A grand total of 2230 warriors participated in Grand Tournament LXVIII. This was a huge amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared The "Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: They will be allowed to choose to either resurrect one of their dead warriors, or make one of their living warriors immortal! All Dead Tourney Tournament Champions will be resurrected and granted immortality; Tournament Victors of the Dead Tourneys will only be resurrected. Immortal warriors may not challenge the Dark Arena. (You don't have to kill off a member of your team when the dead warrior is resurrected; you can wait for an opening on the team to occur naturally any time in the next six months.) Please remember, you must use all prizes within six months of the tourney in which they were won.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a same-style Primus warrior within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in LXVI longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

## TOURNAMENT SPY REPORT

Okay, here we are. A gray day and a new tourney and me, Olaf Modeen. As usual, we'll start with Primus. Why there? Because the files are on top. Feel free to skip around, if you want.

**Primus**, round one, looks like ninety-five guys (and gals and golems) fighting. Forty-seven fights, I make it, but I might be wrong. It feels like a day when counting might go wrong.

Round nine, and now we get down to it. Ten fights. If there was a standby on the sands, I didn't see it. One guy undefeated: John Ashcroft. Eight with one loss, eleven with two. By which you can figure that we've got twenty still contending. The longest fight was: 5 62-2979 of NUMBERS viciously subdued RABID-GERBIL 68-6931 of THE BEARS in a crowd boring 47 minute gruesome fight. I don't know who was bored, it was a great time to a beer and a burger, place a bet, or whatever.

Round ten, looks like six fights. No, that's a case of counting wrong. It was ten fights. John Ashcroft is now 9-1, having lost to Littlest Tyrant. Also at 9-1 are Dirty Zealot, Bobs and Dogs, and Betterthanever. At 8-2 are twelve warriors, and I'm not going to list them yet. Typing twelve names would be too hard on my fingers, and I've got a lot of words to go yet. Four warriors are out at 7-3 on this round. The longest fight looks like 75 minutes: JANET RENO 42-3823 of I'M DEAD SEXY savagely defeated 5 62-2979 of NUMBERS in a unpopular 75 minute gory brawl. Boring was bad, but I'm pretty sure unpopular is worse.

Round eleven, eight fights. Same four warriors with a single loss: John Ashcroft, Dirty Zealot, Bobs and Dogs, and Betterthanever. Another four at 9-2: 5, Janet Reno, Screaming Eagle, and Mr. Gherkin. Eight

eliminated. The longest fight, Primus warriors are famous for long fights, was 66 minutes. I'm going to pass on it today. It was enough to sit through it.

Round twelve, four fights. At one loss, we now have Dirty Zealot, Bobs and Dogs, and Betterthanever. John Ashcroft picked up a second loss and joins 5 at 10-2; how the mighty fall. Three are now out of the reckoning. The longest fight on this round was a mere 23 minutes.

Round thirteen, three fights. Betterthanever drew a standby and remains at a single loss along with Bobs and Dogs. Dirty Zealot and 5 have two losses, and John Ashcroft is out. The longest fight: JOHN ASHCROFT 24-4355 of DOH! was viciously subdued by 5 62-2979 of NUMBERS in a dull 52 minute brutal battle.

Round fourteen, two fights, we're narrowing it down here. Betterthanever stands alone with a single loss. Dirty Zealot and Bobs and Dogs are tied with two losses, and 5 is out. 5 62-2979 of NUMBERS was savagely defeated by DIRTY ZEALOT 82-55889 of FLOPS in a monotonous 46 minute gory melee. Ol' 5 didn't go down easily, but he went.

Round fifteen, two fights. Dirty Zealot drew an ambitious guard. Bobs and Dogs gave Betterthanever a second loss. All three are tied at 13-2, and we're running out of fights on this tourney. I figure two more rounds will do it.

Round sixteen, two fights. Dirty Zealot eliminated Betterthanever. Bobs and Dogs murdered an ambitious guard. Killed, okay, that happens. But murder? What secret lay between them, eh?

Round seventeen, the final fight. DIRTY ZEALOT 82-55889 of FLOPS viciously subdued BOBS AND DOGS 82-55985 of SOFT DRINKS in a crowd pleasing 11 minute gruesome fight. That makes Dirty Zealot the Champion of Primus today. Both warriors are aimed blows. We salute them.

**Contenders**, and a contentious lot they are. It's hard being in a mid rank: more eligible than the Eligibles, but not as prime as Primus. But they hang in there and keep fighting. Today, they're fighting each other. I count fifty one of them on round one, twenty-six fights, one with a standby.

