often it works out that way.

The only death at this level occurred in round five: WHITE THUNDER 4-6040 of TRIBAL COUNCIL savagely slew FALLSWORTH 33-2427 of OBSIDIAN HALL in a crowd pleasing 2 minute gory conflict. I mention it because it was the only one; if there'd been ten, eh.

Round nine, I count eight fights. Two undefeated warriors at the top of the ranks: Miffed Sandy and The Bunny God. Three, already tourney victors, at 8-1: Paul Weidorfer, Candiru, and Mabushi. Seven at 7-2, and I'm not going to list them now. Four out of the running.

Round ten, six fights. Miffed Sandy and The Bunny God are still undefeated. Paul Wiedorfer has sole possession of second place at 9-1. Five stand (or sit, their choice) at 8-2: The Monarch, Places the Lotion..., Candiru, A Balcony, and Mabushi. Five are out this time, the numbers are going down fast.

Round eleven, four fights. Miffed Sandy and The Bunny God are still undefeated. Paul Wiedorfer, Places the Lotion, and A Balcony are at 9-2; they have a chance, but not a good one. And three have been eliminated.

Round twelve, three fights. Miffed Sandy draws a standby, easy win for her. She and The Bunny God are STILL undefeated. This is weird. A Balcony is 10-2, and the others are done for this tourney.

Round thirteen, two fights. The Bunny God gets the standby this time and remains undefeated. Miffed Sandy loses to the Balcony and now stands at 12-1, with the Balcony at 11-2.

Round fourteen, two fights. A Balcony draws the standby this time and comes out of it at 12-2. For the others: THE BUNNY GOD 2-5631 of 042909A viciously subdued MIFFED SANDY 96-3444 of BLOOD ON THE SAND 3 in a crowd pleasing 5 minute fight. That leaves the Bunny undefeated and Sandy with two losses.

Round fifteen, two fights. Miffed Sandy has the standby again, or a different standby. They wear out. The still undefeated Bunny God eliminated the Balcony.

Round sixteen, one fight. Not the final one. THE BUNNY GOD 2-5631 of 042909A was viciously subdued by MIFFED SANDY 96-3444 of BLOOD ON THE SAND 3 in a 4 minute fight. Bunny has one loss and Sandy has two. They're not done.

Round seventeen, one fight, and this is it. THE BUNNY GOD 2-5631 of 042909A viciously subdued MIFFED SANDY 96-3444 of BLOOD ON THE SAND 3 in a crowd pleasing 7 minute fight. The Bunny God is the Champion at 16-1, Miffed Sandy is second at 14-3. A closely fought contest. Both warriors are aimed blows, and we salute them.

Eligibles. Eligible for Primus, just as the Contenders were contending for Primus. There are worse goals. The Eligibles killed no one during this tourney, showing their control and accuracy. This is good. As deadly as they are, we don't want them going around being inaccurate and uncontrolled.

But enough of philosophy! On round one, there were thirty-seven fights, seventy-three warriors. I suppose a standby was involved, but I missed him. It was all a blur.

Round nine, down to seven fights, one with a standby. Two warriors were undefeated: Anton Chigurh (he drew the standby) and Khylar. Two stand at 8-1: Jormp Jumper and NY State of Mind. Three at 7-3: Dr Dazzle, Jabber Hogan, and Blind Blake. And six being eliminated. Only seven still fighting; these Eligibles are not wasting time.

Round ten, four fights, one with a standby. Anton Chigurh and Khylar remain undefeated. Khylar drew the standby this time. Jormp Jumper comes next with a single loss. Jabber Hogan and NY State of Mind have two losses each. And the last two are out.

Round eleven, three fights and one standby. Never more than one for a tourney. Anton is still undefeated. Khylar and Jormp Jumper are 10-1. Jabber Hogan, who drew the standby, is still hanging on with two losses. And NY State of Mind is headed for the showers.

Round twelve, two fights. Anton Chigurh ousted Jabber Hogan, and Jormp Jumper handed Khylar a second loss, which he didn't want but couldn't refuse. Narrowing down fast here.

Round thirteen, two fights. Jormp Jumper drew a standby and is 12-1. The still-undefeated Anton Chigurh eliminated Khylar. It's just Anton and the Jumper now, but they have a way to go yet.

TOURNAMENT SPY REPORT (continued)

Round fourteen, just the one fight. JORMP JUMPER 2-5834 of SAM'S TOYS devastated ANTON CHIGURH 97-3183 of DERANGED 6 in a action packed 1 minute mismatched fight. These two guys are tied now, with one loss apiece.

