

THE SPRING TOURNEY, GRAND TOURNAMENT LXVII

Olaf Modeen stared at his mug, trying to think of something to say to it. Or about it. He was completely uninspired. Tournaments always left him that way at the beginning. He groaned.

"Need another beer?" The voice was bright, unreasonably cheerful, and familiar.

Olaf looked over at Debby Tonte. Blonde, cheerful, and well tanned. He said, "Death and Taxes."

Her eyes widened. "Tourney time already?"

"In a month or so, but it's time to start thinking about now."

"The managers will be happy. Happy managers are good. They give the best parties. They like the prizes. What's the prize this time?"

"Design Your Own. Best one of five, manager's choice."

"Five different roll-ups?"

"Catch Her being that generous! Golems are expensive to make. The same golem seen in five mirrors. Different favorites, different starting skills, that kind of thing."

"Oh, right." She frowned at the mirror behind the bar.

Olaf could see her lips moving in a comment she didn't make out loud. "It's a good prize," he said.

She nodded. "I think I need a drink with an umbrella in it."

"Get one for me, too."

Across the land of Alastari the word is going out. The Duelmasters Grand Tournament LXVII is coming soon! This tournament will be held on Saturday, April 13, and will be a Mail-in tournament only.

The Duelmasters Grand Tournament is a premier competition. Only the strong will survive; only the best will win! And for this tournament only, winning means an opportunity that ranks as every guild master's greatest dream: The chance to design a warrior, completely from scratch, allocating all eighty-four points exactly as desired! Further, this warrior will be cloned three times, and you may choose the best warrior to join any team. Please remember, you must use all prizes within six months of the tourney when they were won.

In this Grand Tournament, honors will be awarded to warriors in eleven categories of competition: five tournaments for Advanced Duelmasters (ADM) and six tournaments for regular Duelmasters (DM). Warriors will fight according to their ADM tournament classification and/or total number of fights as follows:

TOURNAMENT CLASSES

The Primus Tournament	-- All Primus inducted warriors (as of the March 2019 ADM Freeze)
The Contenders Tournament	-- All Primus contenders (as of the March 2019 ADM Freeze)
The Eligibles Tournament	-- All Primus qualified warriors (as of the March 2019 ADM Freeze)
The ADM Tournament	-- All other ADM warriors (as of the March 2019 ADM Freeze)
The Freshmen Tournament	-- All new ADM warriors and ADM Freshmen (as of the March 2019 ADM Freeze)
The Challengers Tournament	-- DM warriors with 31+ fights as of the Tournament
The Champions Tournament	-- DM warriors with 21+ fights as of the Tournament
The Adepts Tournament	-- DM warriors with 11-20 fights as of the Tournament
The Initiates Tournament	-- DM warriors with 5-10 fights as of the Tournament
The Apprentices Tournament	-- DM warriors with 1-4 fights as of the Tournament
The Rookies Tournament	-- DM warriors with 0 fights as of the Tournament (April 13, 2019)

All warriors who have graduated to ADM before the tournament (due dates on or before Thursday, April 11), as well as warriors who were classified as Freshmen as of the March 2019 freeze, will fight in the Freshman Tournament. All ADM warriors who are not Freshman or Primus qualified (Eligibles) or inducted (Contenders or Primus) will fight in the ADM tourney. A warrior's number of fights is calculated by adding his regular arena bouts and roughly half of his previous tournament fights. Please note that all games due on Thursday will process before the tournament, while games due on Friday and Saturday will run after. A warrior's number of fights is calculated by adding his regular arena bouts and roughly half of his previous tournament fights. A warrior's fight total is determined by his record and statistics as of the day of the tournament; the freeze date for ADM warriors was March 3 at 5:53pm.

There will be ten rounds of combat. Pairings in the tournaments are random. In all tournament classes except Primus and Contenders, your warrior must win one of his first two fights to avoid being eliminated from the tournament. After that, his third loss will drop him from the tournament. In the Primus and Contenders Tourneys, warriors will not be eliminated until after Round 5; at that point and thereafter, warriors with three losses will be eliminated. Each tournament will continue until only one warrior remains uneliminated. On the average, each warrior will fight six fights, with a minimum of three fights for each warrior, barring death. Learning, experience, and the likelihood of dying are all at half of their normal rates--only so much can be learned in such a short time, fighting with blunted weapons. The record and popularity of your warriors in the tournament does not count towards their record in regular arena play.

Those warriors who win eight or more fights in the regular tourney and are alive at the end of Round 10 will be declared Tournament Victors. Tournament Victors may write "Tournament Victor" next to one of their challenges each turn in regular arena play to receive increased priority on their challenge. The winners of all BADD tournaments will also be declared Tournament Victors. The warrior with the best overall record at the end of each regular Grand Tournament will be declared Tournament Champion and will fight for free in regular arena play. Tournament Victor and Champion status are great honors which last until the next Grand Tournament or until six months have passed.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a Primus warrior of the same style, within six months.

You may enter as many of your gladiators in the tourney as you wish. The cost is \$7.00 per warrior, which includes postage. Your account will be billed when we run the tournament.