Round nine, only ten warriors going in, five fights--the numbers have been dropping fast. Candiru is undefeated. Shark Bait and Red Dawg have one loss apiece. With two losses we have Bold Mr. Wasabi, Miffed Sandy, A Balcony, and Jormp Jumper. Three were eliminated this round.

Round ten, four fights. Miffed Sandy drew a standby and smashed. For the rest, Bold Mr. Wasabi was sent to the showers. Candiru and Red Dawg are tied at 9-1, and Sandy, Shark Bait, A Balcony, and Jormp Jumper are tied with two losses. The fights are short, too, these guys aren't wasting time. With so much of the tourney left to report, I can appreciate that.

Round eleven, three fights, one warrior eliminated in each fight. Still in the tourney are Candiru and Red Dawg at 10-1, and A Balcony with two losses.

Round twelve, two fights. Red Dawg picked up a second loss from A Balcony, Candiru vanquished a Useros Merchant. That's Candiru at 11-1, and the others with two losses each. Won't be long now.

Round thirteen, two fights. A Balcony drew the standby, and Red Dawg handed Candiru a second loss. They're now tied, all of 'em, at eleven and two.

Round fourteen, two fights. A Balcony sent Candiru to the showers, and Red Dawg drew the standby. The next round should decide it.

Round fifteen, one fight, to the finish. A BALCONY 4-6637 of P'D OFF was devastated by RED DAWG 41-2689 of DA DOG POWNDAD in a action packed 1 minute mismatched fight. Red Dawg is the Champion Contender. Or the Contender Champion. The Dawg is a wall of steel, the Balcony an aimed blow. We salute them both.

**Eligibles**. Eligible for many things, right now, for a tourney.

Round one, seventy warriors, if my count is right, and thirty-five fights.

By the time we get to round nine, it's ten warriors and five fights. Lucy is undefeated. NY State of Mind and Paid in Full have one loss each. Dr Dazzle, Anton Chigurh, Ignorance, and Fixed Drink each have two losses. Three are out.

Round ten, and we're already down to four fights. I like it this way, small, intimate tourneys, but it won't last. Challengers, Apprentices, Rookies--they're big ones. And the Dead Tourneys. But they're not the task of the moment. Lucy remains undefeated. NY State of Mind (who drew the standby) and Paid in Full have one loss each, and Anton Chigurh has two. Three more are out of the contest.

Round eleven, two fights. Lucy remains, still, undefeated. Anton, NY State, and Paid each have two losses. Some of them won't be with us much longer.

Round twelve, two fights. The undefeated Lucy sent Paid in Full to the showers, and Anton Chigurh ousted NY State of Mind. Either the next round will decide this, or we'll have to wait while Lucy picks up some losses, and she says she doesn't want any. We'll see.

Round thirteen, one fight, and it is the finisher. LUCY 2-6090 of MENTOR DEMENTOR viciously subdued ANTON CHIGURH 97-3183 of DERANGED 6 in a crowd pleasing 7 minute gruesome fight. Lucy is the Champion of the Eligibles. Both warriors are aimed blows, and we salute them.

And there you have it.

**ADM**. The last of the fully immortals. No, wait, there's Freshmen yet to come. On round one, I see seventy-six warriors. I think. Thirty-eight fights, so my count was probably correct.

Round nine, six fights, one with a standby. The Uptight Man is undefeated at this point. With one loss I see The White Whale and Tenth Watch. Six with two losses, and my fingers are stumbling, so I'm not going to list them yet. And two warriors are eliminated.

## TOURNAMENT SPY REPORT (continued)

Round ten, five fights, one with a standby. The Uptight Man and The White Whale are tied in the lead with one loss. With two losses we have Katamari Damacy, Dial M for Meat, Master Plan, Jimmy Jon, and Tenth Watch. Two more are out before they have a chance to qualify for tourney victor status.

Round eleven, four fights, one with a standby. The Uptight Man holds the lead alone again, with a single loss. With two loss are Katamari Damacy, Dial M for Meat, The White Whale, and Tenth Watch. Two more have thrown in the towels at eight-three. The numbers are dropping fast.

Round twelve, three fights, one with a standby. The Uptight Man holds the lead with a single loss. Katamari Damacy and The White Whale (who drew the standby) have two losses. And Dial M for Meat and Tenth Watch are out with three losses.

Round thirteen, two fights. The Uptight Man has the lead: THE UPTIGHT MAN 4-6857 of OUT OF PROZAC bested THE WHITE WHALE 84-47164 of GOTTA SERVE 2 in a crowd pleasing 3 minute fight. That puts the Whale out of the contest. And KATAMARI DAMACY 82-38613 of COOL GAMES demolished FRATSPA SLAVE 203-1 of The Standbys in a 1 minute one-sided melee. So she's still in. Or he or it, as the case might be.