Round fifteen, one fight. JORMP JUMPER 2-5834 of SAM'S TOYS devastated ANTON CHIGURH 97-3183 of DERANGED 6 in a action packed 2 minute mismatched fight. A second loss for Anton. One more fight could decide this contest, or it could take two.

Round sixteen, one fight, to the finish. JORMP JUMPER 2-5834 of SAM'S TOYS devastated ANTON CHIGURH 97-3183 of DERANGED 6 in a action packed 3 minute mismatched fight. That gives Jormp Jumper, the Champion a record of 15-1 for this tourney, and Anton Chigurh 13-3. Both warriors are aimed blows. We salute them.

ADM, the goal we all fight for in the beginning. Then we find there are farther horizons, but this goal is still worthy.

On round one, I count forty-two fights, eighty-three warriors and a standby. There was only one death at this level, After 10 Beers! being killed by Gopher Baroque. That almost sounds reasonable, doesn't it?

Round nine, and a greatly reduced list of competitors. Six fights, and I don't see a standby on the listings. Nobody is undefeated at this point. At 8-1 I find The Uptight Man, Mr. Gherkin's Merkin, Pradus, Bill Murray, and Robert Paulson. Six more stand at 7-2, but I'm not going to list them now. One warrior goes out on this round.

Round ten, six fights. The Uptight Man drew a standby. Four share the lead at 9-1: The Uptight Man, Mr. Gherkin's Merkin, Pradus, and Robert Paulson. Three at 8-2: Harv, Bill Murray, and Webbed Zombie. Four warriors washed out this time.

Round eleven, four fights. Pradus drew the standby this time. At 10-1 are Uptight Man, the Merkin, and Pradus. 8-2 is Robert Paulson and Webbed Zombie. Harv and Bill Murray have called it a day.

Round twelve, three fights, one with a standby. At 11-1 are Uptight Man and the Merkin (the full names are too long for my stumbling fingers). 10-2 sees Pradus and Robert Paulson (he drew the standby). This contest is narrowing down fast.

Round thirteen, two fights. Mr. Gherkin's Merkin has the lead at 12-1. The Uptight Man and Robert Paulson are tied at 11-1. Pradus is out.

Round fourteen, two fights. At 13-1 the Merkin, who drew a standby, has the lead. Robert Paulson is next with two losses. And The Uptight Man is out. One or two more fights will finish this.

Round fifteen, one fight. Not the final one. ROBERT PAULSON 25-5788 of SAY MY NAME bested MR. GHERKIN'S MERKIN 38-4993 of WHAT? in a crowd pleasing 1 minute fight. These two warriors are now tied at 12-2, with one more match to decide matters.

Round sixteen, one last fight. ROBERT PAULSON 25-5788 of SAY MY NAME viciously subdued MR. GHERKIN'S MERKIN 38-4993 of WHAT? in a crowd pleasing 1 minute fight. Robert Paulson is the Champion of ADM at 14-2. He is a wall of steel. The Merkin is an aimed blow. We salute them.

Freshmen, and very fresh they are. Young and eager. I'm not sure I was ever that young. Nobody died at this level.

On round one, I see thirty-four fights, sixty-eight warriors. We'll let that narrow down and move forward. Round nine, five fights. Cuda is undefeated. Good work. Sham Joker has a single loss. Five warriors are 7-2 and have a chance to scoop the prize, though not a great chance: Steaming Earl, Canned Savradese, 50 Star General, Whoopie Doo, and A Man. Three were eliminated on this round.

Round ten, four fights, one with a standby. Cuda took a loss to Whoopie Doo but still has the lead at 9-1. Five warriors are 8-2: Steaming Earl, 50 Star General (he had the standby), Whoopie Doo, A Man, and Sham Joker. Canned Savradese has been carried off from his picnic by a horde of ants.

Round eleven, three fights. Cuda holds onto the lead at 10-1. At 9-2 are 50 Star General and Whoopie Doo. Everyone else is out. These Freshmen aren't wasting time.

Round twelve, two fights. Cuda drew a standby, and 50 Star General devastated and eliminated Whoopie Doo. The next round could settle this--so fast!--or it could go one more.

Round thirteen, one fight, and it is the final one. CUD 74-4049 of BROKEN HALO devastated 50 STAR GENERAL 84-41380 of LAST THOUGHTS in a 1 minute mismatched fight. Cuda, a basher, is the Champion of the Freshmen at 12-1. At 10-3, 50 Star General following behind; the General is a striker. We salute them both.

Challengers are next. I don't seem to see the round one listing for these guys, so we'll pass on that. I note that thirteen warriors died in this level of the tourney, all but one before round nine. I'll salute them at the end. Hmm, the files appear to be confused all the way through. I can work with that; I'm often confused, too.

