A grand total of 1808 warriors participated in Grand Tournament LXIX. This was a very large amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize, a Rainbow DYO: they can design one new warrior with attributes of their choice! This warrior will then be placed into a special Twinning Apparatus, creating ten warriors, one of each fighting style, with your chosen attributes; you may choose the best three to add to your team. (The DYO will follow the normal Commission requirements: 84 total points, each minimum3/maximum 21.) Please remember, you must use all prizes within six months of the tourney when they were won.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a Primus warrior of the same style, within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-In LXVIII longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

## TOURNAMENT SPY REPORT

Olaf Modeen here, reporting on the Grand Tournament. Here we go.

**Primus.** The cream of the cream. Round one, I count 152 warriors and 66 fights. Those numbers don't go well together, and I may have miscounted something. But there it is. Lots. Long fights. Never let it be said that Olaf Modeen is a slave to New Math. Or the Old Math, for that matter. I note the return of Doc Steele and salute him, he's been missed.

Round nine, fourteen fights. Four warriors are undefeated at this point: Bob Eternal, Little Girl Crush, Betterthanever. Nine with one losses, and I won't list them now. Six six two losses. And nine with three losses and out. The longest fight was 51 minutes.

Round ten. Ten fights, seems symmetrical. Three warriors remain undefeated: Bob Eternal, Dirty Zealot, Betterthanever. Five with one loss: John Ashcroft, Little Girl Crush, Littlest Tyrant, Marv Jr., and Mr. Gherkin. Eight still in the fight with two losses, and I won't list 'em. Three eliminated. The longest fight was 75 minutes.

Round eleven, we progress. Eight fights. Nobody undefeated. With a single loss, we have John Ashcroft, Bob Eternal, Dirty Zealot, Marv Jr, Betterthanever, and Mr. Gherkin. Round fourteen, four fights, with an elimination on each fights. Still going forward with two losses are John Ashcroft, Samurai, Marv Jr, and Betterthanever.

Round sixteen, one fight, to the finish. JOHN ASHCROFT 24-4355 of DOH! slimly lost to SAMURAI 75-3119 of GOLD STANDARD in a unpopular 129 minute gruesome fight. Both these warriors are aimed blows. We salute them.

After Primus comes **Contenders**, and I could hear them arguing all the way from the locker room.

Round one, thirty-nine fights. I make it seventy-eight warriors contending. They'll be busy for a while, and I'll skip ahead.

Round nine, a mere eight fights, the longest one only ten minutes. One undefeated warrior: Cadillac Durado. Three with a single loss: Franklins Tower, Miffed Sandy, and Orange Cranberry. Round thirteen, two fights, with Miffed Sandy drawing but not killing another standby. Franklins Tower eliminated Minge the Marvelous. Narrowing down fast. Our two remaining Contenders are twelve-one.

Round fourteen, one fight. Not the final one, but a straw in the wind. FRANKLINS TOWER 30-4725 of DELTA BLUES devastated MIFFED SANDY 96-3444 of BLOOD ON THE SAND 3 in a 4 minute mismatched fight. Franklins Tower has the clear lead with a single loss against Sandy's two losses.

Round fifteen, again one fight, to the conclusion: FRANKLINS TOWER 30-4725 of DELTA BLUES viciously subdued MIFFED SANDY 96-3444 of BLOOD ON THE SAND 3 in a 10 minute fight. That has Miffed Sandy out of the running, and Franklins Tower as the winner. Both of them are aimed blows, and we salute them.

**Eligibles!** I think I counted thirty-six fights on round one, but my head was spinning. Snide Clemons just told me that dead guys like myself can get the corona virus. Should I take his word for it? I count sixty-nine warriors on the sands for this.

Round fifteen, one fight. POPE BOB 82-43134 of BLESS US, EVERYONE was devastated by THONG RENAISSANCE 84-14786 of THE ORLANDO MOB 17 in a 1 minute fight. Bob is falling behind with two losses to the Thong's one.

Round sixteen, one fight to finish this level of the tourney. POPE BOB 82-43134 of BLESS US, EVERYONE was bested by THONG RENAISSANCE 84-14786 of THE ORLANDO MOB 17 in a 2 minute bloody fight. **Challengers**. Challenging the boundaries between champions and Adm.

## TOURNAMENT SPY REPORT (continued)

Round one, I think ninety-two fights, but I could've miscounted. I think I counted two hundred thirty warriors on the sands, but the way they were dodging around during the parade, I can't swear to that number. Lots, anyway.

Round nine, fifteen fights, one with a standby. Only one undefeated warrior at this point: January O. Irontail. I make it seven with one loss, and ten with two losses. Eleven warriors eliminated on this round.

Round ten, nine fights. January Irontail remains undefeated. With a single loss are Torpedo, Icky Beats, Thunder Bay, and Zobnin. With two losses: Munt, Can't Beat Tum, Armor Rot, Quicksand!, Mafia Fallacy, Nightlord, and Limper. Seven eliminated.