Round fourteen, one fight, to the end of this tourney level: THE UPTIGHT MAN 4-6857 of OUT OF PROZAC devastated KATAMARI DAMACY 82-38613 of COOL GAMES in a 2 minute mismatched fight. The Uptight Man is our Champion here. He is an aimed blow, and Katamari Damacy is a total parry. We salute them both.

**Freshmen**, so young and pig-headed. Ah, make that bold and resolute. I make it seventy-three warriors and thirty-seven fights on round one. Someone must've fought a standby, but I missed the detail.

Round nine, seven fights, no standbys. Two warriors were undefeated at this point: Kurt Cobain and Dres. Ill Subliminal was hot on their heels with a single loss. Six had two losses; I won't list them yet. Heck, I can barely write legibly as it is. And five didn't make it past this round.

Round ten, five fights, one with a standby. Kurt Cobain, who drew the standby, and Dres remain undefeated. Four have two losses: Ill Subliminal, Assistant Manager, Bismuth Bender, and the obnoxious ""5"" are still in the contest. Three more have retired.

Round eleven, three fights, with an elimination on each one. Kurt and Dres are still undefeated, and ""5"" has two losses. DRES 18-10562 of HIP HOP HEROES devastated ASSISTANT MANAGER 84-32811 of BUSINESS CLASS in a 1 minute mismatched fight. ILL SUBLIMINAL 24-5084 of TRIBE was viciously subdued by KURT COBAIN 46-4253 of THE 27 CLUB in a popular 3 minute gruesome match. BISMUTH BENDER 29-5692 of BASH BROS TAXI was bested by ""5"" 96-5960 of PAYBACK in a 2 minute gory contest. There you see it as we head into round twelve.

Round twelve, two fights. Dres drew and devastated the Dangerous Criminal, and Kurt Cobain viciously subdued ""5"" in a popular match. Popular with me, anyway. I don't find that kind of name "cute," and I'm glad to see it fall off the lists. Hey, I can be as petty as anybody. Kurt and Dres are both still undefeated.

Round thirteen, one fight. It was close. DRES 18-10562 of HIP HOP HEROES was viciously subdued by KURT COBAIN 46-4253 of THE 27 CLUB in a crowd pleasing 2 minute fight. That's Kurt Cobain undefeated and Dres with one loss.

Round fourteen, again one fight. DRES 18-10562 of HIP HOP HEROES devastated KURT COBAIN 46-4253 of THE 27 CLUB in a action packed 1 minute brutal mismatched fight. That puts them each at 13-1, still tied.

Round fifteen, again one fight. DRES 18-10562 of HIP HOP HEROES viciously subdued KURT COBAIN 46-4253 of THE 27 CLUB in a crowd pleasing 2 minute gruesome fight. That gives us Dres with one loss, Kurt with two.

Round sixteen, one fight. DRES 18-10562 of HIP HOP HEROES viciously subdued KURT COBAIN 46-4253 of THE 27 CLUB in a crowd pleasing 2 minute gruesome fight. Dres is the Champion of the Freshman. Both warriors are slashers, and we salute them.

**Challengers.** These warriors are on the cusp between basic and advanced dueling. Triumphant over what lies behind them, unsure of what lies ahead. Advanced dueling is a different world. I count one hundred forty-one challengers out today, with seventy-one fights on the first round, one involving a standby. This is going to take a while.

Round nine, that's where I start paying more attention, twelve fights. Miasma is undefeated. Three warriors, Steel Lion, Diabolico Cortes, and Zobnin, have a single loss. Eleven with two losses, and you know I'm not going to list 'em right now. Nine are out of the running as of this round.

Round ten, eight fights, one with a standby. Miasma remains undefeated. With two losses are Steel Lion and Zobnin (he drew the standby). Six with two losses, Diabolico Cortes, Moose, CFO, Prog, Homing Lemming, and Dominion. Six have been eliminated.

Round eleven, five fights, one with a standby. Miasma remains undefeated, where's an air freshener when you need one? Two have been eliminated. Six remain active here at 9-2: Steel Lion, Diabolico Cortes, CFO, Prog, Homing Lemming, and Zobnin.

Round twelve, four fights, one with a standby. Miasma is still undefeated. Diabolico Cortes, Homing Lemming, and Zobnin are hanging on with two losses. And three more have headed for the showers.

Round thirteen, two fights. MIASMA 65-7405 of THAT SMELL devastated ZOBNIN 85-36276 of RUSSIA 18 in a 1 minute mismatched fight. Miasma is still undefeated. I'm getting tired of this, why doesn't he lose one to show he's human? Of course, he could be a golem.... DIABOLICO CORTES 84-28836 of EL CAMINO GUAPO won victory over HOMING LEMMING 85-16885 of THIRSTY THUGS 1656 in a 2 minute battle. Cortes sent the Lemming over a cliff and hangs on with two losses.

