A grand total of 3003 warriors participated in Grand Tournament LXXIV. This was a pretty large amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize.* Please remember, you must use all prizes within six months of the tourney when they were won.

In addition, a special prize of one bonus skill potion will be awarded to the manager of each of the Stylemasters in all tournaments. Primus bonus potions must be used on a Primus warrior of the same style; ADM bonus potions must be used on an ADM warrior of the same style; basic DM potions may be used on any living warrior on the same team. All Stylemaster prizes must be used within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from the Spring Mail-in longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. —The Gladiatorial Commission

TOURNAMENT SPY REPORT

Primus. I, Olaf Modeen, like to start with the best.

Fifty-five fights if I haven't miscounted, probably one hundred ten warriors. The last fight was twenty-four minutes. If there was a longer one earlier, I slept through it. All styles were present and fighting on this round, with aimed blows being the most numerous at fifty-six. Anybody surprised? Lungers were next in numbers at thirteen, walls of steel third at ten. The other styles dwindled down to two rippers. On this round, the aimed blows had an overwhelming edge on winning, with the lungers close in percent of winners. I'm not going to bend my brain to the math. It's only round one, after all.

Round nine, fifteen fights. Two warriors remain undefeated: Bonnie and Samurai. Four with one loss: Drat, Neosphincter, Nebuchadnezzar, and Demonfang. Fourteen still in with two losses. Ten eliminated this round. Most of the warriors this round involved in this round, twenty-eight, were aimed blows. One each lunger and slasher, and the other styles have fallen out of the contest. Bonnie is currently the top aimed blow, and Legacy leads the slashers, Jake the Dog is the top lunger. I expect that makes the last two mentioned the stylemasters here.

Round ten, ten fights, I noticed one eighty minutes long (how could I miss it? That's when I had lunch). Bonnie and Samurai remain undefeated. Only Nebuchadnezzar is holding the second place with one loss. Ten have two losses but are still hanging on, and of course they are now tourney victors. Seven have been eliminated. Nineteen aimed blows and a slasher. Legacy, now out of the contest is the slasher stylemaster.

TOURNAMENT SPY REPORT (continued)

Round eleven, seven fights. Bonnie and Samurai are holding the lead as undefeated. Both are aimed blows. Nebuchadnezzar still has only one loss. With two losses are Neosphincter, Bob Eternal, Ironthorn, and Screaming Eagle. Six more are eliminated. We're down to nothing but aimed blows here now, thirteen of them. Bonnie is the tops.

Round twelve, four fights. Bonnie and Samurai, of course, remain undefeated. With two losses (nobody now has just one) are Neosphincter, Bob Eternal, and Nebuchadnezzar. Ironthorn and Screaming Eagle are headed for the showers. All aimed blows here.

Round thirteen, three fights. Bonnie eliminated Neosphincter, herself remaining undefeated. Nebuchadnezzar drew a standby and is hanging on. Bob Eternal handed Samurai his first defeat. So it's Bonnie, undefeated. Samurai with one loss. Bob and Nebuchadnezzar with two losses. All aimed blows, of course.

Round fourteen, two fights, narrowing down the contestants quickly. Well, quickly in number of fights, but they run long in Primus. Bonnie has the lead with one loss, courtesy of Nebuchadnezzar, and everyone else is holding on at two losses. No one but aimers left. Bob Eternal and Samurai are out of the running, or the standing still analyzing the situation.

Round sixteen, one fight, the last one: NEBUCHADNEZZAR 22-5821 of WE BE WAR FLAILS was outwaited by BONNIE 29-2780 of SUPERIOR FORCES in a crowd pleasing 11 minute fight. That is Bonnie as the Champion of Primus and Nebuchadnezzar as her runner up. Both aimed blows. Do you suppose Nebuchadnezzar's friends ever called him Neb? We congratulate both of these extremely accurate warriors.

Three warriors died temporarily in this contest, and we salute them.

For all of Primus, these were the stylemasters: Horse D'Oeuvre (BA), Raltuman Omelet (ST), Sikamikanico (PR), Cartman (PS), Captain Poland (TP), Tom Collins (WS), Harmony (PL), Jake the Dog (LU), Legacy (SL), and of course, Bonnie (AB). Congratulations to these warriors, the epitome of each style.

Contenders, always contentious while they try to climb to Primus.

Round one: I count fifty one fights, which means a hundred or so contenders. Half of them are undefeated, with all styles present and fighting, from forty-two aimed blows to a single striker. Twenty-five lungers and ten strikers, with the other styles in small numbers, but present.

Round nine, ten fights, none of them terribly long. Nobody undefeated. Three tied with a single loss: Polynikes, Huntling, and Chili. Chili will make a good lunch today, since it's chilly. Ten with two losses. Seven out of the contest. Aimed blows are still the most numerous, with the other styles declining quickly. No more bashers, rippers, slashers, strikers, or walls of steel. I find that list of eliminated styles intriguing, but there's no time or space to juggle possibilities and implications here.

Round ten, seven fights. Polynikes and Huntling hold the lead with one loss. Six with two losses: Paul Wiedorfer, Spare Anchor (who drew a standby), Cadillac Duardo, Alice Blue, Alucard, and Chili (tasty over cornbread. Five more are headed for the showers. That leaves eleven aimed blows, a piker, and a total parry.

Round eleven, four fights. Polynikes has the lead with one loss. With two losses are Paul Wiedorfer, Cadillac Duardo, Alice Blue, and Huntling. Three more are out of the contest.

Round twelve, three fights, with one standby. Polynikes drew the standby and holds the lead with one loss. Paul Wiedorfer and Huntling are on his heels with two losses. The other two are out.

