

# THE MAIL-IN GRAND TOURNAMENT LXXV!

## ARENAMASTER'S NOTES: 20 April 2022

This is the newsletter for the seventy-fifth Mail-In Grand Tournament. All newsletters for regular Duellmasters arenas will include a listing of the tournament participants from that arena—all the warriors that fought will have their tournament win-loss record posted for all to see. DM 209, The Apprentices Tournament	– DM warriors with 1-4 fights as of the Tournament
DM 210, The Rookies Tournament	– DM warriors with 0 fights as of the Tournament

A grand total of 2348 warriors participated in Grand Tournament LXXV. This was a very large amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared The Tournament Champion and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: Three opportunities to swap a pair of attributes on a new rollup (each one rolled three times), to be added as a warrior onto one of their teams! Please remember, you must use all prizes within six months of the tourney when they were won.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in all tournaments. Primus bonus potions must be used on a Primus warrior of the same style; ADM bonus potions may be used on an ADM warrior of the same style; basic DM potions may be used on any living warrior on the same team. Stylemaster potions may be traded 1:1 but may not be sold. These potions must be used within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned Tournament Victor status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from Mail-in LXXIV longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

## TOURNAMENT SPY REPORT

Olaf Modeen here, at **Primus**, the top of the top. The Mount Everest of dueling. I count one hundred thirteen contestants on round one, which means not quite sixty fight, shorter than they used to be. The fights are shorter. About half the warriors are aimed blows, with lungers next a long way down and the others as "also rans." But all styles were present for this.

Round nine, fifteen fights. Two warriors undefeated: Bonnie and Samurai; four with one loss: Drat, Neosphincter, Nebuchadnezzar and Demonfang; too many hanging with two loss to count, much less to list. The style balance has changed with twenty-eight aimed blows, one each lunge and slasher, and no others. The undefeated Bonnie is an aimed blow stylemaster, Legacy is the slasher stylemaster, and Jake the Dog the lunge.

Round ten, ten fights, the longest one being sixty-two minutes, which is more what I expect of Primus. Still the same two undefeated warriors, but only one, Nebuchadnezzar, with a single loss. Ten have reached tourney victor status at eight-two and seven are out of the contest now. Nineteen aimed blows are still fighting, with Bonnie the master of the style. Legacy, the master slasher, was ousted this round.

Round eleven, seven fights, one that ran fifty-seven minutes. Bonnie and Samurai remain undefeated. Nebuchadnezzar still has a single loss. With two losses are Neosphincter, who drew a standby, Bob Eternal, Ironthorn, and Screaming Eagle. Six have been eliminated. Nothing but aimed blows out there, thirteen of them.

## TOURNAMENT SPY REPORT (continued)

Round twelve, four fights, one with a standby. Bonnie and Samurai are still undefeated. Bonnie drew a standby, like she needed the easy win! Ironthorn and Screaming Eagle were eliminated. The rest: Neosphincter, Bob Eternal, and Nebuchadnezzar, who drew the standby, all have two losses.

Round thirteen, with Nebuchadnezzar drawing the standby this time. Bonnie remains undefeated. Samurai has one loss, Bob Eternal and Neb have two, and Neosphincter is out. All aimers at this point.

Round fourteen, two fights. Bonnie picks up one loss and the others all have two. Isn't it a good thing they don't tack on extra losses for long fight? It took Bob Eternal thirty-eight minutes to defeat Samurai.

Round fifteen, two fights. Bonnie, with one loss, ousted Samurai in one minute. Nebuchadnezzar took thirty-seven minutes to send Bob Eternal to the benches. Next time will be Bonnie and Neb, maybe to a finish.

Round sixteen, one final fight: NEBUCHADNEZZAR 22-5821 of WE BE WAR FLAILS was outwaited by BONNIE 29-2780 of SUPERIOR FORCES in a crowd pleasing 11 minute fight. That makes Bonnie the Champion of Primus and the last aimed blow standing. We congratulate her.