Round fourteen, one fight. MIASMA 65-7405 of THAT SMELL was devastated by DIABOLICO CORTES 84-28836 of EL CAMINO GUAPO in a 2 minute mismatched fight. A first loss for Miasma.

Round fifteen one fight. MIASMA 65-7405 of THAT SMELL was devastated by DIABOLICO CORTES 84-28836 of EL CAMINO GUAPO in a 1 minute mismatched fight. Now they're tied with two losses. Cortes seems to have Miasma's number. The next match will decide this part of the tourney.

Round sixteen, one final fight. MIASMA 65-7405 of THAT SMELL devastated DIABOLICO CORTES 84-28836 of EL CAMINO GUAPO in a action packed 1 minute mismatched fight. Miasma pulled up his/her/its socks and finished thing. Miasma is the Champion here. Both warriors are lungers. We salute them.

## TOURNAMENT SPY REPORT (continued)

**Champions.** I always like this one, looking for the Champion of Champions. The play on words amuses me. Simple pleasures are often the best. The Champions are the highest ones that are sure and certainly risking real death here. I never remember whether the Challenges are immortal. That's the problem with being old and dead, your memory is unreliable. At least... isn't it? I think someone told me that. We had eighty-three warriors turn out of the first round. Forty-two fights, one with a standby.

Round nine, seven fights. No Champions are undefeated at this point; they've been fighting hard. Tied for the lead with a single loss are Narnia, Quilt Surfer, and Omega Singe. With two losses, I see Eggs Benedict (sounds good!), Trillium, Wing Rider, Country Ham, and Priscilla. Six have been eliminated.

Round ten, four fights. Narnia now has the lead alone with on loss. At two losses are Eggs Benedict, Quilt Surfer, Trillium, Omega Singe, and Priscilla. Two more are out. We're narrowing down the numbers.

Round eleven, three fights and three eliminations. We still have Narnia in the lead with one loss, Trillium and Priscilla with two.

Round twelve, two fights. Trillium drew a standby and killed him, but we don't have to worry about THEM. They can't bloodfeud. Narnia eliminated Priscilla. Some jealousy there?

Round thirteen, one fight. TRILLIUM 2-6366 of FLOYD'S BREWERY devastated NARNIA 41-4926 of LAZY SUNDAY in a 1 minute mismatched fight. These two warriors are now tied with two losses. The next fight will decide it.

Round fourteen, one fight, to a decision. TRILLIUM 2-6366 of FLOYD'S BREWERY devastated NARNIA 41-4926 of LAZY SUNDAY in a action packed 1 minute mismatched fight. I don't know why this was a mismatch, something in regular arena experience, I suppose, but Trillium is the Champion of Champions. That's got to be good for bragging rights. Trillium is an aimed blow, Narnia a total parry. We congratulate them.

Fourteen warriors died in this tourney, at least one I never saw on the sands, but we salute them all anyway. Ah, he died in a previous tourney.

**Adepts**, and more than a few. On round one, one hundred nine warriors engaged in fifty-five fights. One fought a standby. Big deal, others will fight standbys here and there. Half these warriors were undefeated at this point.

Round nine, eleven fights. Nobody undefeated at this point. There's a three way tie for the lead at 8-1: Upsilon Ceti, Super Hypo, and Poison Oak. A lot, too many to list, with two losses. Hmm, let me count... eleven with two losses. And six have been eliminated.

Round ten, seven fights. Four have been sent to the showers (and they needed it). The remaining ten are all tied at two losses. Kinda surprising, and it means we'll run out to the end here quickly.

Round eleven, five fights, five eliminations, five left in with two loss. That's Upsilon Ceti, Stella Star, Worm Hole, Super Hypo, and Gelatinous Cube.

Round ten, three fights, one with a standby. SUPER HYPO 32-6930 of BOOK OF THOMAS was unbelievably bested by WORM HOLE 85-25219 of COLLEGE RADIO APPLE in a 1 minute fight. Super Hypo is out and seemed almost glad of it. This can get tiring. UPSILON CETI 42-5117 of CETUS handily defeated STELLA STAR\* 85-39419 of COLLEGE RADIO 2 in a action packed 1 minute one-sided match. And Stella is out. GELATINOUS CUBE 85-40766 of MONSTER ROLL CALL 16 delivered the death blow upon MORDANT DESERTER 207-2 of The Standbys in a 1 minute contest. Really, who cares about a Mordant Deserter. He's got resurrection insurance.