Round thirteen, two fights, with one standby. Polynikes holds the lead with one loss. Huntling is on his heels with two losses. Paul Wiedorfer is out with three. All aimed blows now.

Round fourteen, one fight, to the finish: HRUNTLING 1-8994 of SWEORDMASTERS was viciously subdued by POLYNIKES 74-4191 of GATES OF FIRE in a crowd pleasing 4 minute fight. Polynikes is the Champion Contender and Huntling is his runner up. Both are aimed blows, of course. We congratulate them.

Nobody died in the Contenders this time, and we salute them for surviving.

We salute them all.

The stylemasters here are: Micro-Rat (ST), The Man (BA), The Zealot (SL), Cyclotron Pajamas (PR), Furious Gorge (WS), After 10 Beers! (PL), Sex Camel (LU), Spare Anchor (TP), Cadillac Duardo (PS), and of course, Polynikes (AB). Congratulations to them and their managers.

Eligibles. I'm about eligible for a nap.

Round one. Forty-eight fights, and I think I glimpsed a standby. That's, what? Ninety seven warriors? All styles present at this point with aimed blows (25) and lungers (26) about tied for the lead, and the other styles also ran, from nine rippers down to three strikers.

TOURNAMENT SPY REPORT (continued)

Round nine, eight fights one with a standby. In the lead and undefeated is Plyometrics, with one loss are Beemo, Maximillian, High End Bun (who drew the standby), One Mic, Highway Gambler, and Rarity. Four with two losses: Vanguard, Sonny Terry, Twig, Kill the Wabbit. Four eliminated at with three losses. Aimed blows are down to four, lungers and slashers to three, rippers two, one each plunger, total parry, and wall of steel. Bashers, pikers, and strikers are out of the running.

Round ten, six fights, one with a standby. Plyometrics has the lead, undefeated. With one loss are Beemo, who drew the standby, and Rarity. Seven with two losses, and I'm not going to list 'em right now. Sonny Terry washed out with three losses.

Round eleven, five fights. Plyometrics remains undefeated. With two fights we have Beemo, Maximillian, High End Bun, Kill the Wabbit, Highway Gambler, and Rarity. Three more are out.

Round twelve, four fights, with a standby. Plyometrics remains undefeated. Nobody with one loss, with two losses we have Maximillian, Highway Gambler, Rarity, who drew the standby, and Beemo. Two more are out of the running.

Round thirteen, two fights. Maximillian eliminated Highway Gambler and Plyometrics ousted Rarity. The next round will probably settle this.

Round fourteen, one last fight: PLYOMETRICS 84-31176 of FOUNTAIN OF YOUTH devastated MAXIMILLIAN 96-5272 of KILLER MACHINES F2 in a 2 minute mismatched fight. Plyometrics, and aimed blow, remains undefeated and is the Champion. We congratulate it, and its runner up Maximillian who is a ripper.

Nobody seems to have died here in this level, and we salute their good fortunes.

The stylemasters are: Jason Vorhees (PS), Run's House (BA), Eeriest Expectation (ST), Egad (PL), Vanguard (TP), High-End Bun (WS), Rarity (SL), Highway Gambler (LU), Maximillian (PR), and Plyometrics, our top AB. We salute them.

ADM. The giddiness of graduation has passed, and now you're looking at the long slog to Primus. But tours like this pass the time.

Round one, seventy-four fights. That means at least one hundred forty contestants, if my math is correct, and even if it isn't. All styles are present. Lungers are the most numerous at forty-one, aimed blows come next at thirty-six. Fifteen total parries, twelve slashers, and twelve walls of steel, the other styles all in single digits.

Round nine, fourteen fights. The numbers are thinning down nicely. Two warriors are undefeated now: Seymore Gutts, wall of steel, and S.N.A.F.U., whose name is going to be a nuisance to type. Looks like six with one loss: Homecoming Queen a ripper, Quinsy Conch, an aimed blow, Homoculous, Reginald Funkenstein, and Bernard. Too many with two losses to type, gotta weed them out. Six eliminated. Bashers and strikers have petered out now.

Round ten, maybe eleven fights. Only one undefeated warrior left, S.N.A.F.U., a slasher. Three with one loss: Homecoming Queen, Seymore Gutts, and Bernard. Twelve with two losses, and six more out at 7-3, not even tourney victors. Tough luck, and a lot of it probably is luck, who you get matched with.

Round eleven, I keep wanting to write that as round elven, which makes no sense. Eight fights. Nobody left undefeated, S.N.A.F.U. got his first loss from Ruth. All tied with one loss we have Homecoming Queen, Seymore Gutts, S.N.A.F.U., and Bernard. With two losses: Ruth, Superior Snotling, Gibson, Connie, and Nick Seafort. Seven are out at eight-three, tourney victors but not involved in further fighting.

Round twelve, five fights, one with a standby. Three warriors in the lead with one loss: Homecoming Queen, Seymore Gutts, and S.N.A.F.U. Three with two losses: Ruth, Gibson, and Bernard. Three headed for the showers.

Round thirteen, three fights. Only one warrior with a single loss, Seymore Gutts. Four with two losses still in the contest: Homecoming Queen, Gibson, S.N.A.F.U., and Bernard. Ruth is out, having been defeated by Gibson.

Round fourteen, three fights, one with a standby. Homecoming queen is out at the hands and blade of Gibson, a ripper as she was. S.N.A.F.U. drew the standby. Everyone still in the contest has two losses. So another two rounds will finish this.