Round nine, and I see seventeen warriors going forward, seven at 8-1 and 10 at 7-2. Twenty-eight fought on this round, so there must've been fourteen fights. As you see, I have mastered higher math.

Round ten, probably nine fights, one with a standby. Horrible Hairmonster got the Osksi Noble. Moe of Street Pizza is in the lead with a single loss. Two warriors are out of the running as a result of this round. I count fourteen hanging on at 8-2. Good luck to 'em, they're going to need it.

Round eleven, looks like eight fights, one with a standby. Everybody's either at 9-2, or out of here with 8-3. One death on this round, I think it's the last one for the Challengers: CAN'T BEAT TUM 84-40978 of THE GREAT TMM put to death LINT 85-11100 of THE FINEST HOUR in a action packed 1 minute expert's melee. Don't tell me you thought this would be easy? The guys who are still out there fighting are: Bingo Basher, Horrible Hairmonster, Code Money, Mr Wiggles, Can't Beat TUM, Sleeping Sands, Toure (he got the standby), Scram Mole, and Moe.

Round twelve, five fights, one with a standby. Four warriors were eliminated, and what we have left, all at 10-2, are: Bingo Basher, Horrible Hairmonster, Code Money, and Moe. A single loss is all it would take to put any one of these out.

TOURNAMENT SPY REPORT (continued)

Round thirteen, three fights, one with a standby. Moe got the Persistent Beggar and knew what to do with him. Bingo Basher and Code Money are out. Along with Moe, Horrible Hairmonster and Mr Wiggles are still hanging on. Round fourteen, two fights. Mr Wiggles got the Beggar this time, and Moe ejected the Horrible Hairmonster. The next round will finish this level of the tourney.

Round fifteen, one last fight. MOE 18-10756 of STREET PIZZA bested MR WIGGLES 84-56416 of ZOMBIE SQUAD XI in a action packed 2 minute brutal master's fight. That's Moe, an aimed blow, triumphant over Mr Wiggles, a basher. We congratulate them both on this hard-fought tourney.

The dead are -1, Bradley, Britt Stone, Dire Lapdog, Francis Clark, Lint, Omega Fornacis, Scripted Grope, Spills, Squishy, Sweet Jesus, Toys of Jeer, and Voodoo Toad. We salute them all.

Champions. The contest for the title Champion of Champions. That always tickles me. Some people say "small pleasures for small minds," but I don't care. It tickles me. And a lot of warriors were in on it today.

Round one, I count eighty-eight warriors in forty-four fights. No standbys. One death in the first round: PRIMU 3-7067 of THICK SKULL was murdered by BETA AQUARI 14-5183 of AQUARIUS in a 1 minute one-sided melee. This happens. We salute Primu, whose skull was not thick enough.

Round nine, seven fights, and probably a standby. Those numbers came down fast. FOUR warriors are undefeated here. Bling Sting (killed twice in the early rounds), Night Time, Miniminter, and Prove Planking. At 8-1 is a single warrior, 300 Gold. Five at 7-2, and I won't list them right now. Three are headed for the showers.

Round ten, five fights. The undefeated warriors are down to three: Bling Sting, Miniminter, and Prove Planking. Night Time has a single loss. Topple, 300 Gold, and Beaker have two losses. If they survive, they're at least tourney victors.

Round eleven, four fights, one with a standby. Prove Planking now has sole possession of the undefeated lead. Bling Sting and Miniminter are tied at 10-1. At 9-2 are Night Time, Topple, 300 Gold (drew a standby), and Beaker.

Round twelve, four fights, and Miniminter drew a standby. Prove Planking is at 12-0, Miniminter is 11-1, and at 10-2 are Bling Sting, Topple, and 300 Gold. Night Time and Beaker are out.

Round thirteen, three fights. Prove Planking drew a Persistent Beggar and remains undefeated. Miniminter has one loss, 300 Gold has two. Bling Sting and Topple are out.

Round fourteen, two fights. Prove Planking drew a Convicted Thief and is still undefeated. And for the rest, 300 GOLD 85-13373 of HOWLIN PMC vanquished MINIMINTER 85-21421 of SIDEMAN in an exciting 1 minute uneven battle. They are now tied at 12-2. Not much longer now.

Round fifteen, two fights. This time 300 Gold drew the standby. Prove Planking eliminated Miniminter.

Round sixteen, one fight. Not the last, but getting close. PROVE PLANKING 85-12093 of JAN 16 T was devastated by 300 GOLD 85-13373 of HOWLIN PMC in a 1 minute mismatched fight. That's the first loss for Prove Planking.