Round thirteen, two fights. Upsilon Ceti drew a standby. And WORM HOLE 85-25219 of COLLEGE RADIO APPLE vanquished GELATINOUS CUBE 85-40766 of MONSTER ROLL CALL 16 in a 2 minute uneven battle. Seems like a perfect end to a Gelatinous Cube. One more match will settle this.

Round fourteen, one fight, to a conclusion. UPSILON CETI 42-5117 of CETUS devastated WORM HOLE 85-25219 of COLLEGE RADIO APPLE in a action packed 1 minute mismatched fight. Upsilon Ceti is the Champion, naturally enough: he/she is a star. Upsilon is a basher, and Worm Hole is a wall of steel. We congratulate them both.

Seventeen warriors, counting the Deserter, died on the sands during this tourney. We salute them.

**Initiates.** They think they know it all and have the world by the tail. I can, just barely, remember such a time myself. But having the world by the tail won't protect you from the horns. On round one I see one hundred twenty-two warriors in sixty-one fights. A good showing.

Round nine, eleven fights. Two undefeated warriors, Whale Meat and Better with Age. Yes, indeed, age is better for many things, but I wouldn't want to try tightrope walking. Three with one loss, Weak Sauce, Armageddon, and Broken Lock. Seven with two losses; I won't list them now. And seven out with three losses.

Round ten, six fights. Still Whale Meat and Better with Age are undefeated. Only Armageddon has one loss. With two losses, Weak Sauce, Phlegm, Mind Flayer, Rolling Thunder, and Broken Lock. Four have thrown in the towel.

Round eleven, four fights. Whale Meat holds the lead alone, still undefeated. Better with Age has one loss. Four with two losses, Weak Sauce, Phlegm, Armageddon, and Rolling Thunder. Two more are out.

Round twelve, three fights. Whale Meat remains undefeated. Weak Sauce, Armageddon, and Better with Age are hanging on with two losses, and two more warriors have been eliminated.

Round thirteen, two fights, and it's bad luck for Whale Meat, who picked up his first loss from Better with Age. Armageddon eliminated Weak Sauce. We're counting down well here now.

Round fourteen, two fights. Armageddon drew a standby, an easy win. Whale Meat got a second loss from Better with Age. That's no eliminations and everyone now with two losses.

Round fifteen, two fights. Whale Meat drew the standby. ARMAGEDDON 32-7059 of ANGELS OF PAIN was devastated by BETTER WITH AGE 85-41638 of 16 YEAR ROLLUP in a 1 minute mismatched fight. That's Armageddon out. The next round will decide it.

Round sixteen, one fight, to the end. WHALE MEAT 60-9270 of UNNAMEABLES devastated BETTER WITH AGE 85-41638 of 16 YEAR ROLLUP in a 1 minute mismatched fight. This is Whale Meat as the Champion. Whale Meat is a lunger, and Better with Age a striker. We congratulate them both.

Eleven Adepts died today, and we salute them.

## TOURNAMENT SPY REPORT (continued)

**Apprentices.** They mean well. I count two hundred eight warriors on round one, in one hundred four fights. It makes me tired just thinking about them.

Round nine, only eighteen fights, much better. I can almost think about eighteen fights. Of course, we've still got a lot of eliminating to do. Nobody is undefeated at this point. Nine with one loss, twelve with two losses. Twelve were eliminated on this round.

Round ten, looks like eleven fights, one with a standby. Seven with a single loss, I'd better list 'em. Woodstock, Pi Fornacis, Vile Vegan, Saveas, An Yu, Comet, and Yoga Underachiever. Five with two losses, Colombian Overlord, Double Dribble, Neil, Breezing Thru, and Rakshasa. Nine eliminated, one by a death.

Round eleven, six fights. Four warriors have a single loss: Pi Fornacis, Vile Vegan, An Yu, and Yoga Underachiever. Five with two losses: Woodstock, Saveas, Comet, Breezing Thru, and Rakshasa. Three more are out.

Round twelve, five fights, one with a standby. Two still with only one loss, Pi Fornacis and Vile Vegan. Five with two losses, An Yu, Comet (he drew the standby), Yoga Underachiever, Breezing Thru, and Rakshasa. Two more eliminated.

Round thirteen, four fights, including a standby. Pi Fornacis, who drew the standby this time, and Vile Vegan still have a single loss each. An Yu and Yoga Underachiever have two losses each. The other three are out.

Round fourteen, two fights. YOGA UNDERACHIEVER 18-10993 of STREET PIZZA bested PI FORNACIS 41-5165 of FORNAX in a 2 minute fight. That's a second loss for Pi. AN YU 85-45404 of PJ MASKS 2 was devastated by VILE VEGAN 85-49036 of V FOR VOLUPTUOUS in a 1 minute one-sided duel. And An Yu is through.