Round fifteen, two fights, two eliminations: S.N.A.F.U. forced Seymore out, and Bernard "devastated" Gibson. The next round will decide this contest.

Round sixteen, the final fight: BERNARD 9-6057 of WESTWORLD was devastated by S.N.A.F.U. 32-6523 of SECRET SQUIRRELS in a action packed 1 minute mismatched fight. S.N.A.F.U. is the champion of ADM, and a slasher. Bernard, his runner-up is a lunger. We congratulate them both.

Dead in this contest are Bigface, Thanos, and Urethra Franklin, and we salute them all.

TOURNAMENT SPY REPORT (continued)

The stylemasters of ADM are: 50 Star General (ST), Surly Deckhand (BA), Corea (PL), Hogshead (PS), Katamari Damancy (TP), Superior Snotling (AB), Seymore Gutts (WS), Gibson (PR), Bernard (LU), and of course, S.N.A.F.U., a Slasher. We salute them all, as well.

Freshman, for whom all things appear possible. Hey, they survived a year or more in the arena and reached the Isle and immortality. What can't they do next?

Round one, one hundred seventy-five warriors, and probably a standby, eighty-nine fights. My count could be off. Half lost, but the other half won. Total parries are the most numerous style at thirty-one, aimed blows and bashers are trailing at twenty, with walls of steel, lungers, strikers, and slashers between ten and twenty, the other styles in minimal numbers, but all are present.

Round nine, I make it thirteen fights. Quite a drop, but all things are possible, including losing fights. Only one warrior is undefeated at this point, Ill Subliminal, a total parry. Six have one loss: Flying Pig, Chatmon, Rolly, Buffalocalypse, Sigma Lupi, and Armageddon. Maybe nine with two losses. And ten more out. All styles are still present and active, but not in significant numbers.

Round ten, eight fights. Ill Subliminal remains undefeated. Chatmon, Rolly, and Armageddon are hanging on with one loss. Seven with two losses, and I'm not going to list them. Five more eliminated.

Round eleven, six fights. Ill Subliminal picked up his/her/its first loss from China Room. Ill Subliminal (total parry), Chatmon (striker), and Armageddon (basher) are tied with one loss. Five with two losses: China Room (plunger), Rare Breed, Rolly (ripper), Hissy, and Sigma Lupi (piker). Three more are finished with this contest.

Round twelve, four fights. Ill Subliminal holds the lead again with one loss; China Room, Chatmon, Rolly, Sigma Lupi, and Armageddon all have two losses, and Rare breed and Hissy are out.

Round thirteen, three fights, with an elimination on each fight. Ill Subliminal, now twelve-one, forced Armageddon out. China Room, at eleven-two, finished Rolly, and Chatmon, also at eleven-two, ousted Sigma Lupi.

Round fourteen, two fights, one with a standby. We now have three warriors remaining, all at twelve-two. Chatmon drew the standby, and China Room "subdued" Ill Subliminal. We should have an end in a couple more rounds.

Round fourteen, two fights. China Room devastated a Dangerous Criminal and Chatmon slimly lost to Ill Subliminal and is out. The next round will decide this.

Round sixteen, one last fight: ILL SUBLIMINAL 24-5084 of TRIBE was viciously subdued by CHINA ROOM 85-542 of GREAT TEAM 3 in a crowd pleasing 4 minute fight. China Room, a plunger, is our champion here, with Ill Subliminal, a total parry, as runner-up. We congratulate them.

There were two temporary deaths here, early on: Rokar the Corpse, to whom death should be no surprise, and Sashimo. We salute them.

And we salute the stylemasters: Ed Norton (SL), Toe Lint (AB), Buffalocalypse (WS), Cancha (LU), Armageddon (BA), Sigma Lupi (PS), Rolly (PR), Chatmon (ST), Subliminal (TP), and China Room (PL). Way to go guys.

Challengers, a tricky class, some are immortal and some not. I can't even guess who will die a real death today.

Round one, two hundred thirty-five warriors, one hundred eighteen fights, one with a standby. Lungers were the dominant style, with eighty warriors present, total parries next with thirty-seven, walls of steel with thirty-four, strikers at twenty-six, aimed blows at twenty-one, slashers at fifteen, and the other styles in single digits. This is good, from my point of view: I like to see variety.

Round nine, twenty-three fights. At this point, three warriors are undefeated: Black Genesis (a slasher), Zobnin (a lunger), and PFC11 (a striker). Seven warriors have a single loss, and lots, I don't know if I can count that high, have two, um, eighteen. Seventeen are eliminated on this round; no basher and pikers are still fighting.

Round ten, fourteen fights. Only Zobnin remains undefeated. Black Genesis, Bob, Priscilla, and PFC11 have one loss each. Sixteen are still hanging on with two losses. Seven more are out. No rippers and walls of steel now; lungers still dominate the other styles by number.

Round eleven, eleven fights, one with a standby. Nobody is undefeated at this point, but with a single loss we have Black Genesis, Zobnin, Bob, Priscilla, and PFC11. With two losses, still in the running, we have Presto Geisha, Full of Hot Air, If I Bluff, Weak Sauce, Kriket, Fifth-Rate, and Archfire. With three losses, but eight wins, and still tourney victors, several. I didn't write it down soon enough, and the other words wiped it out in my head. But these warriors tried hard to get this far.

TOURNAMENT SPY REPORT (continued)

Round twelve, and we're down to six fights. Three with one loss, Black Genesis, Zobnin, and Priscilla. Five with two losses, Full of Hot Air, Bob, If I Bluff, Krikit and PFC11. Four more are out.