Round seventeen, one fight, to a conclusion. PROVE PLANKING 85-12093 of JAN 16 T bested 300 GOLD 85-13373 of HOWLIN PMC in a 1 minute master's fight. That's Prove Planking as the Champion of Champions at 16-1; he's a lunger. Second up is 300 Gold at 14-3; he's a striker. Congratulations to both.

Dead in this tourney are Oral Iguana, Primu, Pugachev, T.O.G.S. Monster, and The Solution. We salute them.

Adepts. They look so young. I count one hundred thirty-seven warriors and a standby.

Round nine has a lot fewer, I make it nine fights. Two undefeated warriors, Superfly and Vicinity. Fourteen, too many to list, are 7-2 (nobody at 8-1). And two eliminated, one by way of death. LEWAN DOWSKI 85-21415 of TOP STRIKERS was slaughtered by TRAITOR MO 85-26473 of THE MENTORS 17084 in a 1 minute uneven duel. It's a hard life, and sometimes a short one.

Round ten, eight fights. Superfly remains undefeated. Vicinity has one loss. I think I count seven at 8-2, tourney victors but on the edge. Seven are out of the running as of this round.

Round eleven, five fights, one with a standby. Superfly has one loss now, and six have two. Two warriors have been eliminated. And it's snowing here. It isn't supposed to snow this early, but there it is, all over the ground.

Round twelve, four fights, one against a standby. Two more have been eliminated, and we have five tied at 10-2: Maya the Bee, The Mack (got the Mordant Deserter), Superfly, Blacktop Dancer, and Killer Mike. Things will finish off fast now.

Round thirteen, three fights. Superfly drew an Osksi Noble. Two eliminations. Maya the Bee and The Mack are hanging on.

Round fourteen, two fights. The Mack drew a Persistent Beggar, and Maya the Bee finally swatted (non-fatally) the Superfly. The next round will decide this.

Round fifteen, one fight, for big prize: MAYA THE BEE 74-4684 of SPROUT OF MY WAY! was devastated by THE MACK 85-24262 of HOWLIN' CLASSICS in a 3 minute mismatched fight. That's The Mack at 13-2 as the winner, and Maya the Bee at 12-3. Both warriors are aimed blows. We congratulate you.

Ten warriors died in this contest: Alastor, Angelic Knight, Baba O'Riley, Bashur Buddy, Lewan Dowski, Marsalis, Omicron Velorum, Stran, Teddy, and Thirsten Howl. We salute you.

Initiates. I look at these youngsters and just shake my head. Am I getting too old for this, or just short of sleep? Round one shows one hundred ninety-three warriors (and a standby) in ninety-seven fights. Even when they're short fights, that takes a while.

Round nine, fourteen fights. I see two undefeated warriors on top, Carter and Delphic Casino. At 8-1 are Hobo Stew, No End, Nu Aquarii, and Quilt Surfer. At 7-2 are thirteen warriors, and I'm not going to list them. My hands are tired. Nine are throwing in the towel. Towels all over the place.

Round ten, ten fights. Carter remains undefeated. At 9-1 are Hobo Stew, Quilt Surfer, and Delphic Casino. Nine stand at 8-2, tourney victors but no more. Yet. You never know. And six are eliminated.

TOURNAMENT SPY REPORT (continued)

Round eleven, seven fights. Carter is still undefeated. At 10-1 are Quilt Surfer and Delphic Casino. At 9-2 I see Mr Baxter, Tasor Face, Hobo Stew, 2nd Hand Guitar, and Red Alert. Another five are headed for the showers.

Round twelve, four fights. Thinning down fast now. Carter is still undefeated. At 11-1 are Quilt Surfer and Delphic Casino. Only Hobo Stew is 10-2. And four more are done.

Round thirteen, two fights. Carter at 13-0 and everyone else, Hobo Stew, Quilt Surfer, and Delphic Casino at 11-2. At least two rounds to go.

Round fourteen, again two fights. Carter is still undefeated, definitely a man to watch out for. Delphic Casino is hanging on grimly at 12-2. The other two are out.

Round fifteen, the final fight. DELPHIC CASINO 85-9288 of MISTAKES IN MYTH was devastated by CARTER 85-28817 of TARHEEL 102 in a 2 minute mismatched fight. That's the undefeated Carter as Champion, and Delphic Casino at 12-3. Carter is a striker, and Delphic Casino a wall of steel. We congratulate you.

Seven Initiates died: Avion, Deathbeak, Giggly Wobbles, Gravedigger, Prey, Ragore Singblade, and Whirlpool. We salute you.