Round fifteen, two fights, one with a standby. Yoga Underachiever drew the standby and is currently at two losses. PI FORNACIS 41-5165 of FORNAX was vanquished by VILE VEGAN 85-49036 of V FOR VOLUPTUOUS in a 2 minute brutal uneven battle. And that's Pi gone and Vile Vegan in the lead with a single loss, still.

Round sixteen, one fight. YOGA UNDERACHIEVER 18-10993 of STREET PIZZA was devastated by VILE VEGAN 85-49036 of V FOR VOLUPTUOUS in a 1 minute mismatched fight. That's the Vile Vegan as Champion. Both warriors are lungers. We congratulate them.

I count forty-five dead here, most of them in the first two turns. We salute them.

**Rookies.** I hate the Rookies tournament. The mob of young hotshots, milling around, pushing, shoving, yelling, playing practical jokes. It's too much. Still, here it is. Round one, three hundred eighty-seven warriors if I've counted right. One hundred seventy-four fights. Does that match? Maybe not, but if one is wrong, it's more likely to be the warrior count. Of course, they could both be wrong. But there are definitely a lot of Rookies out there today.

Round nine, twenty-five fights. Ugh. Nobody is undefeated. Nine with a single loss. Twenty-four with two losses. And eighteen out this round.

Round ten, seventeen fights. We're down to only four with a single loss: Vanya, Pepp in Your Stepp, Pi Chamaeleontis, and Haggus Maggots. With two losses, still a long list, um, eighteen. And eleven eliminated.

Round eleven, eleven fights, very symmetrical. Two with a single loss: Pepp in Your Stepp and Pi Chamaeleontis. Eleven with two losses, and nine eliminated.

Round twelve, seven fights. Pepp in Your Stepp holds the lead alone with one loss. It looks like maybe seven with two losses: Molluscation, Eric Holder, Jason, Murska Matzah Ball, Pi Chamaeleontis, Steak Tartare, and Haggus Maggots. Five more are out.

Round thirteen, a mere four fights. Five warriors with two fights: Molluscation, Eric Holder, Pepp in Your Stepp, Ph Chamaeleontis, and Haggus Maggots. Three more eliminated.

Round fourteen, three fights, one with a standby. That whittles us down to Eric Holder, Pepp in Your Stepp, and Haggus Maggots. The fewer names I have to write, the better.

Round fifteen, two fights. Eric Holder drew a standby. And HAGGUS MAGGOTS 85-44968 of SATAN'S SCOTLAND unbelievably bested PEPP IN YOUR STEPP 85-46527 of SECRET MEATING in a 5 minute battle. Believe it. Pepp is out, and the next round will decide it.

Round sixteen, one final fight. ERIC HOLDER 73-7954 of ATTORNEY GENERALS 2 was devastated by HAGGUS MAGGOTS 85-44968 of SATAN'S SCOTLAND in a 1 minute fight. Haggus Maggots, a total parry, is the Champion. Eric Holder is an aimed blow. We congratulate them both.

It looks like ninety-seven warriors died here today, and we salute them.

**Dead Challengers,** the ones who challenge death. On round one, I counted two hundred thirteen warriors in one hundred seven fights. These people are determined to get out of the graveyard. Well, I can kind of see their point. Dead can be boring. Not always, but sometimes. And I definitely salute their determination.

Round nine, eighteen fights. The numbers drop fast as we go through the rounds, and I thank the gods for that. If I had to report on a hundred fights every round, we wouldn't have a report. There were no undefeated warriors left on this round. Seven have a single loss: Banshee, Mister Cee, -1, Forget Torches, Ginger Knowles, Thundercracker, and Courage. Twelve with two losses, and I'm not going to list them at this point. My hands are too cold? It's almost up to freezing here, but I can't face all those names. Fifteen were eliminated.

Round ten, ten fights, one with a standby. Are your standbys dead, too? Only three with one loss now, Mister Cee, Forget Torches, and Courage. Eleven with two losses, and five heading for the showers.

Round eleven, seven fights. Two with one loss: Forget Torches and Courage. Six with two losses: Banshee, Mister Cee, Titanium, Ginger Knowles, It, and Thundercracker. Six more eliminated.

Round twelve, four fights. Only one with a single loss now, Forget Torches. Four with two losses: Banshee, Mister Cee, Ginger Knowles, and Courage. And three more have thrown in the towel.

Round thirteen, three fights, one with a standby. Mister Cee is out. Everyone else has two losses: Banshee (drew the standby), Forget Torches, Ginger Knowles, and Courage.