Round thirteen, four fights. Black Genesis and Zobnin share the lead at twelve-one. At twelve-two we have Full of Hot Air, Priscilla, and PFC11. Three more have been eliminated. The last aimed blow is out of running. Round fourteen, three fights, one with a standby. Zobnin (a lunger) is alone in the lead with one loss. Black Genesis (a slasher) and PFC11 (a striker) have two losses. Full of Hot Air is out, and so is Priscilla who lost to an embezzling scribe! We're getting close to the end now.

Round fifteen, two fights. Zobnin drew a standby and won. Black Genesis devastated PFC11. Only one or two more rounds to go.

Round sixteen, one last fight: BLACK GENESIS 13-4223 of THE BLACK CHAPEL was devastated by ZOBNNIN 85-36276 of RUSSIA 18 in a 1 minute mismatched fight. That puts Zobnin, a lunger, as the champion of Challengers, with Black Genesis, a slasher, as runner-up. We congratulate them.

Nine Challengers died here today, and we salute them.

We also salute the stylemasters. Rhyme (BA), Psychosis (PS), Herschel F. Briles (WS), Whispy Lib (PR), Gecko (TP), Weak Sauce (AB), Full of Hot Air (PL), PFC11 (ST), Black Genesis (SL), and Zobnin (LU). Congrats!

Champions. It always tickles me that we're looking for the champion of Champions here. So I'm easily amused, sue me.

Round one, fifty-eight fights. One hundred sixteen warriors. I laugh and acknowledge that number as "manageable." You think I'm crazy? I admit it. I've been down this road before, and about the time I get here, I lose sight of reality. All styles are present except plungers. Lungers without parry lead the numbers with forty, about twice the second most numerous, strikers at twenty-two. Numbers drop sharply from that point.

Round nine, nine fights, one with a standby. Nobody undefeated. With one loss are: Guy 'n Anne, My Sealed Lips, Lucky, Darkfire who drew the standby, One Man Fury, and Sgt. Spinkles. Six with two losses: Skull, Nice, Uppercut, Happy Fun Ball, Crackle, Archers of Loaf. Five are headed for the showers. Strikers dominate the numbers now, and anything with "parry" in the name is not in the game.

Round ten, six fights. Nobody undefeated, of course. With one loss: Guy 'n Anne, My Sealed Lips, Darkfire, One Man Fury, Sgt. Spinkles. With two losses Crackle and Lucky. Five eliminated on this round.

Round eleven, four fights, one with a standby. Three contestants have a single loss: Guy 'n Anne, a piker, who drew the standby, One Man Fury, an aimed blow, and Sgt. Spinkles a lunger. Two have two losses: Lucky and Darkfire. Two are eliminated, Crackle with three losses, and My Sealed Lips through being dead.

Round twelve, three fights, one with a standby. With one loss: Guy 'N Anne and One Man Fury, who drew the standby. With two losses Darkfire, and Sgt. Spinkles. Lucky is our.

Round thirteen, two fights. Everyone now has two losses, and except for Sgt. Spinkles everyone has a kill. Two more rounds should finish this contest.

Round fourteen, two fights. Guy 'N Anne bested One Man Fury, and Darkfire Demolished Sgt. Spinkles. The losers are out and the winners will settle things next round.

Round fifteen, the last fight: GUY 'N ANNE 18-10794 of NEXT GENERATION bested DARKFIRE 63-3503 of STEELE RISING in a action packed 1 minute master's fight. Guy 'N Anne is/are the Champion of Champions, with Darkfire as runner up and we congratulate them.

Eleven Champions died here today, and we salute them.

Nine styles fought here today: Tornado (PR), First and Ten (WS), Scrapper (TP), Nice (BA), Crackle (ST), My Sealed Lips (SL), One Man Fury (AB), Darkfire (LU), and Guy 'n Anne (PS), and we salute the stylemasters.

Adepts. These young guys think they know what they're doing. Who am I to set 'em straight. Some of them may even be right.

Round one sixty-five fights, I think. One hundred thirty warriors. Lots of lungers, thirty-two. Strikers next at twenty-two. And the rest down from there. All styles are fighting here today.

Round nine, twelve fights. Two warriors are undefeated: Zekken and My New Suit. Three are in second place with a single loss: Exogenous Shock, Stretch Squad, and Sippy Cup. Nine with two losses, and I won't list 'em now. It's the beginning of the day, and my fingers are already stumbling. Nine eliminated on this turn. Strikers are most numerous now; at eight, lungers have fallen to five where they are tied with slashers. Plungers, rippers, and pikers are all out.

Round ten, seven fights. Only Zekken, a lunger, is undefeated. With one loss are Stretch Squad, a striker, My New Suit, and Sippy Cup, a slasher. Two losses: Exogenous Shock, Square Wheel, Shout, Radio Song, Agonic Line, a basher.

TOURNAMENT SPY REPORT (continued)

Round eleven, five fights. Zekken remains undefeated. At one loss are My New Suit and Sippy Cup. At two losses: Stretch Squad, Shout, and Agonic Line. Three more out of the running. Strikers are now dominating this level, at four present, with slashers right behind them at three.

Round twelve, three fights. Nobody undefeated. Zekken lost a fight with Shout. At one loss are Zekken, My New Suit, and Sippy Cup. At two losses, only Shout. Two more have been eliminated.

Round thirteen, two fights. No one undefeated, no one eliminated. Zekken retains the lead with a single loss. The other three: Shout, My New Suit, and Sippy Cup have two losses. We're nearing the end now.

Round fourteen, two fights. Zekken remains in the lead with one loss, having eliminated Sippy Cup. Shout ousted My New Suit. The next round or the one after should do it.