And three contestants met with a temporary death in the middle rounds: Geomancer in round five, Wiggler in round six, and Zero in round eight. We salute them.

**Contenders!** Does that translate as "with tenderness"? Seems unlikely.

I count fifty-one fights on round one, all in single digit lengths. All styles present, but not evenly distributed, from forty-two aimed blows to one striker. Besides the aimers, the lungers (twenty-five), and walls of steel (ten), dominate this contest. Half the contenders were undefeated.

Round nine, ten fights, nothing longer than nine minutes. Nobody undefeated here: with one loss we have Polynikes, Hurlnting, and Chili. Ten with two losses, and it looks like eight on the way to the showers. In styles, we now have fourteen aimed blows, three lungers, and one each plunger, piker, and total parry, all other styles are gone. Polynikes, in the lead is an aimed blow.

Round ten, seven fights. Polynikes and Hurlnting are tied with one loss, six: paule Wiedorfer, Spare Anchor, Cadillac Duardo, Alice Blue, Alucard, and Chili, have two losses and five are headed out for a shower, a massage, and lunch. All but Spare Anchor (a total parry) and Cadillac Duardo (a piker) are aimed blows.

Round eleven, four fights. Polynikes retains the lead with one loss; he's alone in that position. With two losses are Paul Wiedorfer, Cadillac Duardo, Alice Blue, and Hurlnting. Everyone else is out now. Polynikes is, of course, an aimed blow, Cadillac is a parry-striker. The others aren't obvious, so I'd say probably aimed blows. That's the name of the game at these upper levels.

Round twelve, three fights, with Polynikes drawing a standby. Polynikes holds the lead still with one loss. Two losses is Paul Wiedorfer and Hurlnting. Cadillac Duardo and Alice Blue are out.

Round thirteen, two fights, with the ill-fated Hurlnting drawing a standby. Polynikes has one loss, Hurlnting two, and Paul Weidorfer has been eliminated. It looks like they're all aimers now.

Round fourteen the final fight: HRUNTLING 1-8994 of SWEORDMASTERS was viciously subdued by POLYNIKES 74-4191 of GATES OF FIRE in a crowd pleasing 4 minute fight. Both aimed blows and we congratulate them for staying in the contest this long. We congratulate them.

It appears that no one died during the Contenders contest. I was right, they WERE tender.

**Eligibles.** Eligible for what? We ask. But nobody answers.

Round one, forty-eight fights, mostly short. Twenty-six lungers, twenty-five aimed blows, nine rippers and seven slashers with the others trailing off, but all present in small amounts.

Round nine, eight fights, one with a standby. Plyometrics is the only undefeated warrior here, with six having one loss, and four with two losses. Four eliminated. No bashers, no pikers, no strikers left; the plungers, total parries and walls of steel are down to one each. It's between aimed blows, lungers, slashers, and a couple of rippers.

Round ten, six fights, one with a standby. Plyometrics remains undefeated, Beemo and Rarity have one loss each, seven have two loss and one is out. Plyometrics is an aimed blow, Beemo a ripper, Rarity a slasher, Vanguard a total parry. A decent variety of styles at this level.

Round eleven, five fights. The joint-wrecking Plyometrics remains undefeated,, three were eliminated, and six have two losses, I'm not going into details.

Round twelve, four fights. Plyometrics (aimed blow) is STILL in the uncontested position of undefeated leader. With two losses we have Maximillian (parry riposte), Highway Gambler (lunger), and Rarity (slasher), the others are out of the fighting.

Round thirteen, two fights. Highway Gambler lost to Maximillian, and Rarity lost to Plyometrics. The losers are out. It's unusual when four warriors are left to have them all of different styles.

## TOURNAMENT SPY REPORT (continued)

Round fourteen, one last fight: PLYOMETRICS 84-31176 of FOUNTAIN OF YOUTH devastated MAXIMILLIAN 96-5272 of KILLER MACHINES F2 in a 2 minute mismatched fight. This gives us Plyometrics, an aimed blow, as the Champion, and Maximillian, ripper, as the runner up. We congratulate them.

