A grand total of 2034 warriors participated in Grand Tournament LXVII. This was a very large amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: The chance to design a warrior, completely from scratch, allocating all eighty-four points exactly as desired! Further, this warrior will be cloned three times, and you may choose the best warrior to join any team. Please remember, you must use all prizes within six months of the tourney when they were won.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a Primus warrior of the same style, within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in LXIV longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

TOURNAMENT SPY REPORT

I think the announcer said I was "called out of retirement for my insights into spy reporting." That's a crock. I was called out of my favorite bar because I couldn't get away fast enough. Still, here I am, Olaf Modeen at your service (up to a point).

Primus! The top of the heap. Best of the best. One hundred twenty-one warriors (most of them aimed blows) and a standby turned out for the first round. Half won and half lost. It's always like that.

Round nine--that's when I start paying close attention--thirteen fights, one with a standby. Three undefeated: Janet Reno, Bobs and Dogs, and Mr. Gherkin. Seven with a single loss so far, tourney victors for sure, but I'm not going to list them yet. Nine with two losses, and six with three losses are out. The longest fight on this round was: MARV JR 18-9288 of WASTELAND viciously subdued RABID-GERBIL 68-6931 of THE BEARS in a crowd boring 110 minute gruesome duel.

Round ten: ten fights, one with a standby. Bobs and Dogs is in the lead as the only undefeated warrior. At 9-1 we have Rabid-Gerbil, John Ashcroft, Nebuchadnezzar, Janet Reno, Little Girl Crush, and Mr. Gherkin. Eight warriors now stand at 8-2, tourney victors. Four have been eliminated. The longest fight this round was: RABID-GERBIL 68-6931 of THE BEARS savagely defeated #NULL 82-54215 of 0118080 in a tiresome 67 minute bloody match. One of the referees had to be treated for heat exhaustion.

Round eleven, eight fights, one with a standby. Bobs and Dogs is still undefeated. John Ashcroft, Little Girl Crush, and Mr. Gherkin are at 10-1. Seven warriors are hanging on at two losses, and four more are out of the

TOURNAMENT SPY REPORT (continued)

running. The longest fight this round was: JOHN ASHCROFT 24-4355 of DOH! savagely defeated FRANKENBERRY 82-51803 of DM OWNS YOU in a dull 81 minute gruesome melee.

Round twelve, six fights, one with a standby. Bobs is still undefeated. At 11-1 I see John Ashcroft and Mr. Gherkin. 10-2 is Neosphincter, Nebuchadnezzar, Little Girl Crush, and Marv Jr. Four more are out. The longest fight this round: MARV JR 18-9288 of WASTELAND narrowly defeated LITTLE GIRL CRUSH 82-55739 of 13 YRS & COUNTING in a 113 minute competition.

Round thirteen, four fights, one with a standby. Bobs and Dogs is still undefeated. John Ashcroft has a single loss, Neosphincter, Marv Jr, and Mr. Gherkin have two. Two more warriors are out. The longest fight was a mere 43 minutes, and I'm not going to put it in here.

Round fourteen, three fights, one with a standby. Bobs and Dogs finally got a loss and is now tied at 13-1 with John Ashcroft. Neosphincter and Mr. Gherkin are both at two losses, and Marv Jr has been eliminated. The longest fight was 26 minutes.

Round fifteen, two fights. Mr. Gherkin was eliminated by Neosphincter, and John Ashcroft defeated Bobs a second time. Both fights were short, under ten minutes.

Round sixteen, two fights. John Ashcroft lost to Bobs and Dogs, and Neosphincter drew a standby. All three are now tied at 14-2. The longest fight was 47 minutes, which is respectable for Primus though not amazing. JOHN ASHCROFT 24-4355 of DOH! was viciously subdued by BOBS AND DOGS 82-55985 of SOFT DRINKS in a dull 47 minute brutal battle.

Round seventeen, two fights. John Ashcroft got the standby this time. Neosphincter defeated and eliminated Bobs and Dogs: NEOSPHINCTER 18-7317 of WASTELAND devastated BOBS AND DOGS 82-55985 of SOFT DRINKS in an action packed 11 minute mismatched fight. The next round will decide it.

Round eighteen, one fight, to the finish. NEOSPHINCTER 18-7317 of WASTELAND viciously subdued JOHN ASHCROFT 24-4355 of DOH! in a crowd pleasing 8 minute gruesome fight. Neosphincter, who was something of an underdog in this tourney, is the Champion, and we congratulate him. What the heck, we congratulate John Ashcroft, too, why not? A tough pair, both aimed blows.

Two warriors died, only temporarily, during this level of the tourney, Credit Line on round four and Meat on round two. We salute them.