Round fifteen, one fight to even things out: SHOUT 4-7430 of PALE SHELTER 57 devastated ZEKKEN 85-52909 of THIRSTY THUGS 2002 in a action packed 1 minute mismatched fight. Both warriors now have two losses, so the next round WILL end the contest.

Round sixteen, the final fight: SHOUT 4-7430 of PALE SHELTER 57 devastated ZEKKEN 85-52909 of THIRSTY THUGS 2002 in a 1 minute mismatched fight. That gives us Shout as the Champion, and Zekken as runner-up, and we congratulate them.

Nine Adepts died today, and we salute them.

We also salute he stylemasters: I'm Gonna Win (PS), Columbo (PR), Rodman (PL), Melissa (AB), Slapstick (TP), Demonic Fury (WS), Agonic Line (BA), My New Suit (ST), Zekken (LU), and Shout, a Slasher. Well done.

Initiates. You guys think you've been initiated? If this isn't your first tourney, you've got things to learn. In the regular arena you fight once ever two weeks. Here, you may fight ten or more times in one day.

Round one, I count eighty nine fights. Lungers dominate the numbers at forty-three, strikers are next at twenty-eight, aimed blows at twenty-seven, and the rest on down to two plungers.

Round nine, fifteen fights. Two warriors are undefeated at this point: Brown Sugar, a striker, and Chief Chief, a wall of steel. At one loss, we have Marksman, Starbursts, Apex-Legends, Serendipity, Pestilence, Doomstick, Bonnie Mc Murray, and Janky. Twelve warriors at two losses, and I'm not going to list them now. Nine are out after this round.

Round ten, eleven fights. Brown Sugar remains undefeated and holds the lead. With a single loss, I see Marksman, Janky, Apex-Legends, Pestilence, Chief Chief, and Bonnie McMurray. Eight with two losses, and seven eliminated. Still more lungers than any other style: seven lungers, six strikers, three, two one, and none as we drop down the list of styles, no plungers, rippers, or pikers.

Round eleven, eight fights. Brown Sugar holds the lead with no losses. Marksman and Bonnie McMurray are next with one loss. Nine with two losses. A mere three eliminated. We'll see more action on the next round.

Round thirteen four fights. Bonnie McMurray handed Brown Sugar her first loss. Now Marksman, Janky, Serendipity and Bonnie McMurray are still fighting with two losses, and three more are out.

Round fourteen, three fights, one with a standby. SERENDIPITY 62-5155 of STEELE RISING was butchered by BROWN SUGAR 85-54506 of STICKY FINGERS in a 1 minute mismatched fight. Too much sugar is dangerous. Janky drew the standby and won.

Round fifteen, two fights, one with a standby. Brown Sugar drew the standby and retains the lead at fourteen-one. Janky eliminated Marksman.

Round sixteen, one fight. Janky gave Brown Sugar a second loss. It's just the two of them now, and they're tied. Next round finishes things.

Round seventeen, the last fight, and it seemed to take forever to get here. BROWN SUGAR 85-54506 of STICKY FINGERS was devastated by JANKY 86-16113 of JESS SAYS in a 1 minute mismatched fight. This makes Janky the champion and Brown Sugar the runner-up. We congratulate them both. Both are strikers.

Fourteen Initiates died here today, and we salute them.

We also salute the stylemasters: Deadly Grace (PL), Robert Paulson (PR), Hatu Wind (PS), Starbursts (SL), Balanced (TP), Pestilence (LU), Bonnie McMurray (WS), Serendipity (AB), Marksman (BA), and Janky (ST). Coo!

Apprentices. This is what you've been apprenticing for, make the most of it.

Round one, one hundred nineteen fights. Argh! It's too many, I can't wrap my old mind around it. Fifty-five are lungers, fifty-one are strikers. After that the numbers taper down, but all ten styles were actively involved here.

Round nine, twenty-eight, unless I miscounted. I hope not. Two undefeated warriors in the lead: Coraku, a total parry, and Bianca on teh Boom, a slasher. Nine with one loss, fourteen with two losses, and fourteen out of the contest. At this point, the lungers have the lead at twelve entries, tagging behind them are six each

TOURNAMENT SPY REPORT (continued)

total parries and walls of steel, then five each aimed blows and strikers, and the other styles tapering off to no bashers, no plungers, no pikers.

Round ten, thirteen fights. Nobody undefeated now. With one loss: Coraku, Barsod, Sky Comma, Wickersham, Pleasing Words, Youtoobin, Bianca on teh room, I find it hard to type her name, and Wile E. Coyote. Ten with two losses, and a bunch being sent out. Okay, only eight, but by this time, eight is a bunch.

Round eleven, nine fights. Looks like half a dozen with one loss: Coraku, Sky Comma, Wickersham, Pleasant Words, Youtoobin, and Bianca. Five with two losses: Granada, Barsod, Enas Yorl, D House, and Wile E. Coyote. And seven lucky ones headed for the showers with a tourney victor status in hand.

Round twelve, six fights, one with a standby. Only Coraku, Sky Comma, and Wickersham are still at one loss. At two losses, I see Barsod, Pleasant Words, Enas Yorl, Youtoobin, Bianca, and Wile E. Coyote. Granada and D House are out.

Round thirteen, five fight, one with a standby. Wickersham, a lugner, is alone in the lead with one loss. With two losses, but still in the contest: Coraku, a total parry, Sky Comma, a wall of steel, Pleasant Words, an aimed blow, Youtoobin, style not known, Biana, a slasher, and Wile E. Coyote, style not known. Barsod, a ripper, and Enas Yorl, a striker, are out.

