

# THE MAIL-IN GRAND TOURNAMENT LXXVII

## ARENAMASTER'S NOTES: 31 October 2022

This is the newsletter for the seventy-sixth Mail-In Grand Tournament. All newsletters for regular Duellmasters arenas will include a listing of the tournament participants from that arena—all the warriors that fought will have their tournament win-loss record posted for all to see. The class divisions for Mail-In LXXVI were as follows:

DM 200, The Primus Tournament	– All Primus inducted warriors (as of the Fall 2022 ADM Freeze)
DM 201, The Contenders Tournament	– All Primus contenders (as of the Fall 2022 ADM Freeze)
DM 202, The Eligible Tournament	– All Primus qualified warriors
DM 203, The ADM Tournament	– All other ADM warriors
DM 204, The Freshmen Tournament	– All new ADM warriors and ADM Freshmen
DM 205, The Challengers Tournament	– DM warriors with 31+ fights as of the Tournament
DM 206, The Champions Tournament	– DM warriors with 21+ fights as of the Tournament
DM 207, The Adepts Tournament	– DM warriors with 11-20 fights as of the Tournament
DM 208, The Initiates Tournament	– DM warriors with 5-10 fights as of the Tournament
DM 209, The Apprentices Tournament	– DM warriors with 1-4 fights as of the Tournament
DM 210, The Rookies Tournament	– DM warriors with 0 fights as of the Tournament

A grand total of 3101 warriors participated in Grand Tournament LXXVI. This was a huge amount of strategy input, and every effort was made to ensure the accuracy of the strategies. Unfortunately, we cannot correct any possible turn input errors, nor can we rerun fights, give credit, or change learns due to possible errors.

Thanks to all of you for participating in this Grand Tournament. Your warrior's tournament record will not count toward his record in regular arena play. The warrior with the best overall record in each class is declared "The Tournament Champion," and may fight for free in regular arena play. In addition, the manager of each Tournament Champion for each tournament is awarded the Tournament Prize: a single Zombie potion which allows them to choose any of their dead warriors and resurrect it as a zombie! Zombies are not known for their intelligence (-4 Wit) but they have enhanced Strength (+2), Will (+2), Attack skills (+2 to base), the maximum damage ability for its attributes (in perpetuity), and can use both arms (and legs) equally well! (All modifications will leave the warrior within natural boundaries for their arena.) All Dead Tourney Tournament Champions will be resurrected and granted immortality; Tournament Victors of the Dead Tourneys will only be resurrected. Immortal warriors may not challenge the Dark Arena. (You don't have to kill off a member of your team when the dead warrior is resurrected; you can wait for an opening on the team to occur naturally any time in the next six months.) Please remember, you must use all prizes within six months of the tourney when they were won.

In addition, a special prize of one bonus skill potion will be awarded to the manager of each of the Stylemasters in all tournaments. Primus bonus potions must be used on a Primus warrior of the same style; ADM bonus potions must be used on an ADM warrior of the same style; basic DM potions may be used on any living warrior on the same team. All Stylemaster prizes must be used within six months.

Warriors in the regular tournaments who were uneliminated at the end of the tenth round have earned "Tournament Victor" status, which will enable them to make one challenge per turn with increased priority by writing "TV" next to that challenge. Tournament Victor and Tournament Champion status are great honors, and their benefits will last until our next Mail-In tournament, or until six months have passed. All warriors who earned Tournament Champion or Tournament Victor status from the Spring Mail-in longer have this status. All Victors and Champions will also receive a Certificate of Achievement.

Congratulations to the winners, and condolences to the dead. – The Gladiatorial Commission

## TOURNAMENT SPY REPORT

A great, early snowstorm raged throughout Alastari, making roads near impassible. When the notes from the scribes arrive at the Commission offices, we will be sure to post them to the arenas as soon as possible.