Apprentices. A lot of 'em. I count, or a steward counts for me, two hundred six hopeful warriors in one hundred three fights. Eighteen of these will die before the end.

Round nine, fourteen fights, one with a standby. Good Luck? and Dolomite are undefeated. At 8-1 are Alloyed Dominion, Tony Soprano, Upsilon Carinae, and Pimply Pa. At 7-2 I see fourteen warriors still fighting. Seven are out, one by death.

Round ten, ten fights. Symmetrical. Good Luck? is still undefeated. At 9-1 are Pimply Pa and Dolemite. Eleven warriors stand at 8-2, and six are out.

Round eleven, seven fights. At the top, still, is the undefeated Good Luck? Pimply Pa is alone at 10-1. Six at 9-2: Czagoev, Ovalle, G Force, Upsilon Carinae, Murdering Spectre, and Dolemite. And another six eliminated.

Round twelve, four fights, and four eliminations. That leaves us four still active: Good Luck? at 12-0, Pimply Pa at 11-1, and Upsilon Carinae and Murdering Spectre at 10-2.

Round thirteen, only two fights, how fast we approach the end! Good Luck? At 13-0 and Pimply Pa at 12-1 are in, and the others are out.

Round fourteen, one fight. GOOD LUCK? 85-34783 of RABBIT'S FOOT devastated PIMPLY PA 85-37472 of BALLSTON 184D in a 1 minute mismatched fight. Not the last fight, but you can see the trend.

Round fifteen, one fight. GOOD LUCK? 85-34783 of RABBIT'S FOOT devastated PIMPLY PA 85-37472 of BALLSTON 184D in a 1 minute mismatched fight. This one IS the last fight, and we congratulate both warriors. Good Luck? is an undefeated striker and Pimply Pa is an aimed blow at 12-3. Good going, both of you.

Rookies. I look at 'em, and I see children, some of them little more than infants. Should they be playing with sharp, pointy things? On round one there are four hundred ten warriors and two hundred five fights. A lot of those warriors are going to die, but that's what happens in the arena.

Round nine, thirty fights. It makes me tired just thinking of it. Mad Agascar is undefeated. Ten warriors stand at 8-1. At 7-2, hmm, I make it thirty-one warriors. And I'm not going to count the eliminations.

Round ten, twenty-one fights. Six warriors at 9-1, twenty-one at 8-2, and a slew of 7-3 losers.

Round eleven, only fifteen fights. I think, but I'm not going back to count them again. At 10-1 we have Negan, Wand of Orcus, and Giuseppe Zanotti. At 9-2 are fourteen still out there fighting. And ten are headed for the showers.

Round twelve, nine fights. Giuseppe Zanotti is ahead at 11-1, but there are ten warriors right behind. Six more are out.

Round thirteen, six fights. Seven warriors stand at 12-2, and four washed out.

Round fourteen, four fights, one with a standby. Everybody still in stands at 12-2: Whale Meat, Dreamweaver, Giuseppe Zanotti, and Flame Strike. Three more are done.

Round fifteen, two fights. Whale Meat and Flame Strike are still fighting, and the other two are through for this tourney. The next round will decide it.

Round sixteen, one final fight. WHALE MEAT 60-9270 of UNNAMEABLES devastated FLAME STRIKE 85-38830 of VINTAGE DND VI in an action packed 1 minute mismatched fight. Whale Meat, a lunger, is the Champion, and Flame Strike, an aimed blow, has lost the final match. We congratulate them.

Forty-five Rookies died in this tourney, and we salute them.

Dead Challengers. Guys who had a lot to lose and want it back. I salute you all regardless. Now, let's look at the numbers. One hundred thirty-five fights in the first round. Two hundred sixty-nine dead Challengers want their lives back. I could make comments about that, but I won't. Gotta move this along fast.

Round nine, twenty fights. You want details? Too bad, no time. I will say that two warriors are undefeated at this point: Prime and Ignore Amos. Twenty-nine with one or two losses still out there hacking and stabbing.

Round fifteen, one fight to the finish of this tourney. SHADOW GOLEM 4-6916 of GIANTS & GOLEMS was devastated by GRIM DEMISE 82-7357 of ORIOLE MADNESS in a 1 minute mismatched fight. Grim Demise, a striker, is the Champion at 14-1. Shadow Golem, a slasher, is second at 12-3. We congratulate them.

Dead Adepts, and way too many of 'em. Not really, but I'm tired. One hundred ninety-three warriors in ninety-seven fights. Good luck to 'em, they'll need it.