Nobody died during this contest.

**ADM**, the big guys.

Round one, seventy-four fights. Mostly aimed b lows (thirty-six) and lungers (forty-one), but all styles were represented here, and not just in ones and twos.

Round nine, fourteen fights. Two warriors are undefeated, Seymore Gutts (wall of steel) and S.N.A.F.U. (slasher). I won't punctuate Snafu after this, too much trouble. Six with one loss, and thirteen with two. Or maybe fourteen, the way they were shuffling around it's hard to be sure. No longer any bashers and strikers in the contest, and the last plunger is washing out now.

Round ten, eleven fights. Snafu (a slasher) remains undefeated. Seymore Gutts (a wall of steel), Homecoming Queen (a ripper), and Bernard (a lugner) have one loss. Twelve have two losses. Too many to write down. All this variety is good! There's no telling what the monsters beyond the Gates may be like and what will be needed to hold them off.

Round eleven, eight fights. Nobody's undefeated now, and we have four on top with one loss, you'll recognize their names: Homecoming Queen, Seymore Gutts, Snafu, and Bernard. Five with two losses (tourney victors now): Ruth, Superior Snotling, Gibson, Connie, and Nick Seafort.

Round twelve, five fights, with Gibson drawing a standby. With one loss we have Homecoming Queen, Seymore Gutts, and Snafu. With two losses are Ruth, Gibson and Bernard. The ranks are thinning fast here.

Round thirteen, three fights. Seymore Gutts has the lead alone again, with only one loss. Homecoming Queen, Gibson, Snafu, and Bernard have two losses, still in there fighting. Ruth has called it a day and one home.

Round fourteen, three fights, with Snafu drawing a standby. Gibson, Seymore Gutts, Snafu, and Bernard are tied with two losses. The Homecoming Queen said her feet hurt and went home.

Round fifteen, two fights. Bernard eliminated Gibson, and Snafu ousted Seymore Gutts. So the next round will settle things, between a lugner and a slasher.

Round sixteen, the final fight: BERNARD 9-6057 of WESTWORLD was devastated by S.N.A.F.U. 32-6523 of SECRET SQUIRRELS in an action packed 1 minute mismatched fight. Snafu, a slasher, is our Champion with Bernard, a lugner as runner up, and we congratulate them.

Three warriors died temporary, but embarrassing deaths in this tournament, Bigface in round five, Thanos in round three, and Urethra Franklin also in round three. We salute them.

**Freshmen**, and some of them were pretty darned fresh, let me tell you, and not all men.

Round one, seventy-three fights. All styles were present, and most in respectable numbers. Thirty-one total parries were the most numerous, twenty each aimed blows and bashers. Eighteen walls of steel, down to eight plungers, six rippers, and five pikers.

Round nine, thirteen fights. Only one undefeated warrior, Ill Subliminal (total parry). Too many with one or two losses for me to count tonight. All ten styles are still present. Amazing.

Round ten, eight fights. Ill Subliminal remains undefeated. With one loss, we have Chatmon (striker), Rolly (piker), and Armageddon (basher). Seven with two losses, and five headed for the showers. Only one style missing at this point—I don't see a basher.

Round eleven, I think six fights. My eyes are getting blurry. Nobody remains undefeated. Holding the lead with one loss are Ill Subliminal, Chatmon, and Armageddon. Five still fighting with two losses: China Room, Rare Breed, Rolly, Hissy, and Sigma Lupi. No aimed blows or slashers are left in the contest here.

Round twelve, four fights. Ill Subliminal is alone in the lead again, having a single loss. Everyone else has two losses, except for the ones with three who are out, that's Rare Breed and Hissy. Aimed b lows, lungers, slashers, and walls of steel are no longer fighting here.

Round thirteen, three fights. Ill Subliminal still sits at the top with one loss. China Room, and Chatmon are hanging on with two losses. The others are out.