Round fourteen, two fights. COURAGE 32-6353 of ANGELS OF PAIN bested FORGET TORCHES 84-33630 of DUNGEON DONT'S in an action packed 1 minute master's fight. Torches is out. Are out? BANSHEE 82-47365 of THIRSTY THUGS 719 was subdued by GINGER KNOWLES 85-5131 of SWORDFISH in a popular 4 minute veteran's melee. Banshee has gone screaming into the outer darkness. The next round will settle this.

## TOURNAMENT SPY REPORT (continued)

Round fifteen, one final fight. COURAGE 32-6353 of ANGELS OF PAIN bested GINGER KNOWLES 85-5131 of SWORDFISH in a 2 minute master's fight. Courage, a lunger, is the Champion and resurrected. Way to go. Ginger Knowles is an aimed blow. We congratulate both.

Twelve Challengers died a second time here, and we salute them.

**Dead Champions.** And when someone wins and becomes the Champion here, he'll be a LIVE Champion. Good deal, eh? I count one hundred sixty-three warriors, and a standby, on round one. Eighty-two fights.

Round nine, twelve fights. Nobody undefeated now, but that won't stop them, these are scarred veterans. Five with one loss, Rising Storm, Jebediah, Dr. Girlfriend, Sidecar Screamer, and Robert Paulson. Thirteen with two losses, and six out.

Round ten, nine fights. Only one warrior, Rising Storm, with a single loss now. The competition is tough. Eleven with two losses. That's Fast Eek, Limper, Jebediah, Robert Paulson 75 (not to be confused with Robert Paulson 89, who got killed this turn), Ill Will, Lost in Couch, Dr. Girlfriend, Sidecar Screamer, Billy Mays, Cadaver Dog, and Empty. Six were eliminated.

Round eleven, six fights. Rising Storm is still in the lead with one loss. Hanging on with two losses are Limper, Ill Will, Sidecar Screamer, Billy Mays, and Empty. Six more are out.

Round twelve, three fights. Tied with two losses are Rising Storm, Limper, Billy Mays, and Empty. Two more are through here. We're moving down fast.

Round thirteen, two fights. BILLY MAYS 1-9374 of PITCH PERFECT devastated EMPTY 72-7269 of BASH BROS WALLET in a 1 minute mismatched fight. That's Empty out. RISING STORM 71-7418 of SHERWOOD FOREST lost to LIMPER 85-9275 of HOUSE OF CARDS in a 1 minute expert's battle. And the Rising Storm has been turned away. The next round should settle this.

Round fourteen, one fight. BILLY MAYS 1-9374 of PITCH PERFECT bested LIMPER 85-9275 of HOUSE OF CARDS in an action packed 1 minute master's fight. Billy Mays the the Champion of Dead Champions. Both warriors are lungers, and we congratulate them.

Seventeen warriors died a second death today, and we salute them.

**Dead Adepts.** Not quite adept enough the first time, but still learning and trying. I count one hundred seventy-four warriors in eighty-seven fights for the first round.

Round nine, twelve fights. G. Steinbrenner and Luna are undefeated. With one loss we have Assault Alpha, Grotto, Lint, and Shymmyr. Eight with two losses, and ten falling out of the running.

Round ten, seven fights. Luna remains undefeated. Steinbrenner and Lint have one loss. Eight more are hanging in with two losses, and three are through.

Round eleven, six fights, one with a standby. Steinbrenner and Luna have one loss. With two losses are Dying Dan (an ill-omened name), Assault Alpha, Stud Muffin (he drew the standby), Lint, Peekaboo, and Shymmyr. Three more are done.

Round twelve, four fights. Steinbrenner is alone in the lead with one loss. Still hanging on with two losses are Assault Alpha, Stud Muffin, Lint, and Luna. Three more are out.

Round thirteen, three fights, one with a standby. Steinbrenner hangs onto the lead with one loss. Lint (who drew the standby) and Luna are steady in his wake with two losses. And two more are eliminated.

Round fourteen, two fights. LUNA 4-7205 of POTTERY WORLD was bested by LINT 85-24697 of GOOD DUDES in a 2 minute master's fight. And that's Luna out. G. STEINBRENNER 35-4657 of TAKE THE FIFTH vanquished CONVICTED THIEF 222-1 of The Standbys in a 1 minute uneven battle. A long, tedious name still in. But it won't be long now to reach the end.

Round fifteen, one fight. G. STEINBRENNER 35-4657 of TAKE THE FIFTH was bested by LINT 85-24697 of GOOD DUDES in an action packed 1 minute master's fight. That's got 'em tied with two losses. The next round will settle this.