Round thirteen, three fights. Icky Beats has the lead with a single loss. With two losses are Can't Beat TUM, and Thunder Bay. Munt and limper have washed out.

Round fourteen, two fights. Thunder Bay was eliminated after a fight with Can't Beat Tum. Everyone else is tied at twelve-two. So two more rounds should reveal the champion here.

Round fifteen, two fights. Irontail drew a standby, and Icky Beats eliminated Can't Beat Tum. The next round will finish things.

Round sixteen, one last fight. ICKY BEATS 82-35350 of SQUARE DANCE RAP viciously subdued JANUARY O. Irontail 84-25625 of EVIL EASTER BUNNY in a 2 minute fight. Icky Beats a parry-lunger is the champion here, and January O. Irontail, a lunker is runner up. We congratulate them.

Seven warriors died in this tourney and we salute them.

**Champions**. Mortals and experienced.

Round one, fifty-five fights. I count one hundred twenty-one warriors. So it doesn't match the number of fights. I didn't say I was a bean counter.

Round nine, six fights--I can count six fights with confidence. Two undefeated warriors here: Magnus and Deerhunter. Three with a single loss: Whale Meat, Chi Carinae, and If I Bluff. Five with two losses: Oxford Comma, Winter Dawn, Urndot Wrex, Cooper, and Reddish Line. Four eliminated on this round.

Round fourteen, two fights. If I Bluff drew a standby. Deerhunter has the lead with a single loss, Magnus and If I Bluff both have two losses. Not much longer now.

Round sixteen, one fight, the final one. DEERHUNTER 43-5197 of COLLEGE RADIO devastated MAGNUS 56-4857 of MEN OF STEEL in an action packed 1 minute mismatched fight. Deerhunter is the Champion of Champions, with Magnus his runner up. Both warriors are aimed blows. We congratulate them.

Six warriors died during this contest, and we salute them.

**Adepts**, adept at getting into trouble. I count seventy nine fights and one fifty-five warriors on round one, but we all know by now how good I am at counting things.

Round nine, I count twelve fights. Nobody's undefeated. Five warriors are on top with a single loss: Popinjay, Wicked Wasp, Gumball, Tyrannical Tick, and Pearl Harbor. Eleven with two losses, and I won't try to list 'em yet, my fingers get tangled. Eight eliminated. A lot of insects, seems like.

Round ten, eight fights. Four with one loss: Popinjay, Gumball, Tyrannical Tick, Pearl Harbor. Five with two losses: Chihaya, Elfman Strauss, Wicked Wasp, Magic Tape, and Great Leveling. Seven out with three losses.

## TOURNAMENT SPY REPORT (continued)

Round fourteen, one fight. TYRANNICAL TICK 35-4786 of SATAN'S SWARM was devastated by GUMBALL 74-4730 of A.W. OF GUMBALL in a 1 minute mismatched fight. This is not the final fight, because it leaves the Tick with two losses, not the required three.

Round fifteen, one fight, the last one. TYRANNICAL TICK 35-4786 of SATAN'S SWARM was devastated by GUMBALL 74-4730 of A.W. OF GUMBALL in a 1 minute mismatched fight. The Tick is out, and Gumball is the Champion. Both these warriors are lungers, and we congratulate them.

Seven Adepts died in this tourney and we salute them.

**Initiates.** What have they all been initiated to? Living dangerously?

Round one, it looks like one hundred fights. And I count two hundred ninety-nine warriors (and a standby) which fits mathematically. Half won, and half lost.

Round nine, sixteen fights, one with a standby. Nobody undefeated. In the lead with a single loss are All-In and Jolly Mangina. Twenty-two with two losses, and I'm not going to list them here. A mere seven were eliminated on this round.

**Apprentices.** Means "Not Expert," and probably accounts for the not-short list of deaths. Nineteen dead.

Round one, one hundred twenty-seven fights. I make two hundred sixty-five warriors on the sands. Half won, and half lost. Several killed.

Round nine, nineteen fights. Only one warrior is undefeated at this point: the aptly named Flawless. With one loss, we have: One Big Coccyx, Barolo, Antiope, Huntarc, and Machu Picchu. Twenty-one still in the running with two losses, and no, I'm not going to list them.

Thirty-eight Rookies died today and we salute them.

**Eligible fools.** Three losses were not enough. On round three there are eighteen Eligible warriors who wouldn't quit. Nine fights. Obviously, nobody is undefeated. But they're probably picking up a skill here and there.

Round four, five fights, one with a standby. In the lead with two losses are Dr Dazzle, Clever, Metron, No Bathroom, and Jack Daniels. Four warriors (and the standby, picked up a third loss and are out of the fights.