Round fourteen, two fights. Chatmon drew a standby. Ill Subliminal picked up a second loss from China Room. They're now all tied with two losses. It won't take much longer to run 'em out here. Two rounds should do it.

Round fifteen, one fight. China Room (a plunger) drew a standby. Ill Subliminal (a total parry) handed Chatmon (a striker) his third loss. The next round will decide this.

## TOURNAMENT SPY REPORT (continued)

Round sixteen, one last fight: ILL SUBLIMINAL 24-5084 of TRIBE was viciously subdued by CHINA ROOM 85-542 of GREAT TEAM 3 in a crowd pleasing 4 minute fight. China Room, a plunger is our Champion here, with Ill Subliminal, a total parry as runner up. We congratulate them.

We note that to warriors died (temporarily) here, in the early rounds: Rokar the Corpse in round two and Sashimo in round one. We salute them.

**Challengers.** I feel challenged just to deal with them. The notes that arrived here included one hundred two pages.

Round one, one hundred eighteen fights. Lungers dominate at eighty present. Thirty-seven total parries, thirty-four walls of steel, twenty-six strikers, twenty one aimed blows, fifteen slashers, all other style present down to three pikers. It makes me dizzy just thinking about it, unless that's because I'm spinning on a bar stool here. But still.

Round nine, twenty-three fights. Almost manageable. No bashers or p-strikers still out there. But we have three undefeated here: Black Genesis (slasher), Zobnin (lugner), and PFC11 (striker). Seven with one loss, eighteen with two losses, and a bunch of eliminations. Lungers are still dominating the styles, with twenty-three out there fighting. Total parries are next with six, and the numbers go down from there.

Round ten, fourteen fights. Still a handful. Zobnin remains alone in the lead as undefeated. Four warriors have one loss: Black Genesis, Bob, Priscilla, and PFC11. Sixteen with two losses, and I'm not going to list them now. A bunch (seven) have been eliminated. Lungers still dominate with thirteen active, the numbers dropping fast to four strikers, four total parries, three each aimed blows and slashers, one plunger, the rest are vacant slots.

Round eleven, eleven fights. No one left undefeated. With one loss we have Black Genesis, Zobnin, Bob, Priscilla, and PFC11. Seven with two losses. A bunch more out. No more styles have dropped off the list.

Round twelve, six fights. In the lead with a single loss are Black Genesis, Zobnin, and Priscilla. Five with two losses, and my fingers are too tired to note their names here, sorta sorry. Four eliminated. The numbers are dropping sharply, with only seven lungers still active, two aimers, one each plunger, slasher, and striker.

Round thirteen, four fights. Black Genesis and Zobnin hold the lead with one loss. Still out there fighting with two losses are Full of Hot Air, Priscilla, and PFC11. All aimed blows have been eliminated now.

Round fourteen, three fights. Priscilla drew a standby and lost, how embarrassing. Black Genesis lost to Zobnin, leaving him with two losses, and PFC11 eliminated Full of Hot Air.

Round fifteen, two fights. Zobnin (a lugner) drew a standby, and Black Genesis (a slasher) eliminated PFC11 (a striker). It'll all be over soon.

Round sixteen, one final fight: BLACK GENESIS 13-4223 of THE BLACK CHAPEL was devastated by ZOBNIN 85-36276 of RUSSIA 18 in a 1 minute mismatched fight. That leaves Zobnin as the Champion and Black Genesis as runner-up. We congratulate them.

Nine contestants died today, I won't list them. But I'll salute them. Being dead isn't bad, if you've got the right package. I'm dead, and mostly I like it. No stress, very few expectations, except the tourney spy reports.

**Champions.** Every one of you a Champion, I can see.

Round one, fifty-eight fights. I think. Numbers can be so slippery. Lungers dominated here, forty of them. Strikers were next at twenty-two. Walls of steel at thirteen. Aimed blows and slashers at ten each, and counting down to no plungers.