Contenders, and a contentious lot they are. I've probably said that before, but it's still true. If they weren't contentious, always pushing, they wouldn't have made it to this level.

Round one saw seventy-nine contenders contending. And a standby, of course; an odd number of warriors always means a standby. But only one! This isn't like the regular arenas where you might see a dozen warriors fighting standbys.

Round nine, ten fights, one with a standby. Fang and Bosomy Goldmine are both undefeated. Five warriors are at 8-1: Burglar, Samsara, Franklins Tower, Titania, and Jormp Jumper. Seven are at 7-2, and I won't list 'em now. Five have been eliminated. These are guys who want to get the job done, the longest fight was only 23 minutes.

Round ten, seven fights. Fang and Bosomy Goldmine remain undefeated. Burglar and Samsara are holding steady at a single loss. Six have two losses, and I could list 'em, but the stewards tell me that if I finish this in half an hour, I can have breakfast. I choose breakfast. Sorry. Four were eliminated.

Round eleven, five fights. Fang and the Goldmine are still tied at undefeated. Samsara is alone at one loss. Burglar, Titania, and Jormp Jumper have two losses but have achieved tourney victor status. Four more have been sent to the showers.

Round twelve, three fights. Only Fang is undefeated now, since the Goldmine took a loss--from Fang. Bosomy Goldmine has one loss. Hanging on at 10-2 are Burglar, Samsara, and Jormp Jumper. Titania is out. The contest is narrowwind down nicely here.

Round thirteen, three fights, one with a standby. Fang is STILL undefeated. Nobody with just one loss. At 11-2 is Samsara (he drew the standby), Bosomy Goldmine, and Jormp Jumper. Burglar is out of the running.

Round fourteen, two fights. BOSOMY GOLDMINE 1-8537 of SUPER STARS R US was viciously subdued by JORMP JUMPER 2-5834 of SAM'S TOYS in a 4 minute fight. That's the Goldmine out. FANG 36-7526 of SERPENTS HOLD was savagely defeated by SAMSARA 75-3055 of GOLD STANDARD in an exciting 4 minute gory melee. Fang's first loss in this contest.

Round fifteen, two fights. The three remaining Contenders are one, two, three. Fang has one loss, Samsara has two, and the Jormp Jumper has three. JORMP JUMPER 2-5834 of SAM'S TOYS was viciously subdued by SAMSARA 75-3055 of GOLD STANDARD in a crowd pleasing 4 minute fight. FANG 36-7526 of SERPENTS HOLD demolished FRATSFA SLAVE 201-1 of the Guys in a popular 1 minute one-sided melee.

TOURNAMENT SPY REPORT (continued)

Round sixteen, only one fight. Not the final one, but close. FANG 36-7526 of SERPENTS HOLD was viciously subdued by SAMSARA 75-3055 of GOLD STANDARD in a crowd pleasing 3 minute gruesome fight. Fang and Samsara are tied with two losses, and the next match will decide it.

Round seventeen, one fight, to the Championship. FANG 36-7526 of SERPENTS HOLD slimly won victory over SAMSARA 75-3055 of GOLD STANDARD in a crowd pleasing 5 minute gruesome fight. That's Fang, an aimed blow, as Champion. Runner-up Samsara is a lugger. We congratulate both.

The only death listed for this level of the tourney is the Userous Merchant. What the heck, I salute him.

Eligibles. That's "eligible for a life of fighting," but you youngsters don't think of that. Sure, you only have an official fight every two weeks, but you spend all the time between in practicing. I know, I've been there. Still, eighty-four Eligibles showed up for this tourney on round one.

Round nine, six fights. Dr Fugly was undefeated on this round. Having two losses: Anton Chigurh, Kulgan, and Drokk. Five with two losses, and three headed for the showers. Short fights, the longest one seven minutes.

Round ten, five fights, one with a standby. Dr Fugly remains undefeated. Anton Chigurh has one loss, and there are five with two losses: A Different Grape, Kulgan, Drokk, Never Forever, and Chair. Two warriors have been eliminated.

Round eleven, four fights and a standby. Dr Fugly is still undefeated, two have been ousted, and everyone else has two losses Anton Chigurh, Kulgan, Never Forever, and Chair. Seems like it's narrowing down quickly.

Round twelve, three fights, one standby. Dr Fugly remains undefeated, Kulgan and Chair have two losses each, and three are eliminated.

Round thirteen, two fights. Kulgan drew a standby, and the undefeated Dr Fugly eliminated the Chair. If Kulgan loses his next match, that's it for this tourney.

Round fourteen, one fight, to the finish. KULGAN 56-4268 of MEN OF STEEL was devastated by DR FUGLY 61-3477 of 071406W in a action packed 2 minute brutal mismatched fight. That's the undefeated aimed blow Dr Fugly as Champion, and lugger Kulgan finally out at eleven-three. We congratulate them.