Round fourteen, four fights, one with a standby. Wickersham, who drew the standby, is alone in the lead with one loss. With two losses we have Sky Coma, Pleasant Words, and Bianca on teh Boom. Three more have been eliminated.

Round fifteen, two fights, ending with Sky Coma out and everyone else standing at two losses.

Round sixteen, two fights, with Bianca drawing a standby. Wickersham ousted Pleasant Words. The next round will settle this contest.

Round seventeen, the last fight: WICKERSHAM 42-5278 of LEVIATHAN bested BIANCA ON TEH BOOM 86-10482 of MY FIRST STEP in a crowd pleasing 2 minute fight. That leaves Wickersham the official champion. He is a lugner, and Bianca is a slasher and runner-up. We congratulate them.

Fifteen Apprentices died today, and we salute them.

We also salute the stylemasters: Andekan (BA), Echelon (PL), Tub of Lard (PS), Barsod (PR), Enas Yorl (ST), Coraku (TP), Sky Comma (WS), Pleasant Words (AB), Bianca on Teh Boom (SL), and Wickersham (LU). Kudos.

Rookies. I look across your heads in the crowd, and I despair. Was I ever that young and inexperienced? Surely not. But if so, there's hope for all of you that you can survive to be like me.

Round one, maybe two hundred and seven fights. Eighty-seven aimed blows lead the pack, stepping carefully to the side to study the situation. Eighty-two lungers leap forward, eighty-one strikers, forty-seven slashers, thirty-one rippers, two dozen walls of steel, twenty-one total parries, eighteen bashers, thirteen plungers, and ten pikers. It's a daunting pack. When the Commission handed me the enrollment, the weight of the pages almost knocked me over. This is probably a good thing. Job security, and ultimately world security, since you're all part of the ultimate Alastarian defense force.

Round nine, twenty-nine fights, one with a standby. Three undefeated warriors lead the pack: Defient, an aimed blow, Tripin, a lugner, and Gentleman Cob, a total parry, who drew the standby. Nine with one loss. Twenty-nine with two losses, and sixteen eliminated on this round. Style numbers are dropping, as well, naturally enough, with lungers, aimers and strikers in the teens, and plungers totally gone.

Round ten, twenty-one fights, one with a standby. Two warriors remain undefeated: Tripin and Gentleman Cob. Four have a single loss: Silent Stare, Defient, Dalim, and Krag. Twenty-two with two losses. Thirteen more are out for this tourney.

Round eleven, fourteen fights. Nobody undefeated now. With a single loss: Silent Stare, a lugner, Tripin, another lugner, Dalim, a striker, Krag, no clue, and Gentleman Cob, a total parry. With two losses: Hadar, an aimed blow, Difient, probably an aimed blow, Teabag V World a wall of steel, Wrecker, Pinpoint, Crowbar Manicure, Tureis, Muktuk, Talon, No Money Down, a piker, and Slimeball, a slasher. Eleven head for the showers. No bashers, plungers, or rippers left.

Round twelve, nine fights. Still nobody undefeated, that road can't be walked backward. Silent Stare and Dalim have the lead with a single loss each. Ten with two losses, and I don't feel like listing them. Five more are out of the contest. Lungers and aimed blows are still the most numerous styles, with bashers, plungers and rippers totally gone. That doesn't run backward, either.

Round thirteen, six fights. Huh. People and cats are taking naps all around me, and I'm still wrestling with this report. I guess I'd better wrestle faster. Silent Stare and Dalim hold the lead with one loss each. Still in the contest with two losses are Tureis, No Money Down, Talon, and Muktuk.

Round fourteen, three fights. Dalim has the lead with one loss. Three warriors have two loss: Silent Stare, Tureis, and Muktuk. Two more are out.

TOURNAMENT SPY REPORT (continued)

Round fifteen, two fights. Dalim, a striker, holds the lead with a single loss; Tureis, a lugner, is on is/her/its heels (if stars have heels) with two losses, and everyone else is out. One or two rounds will finish this last contest.

Round sixteen, one fight, not the last one. DALIM 30-5807 of FORNAX was unbelievably bested by TUREIS 39-4311 of PUPPIS in a 2 minute fight. Dalim and Tureis are now tied with two losses. The next round will settle this.

Round seventeen, the final fight: DALIM 30-5807 of FORNAX was unbelievably bested by TUREIS 39-4311 of PUPPIS in a 2 minute fight. Tureis, a lugner is the champion here, with Dalim, a striker as runner-up. We congratulate them.

I count twenty-two dead, not bad considering, and we salute them.

We also salute the stylemasters: Enihal (PL), Traps (PR), Perry (BA), Slimeball (SL), Gentleman Cob (TP), Crowbar Manicure (AB), Teabag V World (WS), No Money Down (PS), Dalim (ST), and Tureis (LU). Congrats!

Hello, warriors and managers of the Tournament of the Dead... mostly managers, I guess, since the vast majority of the participating fighters have gone... home... Anyway, this is Jermyn Lasker bringing you the Dead Tourney report.

Here it is, the big one, the **Dead Challenger Champions** Tournament! There were 18 turns.

