

THE SPRING TOURNEY, GRAND TOURNAMENT LXIX

Debby Tonte wandered into the spy reporters' bar and looked around for someone to talk to. Most of the reporters had no conversation beyond the fights, and she didn't want to talk about the fights when she didn't have to. Olaf Modeen was sitting at a table in the corner, shuffling colorful paint samples. She went over to see what he was doing.

"It's the tourney prize," he said.

"A paint job for the winner's guildhouse?"

"No, it's a rainbow DYO. All ten styles, you know? I'm trying to figure out which styles are which colors. Is a total parry yellow, or blue because he's so calm? Who's red and green?"

"That doesn't make sense."

"Of course not. It's a Fool's Tourney."

Across the land of Alastari the word is going out. The Duelmasters Grand Tournament LXIX is coming soon! This tournament will be held on Saturday, April 4, and will be a Mail-in tournament only.

The Duelmasters Grand Tournament is a premier competition. Only the strong will survive; only the best will win! And for this tournament only, winning means an opportunity that ranks as every guild master's greatest dream, a Rainbow DYO: To design one new warrior with attributes of their choice! This warrior will then be placed into a special Twinning Apparatus, creating ten warriors, one of each fighting style, with your chosen attributes; you may choose the best three to add to your team. (The DYO will follow the normal Commission requirements: 84 total points, each minimum 3/maximum 21.) Please remember, you must use all prizes within six months of the tourney when they were won.

In this Grand Tournament, honors will be awarded to warriors in eleven categories of competition: five tournaments for Advanced Duelmasters (ADM) and six tournaments for regular Duelmasters (DM). Warriors will fight according to their ADM tournament classification and/or total number of fights as follows:

All warriors who have graduated to ADM before the tournament (due dates on or before Thursday, April 2), as well as warriors who were classified as Freshmen as of the February 2020 freeze, will fight in the Freshman Tournament. All ADM warriors who are not Freshman or Primus qualified (Eligibles) or inducted (Contenders or Primus) will fight in the ADM tourney. A warrior's number of fights is calculated by adding his regular arena bouts and roughly half of his previous tournament fights. Please note that all games due on Thursday will process before the tournament, while games due on Friday and Saturday will run after. A warrior's number of fights is calculated by adding his regular arena bouts and roughly half of his previous tournament fights. A warrior's fight total is determined by his record and statistics as of the day of the tournament; the freeze date for ADM warriors was February 22 at 7:34am.

There will be ten rounds of combat. Pairings in the tournaments are random. In all tournament classes except Primus and Contenders, your warrior must win one of his first two fights to avoid being

eliminated from the tournament. After that, his third loss will drop him from the tournament. In the Primus and Contenders Tourneys, warriors will not be eliminated until after Round 5; at that point and thereafter, warriors with three losses will be eliminated. Each tournament will continue until only one warrior remains uneliminated. On the average, each warrior will fight six fights, with a minimum of three fights for each warrior, barring death. Learning, experience, and the likelihood of dying are all at half of their normal rates--only so much can be learned in such a short time, fighting with blunted weapons. The record and popularity of your warriors in the tournament does not count towards their record in regular arena play.

Those warriors who win eight or more fights in the regular tourney and are alive at the end of Round 10 will be declared Tournament Victors. Tournament Victors may write "Tournament Victor" next to one of their challenges each turn in regular arena play to receive increased priority on their challenge. The winners of all Fools tournaments will also be declared Tournament Victors. The warrior with the best overall record at the end of each regular Grand Tournament will be declared Tournament Champion and will fight for free in regular arena play. Tournament Victor and Champion status are great honors which last until the next Grand Tournament or until six months have passed.

In addition, one bonus skill potion will be awarded to the manager of each of the Stylemasters in the Primus tournament. This bonus potion must be used on a Primus warrior of the same style, within six months.

You may enter as many of your gladiators in the tourney as you wish. The cost is \$7.00 per warrior, which includes postage. Your account will be billed when we run the tournament. If your account does not have sufficient funds, we may not process your warriors. Strategy sheets for all warriors you want to participate in the tourney must arrive at RSI by Wednesday, April 1. We will not accept phoned-in strategy sheets for the tournament, though you may fax them.