Round nine, nine fights, symmetrical. Nobody undefeated, with a single loss we have Guy 'n Anne, My Sealed Lips, Lucky, Darkfire, One Man Fury, and Sgt. Spinkles. Six with two losses, but I won't list 'em now. Plungers, rippers, and total parries are also gone from the ranks, and strikers lead with 6 contestants.

Round ten, six fights. You'll note I'm rushing through things now. Too tired to do otherwise. Five warriors with a single loss: Guy 'N Anne (parry-strike), My Sealed Lips (slasher) (I could think of a lot of puns for that), Darkfire (lugner), One Man Fury (aimed blow), and Sgt. Spinkles (lugner). Two with two losses. Five eliminated.

Round eleven, four fights. Guy N' Anne drew a standby. Still holding the lead with a single loss are Guy N' Anne, One Man Fury, and Sgt Spinkles. With two losses I find Lucky and Darkfire. My Sealed Lips was killed dead by One Man Fury.

Round twelve, three fights. Guy N' Anne and One Man Fury hold the lead between them. Darkfire and Sgt. Spinkles are still in the running with two losses. Lucky is out, and got out alive.

## TOURNAMENT SPY REPORT (continued)

Round thirteen, two fights, four warriors still in and all of them eleven-two; only Sgt. Spinkles doesn't have a kill here. Two lungers, an aimer, and a piker, and two more rounds to go.

Round fourteen, two fights. Guy 'N Anne eliminated One Man Fury, and Darkfire ousted Sgt. Spinkles. Leaving us two warriors on the edge with two losses. The next round will finish this.

Round fifteen, one fight, to the finish: GUY 'N ANNE 18-10794 of NEXT GENERATION bested DARKFIRE 63-3503 of STEELE RISING in a action packed 1 minute master's fight. This leaves Guy 'N Anne, a piker, as the Champion of Champions, and Darkfire, a lunger, as runner up. We congratulate them.

I count eleven warriors dead during this tourney. We salute them.

**Adepts.** These guys were so adept at getting into trouble, they were sent to the arena.

Round one, sixty-five fights, I think. They all look alike after a few days. Lungers dominate here at thirty-two, followed by strikers at twenty-two, aimed blows at fifteen, thirteen walls of steel, twelve slashers, eleven bashers, ten rippers, nine total parries, five plungers, and one lone parry-striker.

Round nine, twelve fights. Two undefeated warriors on top: Zekken and My New Suit. How do you defeat a new suit, cat hair? Spilling a bowl of spaghetti sauce on it? Regardless, three warriors are next with one loss: Exogenous Shock, stretch Squad, and Sippy Cup. Nine with two losses, and I won't list them here and now. There are no parry-lungers, parry-ripostes, or parry-strikers left in this contest.

Round ten, seven fights. Zekken is alone and undefeated. After him, with one loss each, are Stretch Squad, My New Suit, and Sippy Cup. Five with two losses, but I'm too tired to list them now.

Round eleven, five fights, with Sippy Cup drawing a standby. Zekken retains his position as undefeated leader, with one loss is My New Suit and Sippy Cup, with two losses Stretch Squad, Shout, and Agonic Line.

Round twelve, three fights. Shout gave Zekken his first loss and he now joins My New Suit and Sippy Cup at eleven-one. Shout is alone with two losses. Things won't take long now.

Round thirteen, two fights, narrowing down now. Zekken has the lead with one loss. The other three contenders have two losses each.

Round fourteen, two fights. Shout spoiled the New Suit and Zekken spilled the Sippy Cup. It will be Zekken and Shout to the finish pretty quickly here.

Round fifteen, one fight, not the last. Shout handed Zekken a second loss, so they're tied at thirteen-two. Next round finishes this.

Round sixteen, one final fight: SHOUT 4-7430 of PALE SHELTER 57 devastated ZEKKEN 85-52909 of THIRSTY THUGS 2002 in a 1 minute mismatched fight. This leaves Shout, a noisy fellow as the Champion of Adepts and Zekken as runner up. Shout, our champion, is a slasher, and Zekken is a lunger. We congratulate them.