Turn 1: 344 dead challenger champions were brought back, temporarily, for the Dead Challenger Champions Tournament. They took part in 172 fights in the first turn. It took a couple of days just to hold these fights, and a couple of nights to replace the sands which were strewn with body parts and soaked with... ick. Thirteen people were re-killed in the first turn. Wow. Now I'd like to look at the six fighters who would go on to the final five turns. 400S 16-5674 of JLG was demolished by FRANCIS CLARK 82-55500 of MEDAL OF HONOR J1 in a popular 1 minute bloody one-sided battle. MERCURY SABLE 71-6123 of OUT OF THIS WORLD was handily defeated by THE MACK 85-24262 of HOWLIN' CLASSICS in a 1 minute fight. JACK HAMMER 47-3790 of ROYAL FLUSH was handily defeated by THE FART IN OUR CARS 84-49586 of SEQUELS in a 1 minute one-sided match. INHUMANLY CONTORTS 75-83 of CRITICALS demolished DYLAN 82-32484 of TRAUMATOPHOBIAICS in an action packed 1 minute mismatched bout. STOOL SAMPLE 82-49946 of EXTRA FURNITURE overpowered WASTERBATE 85-28153 of WASTED in a 1 minute one-sided melee. PIANIST 4-6059 of DIFFERENT HATS slimly won victory over MY DYING BED 84-32882 of TIME OF DYIN' in a 3 minute veteran's contest.

Turn 2: I counted 331 fighters this turn, so there were 166 fights. I believe five fighters were re-killed. HUSBAND 4-5561 of DIFFERENT HATS was executed by 0001 82-13970 of JAN 2002 in a exciting 1 minute one-sided fight. TELLS TALL TALES 73-1802 of THINGS GEORGE DOES was assassinated by KARMA 82-45354 of PQ REDUX in a 1 minute one-sided duel. SMITE 84-7041 of SMITH SMACK murdered AIMED BLOWS 84-34546 of THINGS I HATE in a 1 minute mismatched fight. TOP DUCK 39-932 of DUCKS UNLIMITED assassinated SARONG NACHOS 84-14543 of 060310AL in a 1 minute uneven fight. CPL PUNISHMENT 31-3880 of MILITARY MAYHEM slaughtered SSG 2 84-34267 of MEDAL OF HONOR HB in a 1 minute uneven match.

The significant six: 400S 16-5674 of JLG was overpowered by MY DYING BED 84-32882 of TIME OF DYIN' in a crowd pleasing 1 minute bloody mismatched bout. BLACK PORSCHE 73-478 of D.A. CORSAIR 28-5198 of SEA DOGS was savagely defeated by INHUMANLY CONTORTS 75-83 of CRITICALS in a popular 2 minute veteran's bout. THE FART IN OUR CARS 84-49586 of SEQUELS was savagely defeated by FALLING BEAD 85-14843 of THIRSTY THUGS 163U in a 5 minute match. MERCURY SABLE 71-6123 of OUT OF THIS WORLD was defeated by THE MACK 85-24262 of HOWLIN' CLASSICS in a 2 minute master's bout. MISS MANAGED 8-3519 of LADIES IN WAITING overpowered FRANCIS CLARK 82-55500 of MEDAL OF HONOR J1 in a 1 minute one-sided bout.

Turn 3: 328 fighters took part in this turn. And 49 were sent back to Ahringol's realm because they had now lost three fights. My understanding is that it isn't an evil place. The only thing the dead will suffer from is boredom. I believe only one, Unflushed of Bash Bros Bathroom, was actually re-killed. Still -- back to the fields of boredom they all went. Here is the unfortunate end of Unflushed: GINNY 26-4077 of WARCKERS killed UNFLUSHED 54-3115 of BASH BROS BATHROOM in a 2 minute veteran's fight. MY DYING BED 84-32882 of TIME OF DYIN' viciously subdued MCTURDSWALLOW 84-7290 of HOTEL STILL BLOWS in a 3 minute competition. TITO 46-4729 of TEQUILA SUNRISE was vanquished by THE FART IN OUR CARS 84-49586 of SEQUELS in a crowd pleasing 2 minute uneven fray. FORMS 72-7540 of BASH BROS DMV was beaten by THE MACK 85-24262 of HOWLIN' CLASSICS in

Well done, both of you.

Among the Dead Challenger Champs, 31 were re-killed during this tourney, while many were eliminated simply by losing three fights. I know that a lot of managers (and fighters) had fierce hopes for those who tried their best but did not make it. I am sorry, and I hope you do better in the next Tournament of the Dead.

Dead Champions. Turn 1: 176 fighters participated. Of those, four were re-killed. There were 88 fights. Those who lost their first fight were fiercely determined not to lose again, lest they be forced to return to Ahringol's realm. I understand that it isn't hellish, but it is quite boring. This is Jermyn Lasker, reporting.

Dead Adepts: There were 242 fighters in the Dead Adepts Tournament, which means we started with 121 fights. In the first turn, I will mention a few fighters who went on to great things, but I'll also note any unusual fights. The most popular style was Aimed Blow, and the least popular was Parry-Strike.

The longest of those 121 fights was 8 minutes. I don't know, have you managers chosen not to try to bring back your defensive fighters who passed on, or do you think your defensive types would do better with a fast strategy in order to save their lives? TEEPEETOTALER 12-5139 of BREWTALITY! outwaited ONOMATOPOEIA 33-10115 of HEROIC VERSE in an 8 minute fight.

Constitution was our leading Aimed Blow, but I believe he's been eliminated.