Round sixteen, the final fight. G. STEINBRENNER 35-4657 of TAKE THE FIFTH was bested by LINT 85-24697 of GOOD DUDES in a 2 minute master's fight. That's Lint as the Champion here, though Steinbrenner put up a strong fight. Both these warriors are lungers. We congratulate them.

It looks like twenty-six warriors died the second death today. We salute them.

**Dead Initiates.** They don't give up. On round one there were one hundred seventy of them lining up on the sands for eighty-five fights.

Round nine, twelve fights. My fingers are worn down by a knuckle in writing about all this. Nobody undefeated, but six with a single loss. Mountebank, Water Damage, Cannelton, Hand of Orcus, Ransom Note, and Horrible Hornet. Eleven with two losses, and six out of the running.

Round ten, nine fights. Three with one loss: Cannelton, Ransom Note, Horrible Hornet. Seven with two losses: Delan Ra'el, Wand of Orcus, Stern, Ducknado, Pete Rose, Minnikin, and Red Hot. Seven more are out.

Round eleven, five fights and five eliminations. Still in, we have Cannelton, Ransom Note, and Horrible Hornet with one loss, Stern and Pete Rose with two losses.

Round twelve, three fights. Cannelton drew the standby and holds the lead with only one loss. Everyone else has two.

Round thirteen, three fights again. This time Stern drew the standby. Standby fights are boring. HORRIBLE HORNET 35-4791 of SATAN'S SWARM devastated RANSOM NOTE 85-15701 of FLAVA IN YA EAR in a 1 minute mismatched fight. That's Ransom Note out. CANNELTON 65-7523 of PLACES subdued PETE ROSE 85-26968 of RIFF'S CRAPMATES in an action packed 1 minute fight. And Pete Rose is out.

Round fourteen, two fights. Horrible Hornet drew a standby. STERN 42-5127 of OBSIDIAN HALL was slaughtered by CANNELTON 65-7523 of PLACES in a 1 minute uneven battle. And Stern's out of the contest.

Round fifteen, one fight, and it finishes the Dead Initiates. HORRIBLE HORNET 35-4791 of SATAN'S SWARM was bested by CANNELTON 65-7523 of PLACES in a 2 minute fight. Cannelton is the Champion here at 14-1, with Horrible Hornet out at three losses. Cannelton is an aimed blow, and the Hornet is a striker. We congratulate them both.

I count eighteen who died the second death today. We salute them.

## TOURNAMENT SPY REPORT (continued)

**Dead Apprentices.** Every teacher I've ever known tells me that some days all apprentices should be dead. Be that as it may, today we had one hundred thirty-seven apprentices out to change their conditions, beginning with sixty-nine fights.

Round nine, twelve fights, one with a standby. Nobody undefeated, and only two with a single loss: Garrad and Second Guess. Eleven with two losses, and I don't think I can write them coherently. Ten are out.

Round ten, seven fights. The same two, Garrad and Second Guess hold the lead with one loss. Five with two losses: Mooh Wok, Takebacks, Eggs Over Medium, Old Ebbitt, and B9X9. Six more are eliminated.

Round eleven, four fights, one with a standby. Old Ebbitt is out, and everyone else (see above) has two losses. We should thin down the ranks quickly now.

Round twelve, three fights, three eliminations. MOON WOK 17-7954 of BOURBON STREET bested B9X9 85-38181 of DROIDS 9 in a 1 minute fight. That's B9X9 out. SECOND GUESS 82-42912 of NO REGRETS slimly won victory over GARRAD 85-9184 of WRATHMEN 12-16 in a 2 minute brutal duel. Garrad is through. TAKEBACKS 85-42988 of HOWLIN STEALS 5 was overcome by EGGS OVER MEDIUM 85-29223 of SOMETHING SPECIAL in a 1 minute match. No more Takebacks.

Round thirteen, two fights. Eggs Over Medium got the standby, and Second Guess eliminated Moon Wok. So it's Eggs and Guess, each with two losses, to settle things in the next round.

Round fourteen, one final fight. SECOND GUESS 82-42912 of NO REGRETS devastated EGGS OVER MEDIUM 85-29223 of SOMETHING SPECIAL in a 1 minute mismatched fight. That's Second Guess as the Champion of Dead Apprentices. Both final contestants are lungers, and we congratulate them.

I count nine this time dying the second death. We salute them.

So there it is, the sixty-eighth Mail-in Grand Tournament. Let's have a round of applause for the Tournament Champions and Tournament Victors and their managers! Deepest condolences to the losers, and especially those who perished on the sands--most notably those who must wait until the next Dead Tournament to try again to return to the living. Better luck next time!