I count nine dead Adepts here, and we salute them.

**Initiates.** What have y'all been initiated into? The defense of Alastari from monsters out of other worlds. Good. Someone's got to do it.

Round one, eighty-nine fights. Lungers dominate at forty-three. Strikers are next at twenty-eight, and aimed blows at twenty-seven. From there the numbers drop fast from nineteen walls of steel to two parry-lungers. That's the way it goes. Everyone wants one of the glamorous styles. Who can really blame them?

Round nine, down to a mere fifteen fights. We've got two undefeated warriors in the lead: Brown Sugar (a striker) and Chief Chief (a wall of steel). Looks like eight with one loss, and a lot with two. I'm not going to count or list these guys. I don't have all day, and my fingers are tired. Any style whose name starts with "parry-" is out of the running now, and there are only eight lungers still standing. Bashers are down to one.

Round ten, eleven fights. Only Brown Sugar remains undefeated. Seven with one loss, and eight with two. Seven lungers now, and slashers have dropped to one.

Round twelve, six fights. Brown Sugar remains undefeated, but the others are all down to two losses or out.

Round fourteen, four fights. Brown Sugar got his/her first loss from Bonnie McMurray but is still in the lead, having only one loss to everyone else's two. Four warriors have two losses and are still in the contest: Marksman, Janky, Serendipity, and Bonnie McMurray. The last slasher is out.

Round fourteen, three fights, with Janky drawing a standby. Brown Sugar has the lead with one loss, Marksman and Janky are still in with two, the others are out. No aimed blows or lungers are fighting now. We're coming near the end here.

## TOURNAMENT SPY REPORT (continued)

Round sixteen, one fight, not the last one. BROWN SUGAR 85-54506 of STICKY FINGERS was devastated by JANKY 86-16113 of JESS SAYS in a 1 minute mismatched fight. Brown Sugar and Janky, both strikers, are now tied with two losses, and the next round will decide the contest.

Round seventeen, one final fight: BROWN SUGAR 85-54506 of STICKY FINGERS was devastated by JANKY 86-16113 of JESS SAYS in a 1 minute mismatched fight. And Janky, something of an underdog, comes from below and sweeps the contest. Janky is the champion, and Brown Sugar is runner up, both strikers, and we congratulate them.

Several Initiates have died in this tourney, I count fourteen. We salute them.

**Apprentices.** Student fighters? But some of them will be really dead. I see some kills have occurred in the first round.

Round one, I count one hundred eighty-nine fights, but I could be wrong. It's early in the morning here and I haven't had caffeine. Lungers dominate the numbers at fifty-five, with strikers next at fifty-one. Aimed blows, walls of steel, and total parries in the thirties, rippers and slashers in the teens, and the other styles present in small numbers.

Round nine, twenty fights. Two warriors are undefeated at this point: Coraku (a total parry) and Bianca on teh Boom (a slasher). Nine with one loss, and fourteen with two losses. The hands are unwilling to list them. Lungers involved have dropped to twelve. Bashers, plungers and pikers are all gone. The other styles are in between.

Round ten, thirteen fights. Nobody is undefeated now, and I'm not going to count the ones with one or two losses.

Round eleven, nine fights. Obviously, if no one was undefeated last time, no one is now. Six with a single loss, the hands don't want to list 'em. Five with two losses, and seven eliminated. That's progress of a sort. Aimed blows are now most numerous at four, lungers are down to two. Three strikers, three total parries, and three walls of steel.

Round twelve, six fights. Three with one loss: Coraku (a total parry), Sky Comma (a wall of steel), and Wickersham (and a lunger). Six with two losses, and two eliminated.

Round thirteen, five fights, Youtoobin drew a standby. Wickersham is alone in the lead with a single loss. Six have two losses, and two more are out. We've got to do the eliminations faster here, or we'll be all night at this.