Turn 11: There were eight fights in this eleventh turn, and I think I should mention these people's current records. Hastings and Grunt 24 are the only undefeated fighters remaining. SGT SCRUBBRUSH 2-4209 of WEEDS WE IS!! was devastated by SSG 14 84-52490 of MEDAL OF HONOR 15L in a 1 minute mismatched fight. Sgt Scrubbrush is 8-3-1, so he's out of the tourney. SSG 14 is 10-1-0. CAPTAIN PEACOCK 6-2999 of SOUL STRIPPERS II was vanquished by EDWARD DAHLGREN 82-41640 of MEDAL OF HONOR 29 in a 1 minute battle. Edward Dahlgren is 10-1-0. Captain Peacock is 8-3-0 and will be retiring. HASTINGS 16-6541 of HALLOWED GROUND demolished PFC22 84-3826 of MEDAL OF HONOR M1 in a crowd pleasing 1 minute uneven fight. Hastings is 11-0-0. PFC22 is 8-3-0, so he'll be returning to Ahringol's realm. TUPAC 16-6845 of DEAD POETS SOCIETY was bested by UPTON 36-7660 of SERPENTS HOLD in an exciting 1 minute veteran's fight. Tupac is 9-2-1, hanging on by his fingernails. Upton is 10-1-0. GRAVELORD NITO 32-6960 of DARQUE SOULS devastated OSKSI NOBLE 222-3 of stand-ins, in a 1 minute uneven brawl. Gravelord Nito is 9-2-0. SSG 8 86-185 of MEDAL OF HONOR 104 demolished OSKSI NOBLE 222-3 of stand-ins in a 1 minute mismatched competition. Note that Hastings and Grunt were the only two stylemasters, so evidently the others were Lungers and Strikers, too.

Turn 14: Now we enter a series of rather repetitive turns, as the last four fighters struggle to prove who is the best. HASTINGS 16-6541 of HALLOWED GROUND bested SSG 8 86-185 of MEDAL OF HONOR 104 in a action packed 1 minute master's fight. SSG 14 84-52490 of MEDAL OF HONOR 15L killed SSG 8 86-185 of MEDAL OF HONOR 104 in a popular 1 minute veteran's melee. I didn't know guildmates could be matched against each other, but I suppose it's necessary. And I'm sorry for SSG 14, forced to kill a friend.

Turn 18: Three fighters again this time. HASTINGS 16-6541 of HALLOWED GROUND devastated MORDANT DESERTER 222-2 of stand-ins, in a 1 minute mismatched fight. GRUNT 24 82-48811 of MEDAL OF HONOR B3 vanquished SSG 14 84-52490 of MEDAL OF HONOR 15L in a exciting 1 minute uneven battle. And so, SSG 14 was eliminated, while Hastings and Grunt have to fight to a tie-breaker.

Here is the **Dead Initiates** section of that tourney. There were fourteen turns altogether. The first turn had, if my count is correct, 184 participants. So, there must have been 92 fights, and 46 undefeated. All of that happened in a single day, and it was fairly gross, body parts dropping and ichor splattering. Commission-employed ditch diggers were up all night, completely replacing the stained and unwholesome sand in the arena.

At the start, the most highly rated fighter in the Dead Initiates was You Lose, from Aljafir, with 24 recognition points. SKIN 6-4281 of OINGO BOINGO was savagely slain by YOU LOSE 17-4745 of THE SHOWOFFS in a 2 minute gory melee. You Lose became the tourney leader in turn one, and also the highest rated Basher. And unfortunately, Skin had to leave the tourney and bid farewell to his (or her, or its) teammates and go back to Ahringol's realm.

Other fights of note in the first turn:: SONG LI 21-5718 of SAUCY MONASTERY was overpowered by SSG 17 85-19271 of MEDAL OF HONOR 170 in a 1 minute one-sided duel. Turn 2: You Lose remained the tourney leader and most successful Basher. YOU LOSE 17-4745 of THE SHOWOFFS overpowered OTTER 61-4407 of DELTA TAU CHI in a 1 minute uneven fight. WAIL THE RAGER 8-5525 of THE CHOSEN was butchered by SSG 17 85-19271 of MEDAL OF HONOR 170 in a 1 minute one-sided battle. And SSG 17 became the top Striker. In this turn, Peewee was top Striker, White Dog was top Slasher, and Saturday Savior was top Parry-Riposte. Top -- well, you know, ONLY. Raven wasn't top anything, which I take to mean that he was a Striker or a Slasher.

Turn 14: WHITE DOG 4-7469 of 216 BOURBON ST devastated OSKSI NOBLE 223-3 of stand-ins, in a 1 minute mismatched fight. It seems a little unfair to me that White Dog didn't get to face off against Peewee. Still, White Dog already had two losses from previous turns. But it was a good try. RAVEN 21-9024 of DRAGON'S FIST was vanquished by PEEWEE 73-8116 of PORKY'S in a 1 minute uneven battle. And so, with a record of 14-0-0, Peewee has won the Dead Initiates Tournament and arisen from Ahringol's realm! Congratulations!

I extend my sympathy to those managers who tried so hard to bring back their favored fighters, and failed to do so.

I hope to be back next year. This is Jermyn Lasker, signing off.

The Dead Apprentices report seems to have gone missing. I blame Zotani.

* The tournament prize is: a single potion which either resurrects one of their dead warriors, makes one of their living warriors immortal, or rejuvenates a mortal warrior to his starting levels! The rejuvenation potion must be used on a non-prize-modified warrior before you know its favorites. All Dead Tourney Tournament Champions will be resurrected and granted immortality; Tournament Victors of the Dead Tourneys will only be resurrected. Immortal warriors may not challenge the Dark Arena. (You don't have to kill off a member of your team when the dead warrior is resurrected; you can wait for an opening on the team to occur naturally any time in the next six months.) All Dead Tourney Tournament Champions will be resurrected and granted immortality; Tournament Victors of the Dead Tourneys will only be resurrected. Immortal warriors may not challenge the Dark Arena.