I note that Inked Pig was killed on round one, and we salute him, too.

ADM, what you've all striven for. One hundred thirteen ageless warriors challenged the tourney to prove their skill.

Round nine, nine fights. Symmetrical. Seventeen warriors listed, so there must have been a standby. Double True was undefeated, five had a single loss: After 10 Beers!, Shiv, Golden Aberration, Sonny Terry, and Bingo Basher. Six others had two losses: Katamari Damacy, Dial M for Meat, Chopped Rabbit, Sir Bubba the Bold, Ortega Sauce, and Captain Magma. Five were eliminated and I'm not going to name them here.

Round ten, six fights. Double True remains undefeated. After 10 Beers and Bingo Basher have one loss each, six have two losses, and three are out.

Round eleven, five fights, one with a standby. Double True lost to Bingo Basher, and these two guys are now tied with a single loss. At two losses, hanging in grimly, we have Chopped Rabbit, After 10 Beers, Shiv, Golden Aberration, and Ortega Sauce. Two more eliminated.

Round twelve, four fights. Bingo Basher drew a standby. Double True ousted After 10 Beers. They both have a single loss. Chopped Rabbit and Golden Aberration have two losses, and three more warriors have headed for the showers.

Round thirteen, and we're down to two fights. Double True beat Golden Aberration and eliminated him. Chopped Rabbit defeated Bingo Basher, and they're tied with two losses.

Round fourteen, two fights. Chopped Rabbit defeated a standby, Bingo Basher devastated Double True. These three warriors are tied at two losses, and you can see that the end of this level of the tourney is close.

Round fifteen, two fights. Double True drew a standby. Chopped Rabbit subdued and eliminated Bingo Basher. With both warriors being at 13-2, the next match will decide it.

Round sixteen, one final fight. DOUBLE TRUE 41-4585 of LAZY SUNDAY was devastated by CHOPPED RABBIT 60-1362 of UNNAMEABLES in a 1 minute mismatched fight. Chopped Rabbit, a parry-lunger, is the Champion. Double True is a slasher. We congratulate them both.

The clerks tell me that there was only one death at this level, Connie, on round four. We salute him, or as the case may be, her.

TOURNAMENT SPY REPORT (continued)

Ah, the **Freshmen**. So young, so confident. Eighty-four, unless I miscounted, enrolled for the first round.

By round nine, it was down to seven fights, one with a standby. Corea was undefeated, seems like there's always one of those. A Man and Dee Daa had one loss, six had two losses, and four were out of the running.

Round ten, five fights. Corea remains undefeated. With two losses, we have Spirals, Xi Aquilae, A Man, Dee Daa, Gum Fin (he drew the standby this time), and One Time! Two more have been eliminated.

Round eleven, four fights. Corea now has one loss, courtesy of Gum Fin. With two losses are Xi Aquilae, A Man, Gum Fin, and One Tome! (he drew the standby). Spirals and Dee Daa are out.

Round twelve, three fights. Gum Fin has been eliminated, by Xi Aquilae. Everbody still in: Corea, Xi Aquilae, A Man (drew the standby), and One Time is tied at two losses. We're getting close to the end here.

Round thirteen, two fights. Corea kicked A Man to the curb, and Xi Aquilae "demolished" One Time. The next round will decide this.

Round fourteen, one final fight. COREA 12-7086 of BLUE NOTE was devastated by XI AQUILAE 62-4794 of AQUILA in a action packed 2 minute brutal mismatched fight. Xi Aquilae, an aimed blow, is the Champion. Corea is a parry-lunger. We congratulate them.

The clerks tell me there was one death her, Unzaster Dizaster, in round one. We salute him.

Challengers. If I'm recalling correctly--my brain turns to mush when exposed to a tourney spy report--these guys are graduated but just barely. I counted two hundred twenty-one of 'em on round one.

Round nine, nineteen fights, one with a standby. Code Money is in the lead as the sole undefeated warrior. Five with a single loss: 2 Year Contract, Can't Beat TUM, Toure, Diabolico Cortes, and Arutha. Twenty-one with a single loss. Ten eliminated.

Round ten, fourteen fights. Code Money remains undefeated. 2 Year Contract and Can't Beat TUM still have a single loss. Fourteen with one loss, not going to name them yet. And ten more out of the running.

Round eleven, nine fights. I think I spotted a standby out there. Code Money is undefeated still, 2 Year Contract still with a single loss. Eight with two losses, and seven more headed for the showers.

Round twelve, down to five fights. Code Money lost to Defiled Toast and is now tied for the lead at 11-1 with 2 Year Contract. Defiled Toast, Lint, Suckable Binky, and Sleeping Sands have two losses. And four more are out.