**Freshmen Fools.** I've heard it said that all Freshmen are fools, and it might be true. But the context is everything. In the context of the spring tourney, it means they've lost too many fights too early. On round three, we've got twelve fights, one with a standby. Half won and are going on, and half lost and are headed for the showers.

Round four, a mere six fights, and no standby. Still with us are China Room, Sallanche, Back, Upper Deck, Ima Plunger, and Aruba.

**Challengers Fools.** Challengers, of the foolish variety. I mean they could shower off, get a meal, and relax but they came back for more fights.

Round three, twenty-three fights. No way I'm going to list the twenty-three winners. Sorry guys, but my fingers are tired.

Round four, twelve fights, one with a standby. The problem of a long list again. By next round I should be able to handle it.

Round six, three fights. Still going strong are Mountebank, Suhture, and Tower Records.

Round seven, two fights, one with a standby. Still fight are Mountebank, and Suhture, who drew the standby.

## TOURNAMENT SPY REPORT (continued)

Round eight, one fight, and a death! MOUNTEBANK 5-5769 of DUNGEON CELL was viciously butchered by SUHTURE 84-57534 of SUHT YOURSELF in a 2 minute master's fight. Suhture took the win by killing his opponent, which seems excessive. Suhture is a striker and Mountebank a parry-lunger. We salute them both.

**Initiates Fools.** Did they have any idea what they were getting into when they signed up for this?

Round three, twenty-four fights. Again, half the participants won and half lost.

Round four, twelve fights, which makes sense. Every fight had a winner, and I'm not going to list them.

Round five, six fights, one with a death. Still standing are Pillar of Salt, the killer, Lost, Fabric Lands, Kindred, Zitenn, and 269. dead is Shucks, an Exclamation from Amen-Tei. Hard luck, Shucks.

Round six, three fights. Still in the contest are Pillar of Salt, Fabric Lands and Zitenn.

Round seven, two fights, one with a standby. Fabric Lands and Zitenn, who drew the standby, are still in the tourney.

Round eight, one final fight. FABRIC LANDS 43-5284 of DOLI CAPAX was devastated by ZITENN 85-47146 of SELOS 3 in a action packed 1 minute brutal mismatched fight. The winner, Zitenn is a total parry, and Fabric Lands is a slasher. We salute them.

**Apprentices Fools.**

Round three, thirty-four fights, one with a standby. We started this part of the tourney with a chainsaw murder: REGULATER 30-5689 of BOOK OF THOMAS was savagely slain by CHAINSAW 85-47069 of FACELESS 1 in a 3 minute bloody brawl. Hard luck, Regulator.

Round four, seventeen fights. Seventeen winners and, in the nature of things, seventeen losers, but all survivors.

Round five, nine fights, one with a standby. This late in the tourney I don't think I can type nine warrior names to tell who's winning.

Round six, five fights, one with a standby. Still in the race are Kordal, #Trending, Dodge Reaper, who drew the standby, Akira, and Segovax.

Round seven three fights, one with a standby. Still fighting are Kordal, who drew the standby, Dodge Reaper, and Segovax.

Round eight, two fights, one with a standby. Winners are Kordal, and Segovax, who drew the standby.

Round nine, one last fight: SEGOVAX 73-7826 of LUDUS MAGNUS CCC was devastated by KORDAL 85-47182 of FACELESS 10 in a 1 minute mismatched fight. Kordal is the top Apprentice in this contest. Both warriors are strikers and we salute them.

**Rookies Fools.** But we knew all Rookies are fools, right?

Round three, fifty-three fights, and a couple of deaths. The deaths: ERADICATION 32-7134 of ANGELS OF PAIN killed PAR DON 85-50418 of THIRSTY THUGS 206 in a 1 minute amateur's match. And FREEBIRD 84-36537 of ROCK & ROLL 5 was dispatched by DOVER 84-57687 of UNGENTLE BENS in a 3 minute novice's fray. Our condolences to the dead.

Round four, twenty-seven fights and a death: TRACER 9-5897 of BULLET BOYS delivered the death blow upon THE WAY IT IS 73-8143 of FAVORITE SAYINGS 7 in a 2 minute fight. A salute to The Way It Is.

Round five, fourteen fights. That's too many to itemize.

Round six, seven fights. Still in the contest are Ted Sparks, Boxcar Decree, Sarkisian, Robert Paulson, Coed Panther, Zigzag, and John Ping.

Round seven, four fights and a death. Still standing are Sarkisian, who drew and killed the standby, Boxcar Decree, Robert Paulson, and Zigzag.

Round eight, two fights. The two winners are Boxcar Decree and Robert Paulson, who will face off next round.

Round nine, the final fight. ROBERT PAULSON 107 84-52197 of PROJECT MAYHEM 34 was bested by BOXCAR DECREE 85-53345 of REMOTE 29 in a 3 minute amateur's fight. Boxcar, a total parry is the winner. Robert Paulson is a lunker. We salute them both.

And that, in a very large nutshell, was the tournament.