Round fourteen, four fights. Wickersham (a lunger) retains his one-loss advantage; he drew a standby on this round. With two losses, we have Sky Comma (a wall of steel), Pleasant Words (an aimed blow), and Bianca on teh Boom (ya slasher) (yes, she really spells it that way). Everybody else is out. Two each aimed blows and walls of steel, a lunger, a slasher, and a total parry, no other styles still working out there today.

Round fifteen, two fights. Wickersham ousted Bianca, and Pleasant Words defeated Sky Comma, all now have two losses, and the next round will finish this.

Round seventeen, I don't know what rabbithole round sixteen went down, but this is the final round, with one fight. And the end of apprentices: WICKERSHAM 42-5278 of LEVIATHAN bested BIANCA ON TEH BOOM 86-10482 of MY FIRST STEP in a crowd pleasing 2 minute fight. Wickersham, a lunger is our champion, and Bianca a slasher is runner up. We congratulate them.

A bunch of Apprentices died here, I count sixteen, mostly early in the contest. We salute them.

**Rookies,** so young and so clueless. Everything seems possible to these guys, and it may be.

Round one, I make it two hundred and seven fights. My head is spinning. Eighty-seven aimed blows, eighty-two lungers, eighty-one strikers, then a sharp drop to forty-seven slashers, thirty-one rippers, twenty-four walls of steel, eighteen bashers, thirteen plungers, and ten pikers. All ten styles, and not just tokens on the less popular. That's good.

Round nine, twenty-nine fights. I can see why they use scribe golems to make the notes. Three undefeated: Defient (an aimed blow), Tripin (a lunger), and Gentlman Cob (a total parry). With one and two losses, too many for me to list. We're down to fifteen lungers, fourteen aimed blows, ten strikers, and lesser numbers fading down to no plungers left.

Round ten, twenty-one fights. Tripin and Gentlman Cob remain undefeated. With one loss we have Silent Stare, Defient, Dalim, and Krag. Not going to list or even count the ones with two losses. No rippers left now.

Round eleven, I make it fourteen fights. Nobody left undefeated. No bashers left in the contest now.

Round twelve, nine fights. Only Silent Stare and Dalim hold the lead with a single loss. The others are numerous, and if they haven't been eliminated (or killed) they have tourney victor status.

## TOURNAMENT SPY REPORT (continued)

Round thirteen, six fights. Our leaders remain unchanged: Silent Stare and Dalim. I see four with two losses: Tureis, No Money Down, Talon, and Muktuk. No slashers left.

Round fourteen, three fights. Dalim retains the lead with his single loss. Still in there fighting with two losses are Silent Stare, Tureis, and Muktuk. I knew the "No Money Down" bit couldn't last. It's now four aimed blows, a piker, and a striker.

Round fifteen, two fights. Dalim (a striker) retains the lead with one loss, Tureis (a lunger) is right behind him with two losses, they're stars. The others are out now.

Round sixteen, one fight: DALIM 30-5807 of FORNAX was unbelievably bested by TUREIS 39-4311 of PUPPIS in a 2 minute fight. Dalim and Tureis are now tied, and the next fight will settle this.

Round seventeen, one final fight: DALIM 30-5807 of FORNAX was unbelievably bested by TUREIS 39-4311 of PUPPIS in a 2 minute fight. Tureis, a lunger, is our champion, and Dalim, a striker, is runner up. We congratulate them.

I count forty-two dead, their careers cut short when barely begun. We salute them.

A strange thing happened as the first cohort of eliminated warriors were drowing their sorrows. After the fights ended for the day, they snuck back into the arena and organized a single-elimination tournament amongst themselves to determine the best in each class. The attendees who stayed to watch the Fools tourneys were highly amused. Congrats to the victors of each, who've earned a Tournament Victor challenge for their efforts.

There you have it, our seventy-fifth mail-in tournament. Congratulations to the champions!