Round thirteen, three fights. Dropping fast here now. At 12-1, 2 Year Contract has the lead. With two losses, I see Lint, Suckable Binky, and Code Money. Two more eliminated.

Round fourteen, two fights. Lint and the Binky are out, 2 Year Contract has one loss and Code Money has two. Either one fight to the finish, or no more than two.

Round fifteen, and it's the last one. 2 YEAR CONTRACT 72-6552 of BB SMART PHONE outwaited CODE MONEY 84-36451 of PSK in a action packed 15 minute brutal master's fight. That's 2 Year Contract as the winner. Both these warriors are total parries. We congratulate them.

It looks like nine warriors died here. We salute them.

Champions. These are the brave ones. Still mortal, but they've trained hard and now they're laying it all on the line. I count one hundred sixty-three out there.

Round nine, thirteen fights. I think. Sometimes my counter hiccups. Two warriors are still undefeated at this point: Murs and Don't Look Up. Seven with one loss, seven with two losses, and nine eliminated.

Round ten, eight fights. Don't Look Up is now in sole possession of the undefeated lead. Still seven with one loss, but only two with two losses. Six more are out.

Round eleven, five fights. Don't Look Up has lost to Steak. No more undefeated position. Five warriors with a single loss: Vicinity, Psychosis, Steak, Don't Look Up, and Quinn. Four with two losses: Murs, Dytel, Thelonious, and Omar Little. One dropped out with a third loss.

Round twelve, five fights. Vicinity drew a standby and is tied with Don't Look Up at one loss. Six have two losses and are hanging on by their fingernails: Murs, Dytel, Psychosis, Steak, Quinn, and Omar Little. Thelonious picked up a third loss from Murs and is out.

Round thirteen, four fights. Murs and Psychosis were eliminated, and everyone else is on the knife's edge with two losses. This won't last much longer.

Round fourteen, three fights, three eliminations. Vicinity, Quinn, and Omar Little are still out there fighting. Two rounds should finish this.

Round fifteen, two fights. Omar Little drew a standby, and Quinn vanquished Vicinity. The next round will be Omar against Quinn to a conclusion.

TOURNAMENT SPY REPORT (continued)

Round sixteen, the final fight. OMAR LITTLE 5-5830 of ANTIHEROES bested QUINN 18-10768 of INTO THE BADLANDS in a action packed 3 minute master's fight. Omar is a lunger and the Champion of Champions. Quinn is a wall of steel. We congratulate them both.

Nine warriors died the real death here, and we salute them.

Adepts. They think they know what they're doing and they're here to prove it. One hundred ninety-five turned out for the first round. And a standby, of course.

Round nine, seventeen fights. Only two warriors are still undefeated: Clutch and Whispy Lib. Three with one loss: Pi Tucanae (who killed his opponent), Quiet Storm, and Blend. Nineteen with two losses, and I won't list them now. The scribe who's writing this down would revolt. And nine are out of the running.

Round ten, twelve fights. Whispy Lib is the only undefeated warrior now. Three have a single loss: Quiet Storm, Clutch, and Blend. Ten have two losses and are hovering on the edge. Ten have fallen off the edge and will fight no more here today.

Ten Adepts died today, and we salute them.

Initiates. I think Initiates. My mind is not so clear as it might be. It's all these young warriors passing in front of me. I *think* there were two hundred thirty Initiates in the first round. More or less. They all blur together after a while. Maybe I need coffee.

Round nine, nineteen fights. Nobody is undefeated at this point, but three have a single loss: Strangled a Gecko (good job), Easiest Exaltation, and Pissed Peter. Twenty hanging on with two losses. And twelve are out.

Round ten, twelve fights. Strangled a Gecko is in the lead with one loss. Thirteen warriors are hot on his heels with two losses. Nine have been eliminated.

Round twelve, four fights, and at the end of those fights, four were still in and four were out. Still with us are Captain Cook, Strangled a Gecko, Easiest Exaltation, and Clara Murphy. Two more rounds should settle this contest.

Round thirteen, two fights, two eliminations. EASIEST EXALTATION 17-7918 of TMM EXPERIMENTS 73 was devastated by STRANGLED A GECKO 85-37906 of QUICKSAND in a 1 minute fight. That's Exaltation out. Ten Initiates died today. We salute them.

Apprentices. A lot of Apprentices glittering with excitement and eager to prove themselves. I'm thinking about two hundred eighty.

Round nine, twenty fights, one with a standby. We have four undefeated warriors at this point: Beerbong, Huhueteotl, Run River Run, and Lion Tamer. Five with a single loss: Mushroom Stamp, Intellect Devourer, Simmer, Delta Cygni, and Overalla. Fourteen with two losses but still hanging on hopefully. Sixteen were eliminated on this round.
